ENDORSEMENT OF JUSTICE J. DIETRICH:

[1] Albert Gelman Inc. as court-appointed liquidator (the "Liquidator") originally brought a motion returnable January 27, 2025 for a Dissolution, Distribution and Discharge Order. At

that hearing, counsel for the Respondent advised that the Respondent objected to proposed distribution (the "Distribution"). There was no objection to any of the remaining relief at that time.

[2] As such, on January 27, 2025, I granted the relief sought by the Liquidator, other than the Distribution. With respect to the Distribution, the parties remained in discussions regarding this relief and it was adjourned to be addressed at a case conference today.

[3] Based on further discussions between the parties, the Respondent no longer opposes the Distribution. Accordingly, the Distribution as described in the Seventh Report of the Liquidator dated January 23, 2025, is appropriate in the circumstances and is hereby approved.

[4] Order to go in the form signed by me this day.

February 24, 2025

Justice J. Dietrich
