Endorsement / disposition

This is a motion by the debtor  
applicant under a NOI issued  
February 14, 2019.

16717612.1

I am satisfied that the  
two applications are sufficiently  
inter-related that a consolidated  
order is warranted.

The admin charge is appropriate.

The sale of the surplus  
machine appears to be a fair buy  
and at a favorable price. The  
secured creditors are in agreement.

Similarly, the sale process in  
general ~~appears to be~~ appears to be  
consistent with the objectives  
of timely sale and maximizing benefit  
for stakeholders.

There is a proposed initial  
distribution to BDCB which is

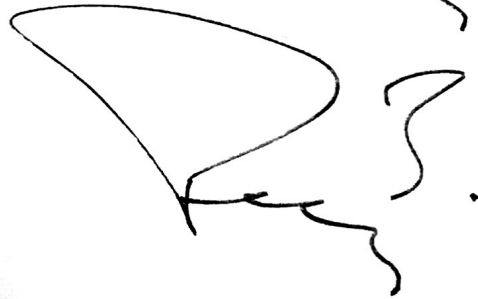

(L1201139.1)

supported by the evidence.

I agree that an extension of time is warranted to enable the sales process to take place.

The sealing order meets the ~~test~~ under Green Club.

Orders to issue in the form signed by me this day.

A handwritten signature in cursive script, appearing to read "R. J.", written in dark ink.
