A. Introduction

1. On July 17, 2026 (the "**Filing Date**"), Findev Lending Inc. ("**Findev Lending**" or the "**Applicant**" or the "**Purchaser**"), a secured creditor of 1682 Victoria Park Avenue Inc. ("**Victoria Park**" or the "**Debtor**"), sought and obtained an initial order (the "**Initial Order**") under the *Companies' Creditors Arrangement Act*, R.S.C. 1985, c. C-36, as amended (the "***CCAA***") in favour of Victoria Park. The proceedings commenced by the Applicant under the *CCAA* will be referred to herein as the "***CCAA* Proceedings**."

2. On September 15, 2026, the Court made an order (the "**RVO**") approving a transaction (the "**Transaction**") pursuant to which the Applicant purchased all the outstanding shares in the Debtor, with all liabilities and encumbrances affecting the Debtor (except certain permitted liabilities and encumbrances) vesting in a residual corporation, being 1001740770 Ontario Inc. ("**Residual Co.**").

3. On October 9, 2026, the Applicant and the Monitor (on the Debtor's behalf) closed this Transaction and the Debtor was thereby replaced with Residual Co. as the subject of these *CCAA* Proceedings.

4. The Monitor is of the view that its mandate has now been substantially completed and now seeks an order terminating these *CCAA* Proceedings and providing for its discharge.

5. The purpose of this Third Report of the Monitor (the "**Third Report**") is to provide the Court with the Monitor's views with respect to the within motion, which seeks orders:

Docusign Envelope ID: B9AC5FF6-DBCC-8677-830D-EB3B1A8C07BB

(a) Abridging the time for service and filing of the Monitor's Notice of Motion and Motion Record and validating service thereof;

(b) Approving this Third Report and the Monitor's activities described therein;

(c) Approving the fees of the Monitor and its counsel as described in the fee affidavits (the "**Fee Affidavits**") appended to this Third Report, including the Fee Accruals (as defined below) of the Monitor and its counsel in connection with the termination of these proceedings;

(d) Approving the payment of the fees and disbursements of the Monitor and its counsel from the Proceeds (as defined below);

(e) Upon the Monitor filing with the Court a certificate substantially in the form attached as Schedule "A" to the proposed discharge order (the "**Discharge Order**"):

(i) terminating these proceedings;

(ii) discharging the Monitor; and

(iii) releasing the Monitor from any liability in connection with these proceedings, except in respect of liability arising from gross negligence or wilful misconduct; and

Docusign Envelope ID: B9AC5FF6-DBCC-8677-830D-EB3B1A8C07BB

(f) extending the Stay of Proceedings through to the date on which the Monitor files with the Court a certificate substantially in the form attached as Schedule "A" to the Discharge Order.

6. As set out in greater detail below, the Monitor recommends that the Court grant the foregoing.

B. Disclaimer and Terms of Reference

7. In preparing this Third Report, AGI, in its capacity as the Monitor, has been provided with, and has relied upon, unaudited financial information and the books and records prepared by the Applicant, and has held discussions with management of the Applicant and its legal counsel (collectively, the "**Information**"). Except as otherwise described in this Third Report:

(a) the Monitor has reviewed the Information for reasonableness, internal consistency and use in the context in which it was provided. However, the Monitor has not audited or otherwise attempted to verify the accuracy or completeness of the Information in a manner that would wholly or partially comply with Canadian Auditing Standards ("**CASs**") pursuant to the Chartered Professional Accountants Canada Handbook (the "**CPA Handbook**") and, accordingly, the Monitor expresses no opinion or other form of assurance contemplated under CASs in respect of the Information; and

Docusign Envelope ID: B9AC5FF6-DBCC-8677-830D-EB3B1A8C07BB

(b) some of the Information referred to in this Third Report consists of forecasts and projections. An examination or review of the financial forecasts and projections, as outlined in the CPA Handbook, has not been performed.

8. Future oriented financial information referred to in this Third Report was prepared based on the estimates and assumptions of the Applicant. Readers are cautioned that since projections are based upon assumptions about future events and conditions that are not ascertainable, actual results will vary from the projections, even if the assumptions materialize, and the variations could be significant. Unless otherwise stated, all monetary amounts contained herein are expressed in Canadian dollars.

9. The Monitor has prepared this Third Report in connection with the Monitor's motion for the termination of these CCAA Proceedings and the Monitor's discharge and should not be relied upon for any other purpose.

10. Capitalized terms not otherwise defined herein are defined in the Second Report of the Monitor dated September 10, 2026 (the "**Second Report**") or in the Subscription Agreement.

C. Background

11. The Debtor is the developer of a condominium project (the "**Project**"). A number of the units in the Project have been sold to homebuyers, but the Debtor retains title and possession of 65 of the 147 townhouses that make up the Project.

1. The Initial Order

12. On July 17, 2026, the Court granted the Initial Order which, among other things:

Docusign Envelope ID: B9AC5FF6-DBCC-8677-830D-EB3B1A8C07BB

(a) granted a stay of proceedings until and including July 24, 2026 in favour of the Debtor. The stay of proceedings does not apply to Windsor Family Credit Union Limited ("**WFCU**"), Firm Capital Mortgage Fund Inc. ("**Firm Capital**") or Westmount Guarantee Services Inc. ('**Westmount**") (collectively, the "**Unaffected Secured Creditors**");

(b) appointed Albert Gelman Inc. as monitor of the Debtor ("**AGI**" or in such capacity the "**Monitor**");

(c) ordered that the Debtor shall remain in possession and control of its current and future assets, undertakings and properties, including the properties more particularly described at Schedule "A" to the Notice of Application (the "**Properties**" – and in specific regard to the 65 unsold units in the Debtor's 147 townhouse project on Victoria Park Avenue, the "**Unsold Units**") and shall continue to carry on business in a manner consistent with the preservation of its business and Property;

(d) granted the Monitor, on behalf of the Debtor, the right to:

(i) permanently or temporarily cease, downsize or shut down any of the Debtor's business or operations, and to dispose of redundant or non-material assets not exceeding $50,000.00 in any one transaction or $500,000.00 in the aggregate;

(ii) terminate the employment of the Debtor's employees or temporarily lay off such employees as it deems appropriate;

Docusign Envelope ID: B9AC5FF6-DBCC-8677-830D-EB3B1A8C07BB

(iii) pursue all avenues of refinancing of the Debtor's business or Property, in whole or part, subject to prior approval of the Court being obtained before any material refinancing; and

(iv) operate and control, for and on behalf of and in the name of the Debtor, all of the Debtor's existing accounts at any financial institution in such manner as the Monitor, in its sole discretion, deems necessary or appropriate;

(e) granted the Administration Charge to the maximum amount of $100,000, subordinated to and ranked in fourth position against all Property of the Debtor;

(f) ordered that the Applicant shall pay all amounts owing on the WFCU Charge, registered as Instrument No. AT6105081 on June 13, 2022 against title to the Unsold Units, as and when due including any accrued and unpaid amounts owing as at the date of this Order and all fees, expenses and other amounts chargeable under the mortgage; and

(g) ordered that that the Applicant shall pay all amounts owing on the Firm Capital Charge, registered as Instrument No. AT6870139 on July 30, 2025 against title to the Unsold Units, as and when due, including any accrued and unpaid amounts owing as at the date of this Order and all fees, expenses and other amounts chargeable under the mortgage.

Docusign Envelope ID: B9AC5FF6-DBCC-8677-830D-EB3B1A8C07BB

13. A copy of the Initial Order and the Court's endorsement in connection with the Initial Order are attached hereto as **Appendix A**.

14. Prior to commencement of the *CCAA* Proceedings, AGI in its capacity as proposed monitor, filed with the Court a pre-filing report dated July 14, 2026 (the "**Pre-Filing Report**"). The Pre-Filing Report (without appendices) is attached hereto as **Appendix B**.

2. The ARIO

15. On July 24, 2026, the Court amended and restated the Initial Order (the "**ARIO**") which, among other things, extended the Stay of Proceedings (other than with respect to the Unaffected Secured Creditors) to October 15, 2026 and increased the Administration Charge to $500,000. A copy of the ARIO and the Court's endorsement in connection with the ARIO is attached hereto as **Appendix C**.

16. On July 23, 2026, the Monitor filed the First Report in connection with the Applicant's motion for the ARIO. This First Report (without appendices) is attached hereto as **Appendix D**.

3. The RVO and the Transaction

17. On August 28, 2026, the Applicant and the Monitor (on behalf of the Debtor), executed a Subscription Agreement by which the Applicant would purchase all shares in the Debtor through a reverse vesting order, which was later amended on September 10, 2026.

Docusign Envelope ID: B9AC5FF6-DBCC-8677-830D-EB3B1A8C07BB

18. The Transaction contemplated the vesting of all outstanding shares of the Debtor in and to the Purchaser and vest all Excluded Liabilities of the Debtor in Residual Co. such that the Debtor will be released of all Excluded Liabilities and retain all Retained Assets as it did prior to Closing, subject only to the Assumed Liabilities and Permitted Encumbrances.

19. As noted above, on September 15, 2026, the Court granted an order approving and implementing the Transaction. A copy of the RVO and the Court's endorsement in connection with the RVO are attached hereto as **Appendix E**.

20. On September 10, 2026, the Monitor filed the Second Report in connection with the Applicant's motion for the RVO. The Second Report (without appendices) is attached hereto as **Appendix F**.

21. On September 14, 2026, the Monitor filed a supplement to the Second Report in connection with the Applicant's motion for the RVO. The supplement to the Second Report is attached hereto as **Appendix G**.

22. On October 9, 2026, the Applicant and the Monitor (on the Debtor's behalf) completed the Transaction. A copy of the Monitor's Certificate filed with the Court to evidence the completion of the Transaction is attached hereto as **Appendix H**.

23. As contemplated by the RVO, upon closing of the Transaction, among other things:

(a) the Debtor was released from the Excluded Liabilities, which vested in Residual Co. (the Debtor retaining only the Assumed Liabilities and Permitted Encumbrances); and

Docusign Envelope ID: B9AC5FF6-DBCC-8677-830D-EB3B1A8C07BB

(b) the Debtor was replaced by Residual Co. as the subject of these *CCAA* Proceedings.

24. While the Subscription Agreement contemplated that the Applicant could deem certain assets of the Debtor to be "Excluded Assets," which assets would vest in Residual Co. upon closing, the Applicant did not deem any of the Debtor's assets to be excluded assets. Accordingly, Residual Co. has no assets (other than the Proceeds (as defined below), which are held for the benefit of Residual Co. pursuant to section 6(b) of the Subscription Agreement and are to be applied to the fees and disbursements of the Monitor and its counsel).

25. The Applicant satisfied the Purchase Price under the Transaction through:

(a) Assuming the registered encumbrances and liabilities that ranked in priority to the Applicant's mortgage;

(b) Paying an amount in cash to the Monitor equal to the value of any other claims that ranked in priority to the Applicant's claim against the Debtor (such amounts being the "**Priority Payables**"); and

(c) Releasing and credit bidding the mortgage debt owing the Applicant.

26. The Monitor obtained and reconciled the City of Toronto property tax statements for the Unsold Units, which reflected that no realty taxes were outstanding, and obtained written confirmation from the Applicant and its counsel that the Debtor did not owe any outstanding condominium fees in connection with the Unsold Units. Accordingly, the

Docusign Envelope ID: B9AC5FF6-DBCC-8677-830D-EB3B1A8C07BB

Monitor determined that the only outstanding Priority Payables were the fees and disbursements of the Monitor and its legal counsel.

27. As at October 9, 2026, the Monitor and its counsel determined that their outstanding fees and disbursements (inclusive of HST) were as set out in the table below (including estimated further fees to complete the Monitor's mandate and administer the bankruptcy of Residual Co. and a contingency reserve of $50,000):

Professional	**Accrued and Estimated Fees (as at October 9, 2026)**
Albert Gelman Inc.	$ 182,766.00
Paliare Roland	$ 75,000.00
Garfinkle Biderman	$ 36,000.00
Contingency reserve	$ 50,000.00
Total	**$ 343,766.00**

28. The Monitor already possessed $223,000 in the form of a deposit for its fees and those of its counsel, which was previously paid to it by the Applicant. Accordingly, the Monitor requested that the Applicant pay a further $120,766 to pay for the accrued professional fees of the Monitor and its counsel as well as the prospective estimated professional fees of the Monitor and its counsel to both (1) conclude the Monitor's mandate within these *CCAA* Proceedings and (2) administer the bankruptcy of Residual Co.

29. The Applicant objected to payment of further amounts in connection with the fees of the Monitor and its counsel to administer the bankruptcy of Residual Co. on the grounds that the Applicant's principal, Anthony Heller, is the sole shareholder, officer and director

Docusign Envelope ID: B9AC5FF6-DBCC-8677-830D-EB3B1A8C07BB

of Residual Co. and he would be responsible for addressing the bankruptcy of Residual Co., in his capacity as officer and director.

30. Given that (1) as a result of the RVO, Residual Co. has no assets and (2) Mr. Heller remains the sole director and officer of Residual Co. and is subject to the duties of a director and officer of Residual Co., the Monitor determined that it was appropriate to:

(a) remove the further estimated professional fees of the Monitor and its counsel in connection with the prospective bankruptcy of Residual Co. and

(b) proceed to terminate these *CCAA* Proceedings, and its mandate as Monitor, without taking any steps to cause or administer the bankruptcy of Residual Co.

31. The Monitor therefore removed $39,550 from AGI's estimated fees and $15,000 from Paliare's estimated fees, leaving a balance of $66,216.00 payable on closing.

32. In accordance with the foregoing, upon the closing of the Transaction, the Applicant paid $66,216.00 in cash (the "**Proceeds**") on account of the Priority Payables, which amount is held in trust by Garfinkle (as defined below). These Proceeds are being held pending approval of the fees and disbursements of the Monitor and its counsel (which fees and disbursements are addressed below).

33. In its endorsement dated September 15, 2026, the Court noted that Residual Co. would eventually become a bankrupt and that the priority of the claim of the Canada Revenue Agency ("**CRA**") in respect of unremitted HST would be reversed in a bankruptcy of Residual Co. The Monitor is of the view that terminating these CCAA Proceedings

Docusign Envelope ID: B9AC5FF6-DBCC-8677-830D-EB3B1A8C07BB

without a bankruptcy of Residual Co. does not prejudice the creditors of Residual Co., as Residual Co. has no assets (other than the Proceeds, which are to be applied to the fees and disbursements of the Monitor and its counsel) and no funds will be available for distribution to its unsecured creditors, whether in these CCAA Proceedings or in a bankruptcy.

D. Proposed Termination of these CCAA Proceedings

34. Given that the Transaction has now completed, the Monitor recommends that the Court grant the proposed Discharge Order.

35. In connection with the RVO, the Applicant undertook to CRA that the Debtor would file its 2025 T2 corporate income tax return within 30 days of the RVO. In addition, pursuant to paragraph 15 of the RVO, taxes in respect of the Debtor's business and operations on or after the Filing Date, including the Debtor's outstanding post-filing HST returns, remain obligations of the Debtor.

36. The proposed Discharge Order provides that the *CCAA* Proceedings shall be terminated upon the filing by the Monitor of a certificate substantially in the form attached as Schedule "A" to the Discharge Order (the "**Discharge Certificate**") and the Monitor shall be discharged. Notwithstanding its discharge, the Monitor shall have the authority to carry out the performance of incidental or ancillary duties related to its mandate as Monitor (the "**Monitor Incidental Duties**") and shall continue to have the benefit of any of the rights, approvals, stays of proceedings and protections in favour of the Monitor at law or pursuant to the *CCAA*, the ARIO, or any other Order of this Court in these *CCAA* Proceedings or otherwise.

Docusign Envelope ID: B9AC5FF6-DBCC-8677-830D-EB3B1A8C07BB

37. The Stay of Proceedings expired on October 15, 2026. Pursuant to the Discharge Order, this Stay of Proceedings will be extended through to the date on which the Monitor files its Schedule "A" to the Discharge Order (thereby ensuring an orderly conclusion to these proceedings not interrupted by outstanding claims against Residual Co.).

38. Pursuant to the terms of the Discharge Order and in connection with the termination of the *CCAA* Proceedings, the Monitor and each of its affiliates, officers, directors, partners, employees and agents, as applicable (collectively, "**Released Parties**") will be released from any and all liability that the Released Parties now or may hereafter have by reason of any act, omission, transaction, dealing or other occurrence in any way relating to arising out of, or in respect of the *CCAA* Proceedings, including in carrying out any Monitor Incidental Duties whether known or unknown, matured or unmatured, foreseen or unforeseen, relating to matters that were raised, or could have been raised, in the CCAA Proceedings (collectively, the "**Released Claims**").

E. Professional Fees

39. Paragraph 23 of the ARIO contemplates that the Monitor and its legal counsel shall pass their accounts from time to time before a judge of the Commercial List of the Ontario Superior Court of Justice.

40. The Monitor and its legal counsel have incurred the professional fees described in greater detail below. The Monitor respectfully recommends and requests that the Court approve such fees and those of its counsel.

41. The Monitor's professional fees incurred for services rendered from July 1, 2026 to October 23, 2026 amount to $98,288.00, plus disbursements in the amount of $59.59

Docusign Envelope ID: B9AC5FF6-DBCC-8677-830D-EB3B1A8C07BB

(all excluding HST), for a total of $111,129.67 inclusive of HST. These amounts represent professional fees and disbursements not yet approved by the Court. The time spent by the Monitor's professionals is described in the affidavit of Tom McElroy, sworn October 26, 2026 attached hereto as **Appendix I**. The Monitor estimates that it will be required to incur up to $30,000 in fees and disbursements (inclusive of HST) (the "**AGI Fee Accrual**") to complete the Monitor's mandate in this *CCAA* Proceeding and requests approval of such AGI Fee Accrual.

42. The fees of Paliare Roland Rosenberg Rothstein LLP ("**Paliare**"), insolvency counsel to the Monitor, for services rendered from July 1, 2026 to September 30, 2026 total $89,330.92 (inclusive of HST and disbursements). These amounts represent professional fees and disbursements not yet approved by the Court. The time spent by Paliare's professionals is described in the affidavit of Candace Baumtrog sworn November 2, 2026, 2026 attached hereto as **Appendix J**. Paliare estimates that it will be required to incur up to $15,000 in fees and disbursements (inclusive of HST) (the "**Paliare Fee Accrual**" and, together with the AGI Fee Accrual, the "**Fee Accruals**") to assist the Monitor in completing the Monitor's mandate in this *CCAA* Proceeding. The Monitor requests approval of such Paliare Fee Accrual.

43. The fees of Garfinkle Biderman LLP ("**Garfinkle**"), corporate and real estate counsel to the Monitor, for services rendered from July 24, 2026 to November 2, 2026 total $35,920.42 (inclusive of HST and disbursements). These amounts represent professional fees and disbursements not yet approved by the Court. The time spent by Garfinkle's professionals is described in the affidavit of Mark Lauriola sworn November 2, 2026 attached hereto as **Appendix K**.

Docusign Envelope ID: B9AC5FF6-DBCC-8677-830D-EB3B1A8C07BB

44. The Monitor is of the view that the foregoing professional fees are fair and reasonable having regard to the complexity of this matter, the value of Victoria Park's assets and the benefit for stakeholders generated by the services rendered by the foregoing professionals.

45. The Monitor requests that the Court:

(a) Approve the professional fees and disbursements described herein, including the Fee Accruals;

(b) Authorize the payment of the professional fees and disbursements described herein from the Proceeds; and

(c) Authorize the payment of further professional fees incurred by AGI and Paliare from the Proceeds, up to the amount of their respective Fee Accruals, without the need for further approval or order of the Court.

F. Activities of the Monitor since the Second Report

46. Since the date of the Second Report, the Monitor, and/or its counsel as applicable, have, among other things, undertaken the following activities:

(a) updated the Monitor's website;

(b) communicated with creditors and other stakeholders of the Debtor to provide information about the *CCAA* Proceedings and to answer questions;

Docusign Envelope ID: B9AC5FF6-DBCC-8677-830D-EB3B1A8C07BB

(c) monitored disbursements proposed by the Applicant during the period since the Filing Date to ensure payments were consistent with the Cash Flow Forecast and ARIO;

(d) completed various tasks in connection with the Transaction including:

(i) verifying outstanding realty tax and condominium management fee liability of the Debtor;

(ii) reviewing deliverables for the Transaction;

(iii) corresponding with the Applicant and counsel to the Applicant; and

(iv) completing the Transaction, including executing the special resolution, Articles of Amendment, director's resolution and share certificate contemplated by the RVO and the Subscription Agreement, and delivering and filing the Monitor's Certificate; and

(e) prepared this Third Report.

G. Recommendation and Conclusion

47. Based on the foregoing, the Monitor respectfully recommends that the Court grant the proposed Discharge Order.

ENDORSEMENT OF JUSTICE FL MYERS:

1. The debtor is a Canadian corporation. It is insolvent and, for all intents and purposes, out of business. But it has 65 houses left to sell. The Applicant Findev Lending Inc. is funding this process to try to realize on the debtor's assets as best as it can.
2. The Applicant has proposed no DIP charge for its borrowings. It proposes an Adnin charge behind the mortgagees in priority. The Applicant will keep the mortgagees current and has entered into forbearance agreements with the first two mortgagees.
3. The proposed Monitor confirms that the technical requirements of the statute are met.
4. If granted court protection, Findev proposes to come back with a SISP that includes a stalking horse credit bid for the *en bloc* purchase of the remaining homes through an RVO structure. Notice and timing of marketing will be important. Nothing said today is to be taken as approval of the proposal. That is for one or more hearings down the road.
5. For today, it is clear that the order sought ought to be made. The debtor is a company to which the statute applies. A stay is required to allow the Applicant to develop an orderly procedure for maximizing realization in the interests of creditors. They fact that it is making protective disbursements to senior creditors

and it not taking an aggressive stand seeking all manner of priming charges establishes in my mind a very reasonable approach.

A. Introduction

1. Findev Lending Inc. (the "**Applicant**" or "**Findev Lending**") has commenced an application to the Ontario Superior Court of Justice (Commercial List) (the "**Court**") for an order (the "**Initial Order**") granting, among other things, a stay of proceedings in favour of 1682 Victoria Park Inc. (the "**Debtor**" or "**Victoria Park**") pursuant to the *Companies' Creditors Arrangement Act*, R.S.C. 1985, c. C-36, as amended (the "***CCAA***"), and appointing Albert Gelman Inc. (the "**Proposed Monitor**" or "**AGI**") as Monitor (in such capacity, the "**Monitor**"). The proceedings to be commenced by the Applicant under the *CCAA* are referred to herein as the "***CCAA* Proceedings**".

2. The Proposed Monitor prepares this pre-filing report to provide information that would be of assistance to the stakeholders and the Court.

3. The Proposed Monitor recommends that the Court grant the Initial Order sought by the Applicant.

4. Based on its review of the materials provided to it by the Applicant, the Proposed Monitor understands that Victoria Park is the registered owner of the properties listed at Schedule "A" of the Notice of Application (collectively, the "**Unsold Units**") and the developer of the 147-townhouse project constructed at 1648-1682 Victoria Park Avenue, south of Lawrence Avenue, in Toronto, Ontario (the "**Project**" and all units in the Project being the "**Units**") marketed as "**The Vic Towns**". To date, there are 65 Unsold Units.

5. As a result of the significant downturn in the real estate market in Toronto and Ontario more generally, the Proposed Monitor understands that Victoria Park has been unable to sell the Unsold Units and generate the revenue necessary to meet its obligations as they fall due.

The Proposed Monitor understands that the revenue generated from the 82 sold townhouses was applied to pay down the indebtedness owing on the Windsor Charge (as defined below). The Proposed Monitor understands that Victoria Park has not completed a sale of a Unit since March 2026.

6. The Proposed Monitor understands that the Applicant is commencing these *CCAA* Proceedings to, primarily, effect a sale transaction to preserve and realize upon the value of the Unsold Units. As set out in greater detail below, the Monitor understands that the Applicant intends to use these *CCAA* Proceedings to seek approval of a sale and investment solicitation process (the "**Sale Process**") for Victoria Park and its assets and a stalking horse bid from the Applicant.

7. This pre-filing report (the "**Report**") should be read in conjunction with the affidavit of Anthony Heller sworn July 13, 2026 (the "**Heller Affidavit**"), and filed in support of the Applicant's application for relief for Victoria Park under the *CCAA*. Capitalized terms not otherwise defined herein adopt the definition given to them in the Heller Affidavit.

B. Purpose of the Pre-Filing Report

8. The purpose of this Report is to provide the Court with information and, where applicable, the Proposed Monitor's views on:

(a) AGI's qualifications to act as Monitor (if appointed);

(b) Certain limited background information;

(c) Victoria Park's cash flow forecast for the 15-week period ending October 19, 2026 (the "**Cash Flow Forecast**");

(d) The relief sought by the Applicant as part of the proposed Initial Order, including, among other things:

(i) Declaring that 1682 Victoria Park Avenue Inc. is a company to which the *CCAA* applies;

(ii) Authorizing Victoria Park to carry on business in a manner consistent with the preservation of its business and property;

(iii) Appointing AGI as Monitor of Victoria Park with certain enhanced powers as set out in the proposed Initial Order;

(iv) Staying for an initial period of not more than ten (10) days all proceedings, rights and remedies taken or that might be taken in respect of Victoria Park, including its business, property, directors, officers and the Proposed Monitor;

(v) Granting an administration charge against Victoria Park's Properties in fourth position and in favour of the Monitor, its counsel and counsel for the Applicant, to secure payment of their professional fees and disbursements in the sum of $100,000.00 (the "**Administration Charge**");

(vi) An Order, scheduling a comeback hearing on or before July 24, 2026 for, among other things:

1) An extension of the Stay of Proceedings;

2) Approval of the proposed Sale Process for the Properties, with a stalking horse credit bid component;

3) Authorizing and directing the Proposed Monitor to implement the Sale Process pursuant to the terms thereof;

4) Approving an Agreement of Purchase and Sale between the Victoria Park and the Applicant, in trust for a company to be incorporated; and

5) Sealing certain documents in the Report.

C. Terms of Reference and Disclaimer

9. In preparing this Report, AGI, in its capacity as the Proposed Monitor, has been provided with, and has relied upon, unaudited financial information and the books and records prepared by the Applicant, and has held discussions with management of the Applicant and its legal counsel (collectively, the "**Information**"). Except as otherwise described in this Report:

(a) the Proposed Monitor has reviewed the Information for reasonableness, internal consistency and use in the context in which it was provided. However, the Proposed Monitor has not audited or otherwise attempted to verify the accuracy or completeness of the Information in a manner that would wholly or partially comply with Canadian Auditing Standards ("**CASs**") pursuant to the Chartered Professional Accountants Canada Handbook (the "**CPA Handbook**") and, accordingly, the Proposed Monitor expresses no opinion or

other form of assurance contemplated under CASs in respect of the Information; and

(b) some of the Information referred to in this Report consists of forecasts and projections. An examination or review of the financial forecasts and projections, as outlined in the CPA Handbook, has not been performed.

10. Future oriented financial information referred to in this Report was prepared based on the estimates and assumptions of the Applicant. Readers are cautioned that since projections are based upon assumptions about future events and conditions that are not ascertainable, actual results will vary from the projections, even if the assumptions materialize, and the variations could be significant. Unless otherwise stated, all monetary amounts contained herein are expressed in Canadian dollars.

D. Background

11. The Proposed Monitor understands that the Applicant, Findev Lending, is a company incorporated under the *Business Corporations Act*, R.S.O. 1990, c. B.16 (the "***OBCA***").

12. The Proposed Monitor understands that Victoria Park is a company incorporated under the *OBCA*, with its registered head office located at 3830 Bathurst Street, Suite 115, Toronto, Ontario.

13. AGI has consented to act as Monitor of Victoria Park should the Court grant the proposed Initial Order. A copy of AGI's consent to act as Monitor is included in the Applicant's application materials.

14. The Proposed Monitor has retained Paliare Roland LLP to act as its independent legal counsel.

E. The Debtor's Operations

15. While Victoria Park technically remains in possession and control of the Unsold Units, the Proposed Monitor understands that the management of Victoria Park has largely not been responsible for addressing ongoing issues related to the Project. Instead, the Proposed Monitor understands that to preserve the value of its security, the Applicant and its agents have been incurring protective disbursements to fund, among other things:

(a) Fixing deficiencies in the 82 sold townhouses;

(b) Responding to Tarion related warranty claims;

(c) Completing the outstanding finishings in the Unsold Units; and

(d) Paying property taxes owing and the interest accruing on the Windsor Charge.

16. The Proposed Monitor is advised by the Applicant that the Project is complete and that Victoria Park's interest in the Project is limited to ownership of completed condominium units in a condominium that is otherwise operated by its condominium corporation. Accordingly, the Proposed Monitor understands that the management of Victoria Park has largely been absent and is not presently engaged in any meaningful activities in relation to the Debtor's business operations.

F. Order Sought

17. As noted above, the Applicant is seeking the following relief in the Initial Order:

(a) Declaring that 1682 Victoria Park Avenue Inc. is a company to which the *CCAA* applies;

(b) Authorizing Victoria Park to carry on business in a manner consistent with the preservation of its business and property;

(c) Appointing Albert Gelman Inc. as monitor of Victoria Park with certain enhanced powers as set out in the proposed Initial Order;

(d) Staying for an initial period of not more than ten (10) days all proceedings, rights and remedies taken or that might be taken in respect of Victoria Park, including its business, property, directors, officers and the Proposed Monitor; and

(e) Granting an Administration Charge against Victoria Park's Properties in fourth position and in favour of the Monitor, its counsel and counsel for the Applicant, to secure payment of their professional fees and disbursements in the sum of $100,000.00 (the "**Administration Charge**").

18. The Proposed Monitor recommends that the Court grant the foregoing relief for the reasons set out in greater detail below.

1. Declaring that Victoria Park is a company to which the *CCAA* applies

19. Based on its review of records provided to it by the Applicant, Vicotria Park satisfies the statutory criteria for protection under the *CCAA* in that:

(a) Victoria Park is subject to claims in excess of $5,000,000;

(b) Victoria Park is insolvent on both a cash flow and balance sheet basis.

20. The Proposed Monitor recommends that the Court declare that Victoria Park is a company to which the *CCAA* applies.

2. Appointment of AGI as Monitor with enhanced powers

21. AGI is a trustee within the meaning of subsection 2(1) of the *Bankruptcy and Insolvency Act*, R.S.C. 1985, c. B-3 and is not subject to any of the restrictions on who may be appointed as monitor set out in subsection 11.7(2) of the *CCAA*.

22. The senior AGI personnel with carriage of this matter are Chartered Insolvency and Restructuring Professionals, and Licensed Insolvency Trustees, who have previously acted in insolvency matters of a similar nature and complexity.

23. The proposed Initial Order contemplates that the Debtor shall remain in possession and control of the Unsold Units, while simultaneously providing the Monitor with certain additional powers beyond those contemplated in the model *CCAA* Order (given the Debtor's general lack of involvement or interest) including:

(a) Incurring expenses on the Debtor's behalf for the preservation of the Unsold Units;

(b) Payment for goods and services supplied to the Debtor following the date of the Initial Order;

(c) Disposing of non-material assets and terminating employees; and

(d) Controlling bank accounts in the name of the Debtor (collectively, the "**Enhanced Powers**").

24. The Monitor anticipates that, should the Court grant the Initial Order, the Applicant will continue to make protective disbursements as and when required to protect the value of the Unsold Units. The Monitor expects that it will supervise such disbursements in accordance with its rights and duties under the Initial Order.

25. The Proposed Monitor recommends the conferral of the above noted Enhanced Powers upon to ensure that the Monitor is in a position to facilitate the effective supervision of the Unsold Units during these *CCAA* Proceedings. At present, the Proposed Monitor does not contemplate that it will be necessary to use any of the Enhanced Powers but, having regard to the unusual nature of the Victoria Park's operations (and that Victoria Park's management has been absent from operation of its business), the Proposed Monitor recommends that the Court grant the Proposed Monitor these powers to ensure that the Monitor is able take certain limited decisions and incur expenses on the Debtor's behalf, should it be advantageous to the contemplated sale of the Debtor's assets.

3. Stay of Proceedings

26. The proposed Initial Order contemplates the granting of an initial 10-day stay of proceedings in respect of Victoria Park, its business, property, directors, officers and the Proposed Monitor.

27. In the circumstances, the Proposed Monitor is of the view that the stay of proceedings is appropriate and is in the best interests of Victoria Park and its stakeholders given that the stay of proceedings and other relief set out in the Initial Order will provide the breathing room

required by Victoria Park to identify and conclude a transaction with a potential purchaser or investor through a bulk sale of the Unsold Units, for the benefit of Victoria Park's stakeholders.

28. The requested Initial Order contemplates that three secured creditors will be exempted from the Stay of Proceedings, being Windsor, Firm Capital and Westmount (collectively, the "**Unaffected Secured Creditors**"). The Proposed Monitor understands that the Applicant and the Debtor have negotiated forbearance agreements with the Windsor and Firm Capital which provide for a period of forbearance of 90 days from the date the Initial Order is made in these *CCAA* Proceedings provided that the Applicant keeps the Unaffected Secured Creditors current.

29. The Proposed Monitor understands that Westmount is supportive of the Applicant's proposed plan to market Victoria Park's assets through a Sales Process as part of these *CCAA* Proceedings.

30. The Proposed Monitor is of the view that this arrangement, whereby Windsor and Firm Capital have agreed to forbear from enforcement in accordance with their forbearance agreements and all other creditors are stayed by the Stay of Proceedings, will provide the parties with a commercially reasonable opportunity to run the contemplated Sales Process. The Unaffected Secured Creditors will be kept current (contributing monies into the estate of Victoria Park) while, simultaneously, providing the breathing room to realize upon the value of Victoria Park's assets.

4. Administration Charge

31. The proposed Initial Order provides for an initial Administration Charge in an amount not to exceed $100,000.00 in favour of the Monitor, counsel to the Monitor and counsel to the Applicant.

32. The Proposed Monitor assisted the Applicant with the determination of the Administration Charge and is of the view that the amount of the Administration Charge for the initial 10 day stay period is reasonable and appropriate in the circumstances, having regard to the nature of the *CCAA* Proceedings, the anticipated professional costs to be incurred during the Initial Period, and the size of charges approved in similar *CCAA* proceedings.

33. The Applicant has proposed and the Proposed Monitor has agreed that the Administration Charge will rank in fourth position, subsequent to the Windsor Charge, Firm Capital Charge and Westmount Charge, respectively.

34. While the Notice of Application issued by the Applicant states that the Applicant seeks an Administration Charge in the quantum of $500,000, the Applicant and the Proposed Monitor have since agreed to revise this amount to $100,000, being an estimate of the professional fees that the beneficiaries of the Administration Charge may incur through the end of the initial 10-day comeback period.

35. The Proposed Monitor understands that the Applicant will seek to increase the quantum of the Administration Charge to $500,000 at the comeback hearing.

36. In addition to the Administration Charge, the Proposed Monitor has received the following security for its fees and those of its counsel:

(a) a financial retainer of $250,000 from the Applicant; and

(b) a fee guarantee from Plazacorp Investments Limited, an entity that the Proposed Monitor understands is related to the Applicant.

G. Intended Next Steps in the CCAA Proceedings

37. At the comeback hearing, the Proposed Monitor understands that the Applicant intends to seek approval of a Sale Process for a bulk sale of the Unsold Units. This proposed Sale Process will contain a stalking horse bid from the Applicant or its nominee acting as a baseline for any bids received during the Sale Process.

38. The proposed Sale Process will identify the best opportunity in the circumstances for maximizing value for Victoria Park's stakeholders.

39. The Applicant has advised the Monitor that, if the stalking horse credit bid submitted by the Applicant, or its nominee, is selected, sufficient financing has been obtained to payout the indebtedness owing under the Windsor Charge, Firm Capital Charge and the Westmount Charge in full.

40. The Monitor further understands that, as part of this transaction, the Applicant, or its nominee, will seek an approval and reverse vesting order to acquire the shares of Victoria Park and vest out certain liabilities, the mechanics of which are discussed below.

41. The proposed stalking horse credit bid and approval and reverse vesting order are contemplated as having the following features and benefits:

(a) Because this transaction is contemplated as being carried out under the authority of the *CCAA*, the HST Trust Claim (as defined in the Heller Affidavit) will no longer rank in priority to the claims of secured creditors, thereby conferring a benefit to the Applicant, who will still suffer a significant shortfall even after the reversal occurs;

(b) The transaction is expected to avoid provincial and municipal land transfer tax because legal ownership of the Unsold Units will not change;

(c) As Victoria Park would continue to exist as a legal entity, the Applicant would acquire and benefit from:

(i) Victoria Park's licenses, status and obligations under the Home Construction Regulatory Authority are preserved and maintained; and

(ii) status as a builder of the Unsold Units, which in turn will provide end-purchasers of the Unsold Units rebates up to 13% under the Ontario New Housing Rebate for units under $1,000,000.00 purchased directly from the builder; and

(iii) Victoria Park's substantial tax losses, which can be used to offset future tax liability.

42. While, the Proposed Monitor will not be able to opine on the proposed stalking horse agreement until it reviews a draft of the same (which the Proposed Monitor Understands has not yet been finalized), the Proposed Monitor is of the preliminary view that the contemplated transaction provides a plausible means of unlocking the value in the Unsold Units for the

benefit of stakeholders and represents a commercially reasonable plan for these *CCAA* Proceedings.

H. Cash Flow Forecast and Financial Statements

43. The Applicant has prepared the Cash Flow Forecast for the 15-week period ending October 19, 2026 (the "**Cash Flow Period**"). A copy of the Cash Flow Forecast, together with a summary of assumptions (the "**Cash Flow Assumptions**") and management's report on the cash-flow statement required by section 10(2)(b) of the *CCAA*, are attached hereto as **Appendix A**. The following table provides a summary of the Cash Flow Forecast:

Summary of the Cash Flow Forecast For the 15 Week Period Ended October 19, 2026		
Receipts		
Advances from the Applicant	$	922,005
Total Receipts		**922,005**
Disbursements		
Secured Lender Interest Payments		735,000
Operating Expenses		157,005
Warranty and Deficiency Costs		30,000
Total Disbursements	$	**922,005**
Net Cash Flow		**-**
Opening Cash Balance		**-**
Net Cash Flow		**-**
Ending Cash Balance	**$**	**-**

44. The Proposed Monitor notes the following with respect to the Cash Flow Forecast:

(a) During the Cash Flow Period, net cash flow is projected to be $0.

(b) The Applicant has agreed to advance sufficient funds to pay all future disbursements of Victoria Park during the CCAA proceedings thereby ensuring that Victoria Park does not experience a cash flow deficit during the Cash Flow Period.

(c) Based on the Proposed Monitor's review,[1] nothing has come to its attention that causes it to believe, in all material respects that: (i) the Cash Flow Assumptions are not consistent with the purpose of the Cash Flow Forecast; (ii) as at the date of this Report, the Cash Flow Assumptions are not suitably supported and consistent with the plans of the Applicant or do not provide a reasonable basis for the Cash Flow Forecast, given the Cash Flow Assumptions; or (iii) the Cash Flow Forecast does not reflect the Cash Flow Assumptions.

45. The Applicant has provided the Proposed Monitor with a copy of Victoria Park's unaudited financial statements for the year ended December 31, 2024. The Applicant has advised the Proposed Monitor that this is the most recent financial statement obtained by Victoria Park. A copy of the Victoria Park's unaudited financial statement for the year ended December 31, 2024 is attached hereto as **Appendix B**.

[1] The Proposed Monitor has reviewed the Cash Flow Forecast to the standard required of a Court-appointed Monitor under subsection 23(1)(b) of the *CCAA*. Subsection 23(1)(b) of the *CCAA* requires a Monitor to review the debtor's cash flow statement as to its reasonableness and to file a report with the Court on the Monitor's findings. Pursuant to this standard, the Proposed Monitor's review of the Cash Flow Forecast consisted of inquiries, analytical procedures and discussions related to information supplied to it by the Applicant. The Proposed Monitor reviewed information provided by the Applicant for the Cash Flow Assumptions. Since the Cash Flow Assumptions need not be supported, the proposed Monitor's procedures with respect to them were limited to evaluating whether they were consistent with the purpose of the Cash Flow Forecast.

I. Conclusions and Recommendations

46. For the reasons set out in this Report, the Proposed Monitor is of the view that the relief requested by the Applicant in the proposed Initial Order is reasonable, appropriate and necessary, having regard to Victoria Park's current circumstances. As such, the Proposed Monitor supports the Applicant's application for *CCAA* protection for Victoria Park and respectfully recommends that the Court grant the Initial Order containing the relief requested by the Applicant.

The Administration Charge shall have the priority set out in paragraphs 25 and 27 hereof.

VALIDITY AND PRIORITY OF CHARGES CREATED BY THIS ORDER

25. **THIS COURT ORDERS** that the priority of the Administration Charge, to a maximum of $500,000.00 or such other amount as may be approved by Order of this Court, shall be subordinated to and rank in fourth position against all Property of the Debtor and proceeds thereof and shall be subordinate to the following registered charges in favour of the Unaffected Secured Creditors, being: (1) the WFCU charge registered as Instrument No. AT6105081 on June 13, 2022 (the "**WFCU Charge**"), (2) the Firm Capital charge registered as Instrument No. AT6870139 on July 30, 2025 (the "**Firm Capital Charge**") and (3) the Westmount charge registered as Instrument No. AT5550826 on October 21, 2020 (the "**Westmount Charge**"), respectively. For greater certainty, the Administration Charge shall be subordinate to the indebtedness owing to each of the Unaffected Secured Creditors, all security held by the Unaffected Secured Creditors in the Property and all proceeds of the Property that secure such indebtedness to the Unaffected Secured Creditors.

26. **THIS COURT ORDERS** that the filing, registration or perfection of the Administration Charge shall not be required, and that the Administration Charge shall be valid and enforceable

for all purposes, including as against any right, title or interest filed, registered, recorded or perfected subsequent to the Administration Charge coming into existence, notwithstanding any such failure to file, register, record or perfect.

27. **THIS COURT ORDERS** that save and except as it relates to the mortgages and security interests of the Unaffected Secured Creditors, which shall in all events be in priority to and unaffected by the Administration Charge, the Administration Charge shall rank in priority to all other security interests, trusts, liens, charges and encumbrances, claims of secured creditors, statutory or otherwise, (collectively, "**Encumbrances**") in favour of any Person. Neither the Debtor nor the Monitor shall make payment of amounts secured by the Administration Charge prior to the indebtedness owing to the Unaffected Secured Creditors having been repaid in full.

28. **THIS COURT ORDERS** that except as otherwise expressly provided for herein, or as may be approved by this Court, the Debtor shall not grant any Encumbrances over any Property that rank in priority to, or *pari passu* with the Administration Charge unless the Debtor also obtains the prior written consent of the Monitor and the beneficiaries of the Administration Charge, or further Order of this Court.

29. **THIS COURT ORDERS** that the Administration Charge shall not be rendered invalid or unenforceable and the rights and remedies of the chargees entitled to the benefit of the Administration Charge (collectively, the "**Chargee**") shall not otherwise be limited or impaired in any way by (a) the pendency of these proceedings and the declarations of insolvency made herein; (b) any application(s) for bankruptcy order(s) issued pursuant to BIA, or any bankruptcy order made pursuant to such applications; (c) the filing of any assignments for the general benefit of creditors made pursuant to the BIA; (d) the provisions of any federal or provincial statutes; or (e) any negative covenants, prohibitions or other similar provisions with respect to borrowings, incurring debt or the creation of Encumbrances, contained in any existing loan documents, lease, sublease, offer to lease or other agreement (collectively, an "**Agreement**") which binds the Debtor, and notwithstanding any provision to the contrary in any Agreement:

(a) the creation of the Administration Charge shall not create or be deemed to constitute a breach by the Debtor of any Agreement to which any of them is a party;

(b) none of the Chargees shall have any liability to any Person whatsoever as a result of any breach of any Agreement caused by or resulting from the creation of the Administration Charge;

ENDORSEMENT OF JUSTICE FL MYERS:

1. The Applicant seeks an extension o these proceedings. The goal is to try to sell the 65 remaining condominium units still owned by the debtor. The proceedings are being funded by the Applicant with superior secured creditors agreeing to stand by for the time being.
2. The developer/debtor has no ability to fund further sales of units. The Applicant proposes to seek approval of a sale process for all the units *en bloc*. It will propose a "stalking horse bid" to undergird the sales process. A stalking horse bid is an opening bid that shows interested parties that there is at least one person willing to buy the properties on disclosed terms. It sets a floor price for others to try to beat if they want to buy the properties.
3. Nothing decided today is meant to approve a stalking horse bid or the idea of an *en bloc* sale for all units. Whether those or other processes are most appropriate will await a later motion that I will schedule below.
4. Today the Applicant just seeks to confirm that the proceeding will go forward, increase the security provided for administrative costs, and see to a technicality in the title of the lawsuit.
5. The relief sought is granted. The debtor, under the Applicant's auspices and with the Monitor's enhanced authority, is proceeding in good faith and with due diligence. The increase in the administrative charge is required to fairly provide for the costs of proceeding to try to maximize the debtor's value for all.

6. Ms. Tsui appears purportedly on behalf of 16 current owners of units already purchased from the developer/debtor. She raises several concerns. First, she asks to be recognized as a representative of the existing condominium owners. She submits that the condominium corporation ought to be here representing the owners. But the developer/debtor still has control of the 65 units that give it effective control over the condominium corporation's board of directors. Ms. Tsui submits that there are numerous issues that the unit owners have with the developer that need be dealt with. They want the opportunity to participate in this proceeding and be heard.
7. Lawsuits in this court are run in accordance with a set of rules known as the *Rules of Civil Procedure*, RRO 1990, Reg. 194.
8. Rule 10 allows the court to make orders for group representation in a lawsuit.
9. But Rule 15 needs to be met before Rule 10 can apply. Rule 15.01 says:

> **Where Lawyer Is Required**
> **15.01** (1) A party to a proceeding who…acts in a representative capacity shall be represented by a lawyer.

10. Sometimes a court is entitled to allow non-lawyers to act for others. But that is not possible when there is a representative party. They must be represented by a lawyer and the court has no authority to relieve against this. This is confirmed in the following cases: *Direk v. Ontario (Attorney General)*, 2010 ONSC 3428 (CanLII), at para. 6; *Radzevicius v. Workplace Safety and Insurance Appeals Tribunal*, 2019 ONSC 1678 (Div. Ct.) at paras. 5 to 7.
11. So, first Ms. Tsui and her other unit holders need to consult with an insolvency lawyer. The lawyer may advise them about funding. They will have to decide if they want to incur the cost of a lawyer. I suspect that may turn at least in part on what the lawyer can tell them about whether their concerns are actually at risk or properly dealt with in this proceeding.

12. If the unit holders retain a lawyer to represent them, the lawyer will know how to get in touch with the other parties to negotiate a representation agreement and order and/or come to court if required.
13. Order signed as asked.
14. Mr. Manis and Mr. Shah should speak with other interested parties to try to agree on a schedule for the motion to implement a sales process. Once they have agreed on whatever steps may be needed, if any, either may contact the Commercial List Office to schedule the motion in short order. If there is no agreement, they may contact the Commercial List Office to schedule a case conference to set a schedule and a motion date.

("**Victoria Park**" or the "**Debtor**"), sought and obtained an initial order (the "**Initial Order**") under the *Companies' Creditors Arrangement Act*, R.S.C. 1985, c. C-36, as amended (the "***CCAA***") in favour of Victoria Park. The proceedings commenced by the Applicant under the *CCAA* will be referred to herein as the "***CCAA* Proceedings.**"

2. The Purpose of this First Report of the Monitor (the "**First Report**") is to provide the Court with the Monitor's views with respect to the relief being sought by the Applicant in its motion returnable July 24, 2026, including:

(a) the Applicant's request for an expansion of the Administration Charge (as defined below); and

(b) the Applicant's request for an extension of the stay period until the completion of the Sale Process.

3. As set out in greater detail below, the Monitor respectfully recommends that the Court grant the relief sought by the Applicant.

B. Disclaimer and Terms of Reference

4. In preparing this First Report, AGI, in its capacity as the Monitor, has been provided with, and has relied upon, unaudited financial information and the books and records prepared by the Applicant, and has held discussions with management of the Applicant

Pactima eSignature Package ID: WRaTlzTmPD_ac-nzPDKL6

and its legal counsel (collectively, the "**Information**"). Except as otherwise described in this First Report:

(a) the Monitor has reviewed the Information for reasonableness, internal consistency and use in the context in which it was provided. However, the Monitor has not audited or otherwise attempted to verify the accuracy or completeness of the Information in a manner that would wholly or partially comply with Canadian Auditing Standards ("**CASs**") pursuant to the Chartered Professional Accountants Canada Handbook (the "**CPA Handbook**") and, accordingly, the Monitor expresses no opinion or other form of assurance contemplated under CASs in respect of the Information; and

(b) some of the Information referred to in this First Report consists of forecasts and projections. An examination or review of the financial forecasts and projections, as outlined in the CPA Handbook, has not been performed.

5. Future oriented financial information referred to in this First Report was prepared based on the estimates and assumptions of the Applicant. Readers are cautioned that since projections are based upon assumptions about future events and conditions that are not ascertainable, actual results will vary from the projections, even if the assumptions materialize, and the variations could be significant. Unless otherwise stated, all monetary amounts contained herein are expressed in Canadian dollars.

6. The Monitor has prepared this First Report in connection with the Applicant's motion for the relief in the Sale Process Order, including the use of a stalking horse bid in

Pactima eSignature Package ID: WRaTlzTmPD_ac-nzPDKL6

the Sale Process and the extension of the stay of the proceedings until its completion, and should not be relied upon for any other purpose.

7. Capitalized terms not otherwise defined herein are defined in the Pre-Filing Report or in the Affidavit of Anthony Heller sworn July 22, 2026 (the "**Heller Affidavit**").

C. Background

8. The Initial Order, among other things:

(a) granted a stay of proceedings until and including July 24, 2026 in favour of the Debtor. The stay of proceedings does not apply to Windsor Family Credit Union Limited ("**WFCU**"), Firm Capital Mortgage Fund Inc. ("**Firm Capital**") or Westmount Guarantee Services Inc. ('**Westmount**") (collectively, the "**Unaffected Secured Creditors**");

(b) appointed Albert Gelman Inc. as monitor of the Debtor ("**AGI**" or in such capacity the "**Monitor**");

(c) ordered that the Debtor shall remain in possession and control of its current and future assets, undertakings and properties, including the properties more particularly described at Schedule "A" to the Notice of Application (the "**Properties**" – and in specific regard to the 65 unsold units in the Debtor's 147 townhouse project on Victoria Park Avenue, the "**Unsold Units**") and shall continue to carry on business in a manner consistent with the preservation of its business and Property;

(d) granted the Monitor, on behalf of the Debtor, the right to

Pactima eSignature Package ID: WRaTlzTmPD_ac-nzPDKL6

(i) permanently or temporarily cease, downsize or shut down any of the Debtor's business or operations, and to dispose of redundant or non-material assets not exceeding $50,000.00 in any one transaction or $500,000.00 in the aggregate;

(ii) terminate the employment of the Debtor's employees or temporarily lay off such employees as it deems appropriate;

(iii) pursue all avenues of refinancing of the Debtor's business or Property, in whole or part, subject to prior approval of the Court being obtained before any material refinancing; and

(iv) operate and control, for and on behalf of and in the name of the Debtor, all of the Debtor's existing accounts at any financial institution in such manner as the Monitor, in its sole discretion, deems necessary or appropriate;

(e) granted the Administration Charge to the maximum amount of $100,000, subordinated to and ranked in fourth position against all Property of the Debtor;

(f) ordered that the Applicant shall pay all amounts owing on the WFCU Charge, registered as Instrument No. AT6105081 on June 13, 2022 against title to the Unsold Units as and when due including any accrued and unpaid amounts owing as at the date of this Order and all fees, expenses and other amounts chargeable under the mortgage; and

Pactima eSignature Package ID: WRaTlzTmPD_ac-nzPDKL6

(g) ordered that that the Applicant shall pay all amounts owing on the Firm Capital Charge, registered as Instrument No. AT6870139 on July 30, 2025 against title to the Unsold Units, as and when due, including any accrued and unpaid amounts owing as at the date of this Order and all fees, expenses and other amounts chargeable under the mortgage.

9. A copy of the Initial Order is attached hereto as **Appendix A**.

10. Prior to commencement of the *CCAA* Proceedings, AGI in its capacity as proposed monitor, filed with the Court a pre-filing report dated July 14, 2026 (the "**Pre-Filing Report**"). The Pre-Filing Report (without appendices) is attached hereto as **Appendix B.**

D. Activities of the Monitor since the Filing Date

11. Since the Filing Date, the Monitor, and/or its counsel as applicable, have, among other things, undertaken the following activities:

(a) worked with the Applicant to prepare a sale process for the Debtor's assets as well as negotiating a form of stalking horse agreement of purchase and sale which contemplates the Applicant's purchase of shares in the Debtor through a reverse vesting order mechanism;

(b) updated the Monitor's website, including posting copies of the Pre-Filing Report, the Initial Order and other materials in connection with the *CCAA* Proceedings;

(c) completed all statutory requirements, including but not limited to;

Pactima eSignature Package ID: WRaTlzTmPD_ac-nzPDKL6

(i) preparing Form 1 and Form 2 for filing with the Office of the Superintendent of Bankruptcy within the required;

(ii) preparing a notice in respect of the *CCAA* Proceedings which the Montior intends to send to all known creditors of the Debtor with claims of $1,000 or more within the statutory timeline;

(iii) arranging for publication of notice of the *CCAA* Proceedings in the National Edition of the National Post on July 22, 2026; and

(iv) posting a notice of the *CCAA* Proceedings and a list of creditors with claims of $1,000 or more on the Monitor's website.

(d) communicated with creditors, suppliers and employees of the Debtor to provide information about the *CCAA* Proceedings and to answer questions;

(e) monitored disbursements proposed by the Applicant during the period since the Filing Date to ensure payments were consistent with the Cash Flow Forecast and Initial Order;

(f) worked with the Applicant to compile a list of potential interested parties for the proposed sales process; and

(g) prepared this First Report in connection with the Applicant's hearing scheduled for July 24, 2026.

Pactima eSignature Package ID: WRaTlzTmPD_ac-nzPDKL6

E. Cash Flow Forecast

12. The Applicant, with the assistance of the Monitor, previously prepared a 15-week cash flow forecast (the "**Cash Flow Forecast**") for the period of July 13, 2026 to October 19, 2026. The complete Cash Flow Forecast, together with a summary of assumptions (the "**Cash Flow Assumptions**") and management's report on the cash-flow statement required by section 10(2)(b) of the *CCAA* are attached as **Appendix C**.

13. The following is a summary of the cash flow Forecast:

Summary of the Cash Flow Forecast For the 15 Week Period Ended October 19, 2026		
Receipts		
Advances from the Applicant	$	922,005
Total Receipts		**922,005**
Disbursements		
Secured Lender Interest Payments		735,000
Operating Expenses		157,005
Warranty and Deficiency Costs		30,000
Total Disbursements	$	**922,005**
Net Cash Flow		-
Opening Cash Balance		-
Net Cash Flow		-
Ending Cash Balance	**$**	-

Pactima eSignature Package ID: WRaTlzTmPD_ac-nzPDKL6

14. As noted in the Pre-Filing Report, the Cash Flow Forecast indicates that during the forecast period, the Debtor is anticipated to have a net cash flow of $0. The Monitor understands that the lack of any net cash flow is the result of:

(a) the assumption that none of the Unsold Units owned by Victoria Park at 1650-1666 Victoria Park Avenue and 1666-1682 Victoria Park Avenue will be sold during the projected cash flow period;

(b) forecasted disbursements of $922,005, which include secured lender interest payments to WFCU and Firm Capital, operating expenses associated with the Unsold Units, and warranty and deficiency costs; and

(c) the Applicant's agreement to advance sufficient funds to pay all future disbursements of Victoria Park during the *CCAA* Proceedings, thereby ensuring that Victoria Park does not experience a cash flow deficit during the *CCAA* Proceedings.

15. The Cash Flow Forecast does not include professional fees for the Monitor or the Monitor's counsel. The professional fees will be funded by the Applicant. Further, Plazacorp Investments Limited (an entity that the Monitor understands is related to the Applicant), has guaranteed payment of the fees and disbursements of the Monitor and its counsel.

16. Based on the Monitor's review,[1] nothing has come to its attention that causes it to believe, in all material respects that: (i) the Cash Flow Assumptions are not consistent

[1] The Monitor has reviewed the Cash Flow Forecast to the standard required of a Court-appointed

Pactima eSignature Package ID: WRaTlzTmPD_ac-nzPDKL6

with the purpose of the Cash Flow Forecast; or (ii) as at the date of this First Report, the Cash Flow Assumptions are not suitably supported and consistent with the plans of the Applicant or do not provide a reasonable basis for the Cash Flow Forecast.

F. Relief Sought

1. Expansion of the Administration Charge

17. The Applicant is seeking an increase in the quantum of the Administration Charge granted pursuant to the Initial Order. Under the proposed Sale Process Order, the quantum of the Administration Charge would be $500,000.

18. The Initial Order granted the Administration Charge, to a maximum of $100,000.00 subordinated to and ranking in fourth position against all Property of the Debtor and proceeds thereof being subordinate to the following registered charges in favour of the Unaffected Secured Creditors, being: (1) the WFCU charge registered as Instrument No. AT6105081 on June 13, 2022 (the "**WFCU Charge**"), (2) the Firm Capital charge registered as Instrument No. AT6870139 on July 30, 2025 (the "**Firm Capital Charge**") and (3) the Westmount charge registered as Instrument No. AT5550826 on October 21, 2020 (the "**Westmount Charge**"), respectively.

19. The increase requested by the Applicant is reflective of the amount necessary to ensure that the beneficiaries of the Administration Charge have adequate protection

---

Monitor under subsection 23(1)(b) of the *CCAA*. Subsection 23(1)(b) of the *CCAA* requires a Monitor to review the Debtor's cash flow statement as to its reasonableness and to file a report with the Court on the Monitor's findings. Pursuant to this standard, the Proposed Monitor's review of the Cash Flow Forecast consisted of inquiries, analytical procedures and discussions related to information supplied to it by the Applicant. The Monitor reviewed information provided by the Applicant for the Cash Flow Assumptions. Since the Cash Flow Assumptions need not be supported, the proposed Monitor's procedures with respect to them were limited to evaluating whether they were consistent with the purpose of the Cash Flow Forecast.

Pactima eSignature Package ID: WRaTlzTmPD_ac-nzPDKL6

throughout the *CCAA* Proceedings to administer the *CCAA* Proceedings, prepare a sales process for the Debtor's assets and the implement the same.

20. The Monitor is of the view that the increased amount of the Administration Charge is reasonable and appropriate in the circumstances, having considered, among other things:

(a) the complexity of the *CCAA* Proceedings;

(b) the work that has been completed to date, the engagement terms and anticipated work level of the Monitor and the Monitor's counsel;

(c) the size of Court-ordered charges approved in comparable insolvency proceedings; and

(d) the complexity of the stalking horse agreement for which it is anticipated that the Applicant will seek approval. In particular, as noted in the Pre-Filing Report, it is contemplated that the Applicant will seek approval of a stalking horse agreement that provides for the Applicant's acquisition of shares in the Debtor through a reverse vesting order. Review, preparation and execution of such an agreement will require considerable work by the restructuring professionals that are the beneficiaries of the Administration Charge.

2. Requested Stay Extension

21. The stay of proceedings currently expires July 24, 2026. The Applicant seeks an extension of the stay of proceedings until the completion of the Sale Process to provide

Pactima eSignature Package ID: WRaTIzTmPD_ac-nzPDKL6

them with continued breathing space while they work to maximize value for the benefit of the Debtor's stakeholders.

22. The Monitor supports the requested extension of the stay of proceedings for the following reasons:

(a) the Monitor believes that the requested extension of the stay of proceedings will allow the Applicant, together with their legal counsel and the Monitor, to continue to engage with stakeholders and to maximize value through the preparation and implementation of the sale process and the consummation of a transaction thereunder;

(b) the Monitor believes that the Applicant has acted and continues to act in good faith and with due diligence; and

(c) the Monitor believes that the creditors of the Debtor will not be prejudiced by the requested extension of the stay of proceedings.

G. Recommendation and Conclusion

23. Based on the foregoing, the Monitor respectfully recommends that the Court grant an Amended and Restated Initial Order in the form sought by the Applicant.

Pactima eSignature Package ID: WRaTIzTmPD_ac-nzPDKL6

All of which is respectfully submitted this 23rd day of July 2026

(e) any and all notices of default and demands for payment or any step or proceeding taken or commenced in connection therewith under an Assumed Contract shall be deemed to have been rescinded and of no further force or effect, provided that nothing herein shall be deemed to excuse the Debtor from performing their obligations under the Sale Agreement or be a waiver of defaults by the Purchaser or the Debtor under the Sale Agreement and the related documents.

17. **THIS COURT ORDERS** that, for greater certainty: (a) nothing in paragraph 16 hereof shall waive, compromise or discharge any obligations of the Debtor in respect of any Assumed Liabilities, and (b) the designation of any Claim as an Assumed Liability is without prejudice to the Debtor's right to dispute the existence, validity or quantum of any such Assumed Liabilities, and (c) nothing in this Order or the Sale Agreement shall affect or waive the Debtor's rights and defences, both legal and equitable, with respect to any of the Assumed Liabilities, including, but not limited to, all rights with respect to entitlements to setoffs or recoupments against such Assumed Liabilities.

obligations and other matters which are waived, released, expunged or discharged pursuant to this Order.

20. **THIS COURT ORDERS** that, from and after Closing:

(a) the nature of the Assumed Liabilities assumed by the Purchaser or retained by the Debtor, including, without limitation, their amount and their secured or unsecured status, shall not be affected or altered as a result of the Transaction or this Order;

(b) the nature of the Excluded Liabilities, including, without limitation, their amount and their secured or unsecured status, shall not be affected or altered as a result of their transfer to Residual Co.;

(c) any Person that prior to Closing had a valid right or claim against the Debtor under or in respect of any of the Excluded Contracts or the Excluded Liabilities (each an "**Excluded Liability Claim**") shall no longer have such right or claim against the Debtor but will have an equivalent Excluded Liability Claim against Residual Co. in respect of the Excluded Contracts and Excluded Liabilities from and after Closing in its place and stead, and nothing in this Order limits, lessens or extinguishes the Excluded Liability Claim of any Person as against Residual Co.; and

(d) the Excluded Liability Claim of any Person against Residual Co. following Closing shall have the same rights, priority and entitlement as such Excluded Liability Claim had against the Debtor prior to Closing.

Property in accordance with the terms of the Initial Order.

22. **THIS COURT ORDERS** that, following Closing, the title of these CCAA Proceedings is hereby changed to:

IN THE MATTER OF THE COMPANIES' CREDITORS ARRANGEMENT ACT, R.S.C. 1985, C. C-36, AS AMENDED

AND IN THE MATTER OF A PLAN OF COMPROMISE OR ARRANGEMENT OF 1001740770 ONTARIO INC.

23. **THIS COURT ORDERS** that, notwithstanding:

(a) the pendency of these proceedings;

(b) any applications for a bankruptcy order now or hereafter issued pursuant to the *Bankruptcy and Insolvency Act* (Canada) in respect of Residual Co. and any bankruptcy order issued pursuant to any such applications; and

(c) any assignment in bankruptcy made in respect of Residual Co.,

the vesting of the Purchased Shares in the Purchaser pursuant to this Order shall be binding on any trustee in bankruptcy that may be appointed in respect of Residual Co. and shall not be void or voidable by creditors of the Debtor or Residual Co., nor shall it constitute nor be deemed to be a fraudulent preference, assignment, fraudulent conveyance, transfer at undervalue, or other reviewable transaction under the *Bankruptcy and Insolvency Act* (Canada) or any other applicable federal or provincial legislation, nor shall it constitute oppressive or unfairly prejudicial conduct pursuant to any applicable federal or provincial legislation.

ENDORSEMENT OF JUSTICE MYERS:

[1] The Applicant seeks approval of a transfer of the business of the debtor to it by means of an RVO. That means the corporate existence of the debtor will survive with its old shares cancelled and new shares owned by the Applicant. It will be removed form the CCAA proceeding. But some of the debts owing by the debtor will first be transferred to a new company to be incorporated that will replace the debtor as *CCAA* debtor (and eventually a bankrupt).

[2] This is an odd plan because in many ways it affects only the Applicant. Everyone else is being protected or being treated as they would be treated in a bankruptcy.

[3] The Applicant is the creditor at the "Plimsol line" of recovery. In a liquidation, the mortgagees ahead of the Applicant will likely be paid all or nearly all of what is due to them. The Applicant's $25 million mortgage will get what is left.

[4] Instead of a trustee in bankruptcy or a receiver selling the remaining 65 units owned by the debtor, the Applicant prefers to take its chances at realizing more on them in an organized marketing effort under its control over time. Whether the Applicant stands to profit or to limit its losses, it wishes to do so on its terms.

[5] The secured mortgagee behind the Applicant acknowledges that it is out of the money. It does not oppose the transaction.

[6] Creditors being stranded in a bankrupt new ResidueCo include the CRA for HST. Its priority will be reversed in a bankruptcy of the ResidueCo.

[7] Lien claimants unsecured claims are also being left behind. Mr. Fridmar's lien claimant clients make the point expressly that while the Monitor has suggested that their claims are capped at a holdback amount of $153,000, it may be that their entire claims will be characterized as "holdback" so that the Monitor's suggested "cap" may not be correct. In any event, their priority claims are being recognized by the ongoing debtor business.

[8] The CRA and the lien claimants have had input into the drafting of the proposed approval order. They are content with its terms.

[9] Unsecured claims in the main are being left behind. Based on the appraisal evidence, including one particularly optimistic appraisal, there are simply no proceeds ever likely to be available to pay unsecured creditors whether in this proceeding or in a bankruptcy.

[10] The unsecured claim by one creditor who obtained and registered a writ of execution after the *CCAA* order stayed all enforcement proceedings is also being stranded in the residue company.

[11] Unsecured potential claims by existing unit owners against the developer/debtor are also being stranded in the ResidueCo. But they have claims against Tarion and through their condominium corporation. The existing unit holders are being treated no differently than if the debtor survived with no money or if it went bankrupt. Unsecured claims have no value against the developer/debtor. Leaving them behind causes no prejudice.

[12] The questions asked by Mr. Khan are valid questions. He should follow up with Tarion and the debtor in its new ownership. But they do not affect the approval of the transaction proposed.

[13] The RVO structure is said to be helpful and necessary here for a few reasons. None of them individually seems like a great reason to invoke the power of the *CCAA* to help a creditor singularly enhance its own recovery. The RVO is an exceptional transaction structure. At minimum, there should be a good reason to use it.

[14] Here, the Applicant says that by keeping the debtor company intact, there is no need to sell the remaining units to an intermediate buyer who will then sell individual units. That means that land transfer tax and HST are avoided. Taxes will still be exigible on the ultimate sales by the developer/debtor to the public. But there will be only one round of taxation on the liquidation of the debtor's assets.

[15] I agree with the BC Court of Appeal that saving tax is a legitimate deal strategy whether inside or outside of bankruptcy. See: *British Columbia v. Peakhill Capital Inc.*, 2024 BCCA 246. But that alone does not mean that an RVO is needed just to help a single creditor save a single tax on a single transaction. The creditor may want that outcome. But that is a long way from showing that an RVO is "necessary" or a fair and proper use of the restructuring laws in the public interest.

[16] The Applicant also submits that under s. 47 of the *New Home Construction Licensing Act*, 2017, S.O. 2017, c. 33, Sched 1, only a licensed builder can sell new homes in Ontario. If the Applicant were to foreclose on its mortgage, it would not be a licensed builder.

[17] Under s. 47 (2) of the statute, insolvency officers (trustees, receivers, and monitors under the *CCAA*) are treated as licensed for the purposes of the *Act*. So the Applicant is not left without a remedy to enforce its mortgage. But leaving the debtor intact preserves its license so as to eliminate the need for fancy workarounds. I expect, for example, that a mortgagee could team up with a licensed builder to structure a transaction so that the builder is available to perform Tarion warranty work or otherwise take on the duties of a licensee. There was no evidence before me of whether parties can work with Tarion to protect the intention of the statute while allowing a mortgagee flexibility in its realization structure.

[18] The Applicant also submits that sales of units by the debtor qualify for the current Provincial HST holiday. The Applicant is concerned that an intermediate buyer may not be able to access this benefit for unit buyers. However, there was no evidence before me or even statutory or regulatory material to establish with any certainty that a mortgagee in possession or an owner by foreclosure may not qualify for the important buyers' incentive.

[19] I questioned the Applicants' lawyers at some length as to whether the *CCAA* and the RVO deal structure were intended to be used to effectively get around statutory schemes and taxes. Even if the debtor remains the corporate owner of the unsold units, it will no longer be a developer or builder of homes. Would it qualify in its proposed state for a new home sales license without experienced construction management and an active construction business? To the extent that it performs repairs or Tarion warranty work, for example, it will need to hire or contract with qualified builders and tradespeople.

[20] I questioned whether the RVO structure was being used to get around the statutory and regulatory schemes? It may be lawful, but is it right?

[21] The Applicant submits that the transaction is value-maximizing for the debtor and all its creditors. But, in fact, the only creditor who might obtain greater recovery is the Applicant. The mortgagees ahead of it will be paid what they are due. No one behind the Applicant will receive anything. The transaction is just a form of foreclosure to get the proceeds of sale of the remaining 65 units into the hands of the Applicant.

[22] Mr. Shah for the Monitor phrased it differently, however. He submits that the prospect of increased recovery for the Applicant, while everyone else's' positions are preserved, is a superior outcome economically from the perspective of the community as a whole. The Applicant has invested in the order of $15 million in protective disbursements in the debtor and it wants to control the liquidation in a tax and structurally efficient manner. If it works, the Applicant has enhanced its recovery. If it fails to yield more than a receivership or bankruptcy might have yielded, only the Applicant will be affected.

[23] Mr. Shah submits that the Applicant's willingness to invest in protective disbursements over and above its mortgage loan advance is a positive step that should not be dissuaded. It took a business risk. By credit bidding its debt, it reduces the debt stack likely by more than the value of the remaining units. Proceeding with an RVO now avoids further interest accrual on the prior secured claims and avoids the cost and uncertainty of a receivership.

[24] I agree with Mr. Shah that viewed at a higher level of abstraction there is much positive about the proposed manner of proceeding.

[25] I am also satisfied that the proposed RVO produces at least as good a result as any other structure. In fact the risk of double taxation in an *en bloc* sale and the risk of loss of the Provincial license and buyers' tax holiday practically take an *en bloc* sale off the table. Yet the creditor at the Plimsol line invested funds, took risk, helped keep the debtor alive, and sees a potential for increased recovery by using the RVO.

[26] No one is worse off using the RVO proposed as compared to the assured failure of the debtor once the stay expires.

[27] The debtor has no money. It has not been able to sell a single unit since March of this year. In June, the debtor and Applicant retained a recognized and experienced real estate broker who did not receive a single formal offer despite sending thousands of targeted ads and making literally hundreds of follow-up calls. There were 16 NDAs signed by prospective *en bloc* buyers and not one made an offer.

[28] There is no reasonable alternative available with the October 15, 2026 deadline to the superior mortgagees' forbearance and expiry of the CCAA stay.

[29] I am satisfied that the factors in s. 36.3 of the *CCAA* and those in *Soundair*, if different, are readily met. While there was no formal sales process approved, there was very public marketing with significant involvement by the Monitor both in the sale effort and in negotiating the terms of the RVO. As noted above, other creditors whose interests might have been affected have been consulted and were made comfortable with wording changes in the proposed draft order. There is broad support for the transaction and no reason to delay it further. No one suggests that another sales effort could realistically produce anywhere near the total value of the Applicant's debt which it is credit bidding.

[30] The Applicant and the Monitor have filed confidential appendices to their evidence that contain negotiation details and financial analysis of the real estate broker's sales efforts as well as analysis of the proposed RVO terms as compared to other potential outcomes. They ask for these appendices to be sealed pending the closing of the transaction in a few days or weeks.

[31] The case law is clear that there is a public interest in protecting the integrity of the insolvency process and, especially, fair sales efforts. In the event that the RVO does not close and a liquidation, receivership, or bankruptcy were to occur, the unsold 65 units would be put up for sale again. It would impair the sale and unfairly skew the sale process were buyers to have the information that the parties here have provided the court to show the economics of their recommended deal. In a value-maximizing effort to replicate fair market value, buyers cannot know what the seller will agree to accept or how it values various deal attributes.

[32] In my view the harm to the fairness of a subsequent sales process is far greater than the harm to the Open Courts principle if financial information is kept confidential for just long enough to allow a fair sale process to be held and close. Sealing order to issue as asked.

[33] Order signed as asked.

A. Introduction

1. On July 17, 2026 (the "**Filing Date**"), Findev Lending Inc. ("**Findev Lending**" or the "**Applicant**" or the "**Purchaser**"), a secured creditor of 1682 Victoria Park Avenue Inc. ("**Victoria Park**" or the "**Debtor**"), sought and obtained an initial order (the "**Initial Order**") under the *Companies' Creditors Arrangement Act*, R.S.C. 1985, c. (i) vests in Residual Co. (as defined below) all of the Debtor's rights, title and interest in and to the Excluded Assets and Excluded Liabilities;

(ii) authorizing and directing the Monitor to cause the Debtor to issue the Purchased Shares (as defined below) to the Applicant/Purchaser;

Docusign Envelope ID: 80868178-773F-8FD6-81EA-8ED4BCE48E4C

(iv) vesting in the Applicant/Purchaser all of the rights, title and interest in and to the Purchased Shares, free and clear of all Claims and/or Encumbrances, other than Permitted Encumbrances (each as defined below);

(v) authorizing, but not obliging, the Monitor to file an assignment in bankruptcy in respect of Residual Co.;

(vi) removing the Debtor as a party to these *CCAA* Proceedings; and

(vii) adding Residual Co. as a party to these *CCAA Proceedings*; and

(b) a sealing order in respect of certain confidential exhibits.

3. As set out in greater detail below, the Monitor recommends that the Court grant the foregoing relief sought by the Applicant.

B. Disclaimer and Terms of Reference

C. Background

8. The Debtor is the developer of a condominium project (the "**Project**"). A number of the units in the Project have been sold to homebuyers, but the Debtor retains title and possession of 65 of the 147 townhouses that make up the Project.

9. In addition to these residential units, the Debtor owns parking units and storage lockers described in the document attached as **Appendix A** hereto.

10. The parcel registers for the Unsold Units as well as the parking units and storage lockers owned by the Debtor are attached hereto as **Appendix B**.

11. On July 17, 2026, the Court granted the Initial Order which, among other things:

(a) granted a stay of proceedings until and including July 24, 2026 in favour of the Debtor. The stay of proceedings does not apply to Windsor Family Credit Union Limited ("**WFCU**"), Firm Capital Mortgage Fund Inc. ("**Firm Capital**") or Westmount Guarantee Services Inc. ('**Westmount**") (collectively, the "**Unaffected Secured Creditors**");

(b) appointed Albert Gelman Inc. as monitor of the Debtor ("**AGI**" or in such capacity the "**Monitor**");

(c) ordered that the Debtor shall remain in possession and control of its current and future assets, undertakings and properties, including the properties more particularly described at Schedule "A" to the Notice of Application (the "**Properties**" – and in specific regard to the 65 unsold units in the Debtor's 147 townhouse project on Victoria Park Avenue, the "**Unsold Units**") and

Docusign Envelope ID: 80868178-773F-8FD6-81EA-8ED4BCE48E4C

shall continue to carry on business in a manner consistent with the preservation of its business and Property;

(d) granted the Monitor, on behalf of the Debtor, the right to:

(i) permanently or temporarily cease, downsize or shut down any of the Debtor's business or operations, and to dispose of redundant or non-material assets not exceeding $50,000.00 in any one transaction or $500,000.00 in the aggregate;

(ii) terminate the employment of the Debtor's employees or temporarily lay off such employees as it deems appropriate;

(iii) pursue all avenues of refinancing of the Debtor's business or Property, in whole or part, subject to prior approval of the Court being obtained before any material refinancing; and

(iv) operate and control, for and on behalf of and in the name of the Debtor, all of the Debtor's existing accounts at any financial institution in such manner as the Monitor, in its sole discretion, deems necessary or appropriate;

(e) granted the Administration Charge to the maximum amount of $100,000, subordinated to and ranked in fourth position against all Property of the Debtor;

Docusign Envelope ID: 80868178-773F-8FD6-81EA-8ED4BCE48E4C

(f) ordered that the Applicant shall pay all amounts owing on the WFCU Charge, registered as Instrument No. AT6105081 on June 13, 2022 against title to the Unsold Units, as and when due including any accrued and unpaid amounts owing as at the date of this Order and all fees, expenses and other amounts chargeable under the mortgage; and

(g) ordered that that the Applicant shall pay all amounts owing on the Firm Capital Charge, registered as Instrument No. AT6870139 on July 30, 2025 against title to the Unsold Units, as and when due, including any accrued and unpaid amounts owing as at the date of this Order and all fees, expenses and other amounts chargeable under the mortgage.

12. A copy of the Initial Order is attached hereto as **Appendix C**.

13. Prior to commencement of the *CCAA* Proceedings, AGI in its capacity as proposed monitor, filed with the Court a pre-filing report dated July 14, 2026 (the "**Pre-Filing Report**"). The Pre-Filing Report is attached hereto as **Appendix D**.

14. On July 24, 2026, the Court amended and restated the Initial Order which, among other things, extended the Stay of Proceedings (other than in with respect to the Unaffected Creditors) to October 15, 2026 and increased the Administration Charge to $500,000. A copy of this Amended and Restated Initial Order is attached hereto as **Appendix E**.

Docusign Envelope ID: 80868178-773F-8FD6-81EA-8ED4BCE48E4C

15. On July 23, 2026, the Monitor filed the First Report in connection with the Applicant's motion returnable July 24, 2026. This First Report is attached hereto as **Appendix F**.

D. The Subscription Agreement

16. On August 28, 2026, the Applicant and the Monitor (on behalf of the Debtor), executed a Subscription Agreement by which the Applicant would purchase all shares in the Debtor through a reverse vesting order, which was later amended on September 10, 2026. A copy of the Subscription Agreement, as amended, is attached hereto as **Appendix G**.

17. The Transaction, if completed, will vest all outstanding shares of the Debtor in and to the Purchaser and vest all Excluded Liabilities of the Debtor in Residual Co. such that the Debtor will be released of all Excluded Liabilities and retain all Retained Assets as it did prior to Closing, subject only to the Assumed Liabilities and Permitted Encumbrances.

18. The Transaction will be completed as follows:

(a) The Purchaser shall incorporate and organize Residual Co., with nominal consideration for common shares;

(b) Effective on Closing, the following steps shall take place sequentially pursuant to the Approval and Reverse Vesting Order:

(i) Residual Co. shall be added to the *CCAA* Proceedings as a debtor company; and

Docusign Envelope ID: 80868178-773F-8FD6-81EA-8ED4BCE48E4C

(ii) The Excluded Assets and Excluded Liabilities shall transfer to, and vest in, Residual Co.; and

(c) Effective as of Closing:

(i) The Vendor shall issue the Purchased Shares to the Purchaser and cancel the Existing Equity without consideration to the holder of the Existing Equity; and

(ii) The Purchaser will satisfy the Purchase Price in the manner described in greater detail below.

19. The key terms of the Subscription Agreement are summarized below:

(a) **Purchase Price**: approximately $58,951,159.94, represented by the sum of the following amounts:

(i) The Priority Mortgage Indebtedness Amount – consisting of the Debtor's mortgage debt in priority to the Applicant, being approximately $32,834,910.31 as of the date of this Second Report;

(ii) The Purchaser Mortgage Indebtedness Amount – consisting of the Debtor's mortgage debt to the Applicant and being approximately $25,772,018.00as of the date of this Second Report; and

(iii) Priority Payables – consisting of all amounts owing by the Debtor which are in priority to the Purchaser Mortgage Indebtedness

Docusign Envelope ID: 80868178-773F-8FD6-81EA-8ED4BCE48E4C

Amount (other than the Priority Mortgage Indebtedness Amount) and being approximately $344,231.63 as of today's date, composed of:

1) $207,004.96 on account of the apparent deficiency in the statutory holdback in respect of the two construction liens registered on title to the Unsold Units, which are described in greater detail below. The Monitor has not had the opportunity to evaluate the validity and quantum of these liens and, accordingly, the Purchaser and the liens claimants have agreed that these construction liens shall be permitted encumbrances and assumed liabilities of the Debtor following closing of the Transaction; and

2) $137,226.67 on account of professional fees secured by the Administration Charge.

(b) **Satisfaction of Purchase Price**: the Priority Mortgage Indebtedness Amount is to be satisfied by the assumption of these liabilities by the Vendor, the Priority Payables are to be satisfied partially in cash and partially through the assumption of the amounts owing to construction lien claimants and the Purchaser Mortgage Indebtedness Amount is to be satisfied through a credit bid by the Applicant;

(c) **Purchased Shares**: the Subscription Agreement contemplates that the Applicant will acquire all outstanding shares in the Debtor;

Docusign Envelope ID: 80868178-773F-8FD6-81EA-8ED4BCE48E4C

(d) **Retained Assets**: the Subscription Agreement contemplates that, following Closing, the Debtor will retain all its assets, except the Excluded Assets, which Excluded Assets will instead vest in Residual Co. In addition to the Unsold Units and the related parking and storage units, the Monitor understands that the Debtor possesses An interest in $12,243.49 being held by Owens Wright LLP (the "Escrow Agent") pursuant to a deposit trust agreement between Westmount, the Debtor and the Escrow Agent in connection with the sale of units in the Project;

(e) **Date of Closing:** the Transaction is scheduled to close on the first Business Day following the date upon which the time to appeal the Approval and Reverse Vesting Order has expired or, in the event that an appeal is filed, the first Business Day following the final dismissal of such appeal. In the event that the Approval and Reverse Vesting Order is granted on September 15, 2026 and no appeal is filed, then the Date of Closing would be September 28, 2026; and

(f) **Conditions to Closing:** the only material condition to closing is the Court granting an Approval and Reverse Vesting Order in the form sought by the Applicant.

20. On September 10, 2026, the Purchaser incorporated 1001740770 Ontario Inc. to serve as Residual Co.

Docusign Envelope ID: 80868178-773F-8FD6-81EA-8ED4BCE48E4C

E. The Monitor's view on the Transaction

21. In the Monitor's view, the Transaction, including its structure and reliance on a reverse vesting order, is commercially reasonable and favourable to the estate of the Debtor and its stakeholders, having regard to all of the circumstances. In particular, the Monitor is of the view that further exposure of Debtor's assets to the market through a Court-supervised sales process would be unlikely to generate a superior offer for the Debtor's assets and would thus likely represent a net loss to the Debtor's estate as compared to the completion of the Transaction.

22. The Monitor has formed this view in reliance on:

(a) Appraisals obtained by the Monitor; and

(b) The Debtor's marketing efforts to date.

23. In short, the Monitor's analysis of the appraisals and the Debtor's marketing efforts suggest that the Transaction provides for substantially higher recovery for the Debtor's creditors than would be reasonably possible if the Debtor's assets were exposed to the public market.

1. The Appraisals

24. The Monitor engaged two certified professional appraisers to provide valuation opinions (collectively, the "**Appraisals**") in respect of the Unsold Units: Bottero Appraisals ("**Bottero**") and TL Smith Appraisals ("**TL Smith**").

Docusign Envelope ID: 80868178-773F-8FD6-81EA-8ED4BCE48E4C

25. As noted above, the Appraisals confirm that the market value of the Unsold Units (being the only material assets of the Debtor) are materially lower than the Purchase Price under the Subscription Agreement.

(a) Bottero

26. The Monitor engaged Bottero to conduct an appraisal of all of the Unsold Units if sold on an *en bloc* basis. Bottero provided an opinion with respect to the value of the Unsold Units as of July 29, 2026. A copy of this appraisal is attached hereto as **Confidential Appendix 1**.

27. The Monitor understands that Bottero developed its *en bloc* value estimate by valuing each Unsold Unit individually and then subjecting the aggregate individual appraised value of the Unsold Units to a 15% discount in recognition of the fact that, among other things, an *en bloc* purchaser would likely require such a discount to be able to generate a profit on such an investment.

28. The Monitor is of the view that such an *en bloc* discount is commercially reasonable and appropriate in the circumstances.

29. In any event, even without consideration of an *en bloc* discount, the appraised value of the Units in the Bottero appraisal is meaningfully lower than the Purchase Price.

(b) TL Smith

30. The Monitor engaged TL Smith to conduct an appraisal of four Unsold Units, each one representing one of the four types of Unsold Units that comprise the Unsold Units as follows:

Docusign Envelope ID: 80868178-773F-8FD6-81EA-8ED4BCE48E4C

(a) A one-bedroom unit;

(b) A two-bedroom Unit;

(c) Two different two bedroom and den Units.

31. TL Smith provided an opinion with respect to the value of these representative Unsold Units as of July 28, 2026. Copies of these appraisals are attached hereto as **Confidential Appendix 2**.

32. The Monitor then used the appraised price per square foot of these representative Unsold Units to estimate a price for all of the Unsold Units, collectively. The Monitor's analysis in connection with this estimate is set out in a spreadsheet attached hereto as **Confidential Appendix 3**.

33. The Monitor notes that this analysis reflects an estimate of the aggregate value of the Unsold Units if sold individually, rather than *en bloc*.

34. As with the Bottero appraisal, the Monitor has discounted this estimated aggregate price for the Unsold Units by 15% in connection with the foregoing analysis to reflect the fact that, among other things, a purchaser of such an *en bloc* opportunity would likely require such a discount to be able to generate a profit on such an investment.

35. In any event, even without consideration of an *en bloc* discount, the appraised value of the Units in this analysis is meaningfully lower than the Purchase Price.

Docusign Envelope ID: 80868178-773F-8FD6-81EA-8ED4BCE48E4C

(c) Accounting for benefits of the reverse vesting order

36. To satisfy itself that the Purchase Price under the Transaction is commercially reasonable, the Monitor has grossed up the notional value of the Appraisals by certain amounts to reflect the value that is generated through the use of a reverse vesting order in connection with the same.

37. In particular, the Monitor notes that the Transaction:

(a) avoids provincial and municipal land transfer tax; and

(b) may preserve the Debtor's ability to offer a rebate on HST in connection with further sale of the Unsold Units.

38. To ensure that the Transaction is commercially reasonable, the Monitor has grossed up the value of the Unsold Units in the Appraisals by adding to them:

(a) the entirety of the hypothetical value of land transfer tax were the Unsold Units to be sold at the values set out in the Appraisals; and

(b) the entirety of the hypothetical value of HST were the Unsold Units to be sold at the values set out in the Appraisals.

39. This analysis is set out in the spreadsheet attached hereto as **Confidential Appendix 4**.

40. The Purchase Price under the Transaction remains substantially higher than these grossed up appraised values, suggesting that the Purchase Price under the Transaction is very likely superior to what could reasonably be expected to be obtained through further

Docusign Envelope ID: 80868178-773F-8FD6-81EA-8ED4BCE48E4C

exposure of the Debtor's assets to the market, including through the marketing of the opportunity to acquire the Debtor's assets through a reverse vesting order structure.

41. The Monitor notes that the grossed-up value of the Unsold Units, as set out in Confidential Appendix 4, likely does not represent the fair market value of the opportunity to acquire the Debtor's assets through a reverse vesting order transaction, but rather represents a ceiling on this value. This is because, in the Monitor's view, the complicated and uncertain nature of an insolvency sale transaction would likely mean that a purchaser would not pay for 100% of the value of the prospective tax savings generated through such a transaction.

(d) Conclusion on the appraisals

42. In the Monitor's view, the Appraisals suggest that the recovery to stakeholders under the Subscription Agreement is materially higher than the recovery that would be generated through exposure of the Debtor's assets to the public market.

43. The Monitor has prepared a spreadsheet setting out this analysis, which spreadsheet is attached hereto as **Confidential Appendix 5**.

2. Marketing efforts to date

44. As set out in the affidavit of Alexander Silver, the Monitor understands that the Unsold Units have been marketed on an *en bloc* basis since June 12, 2026 by Colliers Macaulay Nicolls Inc. ("**Colliers**").

45. Mr. Silver's affidavit states that the following activities have been undertaken to exposure the Unsold Units to the market:

Docusign Envelope ID: 80868178-773F-8FD6-81EA-8ED4BCE48E4C

(a) A public MLS listing of $51,550,220.00 (exclusive of HST);

(b) Period email campaigns targeting approximately 8,000 people;

(c) Execution of 16 confidentiality agreements to review an electronic data room; and

(d) 550 phone calls with potentially interested parties concerning the opportunity.

46. The Monitor understands that the foregoing marketing activities have not yielded any offers to purchase the Unsold Units. This fact further reinforces the Monitor's view that Transaction is commercially reasonable and advantageous to the Debtor's stakeholders.

3. Reverse Vesting Order

47. In the Monitor's view, the reverse vesting order structure of the Transaction is reasonable, appropriate and necessary to ensure that the Debtor's creditors can unlock the full value of the Debtor's assets.

48. In particular, the Monitor is of the view that the reverse vesting order structure of the Transaction is necessary and desirable for the following reasons:

(a) Home Construction Regulatory Authority License: the Debtor holds a license issued by the Home Construction Regulatory Authority (the "**HCRA**") to sell and build new homes in Ontario. Under section 47(1) of the *New Home Construction Licensing Act* (the "***NHCLA***"), a licence is not transferable, and, under section 37(1) of the *NHCLA*, no person may sell a

Docusign Envelope ID: 80868178-773F-8FD6-81EA-8ED4BCE48E4C

new home unless licensed as a vendor by the HCRA. The Debtor's license therefore could not be conveyed to a prospective purchaser through a conventional asset sale and such a purchaser would be unable to benefit from the value of the Debtor's license. The reverse vesting order structure will maintain the corporate form of the Debtor, including its HCRA. This will unlock the value of this license by enabling the purchaser to avoid the expense and risk associated with applying for such a license;

(b) **New Housing Rebate:** by avoiding the need to transfer title to the Unsold Units to a purchaser, the Transaction preserves the ability of the Debtor to offer prospective individual purchasers of the Unsold Units the Ontario New Housing Rebate for HST on the same; and

(c) **Land Transfer Tax:** the Monitor understands that the reverse vesting order structure will enable the Purchaser to avoid land transfer tax in connection with its acquisition of Unsold Units.

4. Conclusion regarding Monitor's view on the Transaction

49. To conclude, the Monitor is of the view that, in all of the circumstances, exposure of the Debtor's assets through a public marketing process would be unlikely to yield an offer to purchase the Debtor's assets that provided for creditor recovery superior to the Transaction. In addition to the Monitor's analysis summarized above, the Monitor notes as follows:

(a) Though the Unsold Units have now been marketed for almost three months, the Debtor has not received any offers to purchase the same;

Docusign Envelope ID: 80868178-773F-8FD6-81EA-8ED4BCE48E4C

(b) The Debtor is subject to significant secured debt in the approximate amount of over $75,000,000 which incurs interest at a monthly rate of over $200,000. The Transaction will stop this interest from continuing to accrue; and

(c) The Monitor understands that certain homeowners of other Units in the Project have taken issue with the fact that the Debtor continues to own a significant number of Units and therefore is able to continue to exercise control over the condominium corporation's board of directors. The Monitor understands that, following the completion of the Transaction, the Applicant intends to continue to market the Unsold Units for sale. The Monitor is of the view, therefore, that the Transaction therefore represents the most efficient means of facilitating individual homebuyers purchasing and occupying the Unsold Units (and thus addressing this concern on behalf of the homeowners).

F. Summary of stakeholder positions

1. Secured Creditors

(a) First Mortgagee - Windsor

50. Windsor has registered a first mortgage on title to the Unsold Units in the principal amount of $70,000,000.

51. The Monitor understands that the Debtor owes Windsor $24,284,212.79 as of September 10, 2026, as set out in a payout statement provided by Windsor to the Monitor and attached hereto as **Appendix H**.

Docusign Envelope ID: 80868178-773F-8FD6-81EA-8ED4BCE48E4C

52. Under the Transaction, the Debtor will assume the mortgage in favour of Windsor. The Monitor understands that Windsor supports the Transaction.

53. The Monitor's legal counsel has provided it with an opinion that, subject to standard qualifications and limitations, Windsor has a valid first ranking mortgage charge on the Unsold Units and a secured interest in personal property.

(b) Second Mortgagee - Firm Capital

54. Firm capital has registered a second mortgage on title to the Unsold Units in the principal amount of $15,000,000.

55. The Monitor understands that the Debtor owes Firm Capital $8,550,697.52 as of September 10, 2026, as set out in a payout statement provided by Firm Capital to the Monitor and attached hereto as **Appendix I**.

56. Under the Transaction, the Debtor will assume the mortgage in favour of Firm Capital. The Monitor understands that Firm Capital supports the Transaction.

57. The Monitor's legal counsel has provided it with an opinion that, subject to standard qualifications and limitations, Firm Capital has a valid third ranking mortgage charge on the Unsold Units and a secured interest in personal property.

(c) Third Mortgagee - Westmount

58. The Monitor understands that Westmount registered a mortgage on title to the Unsold Units in the principal amount of $27,000,000 to secure the Debtor's indemnity of

Docusign Envelope ID: 80868178-773F-8FD6-81EA-8ED4BCE48E4C

Westmount in connection with Westmount's exposure under a bond issued by Westmount in favour of Tarion Warranty Corporation.

59. The face value of this bond is $2,940,000. The Monitor understands that Westmount also has security in $12,243.49 being held by the Escrow Agent.

60. The Monitor's legal counsel has provided it with an opinion that, subject to standard qualifications and limitations, Westmount has a valid third ranking mortgage charge on the Unsold Units and a secured interest in personal property.

(d) Fourth Mortgagee – the Applicant

61. The Applicant has registered a fourth mortgage on title to the Unsold Units in the principal amount of $4,000,000.

62. The Monitor understands that the Debtor owes the Applicant $25,780,435 as of September 9, 2026, as set out in a payout statement provided by the Applicant to the Monitor and attached hereto as **Appendix J**.

63. The Monitor's legal counsel has provided it with an opinion that, subject to standard qualifications and limitations, the Applicant has a valid fourth ranking mortgage charge on the Unsold Units.

(e) Fifth Mortgagee - Yonge-Abell Mortgage Partners Limited

64. Yonge-Abell Mortgage Partners Limited ("**Yonge-Abell**") has registered a fifth mortgage on title to the Unsold Units in the principal amount of $17,000,000.

65. Under the Transaction, the Monitor anticipates that Yonge-Abell would likely receive no recovery in connection with its mortgage charge.

Docusign Envelope ID: 80868178-773F-8FD6-81EA-8ED4BCE48E4C

66. The Monitor understands that the Applicant has corresponded with a representative of Yonge-Abell concerning the Transaction and has been advised that Yonge-Abell does not oppose the Transaction.

67. The Monitor has not opined on the validity of the Yonge-Abell charge given that if the Transaction is completed, there will not be any recovery thereunder.

(f) Personal Property Security Act

68. The Debtor is subject to registrations under the *Personal Property Security Act* ("***PPSA***") in favour of:

(a) Windsor;

(b) Firm Capital; and

(c) Westmount.

69. A copy of a search of the *PPSA* registry in respect of the Debtor is attached hereto as **Appendix K**.

(g) Lien Claimants

(i) Broadway Hardwood Flooring Limited

70. Broadway Hardwood Flooring Limited has registered a construction lien in the amount of $236,575 on title to certain of the Unsold Units.

71. A copy of this construction lien is attached hereto as **Appendix L**.

72. The Monitor has not conducted a review of this lien but is of the view that the quantum secured by this construction lien and in priority to the Purchaser Mortgage

Docusign Envelope ID: 80868178-773F-8FD6-81EA-8ED4BCE48E4C

Indebtedness Amount (and thus being a Priority Payable under the Subscription Agreement) could not exceed $153,890.73. This amount represents the deficiency in the statutory holdback required to be maintained by owners under the *Construction Act*, according to the lien claimant's counsel.

(ii) Global Alliance Home Improvement Products Inc.

73. Global Alliance Home Improvement Products Inc. has registered a construction lien in the amount of $82,823 on title to certain of the Unsold Units.

74. A copy of this construction lien is attached hereto as **Appendix M**.

The Monitor has not conducted a review of this lien but is of the view that the quantum secured by this construction lien and in priority to the Purchaser Mortgage Indebtedness Amount (and thus being a Priority Payable under the Subscription Agreement) could not exceed $53,114.23. This amount represents the deficiency in the statutory holdback required to be maintained by owners under the *Construction Act*, according to the lien claimant's counsel.

2. Canada Revenue Agency

75. The Monitor understands that the Debtor owes the CRA approximately $5,524,569.88 in connection with HST arrears.

76. As a result of the Initial Order and the effect of the *CCAA*, these HST arrears are unsecured claims against the Debtor.

77. The Monitor's counsel has emailed CRA to request their position on the Transaction and the CRA has not responded.

Docusign Envelope ID: 80868178-773F-8FD6-81EA-8ED4BCE48E4C

3. Homeowners

78. Counsel to the Monitor has corresponded with a number of individual and their counsel about condominium units in the Project that these homeowners purchased from the Debtor.

79. Counsel has advised the Monitor that the homeowners' primary concern is the Debtor's liability for deficiencies in connection with the Units and the Project.

80. With respect to the Units, these homeowners will continue to have access to Tarion statutory warranty to address any deficiencies.

81. With respect to the Project, the Subscription Agreement contemplates that, upon completion of the Transaction, the Debtor would be relieved of liability in connection with all existing contracts (except those contracts that the Purchaser indicates that it wishes to assume).

82. Failing the Purchaser indicating that it wishes to assume the agreements that exist between the condominium corporation and the Debtor, the Debtor would be relieved of contractual obligations to remedy deficiencies with the Project. However, the Monitor does not view this outcome as flowing from the Subscription Agreement or the Transaction.

83. On the contrary, the release or termination of the Debtor's contractual and unsecured obligations to the condominium corporation are likely to be inevitable, given the Debtor's insolvency.

84. The alternative to the Transaction is a bankruptcy or receivership, either of which, in the Monitor's view, would likely generate the same result.

Docusign Envelope ID: 80868178-773F-8FD6-81EA-8ED4BCE48E4C

4. Execution creditors

85. The Monitor understands that one creditor has registered a writ of seizure and sale against the Debtor and in favour of High Impact in the amount of $181,558.54.

86. As noted above, High Impact is a lien claimant against the Debtor and the Unsold Units and security for same was posted by the Debtor, leading to the deletion of the lien from title to the Unsold Units.

87. Attached here as **Appendix N** is a copy of an execution search against the Debtor dated September 8, 2026.

88. A copy of the writ and seizure and sale against the Debtor and in favour in High Impact is attached as Exhibit J to the Affidavit of Anthony Heller sworn August 28, 2026.

5. Professional fees

89. As of today's date, the following professional fees are owing to the beneficiaries of the Administration Charge, being the Monitor, counsel to the Monitor and counsel to the Applicant:

(a) The Monitor: $74,027.63;

(b) Paliare Roland Rosenberg Rothstein LLP, insolvency counsel to the Monitor: $55,458.54; and

(c) Garfinkle Biderman LLP: $7,740.50.

90. The total of these amounts is: $137,226.67. This amount will increase as these professionals continue to provide services up until the closing of the Transaction.

G. Activities of the Monitor since the Filing Date

91. Since the date of the Initial Order, the Monitor, and/or its counsel as applicable, have, among other things, undertaken the following activities:

(a) updated the Monitor's website, including posting copies of the Pre-Filing Report, the Initial Order and other materials in connection with the *CCAA* Proceedings;

(b) completed all statutory requirements, including but not limited to;

(i) preparing Form 1 and Form 2 for filing with the Office of the Superintendent of Bankruptcy within the required statutory timelines;

(ii) preparing a notice in respect of the *CCAA* Proceedings to all known creditors of the Debtor with claims of $1,000 or more;

(iii) arranging for publication of notice of the *CCAA* Proceedings in the National Edition of the National Post on July 22, 2026; and

(iv) posting a notice of the *CCAA* Proceedings and a list of creditors with claims of $1,000 or more on the Monitor's website.

(c) communicated with creditors, suppliers and employees of the Debtor to provide information about the *CCAA* Proceedings and to answer questions;

(d) monitored disbursements proposed by the Applicant during the period since the Filing Date to ensure payments were consistent with the Cash Flow Forecast and Initial Order;

Docusign Envelope ID: 80868178-773F-8FD6-81EA-8ED4BCE48E4C

(e) Negotiated and revised the Subscription Agreement;

(f) Obtained and analyzed the Appraisals;

(g) worked with the Applicant to review and otherwise prepared materials for the Applicant's motion returnable September 15, 2026; and

(h) prepared this Second Report.

H. Cash Flow Forecast

92. The Applicant, with the assistance of the Monitor, previously prepared a 15-week cash flow forecast (the "**Cash Flow Forecast**") for the period of July 13, 2026 to October 19, 2026. The complete Cash Flow Forecast, together with a summary of assumptions (the "**Cash Flow Assumptions**") and management's report on the cash-flow statement required by section 10(2)(b) of the *CCAA* are attached as Appendix C to the First Report**.**

93. The following is a summary of the Cash Flow Forecast:

Docusign Envelope ID: 80868178-773F-8FD6-81EA-8ED4BCE48E4C

Summary of the Cash Flow Forecast For the 15 Week Period Ended October 19, 2026

Total Disbursements	$	**922,005**
Net Cash Flow		-
Opening Cash Balance		-
Net Cash Flow		-
Ending Cash Balance	$	-

94. As noted in the Pre-Filing Report and the First Report, the Cash Flow Forecast indicates that during the forecast period, the Debtor is anticipated to have a net cash flow of $0. The Monitor understands that the lack of any net cash flow is the result of:

(a) the assumption that none of the Unsold Units owned by Victoria Park at 1650-1666 Victoria Park Avenue and 1666-1682 Victoria Park Avenue will be sold during the projected cash flow period;

(b) forecasted disbursements of $922,005, which include secured lender interest payments to WFCU and Firm Capital, operating expenses associated with the Unsold Units, and warranty and deficiency costs; and

Docusign Envelope ID: 80868178-773F-8FD6-81EA-8ED4BCE48E4C

(c) the Applicant's agreement to advance sufficient funds to pay all future disbursements of the Victoria Park during the *CCAA* Proceedings, thereby ensuring that Victoria Park does not experience a cash flow deficit during the *CCAA* Proceedings.

95. The Cash Flow Forecast does not include professional fees for the Monitor or the Monitor's counsel. The professional fees will be funded by the Applicant. Further, Plazacorp Investments Limited (an entity that the Monitor understands is related to the Applicant), has guaranteed payment of the fees and disbursements of the Monitor and its counsel.

96. Based on the Monitor's review,[1] nothing has come to its attention that causes it to believe, in all material respects that: (i) the Cash Flow Assumptions are not consistent with the purpose of the Cash Flow Forecast; or (ii) as at the date of this Second Report, the Cash Flow Assumptions are not suitably supported and consistent with the plans of the Applicant or do not provide a reasonable basis for the Cash Flow Forecast.

[1] The Monitor has reviewed the Cash Flow Forecast to the standard required of a Court-appointed Monitor under subsection 23(1)(b) of the *CCAA*. Subsection 23(1)(b) of the *CCAA* requires a Monitor to review the Debtor's cash flow statement as to its reasonableness and to file a report with the Court on the Monitor's findings. Pursuant to this standard, the Proposed Monitor's review of the Cash Flow Forecast consisted of inquiries, analytical procedures and discussions related to information supplied to it by the Applicant. The Monitor reviewed information provided by the Applicant for the Cash Flow Assumptions. Since the Cash Flow Assumptions need not be supported, the proposed Monitor's procedures with respect to them were limited to evaluating whether they were consistent with the purpose of the Cash Flow Forecast.

I. Cash Flow Variance

97. Since the date of the Initial Order, the Monitor has worked with the Applicant to prepare analyses of Debtor's reported weekly cash flows as compared to the Cash Flow Forecast.

98. A comparison of the Applicant's reported cash receipts and disbursements for the eight-week period ending September 4, 2026, as compared to the Cash Flow Forecast, is summarized below:

1682 VICTORIA PARK AVENUE INC

Net Cash Flow	-	-	-
Ending Cash Balance	-	-	-

99. This analysis is set out on a week-by-week basis in the spreadsheet attached hereto as **Appendix O.**

100. The Monitor understands that the cash flow variance of $300,392 arise from:

(a) Payment of a $60,000 forbearance fee and $50,545 in legal fees to Windsor, which payments were not originally included in the Cash Flow Forecast; and

(b) Payment of $163,929 in condominium fee common expenses, which were not originally included in the Cash Flow Forecast.

J. Recommendation and Conclusion

101. Based on the foregoing, the Monitor respectfully recommends that the Court grant the proposed Approval and Reverse Vesting Order in the form sought by the Applicant.

1. On July 17, 2026 (the "**Filing Date**"), Findev Lending Inc. ("**Findev Lending**" or the "**Applicant**" or the "**Purchaser**"), a secured creditor of 1682 Victoria Park Avenue Inc. ("**Victoria Park**" or the "**Debtor**"), sought and obtained an initial order (the "**Initial Order**") under the *Companies' Creditors Arrangement Act*, R.S.C. 1985, c. 2. The Purpose of this First Supplement to the Second Report of the Monitor (the "**First Supplement**") is to correct an inadvertent error in the characterization of the Applicant's mortgage charge in the Second Report.

B. Disclaimer and Terms of Reference

3. In preparing this First Supplement, AGI, in its capacity as the Monitor, has been provided with, and has relied upon, unaudited financial information and the books and records prepared by the Applicant, and has held discussions with management of the Applicant and its legal counsel (collectively, the "**Information**"). Except as otherwise described in this First Supplement:

(a) the Monitor has reviewed the Information for reasonableness, internal consistency and use in the context in which it was provided. However, the Monitor has not audited or otherwise attempted to verify the accuracy or completeness of the Information in a manner that would wholly or partially comply with Canadian Auditing Standards ("**CASs**") pursuant to the Chartered Professional Accountants Canada Handbook (the "**CPA**

Docusign Envelope ID: 386ADC25-799F-8E86-816E-475B38080946

Handbook") and, accordingly, the Monitor expresses no opinion or other form of assurance contemplated under CASs in respect of the Information; and

(b) some of the Information referred to in this First Report consists of forecasts and projections. An examination or review of the financial forecasts and projections, as outlined in the CPA Handbook, has not been performed.

4. Future oriented financial information referred to in this First Supplement was prepared based on the estimates and assumptions of the Applicant. Readers are cautioned that since projections are based upon assumptions about future events and conditions that are not ascertainable, actual results will vary from the projections, even if the assumptions materialize, and the variations could be significant. Unless otherwise stated, all monetary amounts contained herein are expressed in Canadian dollars.

5. The Monitor has prepared this First Supplement Report in connection with the Applicant's motion for the approval of the Transaction and should not be relied upon for any other purpose.

6. Capitalized terms not otherwise defined herein are defined in the Second Report of the Monitor dated September 10, 2026 (the "**Second Report**").

C. The Applicant's mortgage

7. The Second Report stated that the Applicant has registered a fourth mortgage on title to the Unsold Units in the principal amount of $4,000,000.

Docusign Envelope ID: 386ADC25-799F-8E86-816E-475B38080946

8. As noted above, this was an inadvertent error. In fact, per instrument number AT5583517, the principal amount of the Applicant's mortgage charge on the Unsold Units is $10,000,000.

9. A copy of instrument number AT5583517 is attached hereto as **Appendix A**.

10. Per the payout statement provided to the Monitor by the Applicant and attached to the Second Report, the Monitor understands that, as of September 9, 2026, this mortgage charge secured an indebtedness to the Applicant of $25,780,435.

AND IN THE MATTER OF A PLAN OF COMPROMISE OR ARRANGEMENT OF

1682 VICTORIA PARK AVENUE INC.

AFFIDAVIT OF TOM MCELROY

(sworn October 26, 2026)

I, Tom McElroy, of the City of Toronto, in the Province of Ontario, MAKE OATH AND SAY:

1. I am a Managing Director at Albert Gelman Inc. ("**AGI**"). Pursuant to an order of the Honourable Justice Myers of the Ontario Superior Court of Justice (Commercial List) (the "**Court**") dated July 17, 2026 (the "**Initial Order**"), as amended and restated by an order of the Court dated July 24, 2026 (the "**Amended and Restated Initial Order**"), made on the application of Findev Lending Inc. (the "**Applicant**") pursuant to the Companies' Creditors Arrangement Act, R.S.C. 1985, c. C-36, as amended (the "**CCAA**"), AGI was appointed as monitor (in such capacity, the "**Monitor**") of 1682 Victoria Park Avenue Inc. ("**Victoria Park**") in these proceedings (the "**CCAA Proceedings**"), and, as such, I have knowledge of the matters hereinafter deposed to.

2. Pursuant to the Approval and Reverse Vesting Order of the Honourable Justice Myers dated September 15, 2026 (the "**ARVO**"), the transaction approved thereby closed on October 9, 2026, upon which Victoria Park ceased to be a company to which the CCAA applies and 1001740770 Ontario Inc. ("**Residual Co.**") was added as the debtor company in the CCAA Proceedings.

3. This Affidavit is sworn in support of the Monitor's motion, brought in conjunction with the Third Report of the Monitor (the "**Third Report**"), seeking, among other things, approval of the Monitor's fees and disbursements for the period from July 1, 2026 to October 23, 2026 (the "**Period**"), as set out in the Monitor's invoice no. 9579 dated October 15, 2026 and invoice no. 9590 dated October 23, 2026 (together, the "**Accounts**"), together with

an accrual for the fees and disbursements required to complete the administration of the CCAA Proceedings.

4. Pursuant to the Amended and Restated Initial Order, the Monitor has provided services and incurred disbursements in the amount of $98,288.00 and $59.59 (all excluding HST), respectively, during the Period, as reflected in the Accounts. Attached hereto and marked as Exhibit "A" to this my Affidavit is a summary of the Accounts. The Accounts reflect all of the services provided by the Monitor in respect of the CCAA Proceedings during the Period, including services provided from July 1, 2026 to July 16, 2026 in preparation for the Monitor's appointment, which paragraph 24 of the Amended and Restated Initial Order provides are secured by the Administration Charge (as defined therein). Paragraph 23 of the Amended and Restated Initial Order provides that the Monitor shall pass its accounts from time to time and refers the Monitor's accounts to a judge of the Commercial List.

5. True copies of the Accounts, which include a fair and accurate description of the services provided along with hours and applicable rates claimed by the Monitor, are attached as **Exhibit "B"** to this my Affidavit.

6. In the course of performing its duties pursuant to the Amended and Restated Initial Order and the ARVO, the Monitor's staff has expended a total of 188.0 hours during the Period. Attached as **Exhibit "C"** to this my Affidavit is a schedule setting out a summary of the individual staff involved in the administration of the CCAA Proceedings and the hours and applicable rates claimed by the Monitor for the Period. The average hourly rate billed by the Monitor during the Period is $522.81.

7. The Monitor estimates that its fees and disbursements for the period from October 24, 2026 to the completion of the administration of the CCAA Proceedings, including the preparation of the Third Report, attendance on the motion for its discharge and the completion of the remaining activities described in the Third Report, will not exceed $30,000, inclusive of HST (the "**Estimated Final Accruals**"). The Monitor requests that the Court approve the Estimated Final Accruals and authorize the Monitor to pay its fees and disbursements up to that amount without further order of the Court.

8. I consider the Accounts and the Estimated Final Accruals to be fair and reasonable considering the circumstances connected with this matter, and the Monitor respectfully requests that the Court approve the Accounts and the Estimated Final Accruals.

AFFIDAVIT OF MARK A. LAURIOLA

I, Mark A. Lauriola, of the City of Toronto, in the Province of Ontario, **MAKE OATH AND SAY**:

1. I am a Partner at the law firm Garfinkle Biderman LLP. I have personal knowledge of the matters to which I hereinafter refer.

2. Pursuant to the order of the Honourable Justice Myers dated 17th day of July, 2026 (the "**Appointment Order**"), Albert Gelman Inc. was appointed as the monitor (the "**Monitor**") without security, of the real property municipally known as those properties set out on Schedule "A" attached hereto.

3. Pursuant to the Appointment Order, Garfinkle Biderman has provided services to and incurred disbursements on behalf of the Monitor. The detailed invoice attached hereto and marked as **Exhibit "A"** (the "Dockets") set out Garfinkle Biderman's fees and disbursements from July 24, 2026 to November 2, 2026. The Dockets describe the services provided and the amounts charged by Garfinkle Biderman.

4. The following is a summary of the professionals whose services are reflected in the Dockets, including hourly rates, fees billed, hours billed and the

average hourly rate charged by Garfinkle Biderman. The hourly rates charged are the usual hourly rates charged by Garfinkle Biderman for the listed professionals.

Professional	Hourly Rate	Hours Billed	Fees Billed	Year Called to Bar
Avrom W. Brown	$785.00/hr	1.30	$1,020.50	1973
Louis M. Cytrynbaum	$650.00/hr	10.30	$6,695.00	1982
Mark A. Lauriola	$450.00/hr	51.70	$23,265.00	2018

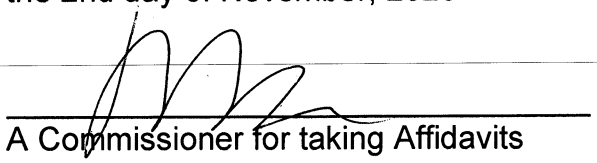

5. Inclusive of HST and disbursements, the total amount of the Dockets are $35,920.42.

6. To the best of my knowledge, the rates charged by Garfinkle Biderman LLP in the course of these receivership proceedings are comparable to the rates charged by other law firms in the Toronto market for the provision of similar services. I believe the total hours, fees and disbursements incurred by Garfinkle Biderman LLP on this matter are reasonable and appropriate in the circumstances.

SWORN by Mark A. Lauriola stated as being located in the City of Toronto, in the Province of Ontario before me at the City of Toronto, in the Province of Ontario on the 2nd day of November, 2026)
