INFORMATION FOR BUYERS OF PRE-CONSTRUCTION CONDOMINIUM HOMES ABOUT THE POSSIBLE TERMINATION OF PURCHASE AGREEMENT

To: Purchaser(s) of the Property

1. Take Note

You are entering into a purchase transaction which relates to a pre-construction condominium unit¹. You should be aware of the possibility that it may never be completed.

Important information about your purchase is set out in this document.

You should review your purchase agreement including this document with a lawyer familiar with condominium transactions.

Remember that you have a 10-day period to cancel your purchase.²

2. Be Aware of Timing

The Vendor's best estimate as to when your unit will be ready for occupancy is shown as the "First Tentative Occupancy Date" on the Statement of Critical Dates and is June 30, 2022 (*Month/Day/Year*). This date may be further extended. Please refer to the Statement of Critical Dates in the Condominium Addendum (which forms part of your Purchase Agreement) for an explanation of how this date may change.

3. Completion of Your Purchase Is Not Certain – It Can Be Terminated by the Vendor³

Your Purchase Agreement contains early termination conditions which could result in your purchase being terminated. These are set out in detail in the Condominium Addendum. In general terms, the Vendor can end your purchase if:

- a. By 03/03/2022 (*Month/Day/Year*), a set level of sales for the project has not been achieved.
- b. By N/A (*Month/Day/Year*), certain zoning and/or development approvals have not been obtained.
- c. By 03/03/2022 (*Month/Day/Year*), satisfactory financing for the project has not been obtained.

This may not list all of the conditions that may exist in the Condominium Addendum.

1 This information sheet applies to residential units in a standard residential condominium corporation as well as a phased condominium corporation (see paras 6(2) 2 and 4. of the *Condominium Act, 1998*).

2 See *Condominium Act, 1998, s.73*.

3 **Note to Vendor:** insert "n/a" in the date area if any of paragraphs 3(a), (b) or (c) do not apply.

INFORMATION FOR BUYERS OF PRE-CONSTRUCTION CONDOMINIUM HOMES

5. Title Restrictions

The Vendor represents, warrants and declares that:

- a. The Property is free from any registered title restriction that binds the Project which would prevent completion of the Project and/or sale of your unit to you. YES NO
- b. If No, that is, if such a restriction exists, the Vendor's explanation for how the restriction will be removed so the Project can proceed and/or the sale can be completed is set out below (add attachment, if necessary).

HARMONIZED SALES TAXES

- 4. (a) The Purchase Price set out above includes the HST net of Rebates as assigned/transferred to the Vendor, and the Purchase Price has been established on the basis that Purchaser will qualify for the full amount of the Rebate or Rebates, as applicable, and that the Rebate or Rebates will be assigned or an equivalent amount transferred or credited to the Vendor, in addition to such Purchase Price. The current rate of HST is 13 percent and this is the rate that is applicable to this contract before netting out the Rebates from such HST. Purchasers are advised that the Purchase Price offered to the Purchaser has been calculated on the basis that the

Purchaser shall qualify for and assign to and/or transfer and/or reimburse the Vendor the maximum Rebate based on the Purchase Price set out herein as adjusted, save and except as hereinafter set out to the contrary. The Vendor shall credit the Purchaser on Closing Date or Unit Transfer Date as determined by the Vendor, with all Rebates to which the Purchaser is entitled, subject to the Purchaser assigning and/or transferring or crediting the Rebates (or an equivalent amount) to the Vendor and/or reimbursing the Vendor for such Rebates as hereinafter set out subject to the assignment/transfer/crediting of the Rebates to the Vendor. The Purchaser warrants and represents that he/she qualifies for the full amount of the Rebate possible with respect to this purchase transaction and that either he or she or a blood relation, as set out in the Income Tax Act (Canada), shall be occupying the Property from and after the Closing Date. In the event that there is any legislation of any Governmental Authority that does not permit the assignment of the Rebate then the Purchaser shall transfer, credit and/or pay an equivalent amount of the Rebate to the Vendor on Closing (or thereafter as applicable) and the Vendor shall be entitled to vendor's lien for such amount and the Purchaser acknowledges that this amount form part of the consideration due to the Vendor.

- (b) If the rate of HST is increased or decreased or the percentage of calculation of the Rebate is amended/reduced, or the rate or thresholds in respect of the HST exemptions or rebate entitlement are changed between the date of this Agreement and the Closing Date or Unit Transfer Date, with the result that the net amount of the HST to be remitted by the Vendor increases, then the Purchaser shall pay the Vendor an amount on the Closing Date or Unit Transfer Date (as determined by the Vendor) equal to such additional HST payable by the Vendor. A statutory declaration of any officer of the Vendor as to the alteration, increase amendment, etc., as hereinbefore set out shall be determinative in this regard.
- (c) If the rate of the HST is reduced between the date of this Agreement and the Unit Transfer Date but such reduction is for the benefit of the Purchaser and not the Vendor (the "HST Credit"), then the Purchaser hereby assigns all right, benefit and entitlement to such HST Credit and shall execute any and all forms, documents, assignments, etc., as required by the Vendor in this regard in the Vendor's absolute discretion. The Purchaser hereby irrevocably authorizes and directs CRA to pay or credit the HST Credit directly to the Vendor.
- (d) The Purchaser covenants and warrants (which covenant and warranty shall survive the completion of this Agreement) that he/she has not made any claim and will not make any claim for any Rebate or HST Credit in respect of the Property.
- (e) Notwithstanding any other provision in this Agreement to the contrary, the Purchaser agrees that the Purchase Price for the Property, set out on page 1 of this Agreement, does not include HST on closing adjustments and amounts payable for Extras and/or upgrades purchased or ordered by the Purchaser (whether as part of this Agreement or otherwise) payable under this Agreement and that same are subject to HST on the Closing Date and/or the Unit Transfer Date and that such HST shall be chargeable and payable by the Purchaser in addition to any other HST included in the Purchase Price. The Purchaser acknowledges and agrees that the HST payable in respect of such adjustments and/or Extras and/or upgrades shall be at the rate of HST otherwise applicable to this Agreement.
5. The Purchaser hereby irrevocably assigns and/or transfers to and/or credits the Vendor all of the Purchaser's rights, interests and entitlements to the Rebate (and concomitantly releases all of the Purchaser's claims to or interests in the Rebate, to and in favour of the Vendor), and hereby irrevocably authorizes and directs CRA to pay or credit the Rebate directly to the Vendor. The Purchaser represents and warrants that the Purchaser is acquiring the Property for his or his blood relative's primary place of residence within the meaning of the Excise Tax Act (Canada) or Income Tax Act (Canada) or any replacement statute and is entitled to the maximum amount of the Rebate applicable to purchase transactions of this nature, at the Purchase Price as amended in accordance with in this Agreement. In the event that there are separate assignments and rebates of the provincial and/or federal portion of the HST with respect to this transaction, the Purchaser shall execute and deliver all applications, assignments, declarations, documents and/or other assurances (in the form required by the Vendor or the Government of Canada and/or the Province of Ontario) to the Vendor required to establish and assign all of his or her right, title and interest in the Rebates or any portion thereof. In the event that there is any legislation of any Governmental Authority that does not permit the assignment of the Rebate then the Purchaser shall transfer, credit and/or pay an equivalent amount of the Rebate to the Vendor on Closing (or thereafter as applicable) and the Vendor shall be entitled to vendor's lien for such amount and the Purchaser acknowledges that this amount form part of the consideration due to the Vendor. The Purchaser covenants and agrees that the Vendor shall have the right in its complete discretion to determine whether the Purchaser qualifies for any Rebates and the Vendor's determination of such entitlement shall be final and binding. The Purchaser hereby covenants, warrants and/or represents to the Vendor, with respect to this transaction, that:
- (a) the Purchaser is a natural person who is acquiring the Property with the intention of being the sole beneficial owner thereof on the Unit Transfer Date (and not as the agent or trustee for or on behalf of any other party or parties),
- (b) upon the Closing Date and continuing up to and including the Unit Transfer Date, and continuing thereafter, the Purchaser or one or more of the Purchaser's blood relations, as determined in accordance with the Excise Tax Act (Canada) and Income Tax Act (Canada), shall personally occupy the Property as his, her or their primary place of residence, for such period of time as shall be required by the applicable legislation in order to entitle the Purchaser to the Rebate (and the ultimate assignment thereof to and in favour of the Vendor) in respect of the Purchaser's acquisition of the Property; and
- (c) he or she has not claimed (and hereby covenants not to hereafter claim), for the Purchaser's own account, any part of the Rebate in connection with the Purchaser's acquisition of the Property, save as otherwise hereinafter expressly provided or contemplated or permitted.

6. The Purchaser acknowledges and agrees that:
- (a) the total consideration for the calculation of HST includes not only the Purchase Price but all other taxable supplies charged to the Purchaser pursuant to this Agreement or otherwise including without limitation, Extras, upgrades, applicable adjustments and/or reimbursements charged by the Vendor under this Agreement such as Taron Enrolment fees, connections fees, as well as any charge for development charge levies and education levies or other levies and charges, etc. (with such additional amounts hereinafter referred to as the "Additional Charges"), the costs of which the Vendor may charge to the Purchaser. The Additional Charges and applicable HST shall constitute part of the taxable supply with respect to the said transaction and shall be added to the Purchase Price to determine the total consideration upon which HST and the Rebate are calculated; and
 - (b) any Extras and/or Additional Charges are part of the single supply of the home and for HST purposes constitutes a change in the price being paid for the Dwelling and for the purposes of HST shall be deemed to form part of the Purchase Price.
7. Notwithstanding anything to the contrary herein, if it is determined by the Vendor, in its sole, subjective and absolute discretion, that the Purchaser is not entitled to the maximum permitted Rebate or any portion thereof (including any portion of same the Purchaser becomes disentitled to as a result of an increase in the total consideration payable hereunder as a result of any Additional Charges, Extras, etc., purchased or payable by the Purchaser), the Purchaser agrees to pay to the Vendor, in addition to any other amounts stipulated in this Agreement, the amount of the Rebate to which the Purchaser becomes disentitled, (which shall be paid on the Closing Date and/or Unit Transfer Date as required by the Vendor as a requirement of closing), and until so paid, such amount shall form a charge/vendor's lien against the Property, which charge shall be recoverable by the Vendor in the same manner as a mortgage in default. The Purchaser covenants and agrees to indemnify and save the Vendor harmless from and against any loss, cost, damage and/or liability (including without limitation, legal fees and disbursements, and an amount equivalent to the Rebate, plus penalties and interest thereon) which the Vendor may suffer, incur or be charged with, as a result of the Purchaser's failure to qualify for the maximum permitted Rebate, or as a result of the Purchaser having qualified initially but being subsequently disentitled to the Rebate, or as a result of the inability to assign the benefit of the Rebate to the Vendor (or the ineffectiveness of the documents purporting to assign the benefit of the Rebate to the Vendor) and such amounts shall be deemed to comprise a vendor's lien registerable on title to the Property. If the Vendor determines that the Purchaser is not entitled to the Rebate at any time prior to the Unit Transfer Date then it shall be entitled to demand and the Purchaser shall pay, an additional deposit equal to an amount that is 20% of the Purchase Price as set out on Page 1 of this Agreement.
8. The Purchaser covenants and agrees that in the event of any amendment, revival, novation, re-instatement of this Agreement, acquisition of Extras or upgrades, or any other action of the Purchaser results in the Rebate or HST Credit not being assignable, in whole or in part, then the Purchaser shall pay to the Vendor on the Closing Date or Unit Transfer Date (as determined by the Vendor) the amount of the Rebate or HST Credit which the Vendor does not receive or become entitled to.
9. The Purchaser covenants and agrees that any breach by it of the provisions as set out in these foregoing sections dealing with HST shall be deemed to be a fundamental breach by the Purchaser and the Vendor, in addition to (and without prejudice to) any other rights or remedies available to the Vendor (at law or in equity) may, at its sole option, unilaterally suspend all of the Purchaser's rights, benefits and privileges contained herein (including without limitation, the right to make colour and finish selections with respect to the Property as hereinbefore provided or contemplated), and/or may unilaterally declare this Agreement to be terminated and of no further force or effect, whereupon all deposit monies theretofore paid, together with all monies paid for any extras or changes to the Property, may be retained by the Vendor as its liquidated damages, and not as a penalty, in addition to (and without prejudice to) any other rights or remedies available to the Vendor at contract, law or in equity.

If the Unit Transfer Date falls on a day when the relevant Land Registry Office is not open for business, the Unit Transfer Date shall be the day next following when the Land Registry Office is open for business. Save and except if prohibited by the Addendum, the Vendor shall have the right to extend the Unit Transfer Date one or more times upon without any requirement of prior notice, and the Purchaser shall not be entitled to any compensation for the extension of the Unit Transfer Date. The Purchaser shall adjust for any and all changes to the adjustments after closing within 20 days of request by the Vendor, failing which the default interest provisions for unpaid adjustments shall apply.

The Purchaser agrees that should the Vendor elect to repair or redecorate all or any part of the Property as a result of the Purchaser's neglect, damage or use of the Property, which shall be deemed to be an event of default by the Purchaser, that the Purchaser will immediately reimburse the Vendor for the cost of doing same, and with the determination of need for such repairs or redecoration shall be at the discretion of the Vendor, and such costs may be added to the Purchase Price.

The Purchaser acknowledges and agrees that the Property may be subject to without limitation, conditions of draft approval (hereinafter "**Draft Conditions**") one or more Development Agreements, site plan agreements and/or subdivision agreements between the Vendor and Governmental Authorities and/or the Municipality, notice of which is hereby expressly acknowledged by the Purchaser, and pursuant to which the Vendor or the Municipality is responsible at its own expense for constructing and installing all services within the Lands, which services may include paved roads, sidewalks, storm water retention facilities, retaining walls, curbs, storm and sanitary sewers, street lights, parks, conservation areas, playgrounds, etc. and if the Subdivider is other than the Vendor, the Vendor shall not be liable in any way to the Purchaser for the manner in which said services are installed or constructed. The Purchaser acknowledges and agrees that it shall be his sole responsibility to review without limitation, the Draft Conditions, any Development Agreements, cost-sharing agreements, site plan agreements or subdivision agreements as hereinbefore described, prior to closing, which the Purchaser hereby agrees to take title subject to. The Vendor shall not be obligated to obtain or register a full or partial release of the Property from or in respect of such agreements, nor shall the Vendor be obliged to have said agreements deleted from title, and the Purchaser shall satisfy himself as to compliance therewith.

ACKNOWLEDGMENT REGARDING WARNING CLAUSES

15. The Purchaser acknowledges that the Draft Conditions and existing and/or future Development Agreements between the Vendor and/or the Subdivider and the Municipality may require the Vendor to provide the Purchaser with certain notices or warnings including, without limiting the generality of the foregoing, notices or warnings regarding the use of the Property, environmental issues, noise levels from adjacent roadways or otherwise, maintenance of municipal fencing, school transportation and related educational issues, installation of pools, aesthetic restrictions, care of landscaping on the Property and the status of services and works in the Lands/development. The Purchaser acknowledges and agrees that the Vendor may be unable, at this time, to provide the Purchaser with all such notices and warnings and same shall be provided in the future and shall be deemed to form part of this Agreement and the Purchaser shall execute all documents, amendments, acknowledgments, assurances as required by the Vendor in this regard and such further warnings or acknowledgments shall not affect nor diminish the Purchaser's obligation to complete his/her obligations under this Agreement. The Purchaser acknowledges and agrees that the Vendor and/or Subdivider may be unable to sell the Property to the Purchaser or obtain the release of securities unless the Purchaser executes such acknowledgments, amendments or assurances, etc., as aforesaid. In the event that the Purchaser fails to execute such

acknowledgments, amendments and/or assurances, etc., forthwith upon being requested to do so, such failure or refusal shall be considered a fundamental breach of this Agreement by the Purchaser and the Vendor shall be entitled to its remedies hereunder, including, at its sole option, to terminate this Agreement and upon such termination, all monies paid to the Vendor hereunder shall be forfeited to the Vendor as liquidated damages, not as a penalty, without prejudice to the exercise of any other remedy available to the Vendor, and this Agreement shall be at an end, and the Purchaser shall not have any further rights hereunder.

COMPLETION OF GRADING AND MUNICIPAL SERVICES

16. (a) The Vendor, its successors, assigns and all persons authorized by the Vendor, including, without limitation, the Municipality or any other governmental authorities having jurisdiction, shall have free access to the Dwelling and Property at all reasonable hours in order to make inspections and do such work or repairs as they may deem necessary. The Vendor, and all persons authorized by the Vendor, shall have a licence for a period of FIVE (5) years from the later of the Closing Date or the Unit Transfer Date to enter into, over, along or upon any part of the Property, without being deemed to have committed a trespass, for the purpose of enabling, without limitation, the completion or correction of sodding and grading, and the installation, maintenance and/or repair of any municipal services or utility services, and/or for the purpose of effecting any remedial and/or corrective measures to the Property as may be required by the Municipality, any utility, or any other governmental authority or bonding company, or other relevant authority having jurisdiction in this regard.
- (b) The Purchaser hereby acknowledges and agrees that the final grading of the Property may not be completed, nor a POTL grading certificate in respect of same issued by the Closing Date, yet the Purchaser agrees to nevertheless complete this transaction on the Closing Date, upon the Vendor's undertaking hereinafter set out, to complete the grading of the Property in accordance with municipal requirements as soon as reasonably possible after the Closing Date, weather and soil conditions and the availability of labor, equipment and materials permitting. The Vendor, by this Agreement, hereby undertakes to complete (if not already completed), the grading of the Property in accordance with the provisions of the preceding sentence, and the Purchaser shall not request or call for any further documentation or assurances pertaining to this undertaking in respect of grading, from the Vendor, or the Vendor's solicitors. The Purchaser acknowledges and agrees that the engineering data and/or final approved grade in respect of the Property may not be finalized as of the date of execution of this Agreement, and accordingly the Vendor may be required to construct the Dwelling with a walk-out basement and/or deck or in the alternative may not be able to provide a walk-out basement and/or deck if specified in this Agreement, but the Purchaser shall be nonetheless obliged to complete this agreement. In the event that any additions and/or improvements are made to the Property or abutting road allowances by the Purchaser and/or its agents or contractors after closing such as, but not limited to, the installation of porches, decks, pools, spas, patios, plants, shrubs, trees, paved driveways or fences are so located so as to alter or affect the grading and/or drainage patterns of the Property, street sight lines, any easement granted or contemplated being granted to third parties or the Vendor and/or affects the final inspection and/or assumption of services by the Municipality and/or the return of any security to the Vendor, then the Purchaser agrees to remove such additions and/or improvements at his own expense, forthwith upon the Vendor's request, failing which the Vendor may remove same at the Purchaser's sole expense and the Vendor shall be permitted to register and maintain a vendor's lien for such costs against the Property. The undersigned hereby acknowledges that complete engineering data in respect of the final grading of the Property as approved by the Municipality may not, as yet, be complete, and accordingly, the Purchaser agrees to accept the Property subject to any grading requirements or other requirements imposed by the Municipality.
- (c) Notwithstanding the foregoing to the contrary, the Vendor or anyone delegated by it shall have the right to enter upon the Property during the rectification period as set out above in order to, without limitation, change or rectify grades or drainage patterns, and/or carry out any sodding and/or restoration and/or re-grading work required by the Development Agreements (as such term is defined herein) and/or Governmental Authorities and may remove any fences, installations, landscaping, obstructions or signs situate on the Property, without liability of any kind, if the foregoing provisions of this paragraph are not observed by the Purchaser. The Purchaser acknowledges that the Municipality and any Governmental Authorities having jurisdiction, shall have the right to enter upon the Property and Lands for such purpose in the event the Vendor and/or Subdivider and/or the Condominium fails to satisfy its obligations in respect of the foregoing provisions of this paragraph. The Purchaser further acknowledges that the transfer of title to the Property may contain a right of re-entry in favor of the Vendor and/or the Municipality and/or any other Governmental Authority having jurisdiction as aforesaid.
- (d) Title to the Property may be subject to Development Agreements (as hereinafter defined) as well as restrictions, and/or covenants may be required to be given by the Purchaser on closing, preventing any changes being subsequently made to any exterior colour, materials, windows, treatment and/or cladding material of any exterior component of the Dwelling for any period of time after closing and as well as preventing the alteration or removal of any trees, vegetation, fencing, berm, retaining wall and/or other exterior element and the parties acknowledge that such items may be controlled by the Vendor, third party and/or any other governmental authority having jurisdiction for any period of time after closing. The Development Agreements may also contain important warning clauses affecting the use and enjoyment of the Property and the Purchaser is strongly advised to review same. The Purchaser covenants and agrees to abide by and comply with the terms and conditions of the Development Agreements, architectural controls, restrictions and covenants and agrees to indemnify and save the Vendor harmless from and against any losses and all damages, suits costs, expenses or liabilities incurred by the Vendor as a result of the Purchaser not complying with or defaulting under (in any way and with negligence not being required) with the terms and provisions of the such Development Agreements. In addition, the Purchaser covenants and agrees not to dump any materials, sod or other debris,

garbage and/or landscaping or construction materials upon any other lands owned by the Vendor and/or the Municipality and the Purchaser shall reimburse the Vendor on closing or thereafter, for the costs of removing such materials and dumping same, including inter alia, haulage costs, labour costs and/or any other costs, expenses or fines incurred by the Vendor as a result of the Purchaser breaching this covenant, and the Vendor shall be entitled to register and maintain a vendor's lien for such costs.

- (e) The Purchaser acknowledges and agrees that the filing of the consulting engineers' certificate(s) with the Municipality, or the issuance by the Municipality of an occupancy certificate or such other confirmation that the Property may be occupied shall, subject to the provisions of the Addendum, constitute complete and absolute acceptance by the Purchaser of all construction matters, and the quality and sufficiency thereof including, without limitation, all mechanical, structural and architectural matters. Acceptance of construction and siting of the Dwelling and/or grading of the POTL by the Municipality or governmental authorities shall conclusively constitute acceptance by the Purchaser. The Purchaser acknowledges that the Property, road allowance or private road fronting or flanking the Property may have one or more postal boxes, CATV boxes, telephone boxes, fire hydrants and/or hydro-electric transformers, hydro poles, sidewalks, landscape furniture, storm drains, etc., as required by the Municipality and the Purchaser agrees to accept same where located, notwithstanding that same may not be shown on any sales material, site plan, community property plan or brochures.

MAINTENANCE OF SOD AND LANDSCAPING

17. The Purchaser shall be solely responsible for the watering and general maintenance of the sod, tree, shrubs any other landscape plantings placed on the Property and any adjacent or abutting unpaved road allowances and/or boulevards from and after the closing date, or from the date that the sod is laid or the trees or shrubs or any other landscape plantings are planted, whichever date is later, and the Vendor shall have no obligation in that regard. In the event that the Vendor is required to water and/or replace laid sod, trees, shrubs or any other landscape plantings as a result of the Purchaser's default of the aforesaid obligation, then the Vendor shall not be obligated to do so until payment has been made therefor by the Purchaser. Purchasers of POTLs upon which the Vendor has installed landscaping in accordance with the final approved plans for the Condominium or the site shall be obliged to maintain and water and replace such soft landscaping and vegetation and shall not alter or remove any such soft landscaping materials or vegetation unless replaced by soft landscaping materials and vegetation in keeping with the approved landscaping plans for the Subdivision and Condominium.

LANDSCAPING, RETAINING WALLS, FENCES, BERMS AND STRUCTURES OR FEATURES

18. The Purchaser agrees that in the event that any retaining wall, fence, berm and/or similar or other structure are built on the Property, the Purchaser shall be solely responsible for the repair and maintenance of same. Where the Purchaser is obliged to make such repairs and undertake such maintenance, the Purchaser shall indemnify and save harmless the Vendor and any Governmental Authorities from all damages or costs associated with same and the Purchaser agrees, at the request of the Vendor, to execute such additional assurances in this regard as may be required by the Vendor and to have same registered on title by the Vendor if required by Vendor at the Vendor's option.

Where any portion of any fence is within twelve (12) centimetres internally or externally of the Property line, such fence shall be deemed not to be an encroachment at that point (the "Permitted Encroachment") and the Purchaser agrees to accept title to the Property and to complete the sale contemplated herein, without abatement of the Purchase Price. If any portion of any fence is not deemed to be a Permitted Encroachment (an "Unpermitted Encroachment") then the Purchaser shall complete the transaction herein either upon the Vendor's undertaking to take all reasonable lawful steps to remove the Unpermitted Encroachment; or, at the Vendor's sole option, upon an abatement in the Purchase Price, such abatement to be calculated by the Vendor, in its discretion, acting reasonably.

As of the date of this Agreement, the final grading plan relating to the Land or Property may not have been completed by the Vendor or approved by the Municipality. Consequently, the Purchaser acknowledges and agrees that the grading of the Land may require the use of retaining walls on the Land or on adjoining properties. The Purchaser acknowledges and agrees that the Vendor shall have the right to construct such retaining walls without notice to the Purchaser and without compensation or abatement to the Purchase Price and the Purchaser agrees that he shall be responsible for maintaining the retaining wall on the Land from and after the Closing Date. In the event that the Purchaser fails to comply with this obligation, the Purchaser shall be responsible for all damages and injuries which may result. In addition, the Purchaser acknowledges and agrees that the Vendor may construct any fences and/or berms on or near the Lands, as may be required.

TARION WARRANTY AND MODIFICATION OF PLANS, SPECIFICATIONS AND FINISHES

19. The Vendor agrees to erect the Dwelling upon the Property generally in accordance with plans and specifications already examined by the Purchaser and as attached to this Agreement (the "Plans"). Provided however that the Purchaser acknowledges and agrees that decor, finishes, furniture, improvements, mirrors, wall coverings, floor coverings, and window coverings of the model home are for display purposes only, are not included in the Vendor's standard finishes and are not included in the Purchase Price. The Purchaser acknowledges that the area of the Dwelling purchased hereunder, as represented or referred to by the Vendor or any sales agent, is approximate only, and is measured in accordance with the applicable Tarion Bulletin 22 standard for homes of this classification. Note: actual useable floor space may vary from the stated floor area. Accordingly, the Purchaser hereby confirms and agrees that all details and dimensions of the Dwelling purchased hereunder are approximate only, and that the Purchase Price shall not be subject to any adjustment based upon square footage, net floor area or otherwise. In addition the Purchaser acknowledges and agrees that the ceilings may be dropped below standard heights and walls may be modified or bulk heads or mechanical spaces installed to accommodate mechanical systems thereby affecting the useable space in the Dwelling. Therefore the Vendor and the Purchaser agree as follows:

- (a) The parties confirm and acknowledge that Tarion requires the Vendor to provide the Purchaser with a New Homeowner Information Package (the "**Package**" or the "**HIP**"), or electronic access to such HIP, at or before the pre-delivery inspection (the "**PDI**") of the Dwelling before the Closing Date and the Purchaser agrees to sign a Confirmation of Receipt for the same on receipt of the Package and/or electronic access to the Package being provided. The HIP or information on same is also available by contacting Tarion or obtaining same from their website at www.Tarion.com. The Purchaser shall have the right to designate a representative to undertake the PDI on his/her behalf without detracting from the Purchaser's right to conduct or be present when the PDI is being undertaken. The Purchaser and/or his or her designate, shall meet the Vendor's representative at the time designated by the Vendor prior to the Closing Date, to undertake the PDI of the Residential Dwelling and to list all items remaining uncompleted at the time of such inspection together with all mutually agreed deficiencies with respect to the Residential Dwelling, on the Tarion Certificate of Completion and Possession and/or such form as may be prescribed by Tarion (the "**PDI Form**"). The said Tarion certificate and/or PDI Form shall be executed by both the Purchaser and the Vendor's representative forthwith after such inspection.
- (b) The Purchaser further acknowledges and agrees that any warranties of workmanship or materials, in respect of any aspect of the construction of the Dwelling, whether implied by this Agreement or imposed by law or in equity, or by any statute or otherwise, shall be restricted to only those warranties deemed to be given by the Vendor pursuant to the ONHWPA, and shall extend only for the time period (and in respect of those items) stipulated or covered by ONHWPA. The Purchaser is advised to read the terms of the warranty as set out in the HIP carefully so that he/she understands what is included and/or excluded from such warranty and the Purchaser acknowledges and agrees that his/her only remedy shall be to pursue any claim as against the Vendor pursuant to the ONHWPA and its procedures and the Purchaser agrees that he/she shall not have, maintain, pursue, prosecute, etc., any claim against the Vendor in contract or at common law with respect to the subject matter of this agreement and/or warranties provided hereunder and shall not make, file, prosecute or otherwise advance any claim against the Vendor in the courts in this regard and this covenant may be plead as estoppel in this regard. Without limiting the generality of the foregoing, the Purchaser hereby releases the Vendor from any liability whatsoever in respect of water damage caused to improvements of, and chattels stored in, the Dwelling, and acknowledges and agrees that the Vendor shall not be liable or responsible for the repair or rectification of any damages to any exterior areas resulting from ordinary settlement, including the settlement of patio stones or sodded areas, nor for any damage to interior household improvements, chattels or decor caused by material shrinkage, twisting or warpage, nor for any secondary or consequential damages whatsoever resulting from any defects in materials, design or workmanship related to the Dwelling, and that the Vendor's only obligation shall be to rectify any defects pursuant to the terms of this Agreement and Tarion's warranty. The Purchaser acknowledges that any Third Party Work (as hereinafter defined) whether or not carried out by trades or subtrades employed by the Vendor shall be deemed to be work contracted directly by the Purchaser with the Vendor acting as agent for the Purchaser and as such, the Third Party Work shall not be covered by the Tarion warranty. The Purchaser covenants and agrees not to enter into any agreement or arrangement with any trade or subtrade employed by or under contract with the Vendor and/or any of its contractors, subcontractors and/or agents in respect of any work on the Dwelling. The Purchaser covenants and agrees not to undertake any renovation of finishing work in respect of the basement of the Dwelling for a period of 30 months after the Closing Date and in the event that the Purchaser does undertake such work, then the Vendor shall be relieved of any and all responsibility to restore such work or finishes in the event that the Vendor has to remove same in order to complete any warranty work and the Purchaser shall indemnify and save the Vendor harmless from and against any and all costs incurred by the Vendor in removing such finishes in order for the Vendor or its agents to be able to complete such warranty work. The Purchaser acknowledges and agrees that the Dwelling or Property does/may contain wood flooring which will absorb excess moisture under humid conditions and release its normal moisture content under excessively dry conditions. Wood flooring will naturally swell during the humid seasons and will shrink when heat is applied. The Purchaser acknowledges that the Vendor will not be responsible for any swelling or shrinkage cracks resulting from excessive humidity or excessive dryness within the Dwelling. When the heating system is not in use during late spring, summer and early fall, the Vendor strongly recommends that the Purchaser use a dehumidifier in the Dwelling. Correspondingly, when the heating system is on during the late fall, winter and early spring, the Vendor strongly recommends use of a humidifier system within the Dwelling. The Purchaser takes full responsibility for any damage to the wood flooring as a result of its failure to mitigate air quality conditions as herein set out
- (c) The Vendor shall complete the exterior landscaping or exterior building elements of the Property and Dwelling as soon as reasonably practicable, but the failure of the Vendor to complete the exterior landscaping or building elements, on or before the Closing Date and/or the Unit Transfer Date, or the failure of the Developer to complete any element on the Lands, and/or Property, shall in no event entitle the Purchaser to refuse to take possession of the Dwelling and/or to close the within transaction on the Closing Date and/or Unit Transfer Date, or to fail to remit to the Vendor the entire amount of the Purchase Price and any other monies required to be paid by the Purchaser hereunder, or to maintain any holdback of any part of the Purchase Price or any other monies due to the Vendor, provided that the Vendor has complied with the occupancy requirements of the Addendum. The Vendor hereby undertakes to complete the Dwelling and all unfinished work or improvements thereto in accordance with this Agreement, unless same affects the ability of the Dwelling to be legally occupied and in such event the terms and provisions of the Addendum shall prevail. The Vendor shall provide the Purchaser, on or before closing, with such evidence that the Dwelling may be legally occupied in accordance with the terms and provisions of the Addendum. The Purchaser agrees in such event to close the transaction, notwithstanding that there remains, without limitation, grading, landscaping or other exterior work or interior work to be completed, without any hold back of any part of the Purchase Price, on the Vendor's undertaking given to complete the Dwelling and all improvements to the Property. The Purchaser shall not hold the Vendor or the Municipality and/or any other Governmental Authorities and/or any of their respective agents liable for any damages, charges or inconvenience arising

from, or in connection with the completion (or non-completion) of any item, including but not limited to boulevard sodding, sidewalks, driveway approach, paving, fencing, final POTL grading and/or POTL sodding.

- (d) The Purchaser acknowledges and agrees that the Vendor may, from time to time, as required by it in its discretion and/or by any governmental authority having jurisdiction or any other rights with respect to the Property, change, vary or modify the plans and specifications pertaining to the Dwelling and Property, (including architectural, structural, engineering, landscaping, grading, mechanical, site service or other plans) from the plans and specifications existing at the inception of the project, or as they exist at the time the Purchaser has entered into this Agreement, or as same may be illustrated in any sales brochure(s), model(s) in the sales office or otherwise, including reversing the layouts of the Dwelling or changing the elevation/facade of the Dwelling. The Purchaser shall have absolutely no claim or cause of action whatsoever against the Vendor or its agent(s) for any such changes, variances or modifications. The Vendor shall advise the Purchaser of the changes as soon as reasonably possible about the amendments and alterations. The Purchaser also acknowledges and agrees that architectural and/or engineering control of exterior elevations, driveway construction, boulevard tree planting, landscaping, corner POTL fencing (including the location of such corner POTL fencing), exterior colour schemes, or any other matter external to the Dwelling or Property designed to enhance the aesthetics of the area in which the Property is situate (the "Requirements"), may be imposed by the Municipality or any other Governmental Authority and the Purchaser agrees to take occupancy and title to the Property subject to the Requirements. In the event the Vendor is required by any Governmental Authority to construct, alter, amend or change, pursuant to such Requirements, the exterior elevation for the Property and/or Dwelling other than as shown on the schedules to this Agreement or specified herein or is required to alter or modify the driveway, building façade or elevation, internal road or other hardscape installation, construction or location, boulevard tree planting or landscaping plan for the Dwelling or Property (all of which is hereinafter referred to as the "Amended Plans"), the Purchaser hereby irrevocably authorizes the Vendor to complete and construct the Dwelling and Property in accordance with the Amended Plans and the Amended Plans shall be the approved plans for the purposes of the Purchaser's obligation to complete this Agreement. The Vendor shall have the right to construct the Dwelling on a reverse mirror image plan, including reversal of the interior floor layout and other minor modifications and the Purchaser agrees to accept such reversal and/or modification absolutely without any right of abatement of, or set-off against, the Purchase Price, in full satisfaction of the Vendor's obligations herein. The Vendor shall have the right to alter, modify and/or substitute other materials for that provided for in the Plans, provided that such material is of substantially equal or better quality than the material in the Plans, as determined by the Vendor, acting reasonably. Further, in the event the Vendor determines that it needs to alter the grade of the Dwelling for any reason, than as depicted in the Plans, and as a result of such change in the elevation, the Vendor needs to install a step or series of steps to any entrance to the Dwelling or garage and this affects the interior dimensions of the Dwelling or garage, then the Purchaser agrees to accept such change in grade and the change in the usable interior space in the garage and/or Dwelling caused by the installation of steps and shall complete this transaction without any abatement in the Purchase Price. With respect to any aspect of construction, finishing or equipment, the Vendor shall have the right subject to the requirements of TARION or the provisions of the ONHWPA, without the Purchaser's consent, to substitute materials, designs and/or installations, for those described in this Agreement, any schedule of finishes or in the plans or specifications, provided the substituted materials, designs and/or installations are in the judgment of the Vendor, whose determination shall be final and binding, of equal or better quality or as may be required as a matter of law or any applicable building, fire, plumbing and/or electrical code or regulation. References to model types or model numbers in any schedule of finishes or Extras addendum or agreement refer to current manufacturer's models as of the date of this agreement and may change without notice and the Vendor shall be entitled to replace with the manufacturer's or alternate manufacture models that are of a similar size, style, design and quality. The Purchaser acknowledges and agrees that finishing materials contained in any model suites or sales office displays including but not limited to substrates, floor and wall coverings, broadloom, furniture, electrical fixtures, window coverings, flooring, upgrade cabinetry, staircases, railings, appliances etc. may be for display purposes and may not be of the same grade or type, or may not necessarily be included in the dwelling unit purchased herein. Purchasers are advised that any ceiling height set out in this agreement will be measured approximately from the upper surface of the floor to the underside of the ceiling structure, provided however that various areas of the Dwelling may contain (or be subject to) ceiling bulkheads and/or dropped ceilings, in order to facilitate the installation of structural components, mechanical and HVAC systems and/or ductwork, and accordingly in those areas of the unit that are subject to said bulkheads and/or dropped ceilings the Vendor shall be entitled to reduce the overall ceiling height accordingly and the Purchaser covenants and agrees to accept such situations and/or alterations. The Purchaser acknowledges that any room dimensions as shown on any plans attached to this agreement or otherwise are approximate and may vary based on the construction requirements of the development in which the Property is situate and the Purchaser covenants and agrees to accept such variations and/or alterations. The Purchaser acknowledges, confirms and agrees that the extent of the actual or useable living space or net floor area within the confines of the unit may vary from any represented square footage or floor area measurement(s) made by or on behalf of the Vendor based on the permitted Tarion method of area calculation. The Purchaser shall have no claim against the Vendor for any changes, variances, alterations, amendments and/or modifications as permitted in this Agreement nor shall the Vendor be required to give notice thereof. The Purchaser hereby consents to any such alterations, variances, amendments and/or modifications and agrees to complete the sale notwithstanding same. The Purchaser shall have no claim against the Vendor for any such changes, variances, alterations, amendments or modifications, etc., nor shall the Vendor be required to give notice thereof. The Purchaser hereby consents to any such alterations and agrees to complete the sale notwithstanding any of the foregoing and that none of these matter shall be considered any material change.
- (e) Notwithstanding anything contained in this Agreement to the contrary, it is understood and agreed by the parties hereto that in the event that construction of the Dwelling is not completed on or before the Closing Date or any extension thereof as hereinbefore contemplated, for any reason except for the Vendor's willful

neglect, or in the event the Purchaser cannot take possession of the Dwelling on Closing Date by reason of any fire damage or other hazards or damages whatsoever occasioned thereto, constituting an event of Unavoidable Delay (as defined in the Addendum), then subject to the terms of the Addendum to the contrary, Vendor shall not be responsible or liable for reimbursing the Purchaser for any costs, expenses, or damages suffered or incurred by the Purchaser as a result of such delay or damage, and specifically shall not be responsible for any costs and expenses incurred by the Purchaser in obtaining alternate accommodation pending the completion of construction of the Dwelling or the rectification of the damage, nor for any costs incurred in having to store or move the Purchaser's furniture or other belongings pending such completion or rectification work.

- (f) The Vendor shall have the right to enter upon the Dwelling for a period of eight (8) years after the completion of the transaction set out in this Agreement, as required by the Vendor in its complete discretion, in order to complete and/or rectify outstanding items identified in the PDI Form or any other list prescribed by Tarion and the Vendor agrees to complete and/or rectify same within a reasonable time after Closing (or some other date as prescribed by Tarion), having regard to the availability of equipment, materials and labour. The failure or refusal by the Purchaser to provide access to the Property and/or the Dwelling situate thereon by the Vendor or its workmen, servants, agents or contractors following reasonable notice by the Vendor, shall relieve the Vendor of any obligation to complete or rectify any items of work that may be outstanding and otherwise required to be completed by the Vendor pursuant to the provisions of this Agreement.
- (g) The Purchaser agrees that in no event shall the Purchaser be entitled to obtain possession of the Dwelling and Property unless and until the Purchaser and/or his/her designated representative has completed the pre-delivery inspection and executed the said PDI Form. In the event that the Purchaser and/or his/her designated representative has omitted or refused to execute the said PDI Form prior to the Closing Date, and the Vendor has duly attended at the Dwelling for the purposes of completing the said PDI Form and to inspect the Dwelling, the Vendor shall have the unilateral right and option of either completing this transaction and refusing to allow possession of the Dwelling by the Purchaser until such PDI Form has been duly executed, or of terminating this Agreement, whereupon all Deposits and monies paid or payable in respect of Extras, together with all interest accrued thereon at the prescribed rate, shall be retained by the Vendor as its liquidated damages, and not as a penalty, in addition to (and without prejudice to) any other rights or remedies available to the Vendor at law or in equity.
- (h) It is expressly understood and agreed that the Dwelling will be separately metered for utilities, including electricity, gas and water services, and accordingly the consumption of electricity, gas and water/waste water services (as well as cable television, internet and telephone charges), shall be borne and paid for by the Purchaser from and after Closing Date.
- (i) The Purchaser covenants and agrees to pay to the Vendor all amounts to correct and remedy all damage caused by the Purchaser or those for whom he is in law responsible to any services installed within the Property, which services shall, without limitation, include survey stakes, landscaping, trees, planting, curbs, curb cuts, streets, roads, street signs, street lighting, sanitary and storm sewers and any underground services installed by or on behalf of any public or private utilities.
- (j) It is understood and agreed that the Purchaser is not entitled to perform any work on the Property prior to Closing without the Vendor's written consent and in the event that such consent is obtained, the Purchaser must obtain at its expense, and without restriction, any applicable building permits for the subject work at the Purchaser's sole cost and expense. It is further understood and agreed that such work shall not be warranted by Tarion or the Vendor or any other party related to the Vendor and that the Vendor shall not be responsible for any delay, costs and/or penalties arising as a result of the delay by the Purchaser in completing such permitted work on or before the scheduled Closing Date.
- (k) The Purchaser acknowledges and agrees that if due to grading or other requirements, as determined by the Vendor, at its sole, absolute and unfettered discretion, that it cannot or will not build a side door and/or door from the garage with direct access to the Dwelling, the Vendor need not build such door(s) and the Purchaser covenants and agrees to accept the Dwelling without such door(s) and the Purchaser shall not be entitled to any compensation or abatement of the Purchase Price.

FINISH SELECTION AND EXTRAS

20. (a) The Purchaser covenants and agrees to notify the Vendor, in writing within seven (7) days of the Vendor's request, as to any colours and finishes or other items to be chosen by the Purchaser from the Vendor's samples, and if the Purchaser fails to so notify the Vendor of his colour and finish selection or other selection within such time, the Vendor shall not be held liable for any delays in having the Dwelling substantially completed sufficient to permit occupancy thereof by the Closing Date, and the Purchaser shall complete the transaction on such date, notwithstanding that the Dwelling may not be substantially completed by such date. The Purchaser acknowledges and agrees that as a result of the Tarion Delayed Closing rules and regulations as set out in the Addendum, that any delay caused by the Purchaser in the selection of the finishes and colours can result in a delay in a construction and delivery of the Dwelling and as a result, a breach of the Purchaser's covenants in this section shall be considered a material breach of contract entitling the Vendor to all of its remedies in contract, law and equity, including without limitation, the right to terminate this Agreement and retain all monies paid thereto by the Purchaser as liquidated damages and not as penalty. Notwithstanding and in addition to the foregoing, in the event the Purchaser fails to make such selections as aforesaid, the Vendor shall be entitled to make such selections on behalf of the Purchaser and the Purchaser shall be obliged to complete this transaction without any holdback or abatement whatsoever.

- (b) Subject to the Vendor's approval, if the Purchaser chooses to order third party upgrades or extras other than those specified and provided by the Vendor or if the Vendor agrees to allow the Purchaser or its agents to complete certain work within the Dwelling (collectively referred to as "Third Party Work"), then, if any delays in the completion of such Third Party Work affects the availability of legal occupancy of the Dwelling, then the Vendor shall not be held liable for any delays in having the Dwelling substantially completed sufficient to permit occupancy thereof by the Closing Date, and the terms of the Addendum shall apply. If the delay in the delivery and/or installation of the Third Party Work does not prevent the legal occupation of the Dwelling and the provision of the evidence confirming same as set out in the Addendum, then the Purchaser shall complete the transaction notwithstanding, without any holdbacks in respect of the Purchase Price. In the event that the Purchaser ordered and paid for extras comprising or requiring Third Party Work through the Vendor and such extras are not available on closing, but the lack of installation of same does not prevent the closing of such transaction and/or legal occupancy of the Dwelling, then the Vendor shall have the option of either i) providing its undertaking to install such Third Party Work extras in the Dwelling within a reasonable time of receipt of same after the Unit Transfer Date or ii) refunding the cost of the Third Party Work extras on the Unit Transfer Date by way of providing the Purchaser with a credit in the final statement of adjustments. In such latter event, such credit shall be accepted by the Purchaser as full and final settlement of any claim by the Purchaser with respect to such extras.
- (c) The Purchaser specifically acknowledges that in the manufacture of finishing items, colour variances sometimes occur. The Purchaser hereby agrees to accept any such colour variation resulting from the manufacturing process without any right of abatement of purchase price and in full satisfaction of the Vendor's obligations herein. More specifically, the Purchaser acknowledges that colour, texture, appearance, grains, veining, natural variations in appearance etc. of features and finishes installed in the Dwelling or the Property may vary from Vendor's samples as a result of normal manufacturing and installation processes and as a result of any such finishes being of natural products and the Purchaser agrees that the Vendor is not responsible for same. The Vendor is not responsible for shade difference occurring in the manufacture of items such as, but not limited to, finishing materials or products such as carpet, tiles, bath tubs, sinks and other such products where the product manufacturer establishes the standard for such finishes. Nor shall the Vendor be responsible for shade difference in colour of components manufactured from different materials but which components are designed to be assembled into either one product or installed in conjunction with another product and in these circumstances the product as manufactured shall be accepted by the Purchaser. Purchaser acknowledges and agrees that pre-finished wood flooring (if any) may react to normal fluctuating humidity levels inducing gapping or cupping. The Purchaser acknowledges that natural stone (if any) is a very soft stone which will require a substantial amount of maintenance by the Purchaser and is very easily scratched and damaged. Purchaser acknowledges and agrees that carpeting may be seamed in certain circumstances and said seams may be visible. The Purchaser further acknowledges and agrees that various types of flooring, including but not limited to carpets, marble, tile, laminate, hardwood floors, or engineered wood in the dwelling unit may result in different heights (to be established by the Vendor in its sole discretion) in the transitional areas between them, and that the Vendor may use appropriate reducers in the area. For greater certainty, the Purchaser acknowledges and agrees that insofar as the wood finishes, laminate, marble, stone, carpeting, tiles, kitchen cabinetry or other manufactured finishing materials installed within the Dwelling are concerned: (i) the colour, texture and/or shading of such wood finishes, laminate, carpet, tiles, kitchen cabinetry or other manufactured finishing materials may vary slightly from that of those selected by the Purchaser from the Vendor's samples, due to variations or shading in dye-lots produced or manufactured by the suppliers; and (ii) the colour, finish and/or grain of wood and stone products may vary slightly from that of the wood or stone selected by the Purchaser from the Vendor's samples, inasmuch as wood and stone are natural materials which inherently cannot be precisely replicated or matched with other pieces or samples, thereby accounting for variations of colour and/or grain even within the same POTL or section of wood or stone. The Purchaser shall accordingly be estopped from claiming any entitlement to an abatement in the Purchase Price, or any replacement (in whole or in part) of the carpet, tiles, kitchen cabinetry, manufactured finishing materials or wood or stone products so installed or any other relief as a result of the variations hereinbefore described or contemplated. The Purchaser acknowledges and agrees that all light coloured materials, especially flooring, may be subject to fading or yellowing after use or exposure to sunlight and such fading or yellowing will not be covered by any warranty. The Purchaser further acknowledges that light coloured and white carpeting may be subject to discolouring at walls and sub-floor joints due to the filtering process that occurs with forced air heating, generally caused by pollutants and candles and both exterior and interior air quality and is not covered by any warranty provided for herein.
- (d) The Purchaser covenants and agrees that he/she shall pay the Vendor in advance, (unless otherwise agreed in writing), for any Extras and the applicable HST and other taxes thereon ordered by the Purchaser and agrees that such payment shall be non-refundable in the event that this transaction is not completed due to any default hereunder by the Purchaser, and the Vendor may deduct the cost of such Extras, (as well as applicable HST and other taxes thereon) if not already paid for, from any deposit monies which may otherwise be refundable. In the event that for any reason the Extras are not installed by the Vendor prior to closing, the Vendor shall be entitled to refund all or part of monies paid as appropriate and this shall be accepted by the Purchaser as full and final settlement of any claim by the Purchaser with respect to the Extras, upgrades or changes which remain incomplete as aforesaid.

NO ACCESS UNTIL CLOSING

21. The Purchaser hereby acknowledges and confirms that he shall not be allowed without the specific written consent of the Vendor, (which consent may be arbitrarily withheld by the Vendor) access to the Property, for any purpose whatsoever. Once such right of access is exercised by the Purchaser with consent as aforesaid, he agrees to comply with all regulations and requirements imposed by any governmental authorities or imposed by the Vendor which may prevent, restrict or regulate such access due to health, safety or other governmental requirements or policies. The

Purchaser further acknowledges and agrees that any access to the Property shall be at the Purchaser's sole risk and the Purchaser hereby forever discharges and releases the Vendor, its successors and assigns, agents, employees and contractors from any and all damages, actions and claims whatsoever that the Purchaser may have as a result of personal injury or property damage occasioned by entering onto the Property, whether such entry was with or without the Vendor's express written consent. If permitted onto the Property, the Purchaser shall not enter the Property unless accompanied by a representative of the Vendor and the Purchaser shall be responsible to provide and wear all such protective headwear and footwear and any other equipment or clothing as required pursuant to the Occupational Health and Safety Act and/or any successor or other legislation and its regulations and the Purchaser agrees to indemnify and save the Vendor harmless from and against any and all losses, liabilities, charges, damages or fines that the Vendor or its agents incur as a result of the Purchaser's breach of the foregoing, and in particular the Purchaser shall indemnify and save the Vendor, its servants and agents harmless from action, causes of the action, claims and demands for, upon or by reason of any damages, loss or injury to person or property of the purchaser, or any of his friends, relatives, workmen or agents who have entered on the Property whether with or without authorization, express or implied, of the Vendor.

OCCUPANCY AND COMPLETION

22. The Purchaser agrees that the Dwelling may be occupied when the requirements of the Municipality have been complied with and the Vendor has complied with the terms of the Addendum, notwithstanding that there remains exterior or other work to be completed as hereinbefore and hereinafter set out, including but not limited to completion of requirements pertaining to the Property or the Lands, requirements of any Development Agreement, the painting, paving of the driveway (if part of the Purchase Price), and/or any other grading, sodding and landscaping, all as hereinbefore provided.

23. The Purchaser agrees to accept title to the Property subject to the following items and the Purchaser covenants and agrees to adhere to the terms and conditions as set out therein. If requested by the Vendor the Purchaser shall accept title to the Lot and/or Property from any registered owner of same and shall accept that owner's title covenants in lieu of the following items set out herein.  - (e) such easements as may be required for access/egress, construction, servicing, utilities, sewers, maintenance or encroachment purposes and the encroachments permitted thereby, all as determined by the Vendor or Subdivider or as required by any Governmental Authority, provided that the party requesting such easement may not necessarily be the party designated to benefit by such easement;

- (f) such easements or rights of way over the Property as may be necessary to permit the Vendor or Subdivider to construct, repair and/or maintain any dwellings and/or installations on any part of any lands owned by the Vendor and the Purchaser covenants and agrees that it shall not interfere or impede the Vendor's use and enjoyment of the aforesaid easements;

The Purchaser also acknowledges that the wires, cables and fittings comprising the Telecoms are (or shall be) owned by the Telecoms;
- (k) all rights accruing to Her Majesty the Queen, any Governmental Authority and/or any third party pursuant to and/or under the patents issued in respect of the Property by the Crown; and,

24. (a) The title to the Property to be good and free from all encumbrances, save and except the Permitted Encumbrances as hereinbefore provided and any other registration as hereinafter provided for in this Agreement. The title is to be examined by the Purchaser at his own expense and without the Purchaser calling for the production of any deeds or abstracts of title, surveys, proof of evidence of title or to have furnished any copies thereof, other than those in the Vendor's possession. The Purchaser is to be allowed until 15 days prior to the Unit Transfer Date hereof to examine the title at his own expense and if within that time he shall furnish the Vendor in writing with any valid objections to the title which the Vendor shall be unwilling or unable to remove and which the Purchaser will not waive, this Agreement shall, notwithstanding any intermediate acts or negotiations, be null and void and the portion of the Deposit and Extras paid to the Vendor shall be returned without interest (unless interest is required pursuant to the Addendum) and the Vendor shall not be liable for any damages or costs whatsoever, including, without limiting the generality of the foregoing, loss of bargain, loss of profit, relocation costs, loss of income, professional fees and disbursements and any amount paid to third parties on account of decoration, construction or fixturing costs, unless such compensation is required pursuant to the Addendum and/or ONHWPA. Save as to any valid objections so made within such time, the Purchaser shall be conclusively deemed to have accepted the title of the Vendor to the Property. The Vendor shall be allowed to answer requisitions by way of a title advice statement addressed to purchasers of lands in the Subdivision. The Purchaser also acknowledges that the Vendor and the Vendor's Solicitor may arrange for the project to be enrolled with a title insurer or insurers acceptable to the Vendor (the "Title Insurer") in order to centralize underwriting for the project and avoid unnecessary duplication of costs for purchasers and their solicitors. In the event that the Purchaser elects to obtain title insurance through the Title Insurer, the Purchaser and the Purchaser's solicitor shall not be required to perform some or all of the following due diligence thereby saving the Purchaser significant transaction costs: title search and review of title search; preparation of requisition letter; prepare, send out and review responses to clearance letters; execution searches against the Vendor; and corporate status searches. As a result of the foregoing and regardless of whether the Purchaser obtains title insurance through the Title Insurer, the Purchaser agrees to pay to the Vendor or its solicitors on the Closing Date an administration fee of three hundred (\$300.00) dollars plus applicable taxes for enrolling the project with the Title Insurer and for preparing and delivering to the Purchaser's solicitor and Title Insurer a title advice statement.
- (b) The Purchaser acknowledges that the Property is or will be encumbered by blanket mortgages and/or encumbrances which the Purchaser is not to assume and that the Vendor shall not be obliged to obtain and register (partial) discharges of such mortgages insofar as they affect the Property on the Unit Transfer Date. The Purchaser agrees to close the transaction notwithstanding the existence of such charge(s) and accept the Vendor's Solicitors' undertaking to register (partial) discharges of such mortgages in respect of the Property upon receipt, subject to the Vendor or the Vendor's Solicitors providing to the Purchaser or the Purchaser's solicitor the following:

- (i) a mortgage statement or letter from the mortgagee(s) (or from their respective solicitors) confirming the amount, if any, or the terms if an amount is not applicable, required to be paid to the mortgagee(s) to obtain (partial) discharges of the mortgages with respect to the Property;
 - (ii) a direction from the Vendor to the Purchaser to pay such amounts to its solicitors in trust and/or the mortgagee(s) (or to whomever the mortgagees may direct) on the Unit Transfer Date to obtain a (partial) discharge of the mortgage(s) with respect to the Property; and
 - (iii) an undertaking from the Vendor's Solicitors to deliver such amounts to the mortgagees and to register the (partial) discharge of the mortgages with respect to the Property upon receipt thereof and to advise the Purchaser or the Purchaser's solicitor concerning registration particulars which notification can be performed by posting same on the world wide web in a location given to the Purchaser or his solicitor.
- (c) For certainty, and without limiting the generality of the provisions of Section 23 of Schedule "D" herein, the Purchaser shall, both before and after closing, also grant and execute any and all temporary or permanent easement(s) for the installation and/or maintenance of private and/or municipal utility or other services to the Property, or to adjacent or neighbouring properties, in favour of any governmental authorities, private and/or public utilities and/or service providers and/or to adjacent or neighbouring land owners (including without limitation, any easement(s) for maintenance purposes for all lots within the plan of subdivision where less than 1.2 meter (4 foot) side yards are being provided), as well as easements for roof overhangs and eaves troughs and easements, forthwith upon the Vendor's request. In addition the Purchaser shall at the request of the Vendor, provide on Closing a transfer or transfers of easements in favour of any adjacent lands for overhead crane swings, facilitating the installation of shoring or foundations, installing and maintaining piles and/or tie-back installations, temporary working easements for construction on adjacent lands and/or the installation of temporary hoarding on the rear yard of the Lot as required in connection with any of the previously set out easements. The Purchaser shall procure any Planning Act consents and postponements from any holders of any mortgage or encumbrance registered on the Property by which such mortgage or encumbrance is postponed to any such easements, and the Purchaser shall be responsible for all costs and expenses in granting, procuring or registering such easements or postponements (including without limitation the cost of obtaining *Planning Act* consents). The Purchaser acknowledges and agrees that due to the proximity of the Dwelling to adjacent Dwellings or structures, minor encroachments may exist with respect to eaves and/or exterior walls of certain dwellings, fences or other structures and the Purchaser specifically acknowledges and agrees to accept title to the Property subject to any such encroachments and such encroachments shall be deemed to be a "Permitted Encroachment" as defined above.
- (d) Other than is required pursuant to the Addendum, the Vendor shall not be obliged to provide any title deeds, abstract, occupancy permits or certificates, surveys, grading certificates, or any other evidence of title or that the Dwelling may be legally occupied, and the Purchaser shall satisfy himself that the Dwelling may be occupied in accordance with municipal requirements. The Purchaser agrees to accept a transfer of title to the Property directly from the registered owner thereof, and to accept such owner's title covenants in lieu of the Vendor's title covenants, in the event that the Vendor is not the registered owner of the Property on closing, provided that the Vendor shall be obliged to provide such further and other covenants and undertakings as the Purchaser may be entitled to pursuant to this agreement.

PLANNING ACT

25. This Agreement shall be effective to create an interest in the Property and/or Lot only if there is compliance with the subdivision control provisions as set out in the *Planning Act, R.S.O. 1990* and any amendments thereto, including without limitation Section 50 thereof, on or before the Unit Transfer Date.

MANNER OF PURCHASER'S TITLE

26. The Purchaser agrees to advise the Vendor or its solicitors within fifteen (15) days of acceptance of this Agreement of the manner in which title is to be taken by the Purchaser, failing which the Vendor shall be entitled to endorse title to the Purchaser as set out in accordance with this Agreement.

HOT WATER TANK / CATV/ TELEPHONE

27. The Purchaser acknowledges that the Property and Dwelling is serviced by a rental hot water tank (the "HWT") and same is not included in the Purchase Price. The HWT is rental equipment and the Purchaser shall assume the rental and lease of the HWT on Closing and shall pay all appropriate rental charges associated therewith, plus all applicable taxes, and that same will not form part of the purchase and/or the Purchase Price but will remain chattel property of the HWT equipment provider and the Purchaser agrees to execute a rental contract for the HWT, if necessary. The Purchaser also agrees to be bound by any arrangements made with local CATV/ internet/telephone suppliers.

COSTS OF REGISTRATION AND TAXES

28. The transfer/deed of land shall be prepared at the Vendor's expense and may contain any or all of the provisions set forth in this Agreement and shall be executed by the Purchaser, if required by the Vendor, and the Purchaser shall execute and deliver on the Closing Date and/or the Unit Transfer Date a covenant, undertaking or agreement incorporating all or any of the terms contained herein or as may be required by the Vendor. The Purchaser undertakes and agrees to register the transfer/ deed at his expense on the Unit Transfer Date at the time of Closing and agrees to pay the land transfer tax in connection with the registration of the transfer/deed.

RISK UNTIL CLOSING

29. All buildings and equipment comprising the Dwelling and the Property shall be and remain at the risk of the Vendor until Unit Transfer Date. Provided that from and after the Closing Date, if same occurs prior to the Unit Transfer Date, the Purchaser shall provide the Vendor with proof of liability insurance as provided for herein and shall be responsible for obtaining and maintaining any insurance for his/her personal property and contents and the Purchaser shall be responsible for the Dwelling and the Property pursuant to the terms of Schedule "C" of the Addendum attached hereto. Subject to the terms of the Addendum to the contrary, in the event of damage to the Dwelling or Property prior to the Unit Transfer Date, the Vendor may either repair the damage, finish the Dwelling and complete the sale or may terminate this Agreement and have the Deposits and Extras paid by the Purchaser to the Vendor returned to the Purchaser (together with any interest required by law) and the Vendor shall thereupon be released from its obligations hereunder. It is understood and agreed that the proceeds of all insurance policies held by the Vendor are for the benefit of the Vendor alone. These provisions are subject to any overriding provisions in the ONHWPA, its regulations and/or the Addendum to the contrary.

EXECUTION OF DOCUMENTS

30. (a) The Purchaser hereby irrevocably constitutes and appoints the Vendor to be and act as his lawful attorney, in the Purchaser's name, place and stead, in order to execute the PDI Form, Tarion deposit receipt and new housing application form for the HST Rebate (if applicable) or any other documents comprising prescribed security for deposits, together with any other ancillary documents required to be executed in order to procure any available Rebate(s) of the HST applicable in connection with this transaction, as well as any deposit insurance policy (and related documents) if any. Each of the individuals comprising the Purchaser, if more than one (hereinafter referred to as the "Donor") hereby constitutes and appoints the other (hereinafter referred to as the "Donee") to be and act as the Donor's lawful agent and attorney, in order to receive such notices provided in the Addendum, and/or for the purposes of receiving notices required or desired to be delivered by the Vendor in accordance with this Agreement, acknowledging receipt of warning clause notices or of the inclusion of same within this Agreement, covenanting to indemnities required by the governmental authorities. Provided that this shall not apply in the event that any Purchaser is released from this Agreement prior to the Unit Transfer Date or termination. In accordance with the provisions of The Powers of Attorney Act R.S.O. 1990 as amended and/or The Substitute Decisions Act. S.O. 1992, as amended, the Purchaser hereby confirms and agrees that the powers of attorney set out herein may be exercised by the attorney so appointed during any subsequent legal incapacity of the Purchaser, and may and shall only be revoked upon the death of the party giving such power of attorney or as aforesaid. Each power of attorney as granted in this agreement shall be deemed to be coupled with an interest
- (b) If any documents required to be executed and delivered by the Purchaser to the Vendor are, in fact, executed by a third party appointed as the attorney for the Purchaser, then the power of attorney appointing such person must be registered in the Land Titles office where the Property is registered, and a duplicate registered copy thereof (together with a statutory declaration sworn by the attorney or the Purchaser's solicitor confirming that said power of attorney has not been revoked) shall be delivered to the Vendor along with such documents. Where a third party has been appointed as the attorney for the Purchaser, then any notices required or desired to be delivered to the Purchaser in accordance with the terms and provisions of this Agreement, may be given to the said attorney, in lieu of the Purchaser or the Purchaser's solicitor (and shall be deemed to have been received by the Purchaser when so delivered to his attorney).
- (c) Where the Purchaser herein is a corporation, or where the Purchaser is buying in trust for a corporation to be incorporated, the execution of this Agreement by the principal or principals of such corporation, or by the person named as the Purchaser in trust for a corporation to be incorporated, as the case may be, shall be deemed and construed to constitute the personal guarantee of such person or persons so signing with respect to the obligations of the Purchaser herein. The Vendor's consent allowing a corporate purchaser to purchase a Dwelling shall not derogate from such Purchaser's obligation to reimburse the Vendor for an amount equivalent to the Rebate (as defined herein) in the event that such corporate purchaser does not qualify for the Rebate.

EXECUTION BY A SPOUSE

31. If the Purchaser is a married person, his or her spouse shall co-sign this Agreement to ensure the performance of the covenants hereunder including, inter alia, the payment of the Purchase Price, together with any other documents that may be required by the Vendor as ancillary thereto, including without limitation, the execution of a counterpart of this Agreement (adding the said spouse as a party to this Agreement) and the Purchaser agrees to deliver such documentation as and when requested by the Vendor.

TENDER AND EXCHANGE OF DOCUMENTS

32. (a) The parties acknowledge that on the Unit Transfer Date this transaction shall be completed electronically and accordingly there will be no exchange of documents at the Land Registry Office between the parties or their respective solicitors. Any tender of documents or monies hereunder, including those required to be exchanged on the Closing Date and/or Unit Transfer Date, shall be made respectively upon the Vendor or the Purchaser, or upon their respective solicitors, as hereinafter set out and any money shall be tendered by certified solicitor's trust cheque, bank draft from a bank or trust or loan corporation or wire transfer using the LVTS system from a chartered bank or trust company. The Vendor shall be allowed to tender and deliver documentation to the Purchaser by posting the documentation required to be delivered to the Purchaser on the Closing Date and/or the Unit Transfer Date on an internet web site on the world wide web, and providing notice to the Purchaser and/or his/her solicitor of the method of accessing such documents on such internet site and the internet address of such web site, or by electronic mail or telefacsimile and the Vendor shall be entitled to charge the Purchaser the costs of any upload costs for the use of such web site or delivery costs.

The Vendor shall not be obliged to provide originals of such documents. In the event the Vendor's documents are posted on such site, said documents may be executed electronically in accordance with the Electronic Commerce Act (Ontario) and the posting of such documentation, electronically signed where required, and the notification to the Purchaser's solicitor or the Purchaser of where on the intra-net and/or world wide web such documents can be accessed, shall be deemed to effective tender of such documents on the Purchaser and/or their solicitor, as hereinbefore set out. Notwithstanding anything set out herein to the contrary, any tender upon the Vendor on the Closing Date and/or Unit Transfer Date must be made at the offices of its solicitor during normal business hours, which shall be deemed to be 9:00 a.m. to 4:00 p.m. on any business day (excluding weekends and statutory holidays).

- (b) The Purchaser shall deliver on the Closing Date and/or Unit Transfer Date, such declarations, certificates, affidavits, undertakings, indemnities, directions, forms, documents, certificates and other documents as required by the Vendor in its discretion, as well as all monies and funds as may be required herein (by way of certified cheque, bank draft, wire transfer, etc., as provided for in this Agreement), including inter alia, the "Requisite Deliveries" as defined in the Document Registration Agreement governing closing, to the Vendor or Vendor's solicitor (as determined by the Vendor) by no later than 3:00 p.m. on the Closing Date or Unit Transfer Date as the case may be. In the event that the Purchaser or his solicitor has not delivered the Requisite Deliveries and/or monies as hereinbefore set out at such location and by the later of such time as stipulated in this Agreement, then the Purchaser shall be deemed for all purposes to have waived tender by the Vendor, and the Purchaser shall be estopped and forever barred from claiming any defect in the title to the Property, or any deficiency in the construction thereof, or that the Vendor was unable or unwilling to provide occupancy of the Dwelling and/or complete this transaction in accordance with the provisions of this Agreement.

ELECTRONIC REGISTRATION

33. (a) The parties hereto agree that if the electronic registration system (the "Teraview Electronic Registration System" or "TERS") is operative in the applicable Land Titles Office, then, at the option of the Vendor's solicitor, the following provisions shall prevail, namely:
- (i) the Purchaser shall be obliged to retain a lawyer, who is both an authorized TERS user and in good standing with the Law Society, to represent the Purchaser in connection with the completion of this transaction, and shall authorize such lawyer to enter into an escrow closing agreement with the Vendor's solicitor on the latter's standard form (the "Document Registration Agreement"), establishing the procedures and timing for completing this transaction and to be delivered by the Vendor's solicitor to the Purchaser's lawyers no later than 7 days before the Unit Transfer Date.
- (ii) the delivery and exchange of documents, monies and keys to the Dwelling (and with "exchange" being the delivery of documents, monies and keys by each of the parties hereto as provided for in this Agreement), and the release thereof to the Vendor and the Purchaser, as the case may be:
- (A) shall not occur at the same time as the registration of the transfer/deed (and other registerable documentation);
- (B) shall be governed by Document Registration Agreement, pursuant to which the solicitor receiving any documents, keys and/or certified funds will be required to hold same in escrow, and will not be entitled to release same except in strict accordance with the provisions of the Documentation Registration Agreement;
- (b) the Purchaser shall be obliged to deliver all documents and funds as may be required to close the transaction to the office of the Vendor's solicitor on or before the Closing Date and/or Unit Transfer Date as the case may be, in accordance with the tender provisions of this Agreement;
- (c) the Vendor may deliver all documents required for closing on the Closing Date and/or Unit Transfer Date, save and except for the electronic deed, to the Purchaser's solicitor, with the Vendor's documents executed electronically in accordance with the Electronic Commerce Act 2002 (Ontario);
- (d) if the Purchaser's lawyer is unwilling or unable to complete this transaction via TERS, in accordance with the provision contemplated under the Document Registration Agreement, then said lawyer (or the authorized agent thereof) shall be obliged to personally attend at the office of the Vendor's solicitor, at such time on the scheduled Closing Date and/or Unit Transfer Date as may be directed by the Vendor's solicitor, in order to complete this transaction via TERS utilizing the computer facilities in the Vendor's solicitors office;
- (e) the Purchaser expressly acknowledges and agrees that he or she will not be entitled to receive a completed electronic transfer/deed to the Dwelling for release and registration until the balance of the funds due on closing (as well as all other documents as may be required by the Vendor), in accordance with the statement of adjustments, are either remitted by certified cheque via personal delivery or by electronic funds transferred to the Vendor's solicitor (or in such other manner as the latter may direct) at its offices, prior to the release of the transfer/deed for registration;
- (f) documents to be registered on title to the Dwelling may be delivered by the Vendor to the Purchaser or its solicitor party hereto by telefax or email (or by a similar system reproducing the original), provided that all documents so transmitted have been duly and properly executed by the appropriate parties/signatories thereto. The Purchaser and/or its solicitor shall be obliged to provide the Vendor with a copy of the registered transfer forthwith after the Unit Transfer Date;

- (g) Notwithstanding anything contained in this Agreement to the contrary, it is expressly understood and agreed by the parties hereto that an effective tender shall be deemed to have been validly made by the Vendor upon the Purchaser when the Vendor's solicitor has: delivered all closing documents and/or funds to the Purchaser's solicitor in accordance with the provisions of this Agreement (including delivery of such documents via the internet); and has completed all steps required by TERS in order to complete this transaction that can be performed or undertaken by the Vendor's solicitor without the co-operation or participation of the Purchaser's solicitor without the necessity of personally attending upon the Purchaser or the Purchaser's solicitor with the aforementioned documents and/or funds [and without any requirement to have an independent witness evidencing the foregoing]. If TERS is not used for the completion of this transaction then an effective tender shall be deemed to have been validly made by the Vendor upon the Purchaser when the Vendor's solicitor has electronically and/or personally delivered all closing documents and deliveries to the Purchaser's solicitor in accordance with the provisions of this Agreement without the necessity of personally attending upon the Purchaser or the Purchaser's solicitor with the aforementioned documents and deliveries [and without any requirement to have an independent witness evidencing the foregoing]. The parties acknowledge and agree that keys are not included in the deliveries and are to be released at the office or on-site office of the Vendor once the transaction contemplated herein is completed and therefore will not be available with the exchange of documents, deliveries and funds, and are accordingly not required for a tender.

RELEASE OF KEYS

34. The Purchaser acknowledges that the keys to the Property shall be available for release to the Purchaser at the site or other office of the Vendor and that this availability constitutes a valid tender of keys on the Purchaser.

FORCE MAJEURE

35. Whenever (and to the extent that) the Vendor are prevented, hindered or delayed in the fulfilment of any obligation hereunder, or in the doing of any work by reason of an "act of force majeure" or incident causing "Unavoidable Delay", then, save and except to the extent as provided for or restricted in the Addendum to the contrary, such party's liability to perform such obligation shall be postponed, and such party shall be relieved from any liability in damages or otherwise for breach thereof, for so long as (and to the extent that) such prevention, hindering or delay continues to exist. This right is intended to provide for those instances or situations not provided for in the Addendum, if any. An incident of "force majeure" shall have the same meaning as an incident comprising "Unavoidable Delay" as defined in the Addendum.

NON-REGISTRATION, ASSIGNMENT AND POSTPONEMENT AND SUBORDINATION

36. (a) The Purchaser hereby acknowledges the full priority of any construction financing or other mortgages arranged by the Vendor and secured by the Property over his interest as Purchaser for the full amount of the said mortgage or construction financing, notwithstanding any law or statute to the contrary and agrees to execute all acknowledgements or postponements required to give full effect thereto. Without limiting the generality of the foregoing, the Purchaser agrees that this Agreement shall be subordinated to and postponed to the mortgage(s) assumed and/or arranged by the Vendor (and presently registered or to be registered on title to the Property) and any advances made thereunder from time to time, and to any easements, Development Agreements or any other agreements referred to herein to which title may be subject. The Purchaser agrees to execute all necessary documents and assurances to give effect to the foregoing as required by the Vendor. Any breach by the Purchaser of this section shall be considered a material breach.

The Purchaser further covenants and agrees that he will in no way, directly or indirectly, assign, convey, list for sale, sell or transfer his rights under this Agreement prior to the Unit Transfer Date to any other person without the consent of the Vendor in writing, which consent may be withheld in the Vendor's sole discretion, and that he will at no time register or attempt to register this Agreement on title to the Property by way of caution, deposit, assignment or in any way whatsoever, or register a certificate of pending litigation and it is expressly agreed by all parties hereto that any such registration or attempt by the Purchaser or anyone acting for or through him shall, at the option of the Vendor, entitle the Vendor to terminate this Agreement and make it absolutely null and void and any monies paid under this Agreement, including inter alia all deposit monies together with all monies paid for any Extras or changes to the Property, may be retained by the Vendor as its liquidated damages, and not as a penalty, in addition to (and without prejudice to) any other rights or remedies available to the Vendor at contract, law or equity. In the event that this Agreement, a caution, certificate of pending litigation or any other instrument whatsoever is registered against or dealing with the title in contravention of this provision, then the Purchaser hereby appoints the Vendor his true and lawful attorney pursuant to The Powers of Attorney Act R.S.O. 1990, as amended and/or The Substitute Division Act 1992, as amended for the purposes of removing the contract, caution, certificate of pending litigation or any other instrument from title, including the giving of any discharge, the lifting of any caution, the granting of any order or the assignment of any rights pursuant to this Agreement and this power of attorney shall be deemed to be coupled with an interest. The Purchaser shall bear all costs incurred by the Vendor in the exercise of its function pursuant to this power of attorney. Further, the Purchaser hereby covenants and agrees that at any time prior to Unit Transfer Date any default by him in the performance of any of his covenants or obligations contained herein shall entitle the Vendor, at its sole option, to terminate this Agreement and, upon such termination, all monies paid to the Vendor hereunder shall be forfeited to the Vendor and this Agreement shall be at an end and the Purchaser shall not have any further rights hereunder. The Vendor shall have the right to assign this Agreement, provided that any such assignee shall be bound by all of the covenants made by the Vendor herein, and upon such assignment, the Vendor shall thereupon be released from all obligations hereunder, unless provided for in the Addendum to the contrary.

- (b) The Purchaser further covenants and agrees that until the Vendor receives the entire Purchase Price, that:
- (i) he will not sell, mortgage, pledge, lien or in any way encumber the Property either directly or indirectly;
 - (ii) if an execution is filed against him/her and/or the Property he/she will forthwith have the execution removed;
 - (iii) if an execution is registered against person(s) with a similar name(s), he/she shall execute all documents required by the Vendor in its discretion, to evidence that he is not the same person(s) named in such execution(s), sufficient to enable the Vendor to obtain a clear execution certificate from the local Land Titles Office.

DEFAULT AND REMEDIES

37. In the event that the Purchaser defaults on any of his obligations contained in this Agreement, makes any assignment to creditors, files for bankruptcy or files any consumer proposal or becomes insolvent on or before Closing, including without limitation, breaching or failing in the performance or observance of any covenant, term, agreement, restriction, stipulation or provision of this Agreement to be performed and/or observed by the Purchaser or if there is any lien, execution or encumbrance arising from any action or default whatsoever of the Purchaser being charged against or affecting the Property, and such Purchaser fails to remedy such default forthwith upon request, then the Vendor, in addition to any other rights or remedies this Agreement provides, may, at its sole option, unilaterally suspend all of the Purchaser's rights, benefits and privileges contained herein (including without limitation, the right to make colour and finish selections with respect to the Dwelling as hereinbefore provided or contemplated), and/or unilaterally declare the Purchaser in default and/or this Agreement to be terminated and of no further force or effect, whereupon, save and except as provided in the Addendum to the contrary, all Deposits and Extras theretofore paid, together with all interest accrued thereon at the prescribed rate, if any, shall be retained by the Vendor as its liquidated damages, and not as a penalty, in addition to (and without prejudice to) any other rights or remedies available to the Vendor at law or in equity. Notwithstanding and in addition to the foregoing, the Purchaser acknowledges and agrees that time shall be of the essence with respect to all payments to be made by the Purchaser to the Vendor pursuant to this Agreement. In the event that the Purchaser is in default with respect to the payment of any amount owing by the Purchaser to the Vendor pursuant to this Agreement, the Vendor shall have the right to declare this Agreement null and void or, provided the Purchaser satisfies the Vendor that the Purchaser will complete the transaction, the Vendor may (but shall have no obligation to) elect to complete the transaction of purchase and sale contemplated by this Agreement provided that the Purchaser shall pay interest on the amounts which are in arrears calculated at the rate of 18% per annum commencing on the date on which such amount was due and payable by the Purchaser to the Vendor until the date on which all arrears are paid in full plus all additional legal and other expenses incurred by the Vendor. In the event that this agreement is terminated as hereinbefore set out, the Purchaser shall be obliged to execute such releases and any other documents or assurances as the Vendor may require, in order to confirm that the Purchaser, in accordance with the terms of this Agreement, does not have (nor could be deemed or construed to have) any interest whatsoever in the Property and/or this Agreement, and in the event the Purchaser fails or refuses to execute same, the Purchaser hereby appoints the Vendor to be his lawful attorney in order to execute such releases, documents and assurances in the Purchaser's name, place and stead, and in accordance with the provisions of The Powers of Attorney Act R.S.O. 1990, as amended and/or The Substitute Decisions Act, 1992, as amended, the Purchaser hereby declares that this power of attorney may be exercised by the Vendor during any subsequent legal incapacity on the part of the Purchaser.
38. The Purchaser acknowledges and agrees that notwithstanding any rights which he might otherwise have at law or in equity arising out of this Agreement, he shall not assert any of such rights, nor have any claim or cause of action (as a result of any matter or thing arising under or in connection with this Agreement) against any person, firm, corporation or other legal entity, other than the person, firm, corporation or legal entity specifically named or defined as the Vendor herein, even though the Vendor may be found to be a nominee or agent of another person, firm, corporation or other legal entity, and this acknowledgment and agreement may be pleaded as an estoppel and bar against the Purchaser in any action or proceeding brought by the Purchaser to assert any of such rights, claims or causes of action. In the event the Vendor's solicitor is holding any of the Deposits and/or Extras in trust pursuant to this Agreement, then in the event of a default by the Purchaser, the Vendor's solicitor shall be entitled to pay and release to the Vendor the said Deposits and/or Extras together with any interest accrued thereon, provided the Vendor has delivered to its solicitors a statement of an officer of the Vendor, certifying that the Purchaser has committed a default pursuant to this Agreement that has not been remedied and that the Vendor has terminated this Agreement and that the Vendor is therefore entitled to the deposit and accrued interest, if any. The Purchaser hereby releases the said solicitors from any obligation to hold the Deposits and/or Extras, if any, in trust, and shall not make any claim whatsoever against the said solicitors and the Purchaser hereby irrevocably authorizes and directs the said solicitors to deliver the said deposit monies and accrued interest, if any, to the Vendor.

LIMITATION

39. No waiver by the Vendor of any breach of covenant or default in the performance of any obligation hereunder or any failure by the Vendor to enforce its rights herein shall constitute any further waiver of the Vendor's rights herein, it being the express intent of the parties that any waiver or forbearance in enforcing its rights by the Vendor shall apply solely to that particular breach or failure. The rights, remedies and recourses of the Purchaser in connection with this Agreement are limited to the Vendor, notwithstanding that the Vendor may be, or be deemed to be by law, acting as an agent or otherwise on behalf of some other person, firm, corporation or other entity and the Purchaser hereby agrees that with respect to this Agreement it shall not have any rights, remedies or recourse against such other person, firm, corporation, or other entity at law or otherwise. The Vendor shall have the right to assign or transfer this Agreement in its sole discretion. The Purchaser shall be obliged to take title from any third party or the Subdivider holding title to the Property.

40. (a) Any notice or document required or desired to be given to the Purchaser in accordance with the terms of the Addendum shall be delivered in accordance with the terms of such Addendum. For all other notices ("Non-Addendum Notices"), if any, notice shall be deemed to have been sufficiently given if same is in writing (electronically or on paper), and either personally delivered to the Purchaser or to his solicitor (at the address of the Purchaser or the Purchaser's solicitor as in this Agreement, or as subsequently confirmed by the Purchaser or the Purchaser's solicitor after the acceptance of this offer), or mailed by prepaid ordinary post or by registered mail, or sent by facsimile transmission, addressed to the Purchaser or to his solicitor (as the case may be) and/or delivered by electronic mail, and any such document or notice shall be deemed to have been given on the date of personal delivery, or on the date of telefacsimile transmission or electronic mailing (provided a confirmation of transmission receipt is produced at the time of telefacsimile transmission and/or a delivery receipt in respect of the electronic mailing is produced confirming the date and time of such electronic mailing), or on the date of registered mailing, or on the second (2nd) day (excluding Sundays and statutory holidays) after the date of ordinary mailing, as the case may be. Any Non-Addendum Notices sent to the Purchaser and/or his or her solicitor at the address, telefacsimile number and/or e-mail address provided by the Purchaser and/or his or her solicitor shall be deemed to have been delivered to all of the Purchasers even if he/she/they do not reside at such municipal address or share or have access to such e-mail address, and the Purchaser specifically appoints that Purchaser residing at such address or controlling such e-mail address as his/her/their agent for receiving notices under this Agreement.

Notwithstanding the foregoing, this provision shall not apply to the exchange of electronic documents created in TERS between the respective solicitors for the Vendor and Purchaser, and such exchange of electronic documents shall take place utilizing TERS and the electronic transmission format required herein, and documents messaged or access permitted through the TERS system shall be deemed to have been delivered on the date and time same were messaged and/or released as such date is shown on the TERS system. Any documents messaged after 5:00 p.m. (Toronto time) shall be deemed to be delivered and received on the next day that TERS system is available for the registration.
- (c) This offer by the Purchaser, constituted by his/her/their execution of this Agreement, shall be irrevocable by the Purchaser until the 5th day (excluding Saturday, Sunday or any statutory holiday) following the date of his execution of this Agreement as set forth below, after which time, this offer may be withdrawn, and if so, same shall be null and void and the Deposit shall be returned to the Purchaser without interest or deduction. For clarity, the initial ten (10) day statutory rescission period shall commence on the date that this offer by the Purchaser is executed by the Vendor and delivered to the Purchaser.
- (d) If the Purchaser moves from the address set out on the Addendum and/or changes any of the relevant contact information provided on the Addendum and fails to notify the Vendor of the change or new contact information, then delivery of such notices shall be deemed to be effective if made to the address, fax number or email address as set out on the Addendum even if the Purchaser does not receive notice of same.

CONSTRUCTION LIENS

41. The Purchaser acknowledges and agrees that the monies paid to the Vendor as Deposits or Extras, shall not be recognized and treated for the purposes of *The Construction Lien Act R.S.O. 1990, as amended*, as monies held in trust pursuant to the provisions of the Act. The Purchaser shall be deemed and construed to be a "home buyer" within the meaning of *The Construction Lien Act R.S.O. 1990, as amended* (and shall not constitute an "owner" as defined in Section 1(1) thereof), and as such, the Purchaser shall not be entitled to demand that any holdback of the Purchase Price be maintained for construction liens on the Closing Date.

The Purchaser's covenants and agreements hereinbefore and hereinafter contained shall not merge on the Unit Transfer Date and/or Closing, but shall remain in full force and effect according to their terms and shall be binding upon the Purchaser and its heirs, executors, administrators, successors and assigns, notwithstanding the conveyance of title to the Property to the Purchaser and the payment of the Purchase Price and other monies therefor. The Purchaser agrees to give to the Vendor any further written assurances as to the non-merger of its covenants, on, before and after closing, if so requested by the Vendor. rectification costs incurred by the Vendor) and may register a caution or a notice of such Vendor's lien against the Property. The Vendor will however, upon request, deliver to the Purchaser (for registration at the Purchaser's expense) a release of the Vendor's lien or a withdrawal of caution but only after all monies owing to the Vendor by the Purchaser have been duly paid to the Vendor by the Purchaser, including without limitation, the repayment of any adjustments resulting from this transaction.

The Purchaser agrees to complete and execute the mortgage application and financial disclosure forms requested by the Vendor truthfully and to the best of his/her ability, and the Purchaser acknowledges that the information, evidence and documents required to be provided by him pursuant to this subparagraph may be required to be furnished to the Vendor from time to time prior to Closing. The Purchaser hereby specifically authorizes and directs any mortgagee or financial institution giving the Purchaser purchase financing for the Property, to provide to the Vendor a copy of all mortgage commitments/financial disclosure in respect of same and all revisions thereto, together with all other associated documentation. 47. The Purchaser acknowledges that the Vendor or the Vendors' assigns or related or affiliated corporation(s), or the Subdivider, may apply to rezone or subdivide or amend the Official Plan and/or obtain site plan approval with respect to lands within, or adjacent to or in the neighboring vicinity of the lands contained within the plan of subdivision encompassing the Property and/or any lands within the Municipality, County or Region in which the Property is situate, and the Purchaser hereby covenants and agrees that it shall not oppose any such official plan amendment, rezoning, condominium and/or subdivision application(s), site plan approval applications, or any other applications ancillary thereto, including without limitation, any application(s) made for a minor variance before the relevant Committee of Adjustment or any other governmental body or authority having jurisdiction so as to enable the Vendor or its nominee to sever lands, grant easements, change the set back requirements of such lands, the present use of such lands or any part thereof, or to vary the density coverage, dwelling count, size of lots or yield thereof, or for any other lawful purpose, and the Purchaser further acknowledges and agrees that this covenant may be pleaded as an estoppel or bar to any opposition or objection raised by the Purchaser thereto. The Purchaser further covenants and agrees to extract a covenant similar to the foregoing from its immediate successors in title to the Property, and shall specifically include such a restrictive covenant in any subsequent conveyance, transfer or other disposition of the Property, and shall assign the benefit of such covenant to the Vendor or the Vendor's nominee forthwith upon the Vendor's request.

CONDOMINIUM PROVISIONS

48. In addition to purchasing the Real Property, the Purchaser hereby agrees that he/she is purchasing a common interest in the Condominium as more particularly described in the Condominium Documents on the terms and conditions as hereinafter.

The Purchaser covenants and agrees that the Purchaser shall have no claims against the Vendor for said standards of workmanship or materials. The Purchaser agrees that the foregoing may be pleaded by the Vendor as an estoppel in any action brought by the Purchaser or his successors in title against the Vendor. The Vendor may, from time to time, change, vary or modify in its sole discretion or at the instance of any Governmental Authority or mortgagee or as it may require in its discretion, any part of the Condominium to conform with any municipal requirements related to official plan or official plan amendments, zoning by-laws, committee of adjustment and/or land division committee decisions, municipal site plan approval, or as may be required by the Vendor in its discretion. Such changes may be to the plans and specifications existing at inception of the Condominium or as they existed at the time the Purchaser entered into this Agreement, or as illustrated on any sales brochures or otherwise. The Purchaser shall have no claim against the Vendor for any such changes, variances or modifications nor shall the Vendor be required to give notice thereof. The Purchaser hereby consents to any such alterations and agrees to complete the sale notwithstanding any such modifications.

- (e) In the event that for any reason whatsoever, the Condominium has not been registered by the Closing Date or if the Vendor is unable to deliver to the Purchaser on or before Closing, a conveyance of the Property, with title in accordance with the provisions of this Agreement, then the Vendor at its option, may require that the Purchaser close the purchase transaction and take possession of the POTL on the Closing Date and enter into the Occupancy Licence.

It is agreed and understood that there is no representation, warranty, collateral term or condition affecting this Agreement or the Property, or for which the Vendor (or any sales representative representing the Vendor) can be held responsible or liable in any way, whether contained, portrayed, illustrated or represented by, or in, any plan, drawing, brochure, display, model or any other sales/marketing material(s), or alleged against any sales representative representing the Vendor, other than as expressed herein in writing. Without limiting the generality of the foregoing, it is understood and agreed by the parties hereto that the Purchaser shall not make or pursue any claim or proceeding against the Vendor, nor hold the Vendor responsible or liable, whether based or founded in contract law or in tort law, for innocent misrepresentation, negligent misrepresentation or otherwise, in respect of, or arising from, any statement, representation, warranty, collateral term or condition alleged to have been made by any sales representative or by any other person alleged to represent the Vendor on behalf of or purporting to be binding upon the Vendor, save and except for those representations of the Vendor herein set forth in writing. The Purchaser further confirms that in entering into this Agreement, he has not relied on any representation, warranty, collateral agreement or condition affecting this Agreement or the Property, or supported thereby, other than those specifically set out in this Agreement or in any of the schedules hereto, and specifically absolves the Vendor and/or any other party that may seek indemnification or contribution from the Vendor, of any obligation or liability to perform or comply with any promise or comply with any promise or representation that may have been made by any sales representative/agent or alleged against them, unless the same has been reduced to writing and is contained in this Agreement or in the schedules hereto.

The Vendor and the Purchaser covenant and agree, upon the request of the other, to provide an originally executed copy of this Agreement to the requesting party.

EVIDENCE OF COMPLIANCE

54. The Purchaser shall pay the Vendor's solicitors charges for each evidence of compliance delivered to the Purchaser, or its solicitors, pursuant to subsection 81(6) of the Act.

6. The Purchaser acknowledges that existing and/or future site plan agreements, section 37 agreements, development agreements and other agreements with the Municipality and other Governmental Authorities, affecting the real property may require the Vendor to provide the Purchaser with certain notices or warnings including, without limiting the generality of the foregoing, notices or warnings regarding the usage of the real property, environmental issues, noise levels from adjacent or nearby buildings, hospitals, plazas, roadways or otherwise, school transportation and related educational issues, the absence of door-to-door mail delivery, the location of mailboxes, the status of services and works in the condominium and in general, any other matter that may be deemed by the Municipality and/or Governmental Authorities to inhibit the enjoyment by the Purchaser of the real property. On or before closing, the Purchaser shall forthwith execute upon request by the Vendor, acknowledgements or amendments to this Agreement containing the required notices and warning clauses. The Purchaser acknowledges and agrees that the Vendor may be unable to sell the real property to the Purchaser unless the Purchaser executes such acknowledgements or amendments as aforesaid. 8. The Purchaser expressly acknowledges that at the date of execution of this Agreement, draft plan and/or site plan approval pursuant to the provisions of the Planning Act, R.S.O. 1990 and/or Condominium Act, R.S.O. 1998 as either may be amended may not yet have been obtained with respect to the project. The Purchaser further acknowledges that the draft conditions and any Development Agreements may contain warnings, and other provisions which are required to be included in agreements of purchase and sale for units in the Condominium. The Purchaser covenants and agrees to execute any and all documentation, including an amendment to this Agreement, as may be required by the Vendor, and in a form satisfactory to the Vendor, in order that the foregoing provisions shall be incorporated into this Agreement and acknowledged by the Purchaser.
9. The Purchaser acknowledges receipt of notice from the Vendor that the Vendor or related or associated corporations may develop other lands in the vicinity of the Condominium and may apply for zoning or rezoning thereof, and the Purchaser agrees and undertakes on behalf of themselves, their successors and assigns not to object or oppose any applications for the development, zoning, rezoning, amendment to the Official Plan or Secondary Plan or any similar applications and agrees that this paragraph may be pleaded as a bar to any objection thereof. The Purchaser covenants to include this clause in any conveyance, mortgage or disposition of the Unit and to assign the benefit of such covenant to the Vendor.
10. Without limiting the generality of the preceding subparagraph, the Purchaser is hereby advised that:
 - (i) noise levels caused by the Jefferson Side Road and neighbouring properties may occasionally cause noise and inconvenience to the residential occupants; and
 - (ii) as and when other residential units/POTLs in the project are being completed and/or moved into, excessive levels of noise, vibration, dust and/or debris are possible, and same may accordingly temporarily cause noise and inconvenience to the residential occupants.
11. The Municipality does not require off-site snow removal. However, in the case of heavy snow falls the limited storage space available on the property may make it necessary to truck the snow off the site and the cost of same will be included in the common expense fees.
12. The Purchaser acknowledges that the Vendor is not required to deliver "hard" or paper copies of the documentation pertaining to the conveyance of title to the POTL, draft or otherwise, to the Purchaser or the Purchaser's solicitor (the "Closing Documentation"). The Vendor or the Vendor's representatives may, at their option, deliver to the Purchaser or the Purchaser's solicitor any or all of the Closing Documentation by email and/or by website. If delivered by

website, the Closing Documentation shall be made available for download on an internet website designated by the Vendor and access to such website shall be effected by way of a confidential password to be provided to the Purchaser and/or the Purchaser's solicitor. In the event the Vendor delivers or tenders closing documents required in connection with this transaction on the Title Transfer Date by posting same on the world wide web, then the Purchaser shall reimburse the Vendor on the Closing Date for the costs incurred by the Vendor to utilize such web services for the project and/or this transaction. In the event that any such fees are issued on a bulk basis, the Vendor shall have the right to apportion such costs to the Purchaser in accordance with his/her proportionate ownership interest in the Condominium as set out in Schedule D to the Declaration.

13. Purchasers/tenants are advised that sound levels due to increasing road traffic may occasionally interfere with some activities of the dwelling occupants as the sound levels exceed the Municipality's and the Ministry of the Environment, Conservation and Parks' noise criteria.
14. Purchasers/Tenants are advised that this dwelling unit has been fitted with a forced air heating system and the ducting, etc. was sized to accommodate central air conditioning. Installation of central air conditioning by the occupant will allow windows and exterior doors to remain closed, thereby ensuring that the indoor sound levels are within the Municipality's and the Ministry of the Environment, Conservation and Parks' noise criteria. (Note: The location and installation of the outdoor air conditioning device should be done so as to comply with noise criteria of MOE Publication NPC-216, Residential Air Conditioning Devices and thus minimize the noise impacts both on and in the immediate vicinity of the subject property.)

- (d) After the Delayed Occupancy Date is set, if the Vendor cannot provide Occupancy on the Delayed Occupancy Date, the Vendor shall select and give written notice to the Purchaser of a new Delayed Occupancy Date, unless the delay arises due to Unavoidable Delay under section 5 or is mutually agreed upon under section 4, in which case the requirements of those sections must be met. Paragraphs (b) and (c) above apply with respect to the setting of the new Delayed Occupancy Date.
- (e) Nothing in this section affects the right of the Purchaser or Vendor to terminate the Purchase Agreement on the bases set out in section 11.

4. Changing Critical Dates – By Mutual Agreement

- (a) This Addendum sets out a framework for setting, extending and/or accelerating Critical Dates, which cannot be altered contractually except as set out in this section 4. Any amendment not in accordance with this section is voidable at the option of the Purchaser. For greater certainty, this Addendum does not restrict any extensions of the Closing date (i.e., title transfer date) where Occupancy of the home has already been given to the Purchaser.
- (b) The Vendor and Purchaser may at any time, after signing the Purchase Agreement, mutually agree in writing to accelerate or extend any of the Critical Dates. Any amendment which accelerates or extends any of the Critical Dates must include the following provisions:
 - (i) the Purchaser and Vendor agree that the amendment is entirely voluntary – the Purchaser has no obligation to sign the amendment and each understands that this purchase transaction will still be valid if the Purchaser does not sign this amendment;
 - (ii) the amendment includes a revised Statement of Critical Dates which replaces the previous Statement of Critical Dates;

Limited Use Freehold Form
(Tentative Occupancy Date – POTL/CEC)

- (iii) the Purchaser acknowledges that the amendment may affect delayed occupancy compensation payable; and
- (iv) if the change involves extending either the Firm Occupancy Date or the Delayed Occupancy Date, then the amending agreement shall:
 - i. disclose to the Purchaser that the signing of the amendment may result in the loss of delayed occupancy compensation as described in section 7;
 - ii. unless there is an express waiver of compensation, describe in reasonable detail the cash amount, goods, services, or other consideration which the Purchaser accepts as compensation; and
 - iii. contain a statement by the Purchaser that the Purchaser waives compensation or accepts the compensation referred to in clause ii above, in either case, in full satisfaction of any delayed occupancy compensation payable by the Vendor for the period up to the new Firm Occupancy Date or Delayed Occupancy Date.

If the Purchaser for his or her own purposes requests a change of the Firm Occupancy Date or the Delayed Occupancy Date, then subparagraphs (b)(i), (iii) and (iv) above shall not apply.

- (c) A Vendor is permitted to include a provision in the Purchase Agreement allowing the Vendor a one-time unilateral right to extend a Firm Occupancy Date or Delayed Occupancy Date, as the case may be, for one (1) Business Day to avoid the necessity of tender where a Purchaser is not ready to complete the transaction on the Firm Occupancy Date or Delayed Occupancy Date, as the case may be. Delayed occupancy compensation will not be payable for such period and the Vendor may not impose any penalty or interest charge upon the Purchaser with respect to such extension.
- (d) The Vendor and Purchaser may agree in the Purchase Agreement to any unilateral extension or acceleration of rights that are for the benefit of the Purchaser.

5. Extending Dates – Due to Unavoidable Delay

- (a) If Unavoidable Delay occurs, the Vendor may extend Critical Dates by no more than the length of the Unavoidable Delay Period, without the approval of the Purchaser and without the requirement to pay delayed occupancy compensation in connection with the Unavoidable Delay, provided the requirements of this section are met.
- (b) If the Vendor wishes to extend Critical Dates on account of Unavoidable Delay, the Vendor shall provide written notice to the Purchaser setting out a brief description of the Unavoidable Delay, and an estimate of the duration of the delay. Once the Vendor knows or ought reasonably to know that an Unavoidable Delay has commenced, the Vendor shall provide written notice to the Purchaser by the earlier of: 20 days thereafter; and the next Critical Date.
- (c) As soon as reasonably possible, and no later than 20 days after the Vendor knows or ought reasonably to know that an Unavoidable Delay has concluded, the Vendor shall provide written notice to the Purchaser setting out a brief description of the Unavoidable Delay, identifying the date of its conclusion, and setting new Critical Dates. The new Critical Dates are calculated by adding to the then next Critical Date the number of days of the Unavoidable Delay Period (the other Critical Dates changing accordingly), provided that the Firm Occupancy Date or Delayed Occupancy Date, as the case may be, must be at least 10 days after the day of giving notice unless the parties agree otherwise. Either the Vendor or the Purchaser may request in writing an earlier Firm Occupancy Date or Delayed Occupancy Date, and the other party's consent to the earlier date shall not be unreasonably withheld.
- (d) If the Vendor fails to give written notice of the conclusion of the Unavoidable Delay in the manner required by paragraph (c) above, then the notice is ineffective, the existing Critical Dates are unchanged, and any delayed occupancy compensation payable under section 7 is payable from the existing Firm Occupancy Date.
- (e) Any notice setting new Critical Dates given by the Vendor under this section shall include an updated revised Statement of Critical Dates.

EARLY TERMINATION CONDITIONS

6. Early Termination Conditions

- (a) The Vendor and Purchaser may include conditions in the Purchase Agreement that, if not satisfied, give rise to early termination of the Purchase Agreement, but only in the limited way described in this section.
- (b) The Vendor is not permitted to include any conditions in the Purchase Agreement other than: the types of Early Termination Conditions listed in Schedule A; and/or the conditions referred to in paragraphs (j), (k) and (l) below. Any other condition included in a Purchase Agreement for the benefit of the Vendor that is not expressly permitted under Schedule A or paragraphs (j), (k) and (l) below is deemed null and void and is not enforceable by the Vendor, but does not affect the validity of the balance of the Purchase Agreement.
- (c) The Vendor confirms that this Purchase Agreement is subject to Early Termination Conditions that, if not satisfied (or waived, if applicable), may result in the termination of the Purchase Agreement. Yes No
- (d) If the answer in (c) above is "Yes", then the Early Termination Conditions are as follows. The obligation of each of the Purchaser and Vendor to complete this purchase and sale transaction is subject to satisfaction (or waiver, if applicable) of the following conditions and any such conditions set out in an appendix headed "Early Termination Conditions":

**Limited Use Freehold Form
(Tentative Occupancy Date – POTL/CEC)**

Condition #1 (if applicable)

Description of the Early Termination Condition:

See Appendix "1" attached

The Approving Authority (as that term is defined in Schedule A) is: See Appendix "1"

The date by which Condition #1 is to be satisfied is the _____ day of _____, 20_____.

Condition #2 (if applicable)

Description of the Early Termination Condition:

See Appendix "1" attached

The Approving Authority (as that term is defined in Schedule A) is: _____

The date by which Condition #2 is to be satisfied is the _____ day of _____, 20_____.

The date for satisfaction of any Early Termination Condition may be changed by mutual agreement provided in all cases it is set at least 90 days before the First Tentative Occupancy Date, and will be deemed to be 90 days before the First Tentative Occupancy Date if no date is specified or if the date specified is later than 90 days before the First Tentative Occupancy Date. This time limitation does not apply to the condition in subparagraph 1(b)(iv) of Schedule A which must be satisfied or waived by the Vendor within 60 days following the later of: (A) the signing of the Purchase Agreement; and (B) the satisfaction or waiver by the Purchaser of a Purchaser financing condition permitted under paragraph (l) below.

Note: The parties must add additional pages as an appendix to this Addendum if there are additional Early Termination Conditions.

- (e) There are no Early Termination Conditions applicable to this Purchase Agreement other than those identified in subparagraph (d) above and any appendix listing additional Early Termination Conditions.
- (f) The Vendor agrees to take all commercially reasonable steps within its power to satisfy the Early Termination Conditions identified in subparagraph (d) above.
- (g) For conditions under paragraph 1(a) of Schedule A the following applies:
- (i) conditions in paragraph 1(a) of Schedule A may not be waived by either party;
 - (ii) the Vendor shall provide written notice not later than five (5) Business Days after the date specified for satisfaction of a condition that: (A) the condition has been satisfied; or (B) the condition has not been satisfied (together with reasonable details and backup materials) and that as a result the Purchase Agreement is terminated; and
 - (iii) if notice is not provided as required by subparagraph (ii) above then the condition is deemed not satisfied and the Purchase Agreement is terminated.
- (h) For conditions under paragraph 1(b) of Schedule A the following applies:
- (i) conditions in paragraph 1(b) of Schedule A may be waived by the Vendor;
 - (ii) the Vendor shall provide written notice on or before the date specified for satisfaction of the condition that: (A) the condition has been satisfied or waived; or (B) the condition has not been satisfied nor waived, and that as a result the Purchase Agreement is terminated; and
 - (iii) if notice is not provided as required by subparagraph (ii) above then the condition is deemed satisfied or waived and the Purchase Agreement will continue to be binding on both parties.
- (i) If a Purchase Agreement or proposed Purchase Agreement contains Early Termination Conditions, the Purchaser has three (3) Business Days after the day of receipt of a true and complete copy of the Purchase Agreement or proposed Purchase Agreement to review the nature of the conditions (preferably with legal counsel). If the Purchaser is not satisfied, in the Purchaser's sole discretion, with the Early Termination Conditions, the Purchaser may revoke the Purchaser's offer as set out in the proposed Purchase Agreement, or terminate the Purchase Agreement, as the case may be, by giving written notice to the Vendor within those three Business Days.
- (j) The Purchase Agreement may be conditional until Closing (transfer to the Purchaser of title to the home), upon compliance with the subdivision control provisions (section 50) of the *Planning Act* and, if applicable, registration of a related common elements condominium corporation under the *Condominium Act, 1998*, which compliance shall be obtained by the Vendor at its sole expense, on or before Closing.
- (k) The Purchaser is cautioned that there may be other conditions in the Purchase Agreement that allow the Vendor to terminate the Purchase Agreement due to the fault of the Purchaser.
- (l) The Purchase Agreement may include any condition that is for the sole benefit of the Purchaser and that is agreed to by the Vendor (e.g., the sale of an existing dwelling, Purchaser financing or a basement walkout). The Purchase Agreement may specify that the Purchaser has a right to terminate the Purchase Agreement if any such condition is not met, and may set out the terms on which termination by the Purchaser may be effected.

MAKING A COMPENSATION CLAIM

7. Delayed Occupancy Compensation

- (a) The Vendor warrants to the Purchaser that, if Occupancy is delayed beyond the Firm Occupancy Date (other than by mutual agreement or as a result of Unavoidable Delay as permitted under sections 4 and 5), then the Vendor shall compensate the Purchaser up to a total amount of \$7,500, which amount includes: (i) payment to the Purchaser of a set amount of \$150 a day for living expenses for each day of delay until the Occupancy Date; or the date of termination of the Purchase Agreement, as applicable under paragraph (b) below; and (ii) any other expenses (supported by receipts) incurred by the Purchaser due to the delay.
- (b) Delayed occupancy compensation is payable only if: (i) Occupancy and Closing occurs; or (ii) the Purchase Agreement is terminated or deemed to have been terminated under paragraph 11(b) of this Addendum. Delayed occupancy compensation is payable only if the Purchaser's claim is made to Tarion in writing within one (1) year after Occupancy, or after termination of the Purchase Agreement, as the case may be, and otherwise in accordance with this Addendum. Compensation claims are subject to any further conditions set out in the ONHWP Act.
- (c) If the Vendor gives written notice of a Delayed Occupancy Date to the Purchaser less than 10 days before the Firm Occupancy Date, contrary to the requirements of paragraph 3(c), then delayed occupancy compensation is payable from the date that is 10 days before the Firm Occupancy Date.
- (d) Living expenses are direct living costs such as for accommodation and meals. Receipts are not required in support of a claim for living expenses, as a set daily amount of \$150 per day is payable. The Purchaser must provide receipts in support of any claim for other delayed occupancy compensation, such as for moving and storage costs. Submission of false receipts disentitles the Purchaser to any delayed occupancy compensation in connection with a claim.
- (e) If delayed occupancy compensation is payable, the Purchaser may make a claim to the Vendor for that compensation after Occupancy or after termination of the Purchase Agreement, as the case may be, and shall include all receipts (apart from living expenses) which evidence any part of the Purchaser's claim. The Vendor shall assess the Purchaser's claim by determining the amount of delayed occupancy compensation payable based on the rules set out in section 7 and the receipts provided by the Purchaser, and the Vendor shall promptly provide that assessment information to the Purchaser. The Purchaser and the Vendor shall use reasonable efforts to settle the claim and when the claim is settled, the Vendor shall prepare an acknowledgement signed by both parties which:
- (i) includes the Vendor's assessment of the delayed occupancy compensation payable;
 - (ii) describes in reasonable detail the cash amount, goods, services, or other consideration which the Purchaser accepts as compensation (the "Compensation"), if any; and
 - (iii) contains a statement by the Purchaser that the Purchaser accepts the Compensation in full satisfaction of any delayed occupancy compensation payable by the Vendor.
- (f) If the Vendor and Purchaser cannot agree as contemplated in paragraph 7(e), then to make a claim to Tarion the Purchaser must file a claim with Tarion in writing within one (1) year after Occupancy. A claim may also be made and the same rules apply if the sale transaction is terminated under paragraph 11(b), in which case, the deadline for a claim is one (1) year after termination.
- (g) If delayed occupancy compensation is payable, the Vendor shall either: pay the compensation as soon as the proper amount is determined; or pay such amount with interest (at the prescribed rate as specified in subsection 19(1) of O.Reg. 48/01 of the *Condominium Act, 1998*), from the Occupancy Date to the date of Closing, such amount to be an adjustment to the balance due on the day of Closing.

8. Adjustments to Purchase Price

Only the items set out in Schedule B (or an amendment to Schedule B), shall be the subject of adjustment or change to the purchase price or the balance due on Closing. The Vendor agrees that it shall not charge as an adjustment or readjustment to the purchase price of the home, any reimbursement for a sum paid or payable by the Vendor to a third party unless the sum is ultimately paid to the third party either before or after Closing. If the Vendor charges an amount in contravention of the preceding sentence, the Vendor shall forthwith readjust with the Purchaser. This section shall not: restrict or prohibit payments for items disclosed in Part I of Schedule B which have a fixed fee; nor shall it restrict or prohibit the parties from agreeing on how to allocate as between them, any rebates, refunds or incentives provided by the federal government, a provincial or municipal government or an agency of any such government, before or after Closing.

9. Occupancy

If the Purchaser accepts or is required to accept Occupancy in advance of receiving a title transfer of the home, then the provisions of Schedule C shall apply.

MISCELLANEOUS

10. Ontario Building Code – Conditions of Occupancy

- (a) On or before the Occupancy Date, the Vendor shall deliver to the Purchaser:
- (i) an Occupancy Permit (as defined in paragraph (d)) for the home; or

Limited Use Freehold Form
(Tentative Occupancy Date – POTL/CEC)

- (ii) if an Occupancy Permit is not required under the Building Code, a signed written confirmation by the Vendor that all conditions of occupancy under the Building Code have been fulfilled and Occupancy is permitted under the Building Code.
- (b) Notwithstanding the requirements of paragraph (a), to the extent that the Purchaser and the Vendor agree that the Purchaser shall be responsible for one or more prerequisites to obtaining permission for Occupancy under the Building Code, (the "Purchaser Occupancy Obligations"):
 - (i) the Purchaser shall not be entitled to delayed occupancy compensation if the reason for the delay is that the Purchaser Occupancy Obligations have not been completed;
 - (ii) the Vendor shall deliver to the Purchaser, upon fulfilling all prerequisites to obtaining permission for Occupancy under the Building Code (other than the Purchaser Occupancy Obligations), a signed written confirmation that the Vendor has fulfilled such prerequisites; and
 - (iii) if the Purchaser and Vendor have agreed that such prerequisites (other than the Purchaser Occupancy Obligations) are to be fulfilled prior to Occupancy, then the Vendor shall provide the signed written confirmation required by subparagraph (ii) on or before the Occupancy Date.
- (c) If the Vendor cannot satisfy the requirements of paragraph (a) or subparagraph (b)(ii), the Vendor shall set a Delayed Occupancy Date (or new Delayed Occupancy Date) on a date that the Vendor reasonably expects to have satisfied the requirements of paragraph (a) or subparagraph (b)(ii), as the case may be. In setting the Delayed Occupancy Date (or new Delayed Occupancy Date), the Vendor shall comply with the requirements of section 3, and delayed occupancy compensation shall be payable in accordance with section 7. Despite the foregoing, delayed occupancy compensation shall not be payable for a delay under this paragraph (c) if the inability to satisfy the requirements of subparagraph (b)(ii) is because the Purchaser has failed to satisfy the Purchaser Occupancy Obligations.
- (d) For the purposes of this section, an "Occupancy Permit" means any written or electronic document, however styled, whether final, provisional or temporary, provided by the chief building official (as defined in the *Building Code Act*) or a person designated by the chief building official, that evidences that permission to occupy the home under the Building Code has been granted.

11. Termination of the Purchase Agreement

- (a) The Vendor and the Purchaser may terminate the Purchase Agreement by mutual written agreement. Such written mutual agreement may specify how monies paid by the Purchaser, including deposit(s) and monies for upgrades and extras are to be allocated if not repaid in full.
- (b) If for any reason (other than breach of contract by the Purchaser) Occupancy has not been given to the Purchaser by the Outside Occupancy Date, then the Purchaser has 30 days to terminate the Purchase Agreement by written notice to the Vendor. If the Purchaser does not provide written notice of termination within such 30-day period then the Purchase Agreement shall continue to be binding on both parties and the Delayed Occupancy Date shall be the date set under paragraph 3(c), regardless of whether such date is beyond the Outside Occupancy Date.
- (c) If: calendar dates for the applicable Critical Dates are not inserted in the Statement of Critical Dates; or if any date for Occupancy is expressed in the Purchase Agreement or in any other document to be subject to change depending upon the happening of an event (other than as permitted in this Addendum), then the Purchaser may terminate the Purchase Agreement by written notice to the Vendor.
- (d) The Purchase Agreement may be terminated in accordance with the provisions of section 6 or Schedule C.
- (e) Nothing in this Addendum derogates from any right of termination that either the Purchaser or the Vendor may have at law or in equity on the basis of, for example, frustration of contract or fundamental breach of contract.
- (f) Except as permitted in this section, the Purchase Agreement may not be terminated by reason of the Vendor's delay in providing Occupancy alone.

12. Refund of Monies Paid on Termination

- (a) If the Purchase Agreement is terminated (other than as a result of breach of contract by the Purchaser), then unless there is agreement to the contrary under paragraph 11(a), the Vendor shall refund all monies paid by the Purchaser including deposit(s) and monies for upgrades and extras, within 10 days of such termination, with interest from the date each amount was paid to the Vendor to the date of refund to the Purchaser. The Purchaser cannot be compelled by the Vendor to execute a release of the Vendor as a prerequisite to obtaining the refund of monies payable as a result of termination of the Purchase Agreement under this paragraph, although the Purchaser may be required to sign a written acknowledgement confirming the amount of monies refunded and termination of the purchase transaction. Nothing in this Addendum prevents the Vendor and Purchaser from entering into such other termination agreement and/or release as may be agreed to by the parties.
- (b) The rate of interest payable on the Purchaser's monies shall be calculated in accordance with the *Condominium Act, 1998*.
- (c) Notwithstanding paragraphs (a) and (b) above, if either party initiates legal proceedings to contest termination of the Purchase Agreement or the refund of monies paid by the Purchaser, and obtains a legal determination, such amounts and interest shall be payable as determined in those proceedings.

Warranty Information Form

New Homes in Parcel of Tied Land

This information sheet provides a basic overview of the warranties and protections that come with your home on a freehold parcel of tied land which is legally tied to a Common Elements Condominium Corporation. Typically, occupancy of the home is provided before the closing of the sale of the land. This warranty is provided to you **by your builder** and backed by Tarion. For more detailed information, please visit tarion.com and log into our online learning hub at www.tarion.com/learninghub

The Pre-Delivery Inspection (PDI)

Before you take occupancy of your unit, your builder is required to conduct a pre-delivery inspection, (PDI) with you or someone you designate to act on your behalf. If you wish, you may be accompanied by someone who can provide expert assistance. The PDI is important because it is an opportunity to learn about how to operate and maintain parts of your unit, such as the ventilation and heating systems. It is also important because it gives you an opportunity to note items in your unit that are damaged, missing, incomplete, or not working properly before you take occupancy. This record is also very important as it may help show what items may have been damaged before you moved in and helps resolve any disputes relating to whether or not an item of damage was caused by your occupancy and use.

The PDI is only one piece of evidence relating to damaged or incomplete items, and you should take note and document (e.g. via photos or video) any concerns or damaged items as soon as you notice them after taking occupancy if they were missed during the PDI. If they are not addressed by your builder, you can include them in your 30-Day Form to Tarion. Damaged items are covered under the warranty if the damage was caused by the builder or their trades. There is more information about the PDI here: www.tarion.com/learninghub

Deposit Protection

The deposit you provide to your builder is protected up to certain limits if your builder goes bankrupt, fundamentally breaches your Agreement of Purchase and Sale or you exercise your right to terminate it. Deposit coverage limits are \$60,000 if the purchase price is \$600,000 or less and 10% of purchase price to a maximum of \$100,000 if the purchase price is over \$600,000. This protection includes the money you put down towards upgrades and other extras.

Delayed Occupancy Coverage

Your builder guarantees that your unit will be ready for you to move in by a date specified in the purchase agreement or a date that has been properly extended (if for certain reasons the original occupancy date cannot be met). You may be able to claim up to \$7,500 from your builder in compensation if they do not meet the conditions for an allowable extension that are outlined in the Addendum to your Agreement of Purchase and Sale.

Warranty Coverage

The warranty on work and materials commences on your date of possession and provides up to a maximum of \$300,000 in coverage. There are limitations on scope and duration as follows. Your builder warrants that your home will, on delivery, have these warranties:

One-Year Warranty

- Your home is constructed in a workmanlike manner, free from defects in material, is fit for habitation and complies with Ontario's Building Code
- Protects against unauthorized substitution of items specified in the Agreement of Purchase and Sale or selected by you

Two-Year Warranty

- Protects against water penetration through the basement or foundation walls, windows, and the building envelope
- Covers defects in work or materials in the electrical, plumbing, and heating delivery and distribution systems
- Covers defects in work or materials that result in the detachment, displacement, or deterioration of exterior cladding (such as brick work, aluminum, or vinyl siding)
- Protects against Ontario's Building Code violations that affect health and safety

Seven-Year Warranty

- Protects against defects in work or materials that affect a structural load-bearing element of the home resulting in structural failure or that materially and adversely compromise the structural integrity; and/or that materially and adversely affect the use of a significant portion of the home.

Continued...

Warranty Exclusions

Your warranty, provided to you by your builder and backed by Tarion, is a limited warranty, and the protection provided by Tarion is also limited. Exclusions to coverage include: normal wear and tear, damage caused by improper maintenance, damage caused by a third party, secondary damage caused by defects that are under warranty, supplementary warranties, deficiencies caused by homeowner actions, elevators, HVAC appliances, specific defects accepted in writing and damage resulting from an Act of God.

Common Elements Not Covered

There is no Common Element warranty coverage on Common Element Condominium Corporations under the Ontario New Home Warranties Plan Act and Regulations. As a purchaser, you should take note of the common elements associated with your home, as maintenance and repair of these items may be the responsibility of the homeowners in the project, subject to the corporation's declaration. This may include shared facilities, walkways, roadways and services (e.g. water and sewage lines, garbage removal and snow removal).

Construction Performance Guidelines

The Construction Performance Guidelines are a resource to provide advance guidance as to how Tarion may decide disputes between homeowners and builders regarding defects in work or materials. The Construction Performance Guidelines are intended to complement Ontario's Building Code. They are supplemented by any applicable guidelines or standards produced by industry associations. They do not replace manufacturer warranties. The Construction Performance Guidelines are available in several different formats accessible via cpg.tarion.com.

The Purchaser(s) herein acknowledge **Spectrum Realty Services Inc.** has an agency relationship with the Vendor:

JEFFERSON PROPERTIES LIMITED PARTNERSHIP

and will be compensated through the Vendor. This compensation is usually called commission and usually takes the form of a fee or payment from the Vendor of the real property upon successful completion of the Real Estate transaction.

An agency relationship is created when one person, known as the Principal, asks another person, known as the Agent, to act for and on behalf of the Principal. The Principal will define the nature and extent of the relationship. Real Estate Agency relationships are created when Vendors or Purchasers ask Realtors to act on their behalf in Real Estate transactions.

An Agent who represents a Principal (Vendor), owes the Principal (Vendor) the highest duty of "utmost faith", the Agent must represent the Principal's (Vendor) best interest at all times. The Agent owes his Principal (Vendor) a duty of confidentiality regarding information about the Principal (Vendor). However, the Purchaser can expect the Realtor to disclose all pertinent information about the property, not to misrepresent any facts, and to honestly answer all questions about the property. This has been a usual form of relationship for many years in the Real Estate industry.

As Purchaser, I/we confirm and acknowledge being advised that, and consent to the fact that **Spectrum Realty Services Inc.** acts as Agent only for the Vendor and will be compensated only by the Vendor.
