2. THE GROUNDS FOR THE MOTION ARE:

Background

(a) Pursuant to an Order of the Court dated January 23, 2026 (the "**Appointment Order**"), AGI was appointed Receiver.

(b) The Company is the registered owner of the Real Property, which has been developed as a multi-phased mixed-use commercial development known as the Aurora Mills Business Park (the "**Project**").

(c) Phase 1 of the Project is comprised of Blocks 1, 5 and 6. Block 1 has been developed as the Retail Plaza, and Blocks 5 and 6 comprise 24 industrial condominium units (collectively, the "**Condo Units**"). Phase 2 of the Project is comprised of Blocks 2, 3, 4 and 7 and consists of approximately 11.35 acres of development land (collectively, the "**Development Lands**").

Retail Transaction

(d) Pursuant to an Order of Justice Steele dated March 31, 2026, the Court approved the Retail Plaza Sale Process, including the engagement of Jones Lang LaSalle Real Estate Services, Inc. ("**JLL**") as listing agent for the Retail Plaza.

(e) The Receiver conducted the Retail Plaza Sale Process and, following the receipt and consideration of offers, selected the offer submitted by the Retail Purchaser as

the highest and best offer received for the Retail Plaza and subsequently entered into the Retail APS with the Retail Purchaser.

(f) The Receiver is of the view that the Retail Transaction is fair and reasonable and represents the highest and best realization for the Retail Plaza in the circumstances.

(g) For the reasons set out in the Third Report, the Receiver recommends that the Court approve the Retail Transaction and grant the requested vesting relief.

Unit 4 Transaction

(h) Following its appointment, the Receiver retained Colliers International Group Inc. ("**Colliers**") as listing agent for the four Condo Units that were not subject to pre-receivership agreements of purchase and sale, including Unit 4.

(k) For the reasons set out in the Third Report, the Receiver recommends that the Court approve the Unit 4 Transaction and grant the requested vesting relief.

Sealing Order

(l) The Confidential Appendices contain commercially sensitive information, including the purchase prices, appraised values and other confidential commercial terms relating to the Retail Plaza and the Unsold Condo Units, which, if publicly disclosed prior to completion of the applicable sales, could negatively impact further marketing or sale efforts.

(m) The Receiver is of the view that no person will be prejudiced by the proposed sealing order and that the proposed sealing periods are temporary and appropriately tailored to the applicable sale processes.

(n) For the reasons set out in the Third Report, the Receiver requests that the Confidential Appendices be sealed on the terms described therein.

Development Lands Sale Process

(o) Following its appointment, the Receiver solicited and considered listing proposals in respect of the Development Lands and selected Lennard Commercial Realty, Brokerage ("**Lennard**") as listing agent.

(p) The Receiver entered into a listing agreement with Lennard and, together with Lennard, has undertaken marketing of the Development Lands and established a process for the submission and consideration of offers.

(q) The Receiver is of the view that the Development Lands Sale Process provides for an appropriate and commercially reasonable process to market the Development

Lands and solicit and consider offers with a view to maximizing value, with any resulting transaction remaining subject to Court approval.

(r) For the reasons set out in the Third Report, the Receiver recommends that the Court approve the Development Lands Sale Process, including the steps taken by the Receiver in connection therewith.

Proposed Distribution

(s) As described in the Receiver's Second Report dated March 23, 2026 (the "**Second Report**"), pursuant to a Payout and Assignment Agreement dated January 15, 2026, Windsor II paid out the indebtedness owing to National Bank of Canada ("**NBC**") in respect of the NBC Term Loan and was assigned NBC's interest in the related indebtedness and security (the "**Assigned Interest**").

(t) As further described in the Second Report, the Receiver's independent legal counsel provided an opinion confirming, subject to the assumptions and qualifications set out therein, the validity and enforceability of the security assigned to Windsor II.

(u) Pursuant to the Sale Process Order, the Court previously authorized the Receiver to make an interim distribution to Windsor II.

(v) Following completion of the Retail Transaction and the Unit 4 Transaction, and subject to maintaining appropriate reserves, the Receiver expects to make a further interim distribution to Windsor II in an amount not exceeding the amount owing on account of the Assigned Interest.

Interim Statement of Receipts and Disbursements

(w) The Receiver's interim statement of receipts and disbursements as at September 4, 2026 is appended to and described in the Third Report.

Approval of Activities and Fees and Disbursements

(x) The Third Report describes the activities undertaken by the Receiver since the Second Report.

(y) The Third Report also includes affidavits detailing the fees and disbursements of the Receiver and its lawyers, Chaitons and Torkin.

(z) The Receiver is of the view that the fees and disbursements of the Receiver and its lawyers are reasonable and appropriate in the circumstances, and that the hourly rates charged by Chaitons and Torkin are consistent with the rates charged by law firms practising in the area of insolvency in the Toronto market.

III. SCOPE AND TERMS OF REFERENCE

7. In preparing this Third Report, the Receiver has obtained and relied upon records of the Company and information provided to the Receiver by:

   a) representatives of JLL, Lennard and Colliers (each as defined below);

   b) the Retail Purchaser and its solicitors;

8. While the Receiver has reviewed the various documents provided, such review does not constitute an audit or verification of such information for accuracy, completeness or compliance with Canadian Accounting Standards ("**CAS**") pursuant to the Chartered Professional Accountants of Canada Handbook. Accordingly, the Receiver expresses no opinion or other form of assurance pursuant to CAS or otherwise with respect to such information except as expressly stated herein.

9. This Third Report has been prepared for the purposes described above. Accordingly, the reader is cautioned that this Third Report may not be appropriate for any other purpose.

10. Unless otherwise noted, all monetary amounts referenced herein are expressed in Canadian dollars.

11. This Third Report, and all other court materials and Orders issued in these receivership proceedings, are available on the Receiver's website at www.albertgelman.com/filedocuments/#2352107 (the "**Case Website**") and will remain available on the Case Website for a period of at least six (6) months following the Receiver's discharge.

IV. BACKGROUND

12. The Company's only material assets are the Real Property and the proceeds thereof.

13. Background information relating to the Company and the circumstances leading to the appointment of the Receiver is set out in the affidavit of Jordan Kupinsky sworn January 9, 2026, which was filed in support of Windsor's application and a copy of which, excluding exhibits, is attached hereto as **Appendix "G"**.

14. As described in the Second Report, the Real Property is subject to registered charges which, based on postponement and priority agreements and notwithstanding the order of registration, rank in the following order of priority: (a) National Bank of Canada ("**NBC**"), in the principal amount of $110,000,000, which was assigned to Windsor II Limited Partnership ("**Windsor II**") pursuant to the Payout and Assignment Agreement described in the Second Report, save and except for NBC's Retained Interest in respect of the NBC LCs (each term as defined in the Second Report), which ranked in priority to the interest assigned to Windsor II until the NBC LCs were cancelled, returned or fully cash collateralized. The Receiver has since fully cash collateralized the NBC LCs; (b) Westmount Guarantee Services Inc., in the principal amount of $40,000,000; (c) Windsor Private Capital Limited Partnership ("**Windsor I**", and together with Windsor II, "**Windsor**"), in the principal amount of $25,000,000; and (d) Olympia Trust Company and Belmont Mortgage Administration Limited, in the principal amount of $16,000,000.

15. The Real Property is also subject to the Construction Liens described below, including a construction lien registered in favour of McQueen Maintenance Inc. against title to the Real Property, which accordingly encumbers the Retail Plaza. The McQueen lien is the only Construction Lien registered against title to the Retail Plaza.

V. ACTIVITIES OF THE RECEIVER SINCE THE SECOND REPORT

16. Since the date of the Second Report, the Receiver has undertaken, among other things, the following activities:

Development Lands

a) commenced the Development Lands Sale Process (as defined below), which is further described below;

b) retained SCS Consulting Group Ltd. pursuant to a Contract Administration Engineering Services Agreement dated April 27, 2026 to provide contract administration services in respect of the completion of the Phase 1 and Phase 2 engineering works on the Development Lands;

c) corresponded with the Town of Aurora in respect of the non-residential subdivision agreement dated May 9, 2023 and registered as Instrument No. YR3600731 (the "**Subdivision Agreement**") affecting the Real Property, and the two related development agreements referenced therein, including, among other things, obtaining a further extension of the completion date for the works set out in Schedule "I" of the Subdivision

Agreement, and a corresponding extension of the outside dates for substantial completion of the works under the two development agreements, in each case to June 28, 2028;

Retail Plaza

d) continued to manage and maintain the Retail Plaza, including directing the Property Manager, to undertake certain construction related activities in respect of the Retail Plaza;

e) undertook the Retail Plaza Sale Process, as further described below;

Condo Units

f) continued to oversee and coordinate construction-related activities associated with the Condo Units, including addressing outstanding deficiencies and liaising with contractors and consultants regarding completion issues;

g) worked with the Property Manager and project consultants on matters required for the ongoing occupancy and operation of the Condo Units. Recent construction-related activities affecting Blocks 1, 5 and 6 have included repair/replacement of building flashing, caulking, curb, top coat and infrastructure repair work, landscaping, maintenance and related site works, as well as ongoing coordination with contractors, consultants and municipal representatives regarding outstanding development and construction-related matters;

h) liaised with TSE Management in respect of York Region Standard Condominium Corporation No. 1600 (the "**Condo Corp**"). The Receiver has advanced certain expenses on behalf of the Condo Corp, including maintenance, insurance, operating, utility and other property-related expenditures. Based on the most recent reconciliation received from TSE Management, as at August 31, 2026, the Condo Corp was indebted to the Receiver in the amount of $17,091.32 in respect of such expenses, net of the condominium fees payable by the Receiver in respect of the Unsold Condo Units;

General

i) continued to coordinate with the Property Manager and project consultants regarding development, engineering, infrastructure, maintenance and operational matters affecting the Property;

j) continued to administer purchaser communications relating to the Condo Units and Development Lands and attended to the ongoing administration of these receivership proceedings, including responding to inquiries from stakeholders;

k) addressed certain construction trailers and related equipment that remained on the Real Property following the Receiver's appointment and in respect of which Haven Developments Inc. ("**Haven**") asserted ownership. As the continued presence of the trailers was impeding work on the Real Property, the Receiver established deadlines of May 6 and May 22, 2026 for their removal. The trailers were not removed by either deadline by Haven, and the Receiver thereafter arranged for their sale and removal from the Real Property; and

l) identified a quantity of rebar remaining on the Real Property in respect of which neither the Receiver nor the Property Manager has been able to determine ownership and no party has come forward to assert a claim. The Receiver intends to arrange for the sale or other disposition of the rebar for the benefit of the

estate, subject to considering any substantiated claim of ownership received prior to its disposition, and will account for any proceeds realized in a future report to the Court.

VI. UPDATE ON THE CONSTRUCTION LIENS

17. As described in the Second Report, the following construction liens are registered against title to all or a portion of the Real Property, as applicable (collectively, the "**Construction Liens**"):

    (a) a construction lien in favour of Elements Air Systems Inc. ("**Elements**") in the amount of $826,518, registered against the Condo Units on December 11, 2025, and perfected by registration of a certificate of action on December 29, 2025;

    (b) a construction lien in favour of McQueen Maintenance Inc. ("**McQueen**") in the amount of $98,762, registered against the Real Property on December 15, 2025, and perfected by registration of a certificate of action on January 27, 2026; and

    (c) a construction lien in favour of Paul Marques Architect Inc. ("**Paul Marques**") in the amount of $141,978, registered against the Condo Units on January 23, 2026.

    Copies of the Construction Liens are attached hereto as **Appendices "H", "I" and "J"**, respectively.

18. At the hearing that resulted in the Sale Process Order, counsel to McQueen made submissions seeking information from the Receiver regarding the amount of the holdback required to be maintained by the Receiver pursuant to the *Construction Act* (Ontario) and opposed the Interim Distributions pending further disclosure. Justice Steele was satisfied that the proposed Interim Distributions could proceed, subject to a reduction in the amount authorized for distribution to Windsor II to coincide with funds then available, and noted the Receiver's intention to set aside $250,000 on account of potential holdback obligations. Justice Steele further directed that the Receiver provide the lien claimants with documents and information reasonably requested that are within the Receiver's possession or control, and that the lien claimants reciprocally provide the Receiver with documents and information reasonably requested that are within their possession or control.

19. Since the date of the Second Report, the Receiver and its counsel have continued to review the Construction Liens and the underlying contractual relationships, payment information and obligations relevant to determining the amount of the holdbacks. Based on the information presently available to the Receiver, the Receiver has determined the amounts to be reserved in respect of the holdbacks.

20. With respect to McQueen, the Receiver understands that McQueen supplied labour services to the Project as a subcontractor of Division 1 Services Inc. ("**Division 1**"), an affiliate of the Company, which in turn supplied services to the Company. There appears to be no written contract between the Company and Division 1 or between Division 1 and McQueen. Based on information provided to the Receiver, Division 1 invoiced the Company approximately $978,000, inclusive of HST and a 15% administration fee, of which approximately $645,000 was paid by the Company, leaving approximately $333,000 outstanding. Of the amounts invoiced by Division 1, approximately $426,000 related to reimbursement of invoices rendered by McQueen, together with approximately $49,000, before HST, in related administration fees charged by Division 1. The remainder of Division 1's billings appears to relate to reimbursements for other construction costs, vehicle leases and fuel and travel expenses. Based on the foregoing, the Receiver has determined that the applicable holdback in respect of the services supplied by Division 1 is no more than $98,000 (i.e. 10% of the aggregate amount invoiced by Division 1 to the Company) and proposes

to maintain a reserve of $100,000 in respect thereof pending resolution of McQueen's lien claim or further Order of the Court.

21. The Receiver understands that Elements and Paul Marques each supplied services directly to the Company and that there are no subcontractor lien claims arising under either of their respective contracts. In *KingSett Mortgage Corporation v. Mapleview Developments Ltd.*, 2026 ONCA 512 ("***KingSett***"), the Court of Appeal for Ontario held that, for purposes of section 78(2) of the *Construction Act*, where there are no subcontractors, the amount of the holdback is 10% of the contractor's unpaid invoices.

22. Based on the Construction Liens registered by Elements and Paul Marques and the decision of the Court of Appeal for Ontario in *KingSett*, the Receiver estimates their respective holdback priorities at approximately $83,000 in respect of Elements and $14,000 in respect of Paul Marques. The Receiver therefore proposes to maintain reserves of $85,000 in respect of Elements and $15,000 in respect of Paul Marques, pending resolution of the applicable lien claims or further Order of the Court.

23. The Receiver is not, by this Third Report, seeking any Order determining the validity, priority or quantum of the Construction Liens. The relief sought herein in respect of the Retail Transaction and the Unit 4 Transaction is without prejudice to the rights of the lien claimants, whose liens will attach to the applicable proceeds of sale in accordance with the terms of the applicable AVO.

24. In light of the foregoing, the Receiver proposes to maintain aggregate reserves of $200,000 in respect of potential holdback obligations relating to the Construction Liens, comprised of $100,000 in respect of McQueen, $85,000 in respect of Elements and $15,000 in respect of Paul Marques, pending resolution of the applicable lien claims or further Order of the Court.

VII. UPDATE ON THE UNIT 6 APS AND THE UNITS 22-24 APS

25. As described in the Second Report, prior to the appointment of the Receiver, the Company entered into an agreement of purchase and sale in respect of Unit 6 with 2851156 Ontario Inc., which was subsequently assigned to 1000178862 Ontario Inc. (the "**Unit 6 Purchaser**", and such agreement, the "**Unit 6 APS**"). The Unit 6 Purchaser was granted interim occupancy of Unit 6 on June 27, 2025, but did not take occupation of the unit. In December 2025, the Unit 6 Purchaser asserted that certain aspects of the construction of Unit 6, including the construction of the demising walls using drywall and metal studs rather than concrete block, constituted a "material change" within the meaning of section 74 of the *Condominium Act, 1998*. On that basis, the Unit 6 Purchaser purported to terminate the Unit 6 APS and demanded the return of its deposit together with interest.

26. Following its appointment, the Receiver rescheduled the closing of the Unit 6 APS on several occasions, ultimately to February 4, 2026. The Unit 6 Purchaser did not complete the transaction. The Receiver disputes the Unit 6 Purchaser's position and maintains that the Unit 6 Purchaser was required to complete the transaction in accordance with the Unit 6 APS.

27. As also described in the Second Report, prior to the appointment of the Receiver, the Company entered into an agreement of purchase and sale dated January 24, 2022 with 2710436 Ontario Ltd. (the "**Units 22-24 Purchaser**") for the purchase of Units 22, 23 and 24 for an aggregate purchase price of $5,100,000 (the "**Units 22-24 APS**"). The Units 22-24 Purchaser paid deposits totalling approximately $1.024 million, which continue to be held in trust by Torkin.

28. In August 2025, the Units 22-24 Purchaser purported to rescind the Units 22-24 APS pursuant to section 74 of the *Condominium Act, 1998*, based principally on alleged changes to the construction of the units, including the construction of the demising walls using drywall and metal studs rather than concrete block and the size and configuration of mechanical and communications rooms in Units 22 and 24. The Units 22-24 Purchaser demanded the return of its deposits together with interest. The Company disputed the Units 22-24 Purchaser's position.

29. On April 17, 2026, without first obtaining the consent of the Receiver or an order of the Court lifting the stay of proceedings, the Units 22-24 Purchaser purported to commence an application in the Ontario Superior Court of Justice at Newmarket against the Company, seeking, among other things, a declaration that the construction of Units 22, 23 and 24 constituted a "material change" within the meaning of section 74 of the Condominium Act, 1998, a declaration that the Company breached the Units 22-24 APS, an order rescinding the Units 22-24 APS, and repayment of the deposits paid thereunder with interest.

30. Since the date of the Second Report, the Receiver and its counsel have engaged in discussions with counsel to the Unit 6 Purchaser and the Units 22-24 Purchaser in an effort to resolve the disputes concerning the Unit 6 APS and the Units 22-24 APS. Those discussions have not resulted in a resolution. The Receiver continues to dispute the positions advanced by the Unit 6 Purchaser and the Units 22-24 Purchaser.

31. Accordingly, the Receiver intends to request a case conference before this Court for the purpose of establishing a timetable for motions to determine the respective rights of the parties under the Unit 6 APS and the Units 22-24 APS, including whether the Unit 6 Purchaser and the Units 22-24 Purchaser were in breach of their respective agreements and whether the Receiver is entitled to retain the deposits paid thereunder.

VIII. UPDATE ON THE SALE OF THE UNSOLD CONDO UNITS

32. As described in the Second Report, the remaining assets of the Company include, among other things, the four Condo Units that were not subject to any pre-receivership agreement of purchase and sale, being Units 4, 5, 14 and 16 (the "**Unsold Condo Units**").

33. As described in the Second Report, following the granting of the Appointment Order, the Receiver solicited and received listing proposals for the Unsold Condo Units from CBRE Group, Inc., Lennard Commercial Realty, Brokerage ("**Lennard**") and Colliers International Group Inc. ("**Colliers**"), evaluated those proposals against the Realtor Selection Criteria described in the Second Report and, in consultation with Windsor, selected Colliers as listing agent for the Unsold Condo Units on March 18, 2026.

34. Since the date of the Second Report, the Receiver has taken the following steps in respect of the marketing and sale of the Unsold Condo Units:

    (a) the Receiver and Colliers finalized the listing agreement for the Unsold Condo Units, which was fully executed on April 14, 2026;

    (b) the Unsold Condo Units were listed for sale on MLS commencing April 15, 2026;

    (c) Colliers undertook marketing of the Unsold Condo Units, including: (i) launching a dedicated listing page on the Colliers website on April 15, 2026; (ii) completing marketing flyers on April 15, 2026; (iii) issuing e-mail marketing blasts to Colliers' database on a bi-weekly basis commencing April 16, 2026; (iv) posting the listing on Insolvency Insider on April 20, 2026; (v) issuing recurring e-mail

blasts commencing April 27, 2026; and (vi) installing "for sale" signage at the Real Property on May 4, 2026;

(d) the Receiver, in consultation with Colliers, established listing prices for the Unsold Condo Units having regard to, among other things, the appraised values of the Unsold Condo Units set out in the Condo Unit Appraisal (as defined below), recent comparable sales at the Real Property and other competitive listings and sale transactions in the Aurora and Newmarket markets. The Unsold Condo Units are each currently listed for sale at $1,698,125, or $475 per square foot;

(e) as of the date of this Third Report, Colliers had received inquiries regarding the Unsold Condo Units from nine prospective purchasers or their agents; and

(f) the Receiver received and reviewed formal offers to purchase certain of the Unsold Condo Units and, with the assistance of Colliers, engaged with the applicable offerors in respect thereof.

Unit 4 APS

35. As a result of the foregoing marketing efforts, the Receiver received an offer from the Unit 4 Purchaser to purchase Unit 4. Following negotiations among the Receiver, Colliers and the Unit 4 Purchaser, the Receiver and the Unit 4 Purchaser entered into the Unit 4 APS. A redacted copy of the Unit 4 APS is attached hereto as **Appendix "K"**. An unredacted copy of the Unit 4 APS is attached as **Confidential Appendix "1"**.

36. In the course of marketing Unit 4, the Receiver received one other offer, which was not for Unit 4 alone but instead proposed the purchase of all four Unsold Condo Units as a single transaction. The Receiver considered that offer but determined that proceeding with the Unit 4 Transaction on a standalone basis, on the terms described below, was in the best interests of the receivership estate and its stakeholders.

37. The principal terms of the Unit 4 APS are summarized below:

Parties: The Unit 4 APS is between the Receiver, as vendor, and 2810517 Ontario Inc., as purchaser.

Purchased Asset: The Unit 4 Purchaser is acquiring the Company's right, title and interest in Unit 4.

Purchase Price: The purchase price payable under the Unit 4 APS (the "**Unit 4 Purchase Price**") is set out therein, subject to the adjustments contemplated thereby. Given the commercially sensitive nature of the Unit 4 Purchase Price, it has been redacted from the copies of the Unit 4 APS and the amendments thereto attached to this Third Report.

Deposit: The Unit 4 Purchaser has paid a deposit in the amount of $100,000, which is being held in trust and will be credited against the Unit 4 Purchase Price on closing.

Closing Date: The Unit 4 Transaction is to be completed ten Business Days following the granting of the Unit 4 AVO, or such later date as may be agreed to by the parties in writing.

As Is, Where Is: Unit 4 is being sold on an "as is, where is" basis, without representation or warranty by the Receiver except as expressly provided in the Unit 4 APS.

Repair Undertaking: The Receiver has agreed to complete or cause to be completed certain repair work in respect of Unit 4 within a reasonable period following closing.

Closing Conditions: Completion of the Unit 4 Transaction is conditional upon the Receiver obtaining the Unit 4 AVO.

38. As described in the Second Report, the Receiver retained Bottero Appraisals to prepare an appraisal of the Retail Plaza and the Unsold Condo Units. The appraisal of the Unsold Condo Units is dated March 24, 2026 and has an effective date of March 19, 2026 (the "**Condo Unit Appraisal**"). A copy of the Condo Unit Appraisal is attached as **Confidential Appendix "2"**.

39. The Receiver recommends approval of the Unit 4 APS and authorization to complete the Unit 4 Transaction for the following reasons:

    a. Unit 4 was extensively marketed for sale over a period of approximately 14 weeks as part of the marketing process for the Unsold Condo Units described above and was marketed by Colliers, a market-leading commercial real estate services firm;

    b. the Unit 4 Purchase Price exceeds the appraised value of Unit 4 set out in the Condo Unit Appraisal;

    c. the Unit 4 APS reflects the highest and best offer received by the Receiver for Unit 4;

    d. the Unit 4 APS contemplates that the Unit 4 Purchaser will purchase Unit 4 on an "as is, where is" basis, with no representations or warranties from the Receiver other than as expressly set out therein;

    e. the Unit 4 Purchaser has paid the required deposit and is ready, willing and able to close the Unit 4 Transaction;

    f. the only remaining material condition to completion of the Unit 4 Transaction is the granting of the Unit 4 AVO;

    g. Windsor, the Company's senior secured creditor, consents to the Unit 4 Transaction;

    h. there is no reason to believe that continuing to market Unit 4 would yield a better transaction than the one contemplated by the Unit 4 APS, while continued marketing and carrying costs would erode the recovery available to the Company's creditors; and

    i. the Receiver believes that the Unit 4 Transaction, as contemplated by the Unit 4 APS, is fair and reasonable and represents the highest and best realization for Unit 4 in the circumstances.

40. Accordingly, the Receiver recommends that this Court: (i) approve the Unit 4 Transaction as contemplated by the Unit 4 APS; (ii) authorize the completion of the Unit 4 Transaction; and (iii) grant the Unit 4 AVO.

IX. THE RETAIL PLAZA SALE PROCESS AND THE RETAIL APS

41. As described in the First Report, prior to the appointment of the Receiver, the Company had entered into an agreement of purchase and sale dated February 18, 2025 with 2753991 Ontario Inc. in respect of the Retail Plaza. That transaction was scheduled to close on January 15, 2026 but did not close and was subsequently terminated by the purchaser.

42. In connection with the Retail Plaza Sale Process, the Receiver, among other things:

    a. entered into a listing agreement with JLL in respect of the Retail Plaza;

    b. worked with JLL to prepare marketing materials and establish the confidential data room for the Retail Plaza;

    c. commenced marketing of the Retail Plaza on April 16, 2026;

    d. listed the Retail Plaza on MLS on April 17, 2026 at the asking price of $4,590,000 approved by the Sale Process Order, and marketed the Retail Plaza in accordance with the marketing plan contemplated by the Retail Plaza Sale Process, including through the distribution of marketing materials, e-blasts and a LinkedIn campaign, the provision of access to a confidential data room, and the placement of a prominent "for sale" sign at the Retail Plaza. The Retail Plaza was actively marketed through the bid deadline and throughout the subsequent selection period, resulting in approximately seven weeks of market exposure;

    e. received twelve offers and expressions of interest in respect of the Retail Plaza by the bid deadline of May 21, 2026. A summary of the first-round offers is attached as **Confidential Appendix "3"**;

    f. as contemplated by the Retail Plaza Sale Process, during the selection period following the bid deadline, the Receiver, in consultation with JLL, invited certain bidders to submit improved offers and received six second-round offers by June 4, 2026. A summary of the offers received in the second round is attached as **Confidential Appendix "4";**

    g. in consultation with JLL, and in the exercise of its business judgment, selected the offer submitted by the Retail Purchaser as the successful offer on the basis that it represented the highest and best offer obtained through the Retail Plaza Sale Process, having regard to the purchase price and other material terms of the offer, including the deposit, due diligence conditions and the certainty and timing of closing; and

    h. negotiated and finalized the terms of the Retail APS with the Retail Purchaser, which was executed by the Retail Purchaser and accepted by the Receiver on July 2, 2026. A redacted copy of the Retail APS is attached hereto as **Appendix "L"**. An unredacted copy of the Retail APS is attached as **Confidential Appendix "5"**.

43. The principal terms of the Retail APS are summarized below.

    Parties: The Retail APS is between the Receiver, as vendor, and Lucky Line Ltd., as purchaser.

    Purchased Assets: The Retail Purchaser is acquiring the Company's right, title and interest in the Lands (being the Retail Plaza, legally described in Schedule "A" to the Retail APS), together with the Leases (being the leases with the Retail Plaza Tenants, listed in Schedule "D" to the Retail APS) and the Assumed Contracts (being a service agreement dated April 15, 2026 between the Receiver and Griffin Landscaping Inc., listed in Schedule "E" to the Retail APS), the Chattels (Schedule "C" to the Retail APS lists none), the Prepaid Expenses and the Company's rights under warranties, representations and guarantees relating to the Purchased Assets. The Lands are legally described as Block 1, Plan 65M4790 except Part 3, 65R40652, being PIN 03620-1777 (LT).

Purchase Price: The purchase price payable under the Retail APS (the "**Retail Plaza Purchase Price**") is set out in the Retail APS, subject to the adjustments contemplated therein. Given the commercially sensitive nature of the Retail Plaza Purchase Price, it has been redacted from the copy of the Retail APS attached hereto.

Deposit: The Retail Purchaser has paid a deposit in the amount of $200,000 to Chaitons, as the Receiver's solicitors, to be held in a non-interest-bearing trust account and credited against the Retail Plaza Purchase Price on closing.

Closing Date: The Retail Transaction is to be completed seven Business Days following the granting of the Retail Plaza AVO, or such later date as may be agreed to by the parties in writing.

As Is, Where Is: The Retail Plaza is being sold on an "as is, where is" basis.

Closing Conditions: The only material closing condition of the Retail APS is the Receiver obtaining the Retail Plaza AVO.

The Appraisal

44. As described in the Second Report, the Receiver retained Bottero Appraisals to prepare an appraisal of the Retail Plaza and the Unsold Condo Units. The appraisal of the Retail Plaza is dated February 6, 2026 and has an effective date of February 4, 2026 (the "**Retail Appraisal**"). A copy of the Retail Appraisal is attached as **Confidential Appendix "6"**.

45. The Retail Plaza Purchase Price exceeds the appraised value in the Retail Appraisal.

46. The listing price of $4,590,000 approved by the Sale Process Order was established in consultation with JLL at an amount above the appraised value in the Retail Appraisal, as an opening asking price for the purposes of the Retail Plaza Sale Process.

Receiver's Recommendation

47. The Receiver recommends approval of the Retail APS and authorization to complete the Retail Transaction for the following reasons:

    a. the Retail Plaza was extensively marketed for sale by JLL, a market-leading commercial real estate services firm, over a period of approximately seven weeks, resulting in twelve offers and expressions of interest in the first round and six offers in the second round;

    b. the Retail Plaza Purchase Price is in excess of the value of the Retail Plaza set out in the Retail Appraisal;

    c. the Retail APS reflects the highest and best offer received by the Receiver for the Retail Plaza;

    d. the Retail APS contemplates that the Retail Purchaser will purchase the Retail Plaza on an "as is, where is" and "without recourse" basis, and that the Receiver is providing no representations or warranties in respect of the Retail Plaza other than the limited representations and warranties set out in section 18 of the Retail APS;

    e. the Retail Purchaser is willing and able to close the Retail Transaction and the Receiver anticipates closing the Retail Transaction by September 30, 2026 in accordance with the Retail APS;

f. the only material condition to completion of the Retail Transaction is the granting of the Retail Plaza AVO;

g. there is no reason to believe that continuing to market the Retail Plaza will yield a better transaction than the one contemplated by the Retail APS, while the continued cost of marketing the Retail Plaza will erode the recovery available to the Company's secured creditors;

h. Windsor, the Company's senior secured creditor, consents to the Retail Transaction; and

i. the Receiver believes that the Retail Transaction, as contemplated by the Retail APS, is fair and reasonable and represents the highest and best realization for the Retail Plaza in the circumstances.

48. Accordingly, the Receiver recommends that this Court: (i) approve the Retail Transaction as contemplated by the Retail APS; (ii) authorize the completion of the Retail Transaction; and (iii) grant the Retail Plaza AVO.

X. SEALING ORDER

49. The Receiver is of the view that the Confidential Appendices should be filed with the Court on a confidential basis. The Confidential Appendices contain the unredacted Unit 4 APS, Condo Unit Appraisal, Retail APS, Retail Appraisal and summaries of offers received for the Retail Plaza. These materials contain commercially sensitive information, including the purchase prices, appraised values and other confidential commercial terms, which, if publicly disclosed prior to completion of the applicable sales, could negatively impact further marketing or sale efforts in respect of the Retail Plaza or the Unsold Condo Units.

50. The Receiver is of the view that no person will be prejudiced by the proposed sealing order, that the sealing is temporary and limited to the period during which the applicable commercially sensitive information remains relevant to ongoing sale efforts, and that the salutary effects of sealing the Confidential Appendices outweigh any deleterious effect on the open court principle.

51. Accordingly, the Receiver respectfully requests that this Honourable Court grant an Order sealing: (a) Confidential Appendix "1" until completion of the Unit 4 Transaction; (b) Confidential Appendix "2" until completion of the sale of all Unsold Condo Units; and (c) Confidential Appendices "3" through "6" until completion of the Retail Transaction, in each case or further Order of the Court.

XI. DEVELOPMENT LANDS SALE PROCESS

52. Following the granting of the Appointment Order, and as contemplated by the Second Report, the Receiver undertook a process to select a listing agent for the Development Lands and to develop a marketing and sale process in respect thereof. That marketing and sale process (the "**Development Lands Sale Process**") is described below.

53. The Receiver solicited and received listing proposals in respect of the Development Lands from each of JLL, Colliers and Lennard, each of which the Receiver considers to be a market-leading commercial real estate services firm with relevant experience marketing and selling development lands of the nature of the Development Lands.

54. The Receiver reviewed and evaluated each listing proposal against the Realtor Selection Criteria described in the Second Report, being: (i) experience selling real property similar in nature and geography to the Development Lands; (ii) experience selling real property in receivership mandates; (iii) proposed marketing and sales strategy; and (iv) commission and fee structure.

55. Having regard to the Realtor Selection Criteria and in consultation with Windsor, the Receiver selected Lennard as listing agent for the Development Lands. On June 23, 2026, the Receiver entered into a listing agreement with Lennard (the "**Listing Agreement**") in respect of the Development Lands, being Blocks 2, 3, 4 and 7 of the Project.

56. As described in the Second Report, the Receiver had initially intended to market and sell the Development Lands following completion of the municipal works required to be completed under the Subdivision Agreement. Having regard to the anticipated timeline for completion of those works, and in consultation with Lennard and Windsor, the Receiver determined to commence marketing the Development Lands in advance of completion of the works.

57. The Receiver has continued to oversee servicing and infrastructure-related matters affecting the Development Lands. The Property Manager has advised the Receiver that servicing works for the Development Lands are complete to base asphalt and generally conform with the approved engineering drawings. A Certificate of Substantial Completion has been submitted to the Town in respect of the works under the Subdivision Agreement, which is anticipated to trigger an initial 75% release of the related subdivision security, subject to the Town's review and confirmation of any deficiencies that must be addressed. The Receiver and its representatives are also working with York Region to have security currently held for the substantially completed Phase 1 works released and reapplied toward the security required for the outstanding Phase 2 works.

58. The Development Lands Sale Process, certain elements of which have already been implemented as described below, is as follows:

    Marketing

    a. Lennard has prepared, and the Receiver has approved, a multi-page, high-gloss, full-colour brochure for the Development Lands, which includes high-resolution aerial photography (the "**Brochure**");

    b. Lennard has prepared and maintained a site-specific confidential data room for the Development Lands, which includes the ability to track who has accessed and downloaded information. Access to the data room is subject to the execution of confidentiality agreements acceptable to the Receiver in its sole discretion;

    c. the Development Lands were listed for sale on Multiple Listing Service on June 29, 2026, with the other components of Lennard's multi-channel marketing campaign, including brochure distribution, digital marketing, data room access and newspaper advertising, commencing shortly thereafter. Offers are required to be submitted by September 11, 2026 (the "**Bid Deadline**"), subject to extension by the Receiver in its sole discretion, in consultation with Lennard;

    d. the Development Lands were also listed on CoStar, Realtor.ca and Lennard's website. As of September 3, 2026, the Realtor.ca listing had received 513 views and 22 inquiries had been made in respect of the Development Lands. Eleven prospective purchasers had executed confidentiality agreements and ten had been granted access to the confidential data room;

    e. the Development Lands are listed as unpriced;

    f. Lennard distributed the Brochure and other marketing materials to, among others: (i) Lennard's database of potential purchasers; (ii) owners of properties in the geographic region surrounding the Development Lands; and (iii) parties who had previously contacted the Company or the Receiver directly advising of their interest in purchasing the Development Lands;

g. Lennard distributed e-mail marketing blasts to approximately 1,300 recipients on July 17, July 23, July 29, August 6 and September 2, 2026;

h. Lennard placed advertisements for the Development Lands in *The Globe and Mail* on July 9 and August 11, 2026;

i. Lennard marketed the Development Lands through LinkedIn postings on Michael Zeldin's profile, which has more than 1,700 connections, and Lennard's profile, which has more than 4,000 connections;

j. Lennard has made the Development Lands available for tours by interested prospective purchasers;

k. the Development Lands are being marketed on an "as is, where is" basis;

l. Lennard is otherwise marketing the Development Lands in accordance with its obligations under the Listing Agreement;

m. offers for the Development Lands must be submitted on the form of agreement of purchase and sale prepared by the Receiver's counsel and included in the data room (the "**Template APS**");

Evaluation and selection of winning offer(s)

n. offers must be submitted on the Template APS and include a redline showing any proposed changes thereto;

o. the Receiver has final authority to select the successful offer (the "**Successful Offer**") and is not obligated to accept the highest or any offer;

p. following the Bid Deadline, the Receiver may, in its sole discretion, negotiate with any or all bidders regarding the submission of improved offers, provided that the Receiver will not consider an offer from any bidder that did not submit an offer on or prior to the Bid Deadline;

q. the Receiver will select the Successful Offer within ten Business Days following the Bid Deadline; and

r. any sale transaction involving the Development Lands is conditional upon Court approval.

59. The Receiver is not, by this Third Report, seeking approval of any transaction resulting from the Development Lands Sale Process. Rather, the Receiver is seeking: (a) approval of the steps taken by the Receiver in soliciting and evaluating listing proposals, selecting Lennard as listing agent for the Development Lands and entering into the Listing Agreement; and (b) approval of the Development Lands Sale Process described above. The Receiver will report further to the Court and seek such further approvals as may be required in respect of any agreement of purchase and sale resulting from the Development Lands Sale Process.

XII. PROPOSED DISTRIBUTION TO WINDSOR II

60. As described in the Second Report, pursuant to a Payout and Assignment Agreement dated January 15, 2026, Windsor II paid out the indebtedness owing to NBC in respect of the NBC Term Loan, and NBC assigned to Windsor II all of its right, title and interest in the NBC Credit Agreement, the security and the indebtedness relating to the NBC Term Loan (the "**Assigned Interest**"), except for the Retained Interest (as defined in the Second Report) in respect of the outstanding letters of credit, which have now been fully cash collateralized.

61. As at September 8, 2026, $13,841,292 remains owing to Windsor II on account of the Assigned Interest, representing principal and accrued interest, exclusive of costs.

62. As further described in the Second Report, the Receiver's independent legal counsel provided the Receiver with an opinion which, subject to the standard assumptions and qualifications contained therein, confirmed the validity and enforceability of NBC's security assigned to Windsor II over the Company's real and personal property, including the charge registered against title to the Real Property.

63. Pursuant to the Sale Process Order, the Court previously authorized the Receiver to make the Interim Distributions described in the Second Report, including a distribution to Windsor II as assignee of the NBC Term Loan and related security. As reflected in the Interim SRD, the Receiver has made distributions to Windsor II and NBC in accordance with the Sale Process Order.

64. As described above, the Receiver proposes to maintain aggregate reserves of $200,000 in respect of potential holdback obligations relating to the Construction Liens. The Receiver will also maintain appropriate reserves for the fees, costs and other obligations of the receivership.

65. Following completion of the Retail Transaction and the Unit 4 Transaction, and subject to maintaining the foregoing reserves, the Receiver expects to have sufficient funds available to make a further distribution to Windsor II in an amount not exceeding the amount owing to Windsor II on account of the Assigned Interest.

66. In the circumstances, the Receiver is of the view that the Proposed Distribution is appropriate and recommends that the Court authorize the Receiver to make the Proposed Distribution.

XIII. RECEIVER'S UPDATED INTERIM STATEMENT OF RECEIPTS AND DISBURSEMENTS

67. Attached hereto as **Appendix "M"** is the Receiver's Interim SRD as at September 4, 2026.

XIV. RECEIVER'S AND ITS COUNSEL'S FEES

68. The fees and disbursements of the Receiver for the period from March 1, 2026 to August 31, 2026 are detailed in the affidavit of Tom McElroy sworn September 3, 2026, a copy of which is attached hereto as **Appendix "N".**

69. The Receiver's fees encompass 428.0 hours at an average hourly rate of approximately $534.07, for total fees of $228,583.50, plus disbursements and applicable taxes. The Receiver is therefore requesting that this Court approve its total fees and disbursements, inclusive of applicable taxes, in the amount of $259,580.73.

70. The fees and disbursements of Chaitons for the period from March 31, 2026 to August 31, 2026 are detailed in the affidavit of David Im sworn September 8, 2026, a copy of which is attached as **Appendix "O".**

71. Chaitons' fees encompass 284.3 hours at an average hourly rate of approximately $625.95, for total fees of $177,956.50, plus disbursements and applicable taxes. The Receiver is therefore requesting that this Court approve Chaitons' total fees and disbursements, inclusive of applicable taxes, in the amount of $204,988.37.

72. The fees and disbursements of Torkin for the period from February 20, 2026 to August 31, 2026 are detailed in the affidavit of Aaron English sworn September 8, 2026, a copy of which is attached as **Appendix "P"**.

73. Torkin's fees encompass 34.7 hours at an average hourly rate of approximately $601.57, for total fees of $20,874.50, plus disbursements and applicable taxes. The Receiver is therefore requesting that this Court approve Torkin's total fees and disbursements, inclusive of applicable taxes, in the amount of $24,415.25.

74. The Receiver is of the view that the hourly rates charged by Chaitons and Torkin are consistent with the rates charged by law firms practising in the area of insolvency in the Toronto market and that the fees charged are reasonable and appropriate in the circumstances.

XV. CONCLUSION AND RECOMMENDATION

75. The Receiver respectfully requests that this Honourable Court grant the relief set out in paragraph 6(b) of this Third Report.

All of which is respectfully submitted this 8th day of September, 2026.

DUTY TO PROVIDE ACCESS AND CO-OPERATION TO THE RECEIVER

4. **THIS COURT ORDERS** that (i) the Debtor, (ii) all of its current and former directors, officers, employees, agents, accountants, legal counsel and shareholders, and all other persons acting on its instructions or behalf, (iii) all construction managers, project managers, contractors, subcontractors, trades, engineers, surveyors, consultants, cost consultants and service providers, and all other persons acting on their instructions or behalf, and (iv) all other individuals, firms, corporations, governmental bodies or agencies, or other entities having notice of this Order (all of the foregoing, collectively, being "**Persons**" and each being a "**Person**") shall forthwith

advise the Receiver of the existence of any Property in such Person's possession or control, shall grant immediate and continued access to the Property to the Receiver, and shall deliver all such Property to the Receiver upon the Receiver's request.

5. **THIS COURT ORDERS** that all Persons shall forthwith advise the Receiver of the existence of any books, documents, securities, contracts, orders, corporate and accounting records, and any other papers, records and information of any kind related to the business or affairs of the Debtor, and any computer programs, computer tapes, computer disks, or other data storage media containing any such information (the foregoing, collectively, the "**Records**") in that Person's possession or control, and shall provide to the Receiver or permit the Receiver to make, retain and take away copies thereof and grant to the Receiver unfettered access to and use of accounting, computer, software and physical facilities relating thereto, provided however that nothing in this paragraph 5 or in paragraph 6 of this Order shall require the delivery of Records, or the granting of access to Records, which may not be disclosed or provided to the Receiver due to the privilege attaching to solicitor-client communication or due to statutory provisions prohibiting such disclosure.

6. **THIS COURT ORDERS** that if any Records are stored or otherwise contained on a computer or other electronic system of information storage, whether by independent service provider or otherwise, all Persons in possession or control of such Records shall forthwith give unfettered access to the Receiver for the purpose of allowing the Receiver to recover and fully copy all of the information contained therein whether by way of printing the information onto paper or making copies of computer disks or such other manner of retrieving and copying the information as the Receiver in its discretion deems expedient, and shall not alter, erase or destroy any Records without the prior written consent of the Receiver. Further, for the purposes of this paragraph, all Persons shall provide the Receiver with all such assistance in gaining immediate access to the information in the Records as the Receiver may in its discretion require including providing the Receiver with instructions on the use of any computer or other system and providing the Receiver with any and all access codes, account names and account numbers that may be required to gain access to the information.

7. **THIS COURT ORDERS** that the Receiver shall provide each of the relevant landlords with notice of the Receiver's intention to remove any fixtures from any leased premises at least seven (7) days prior to the date of the intended removal. The relevant landlord shall be entitled to have a representative present in the leased premises to observe such removal and, if the landlord disputes the Receiver's entitlement to remove any such fixture under the provisions of the lease, such fixture shall remain on the premises and shall be dealt with as agreed between any applicable secured creditors, such landlord and the Receiver, or by further Order of this Court upon application by the Receiver on at least two (2) days notice to such landlord and any such secured creditors.

NO PROCEEDINGS AGAINST THE RECEIVER

8. **THIS COURT ORDERS** that no proceeding or enforcement process in any court or tribunal (each, a "**Proceeding**"), shall be commenced or continued against the Receiver except with the written consent of the Receiver or with leave of this Court.

NO PROCEEDINGS AGAINST THE DEBTOR OR THE PROPERTY

9. **THIS COURT ORDERS** that no Proceeding against or in respect of the Debtor or the Property shall be commenced or continued except with the written consent of the Receiver or with leave of this Court and any and all Proceedings currently under way against or in respect of the Debtor or the Property are hereby stayed and suspended pending further Order of this Court.

NO EXERCISE OF RIGHTS OR REMEDIES

10. **THIS COURT ORDERS** that all rights and remedies against the Debtor, the Receiver, or affecting the Property, are hereby stayed and suspended except with the written consent of the Receiver or leave of this Court, provided however that this stay and suspension does not apply in respect of any "eligible financial contract" as defined in the BIA, and further provided that nothing in this paragraph shall (i) empower the Receiver or the Debtor to carry on any business which the Debtor is not lawfully entitled to carry on, (ii) exempt the Receiver or the Debtor from compliance with statutory or regulatory provisions relating to health, safety or the environment, (iii) prevent the filing of any registration to preserve or perfect a security interest, or (iv) prevent the registration of a claim for lien.

NO INTERFERENCE WITH THE RECEIVER

11. **THIS COURT ORDERS** that no Person shall discontinue, fail to honour, alter, interfere with, repudiate, terminate or cease to perform any right, renewal right, contract, agreement, licence or permit in favour of or held by the Debtor, without written consent of the Receiver or leave of this Court.

CONTINUATION OF SERVICES

12. **THIS COURT ORDERS** that all Persons having oral or written agreements with the Debtor or statutory or regulatory mandates for the supply of goods and/or services, including without limitation, all computer software, communication and other data services, centralized banking services, payroll services, insurance, transportation services, utility or other services to the Debtor are hereby restrained until further Order of this Court from discontinuing, altering, interfering with or terminating the supply of such goods or services as may be required by the Receiver, and that the Receiver shall be entitled to the continued use of the Debtor's current telephone numbers, facsimile numbers, internet addresses and domain names, provided in each case that the normal prices or charges for all such goods or services received after the date of this Order are paid by the Receiver in accordance with normal payment practices of the Debtor or such other practices as may be agreed upon by the supplier or service provider and the Receiver, or as may be ordered by this Court.

RECEIVER TO HOLD FUNDS

13. **THIS COURT ORDERS** that all funds, monies, cheques, instruments, and other forms of payments received or collected by the Receiver from and after the making of this Order from any source whatsoever, including without limitation the sale of all or any of the Property and the collection of any accounts receivable in whole or in part, whether in existence on the date of this Order or hereafter coming into existence, shall be deposited into one or more new accounts to be opened by the Receiver (the "**Post Receivership Accounts**") and the monies standing to the credit of such Post Receivership Accounts from time to time, net of any disbursements provided for herein, shall be held by the Receiver to be paid in accordance with the terms of this Order or any further Order of this Court.

EMPLOYEES

14. **THIS COURT ORDERS** that all employees of the Debtor shall remain the employees of the Debtor until such time as the Receiver, on the Debtor's behalf, may terminate the employment of such employees. The Receiver shall not be liable for any employee-related liabilities, including any successor employer liabilities as provided for in section 14.06(1.2) of the BIA, other than such amounts as the Receiver may specifically agree in writing to pay, or in respect of its obligations under sections 81.4(5) or 81.6(3) of the BIA or under the *Wage Earner Protection Program Act*.

PIPEDA

15. **THIS COURT ORDERS** that, pursuant to clause 7(3)(c) of the Canada *Personal Information Protection and Electronic Documents Act*, the Receiver shall disclose personal information of identifiable individuals to prospective purchasers or bidders for the Property and to their advisors, but only to the extent desirable or required to negotiate and attempt to complete one or more sales of the Property (each, a "**Sale**"). Each prospective purchaser or bidder to whom such personal information is disclosed shall maintain and protect the privacy of such information and limit the use of such information to its evaluation of the Sale, and if it does not complete a Sale, shall return all such information to the Receiver, or in the alternative destroy all such information. The purchaser of any Property shall be entitled to continue to use the personal information provided to it, and related to the Property purchased, in a manner which is in all material respects identical to the prior use of such information by the Debtor, and shall return all other personal information to the Receiver, or ensure that all other personal information is destroyed.

LIMITATION ON ENVIRONMENTAL LIABILITIES

16. **THIS COURT ORDERS** that nothing herein contained shall require the Receiver to occupy or to take control, care, charge, possession or management (separately and/or collectively, "**Possession**") of any of the Property that might be environmentally contaminated, might be a pollutant or a contaminant, or might cause or contribute to a spill, discharge, release or deposit of a substance contrary to any federal, provincial or other law respecting the protection, conservation, enhancement, remediation or rehabilitation of the environment or

relating to the disposal of waste or other contamination including, without limitation, the *Canadian Environmental Protection Act*, the Ontario *Environmental Protection Act*, the *Ontario Water Resources Act*, or the Ontario *Occupational Health and Safety Act* and regulations thereunder (the "**Environmental Legislation**"), provided however that nothing herein shall exempt the Receiver from any duty to report or make disclosure imposed by applicable Environmental Legislation. The Receiver shall not, as a result of this Order or anything done in pursuance of the Receiver's duties and powers under this Order, be deemed to be in Possession of any of the Property within the meaning of any Environmental Legislation, unless it is actually in possession.

LIMITATION ON THE RECEIVER'S LIABILITY

17. **THIS COURT ORDERS** that the Receiver shall incur no liability or obligation as a result of its appointment or the carrying out the provisions of this Order, save and except for any gross negligence or wilful misconduct on its part, or in respect of its obligations under sections 81.4(5) or 81.6(3) of the BIA or under the *Wage Earner Protection Program Act*. Nothing in this Order shall derogate from the protections afforded the Receiver by section 14.06 of the BIA or by any other applicable legislation.

RECEIVER'S ACCOUNTS

18. **THIS COURT ORDERS** that the Receiver and counsel to the Receiver shall be paid their reasonable fees and disbursements, in each case at their standard rates and charges unless otherwise ordered by the Court on the passing of accounts, and that the Receiver and counsel to the Receiver shall be entitled to and are hereby granted a charge (the "**Receiver's Charge**") on the Property, as security for such fees and disbursements, both before and after the making of this Order in respect of these proceedings, and that the Receiver's Charge shall form a first charge on the Property in priority to all security interests, trusts, liens, charges and encumbrances, statutory or otherwise, in favour of any Person, but subject to sections 14.06(7), 81.4(4), and 81.6(2) of the BIA.

19. **THIS COURT ORDERS** that the Receiver and its legal counsel shall pass its accounts from time to time, and for this purpose the accounts of the Receiver and its legal counsel are hereby referred to a judge of the Commercial List of the Ontario Superior Court of Justice.

20. **THIS COURT ORDERS** that prior to the passing of its accounts, the Receiver shall be at liberty from time to time to apply reasonable amounts, out of the monies in its hands, against its fees and disbursements, including legal fees and disbursements, incurred at the standard rates and charges of the Receiver or its counsel, and such amounts shall constitute advances against its remuneration and disbursements when and as approved by this Court.

FUNDING OF THE RECEIVERSHIP

21. **THIS COURT ORDERS** that the Receiver be at liberty and it is hereby empowered to borrow by way of a revolving credit or otherwise, such monies from time to time as it may consider necessary or desirable, provided that the outstanding principal amount does not exceed $500,000 (or such greater amount as this Court may by further Order authorize) at any time, at such rate or rates of interest as it deems advisable for such period or periods of time as it may arrange, for the purpose of funding the exercise of the powers and duties conferred upon the Receiver by this Order, including interim expenditures. The whole of the Property shall be and is hereby charged by way of a fixed and specific charge (the "**Receiver's Borrowings Charge**") as security for the payment of the monies borrowed, together with interest and charges thereon, in priority to all security interests, trusts, liens, charges and encumbrances, statutory or otherwise, in favour of any Person, but subordinate in priority to the Receiver's Charge and the charges as set out in sections 14.06(7), 81.4(4), and 81.6(2) of the BIA.

22. **THIS COURT ORDERS** that neither the Receiver's Borrowings Charge nor any other security granted by the Receiver in connection with its borrowings under this Order shall be enforced without leave of this Court.

23. **THIS COURT ORDERS** that the Receiver is at liberty and authorized to issue certificates substantially in the form annexed as **Schedule "B"** hereto (the "**Receiver's Certificates**") for any amount borrowed by it pursuant to this Order.

24. **THIS COURT ORDERS** that the monies from time to time borrowed by the Receiver pursuant to this Order or any further order of this Court and any and all Receiver's Certificates evidencing the same or any part thereof shall rank on a *pari passu* basis, unless otherwise agreed to by the holders of any prior issued Receiver's Certificates.

RETENTION OF COUNSEL

25. **THIS COURT ORDERS** that the Receiver may retain lawyers, including the Applicants' lawyers, to represent and advise the Receiver in connection with the exercise of the Receiver's powers and duties, including without limitation those conferred by this Order. Such lawyers may include Chaitons LLP, lawyers for the Applicants herein, in respect of any matter where the Receiver is satisfied that there is no actual or potential conflict of interest. The Receiver shall, however, retain independent lawyers in respect of any legal advice or services where a conflict exists, or may exist.

SERVICE AND NOTICE

26. **THIS COURT ORDERS** that the E-Service Guide of the Commercial List (the "**Guide**") is approved and adopted by reference herein and, in this proceeding, the service of documents made in accordance with the Guide (which can be found on the Commercial List website at https://commerciallist.com/resources) shall be valid and effective service. Subject to Rule 17.05 this Order shall constitute an order for substituted service pursuant to Rule 16.04 of the Rules of Civil Procedure. Subject to Rule 3.01(d) of the Rules of Civil Procedure and paragraph 21 of the Guide, service of documents in accordance with the Guide will be effective on transmission. This Court further orders that a Case Website shall be established in accordance with the Guide with the following URL: 'https://www.albertgelman.com/filedocuments/#2352107'.

27. **THIS COURT ORDERS** that if the service or distribution of documents in accordance with the Guide is not practicable, the Receiver is at liberty to serve or distribute this Order, any other materials and orders in these proceedings, any notices or other correspondence, by forwarding true copies thereof by prepaid ordinary mail, courier, personal delivery or facsimile transmission to the Debtor's creditors or other interested parties at their respective addresses as last shown on the records of the Debtor and that any such service or distribution by courier, personal delivery or facsimile transmission shall be deemed to be received on the next business day following the date of forwarding thereof, or if sent by ordinary mail, on the third business day after mailing.

GENERAL

28. **THIS COURT ORDERS** that the Receiver may from time to time apply to this Court for advice and directions in the discharge of its powers and duties hereunder.

29. **THIS COURT ORDERS** that nothing in this Order shall prevent the Receiver from acting as a trustee in bankruptcy of the Debtor.

30. **THIS COURT HEREBY REQUESTS** the aid and recognition of any court, tribunal, regulatory or administrative body having jurisdiction in Canada or in the United States to give effect to this Order and to assist the Receiver and its agents in carrying out the terms of this Order. All courts, tribunals, regulatory and administrative bodies are hereby respectfully requested to make such orders and to provide such assistance to the Receiver, as an officer of this Court, as may be necessary or desirable to give effect to this Order or to assist the Receiver and its agents in carrying out the terms of this Order.

31. **THIS COURT ORDERS** that the Receiver be at liberty and is hereby authorized and empowered to apply to any court, tribunal, regulatory or administrative body, wherever located, for the recognition of this Order and for assistance in carrying out the terms of this Order, and that the Receiver is authorized and empowered to act as a representative in respect of the within proceedings for the purpose of having these proceedings recognized in a jurisdiction outside Canada.

32. **THIS COURT ORDERS** that the Applicants shall have their costs of this application, up to and including entry and service of this Order, provided for by the terms of the Applicants' security or, if not so provided by the Applicants' security, then on a substantial indemnity basis to be paid by the Receiver from the Debtor's estate with such priority and at such time as this Court may determine.

33. **THIS COURT ORDERS** that any interested party may apply to this Court to vary or amend this Order on not less than seven (7) days' notice to the Receiver and to any other party likely to be affected by the order sought or upon such other notice, if any, as this Court may order.

ENDORSEMENT OF JUSTICE STEELE:

[1] The applicants seek the appointment of Albert Gelman Inc. as receiver of the property municipally located at 175 Melvin Robson Avenue, Aurora, Ontario together with all assets of the Debtor on or relating to the Real Property.

[2] Albert Gelman Inc. has consented to act as Receiver.

[3] Defined terms used in this endorsement have the meaning set out in the applicants' factum.

[4] The matter first came before me on January 16, 2026. Certain individuals, who are officers and/or directors of 2352107 Ontario Inc. ("235") requested an adjournment. I granted a short adjournment to give them the opportunity to file materials.

[5] At the return today, there was a discussion regarding whether the individuals who had filed materials, Nick Tsimidis and Anthony Abate, were acting on behalf of the Debtor, 235. Having reviewed the written submissions and heard the oral submissions, I do not need to determine the issue of whether these individuals should be granted leave of the court under Rule 15.01(2).

[6] Mr. Abate, in his oral submissions, agreed that the applicants are secured creditors, and the Court has jurisdiction to appoint a receiver. He was concerned, among other things, about the factual record. Mr. Abate indicated that their goal was to preserve value and ensure transparency going forward. Their preference was for a limited scope receivership.

[7] I would note that there are allegations of mismanagement made by Windsor that are disputed.

[8] The only issue before me is whether to appoint Albert Gelman Inc. as receiver over the Property.

[9] Under section 101 of the *Courts of Justice Act* and section 243(1) of the *Bankruptcy and Insolvency Act*, the Court may appoint a receiver where it is "just or convenient" to do so.

[10] In determining whether it is "just or convenient" to appoint a receiver, the Court must consider "all of the circumstances but in particular the nature of the property and the rights and interests of all relevant parties:" *Nova Scotia v. Freure Village on Clair Creek*, 1996 CanLII 8258 (ONSC) at para. 10. The discretionary factors that the Court has historically considered in determining whether it is appropriate to appoint a receiver were recently summarized by the Court in *C&K Mortgage et al v. 11282751 Canada Inc. et al*, 2024 ONSC 1039, at para. 19.

[11] I am satisfied that it is just or convenient in the circumstances to appoint a receiver.

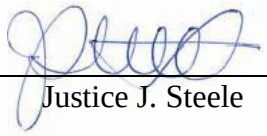

[12] Although the appointment of a receiver is generally an extraordinary remedy, the extraordinary nature of the remedy is reduced where the applicant is merely seeking to enforce a term of an agreement that was agreed to by both parties: *Elleway Acquisitions Ltd. v. Cruise Professionals Ltd.*, 2013 ONSC 6866, at para. 27.

[13] The Debtor is the registered owner of the Real Property, which is in the process of being developed as part of a multi-phased mixed-use commercial development project. The Debtor holds legal title to the Real Property as nominee for the Beneficial Owners. Phase 1 of the Project is near completion; however, there are now multiple construction liens registered on the Real Property and there are certain construction deficiencies, which has resulted in some purchasers refusing to close on their units until the deficiencies are remedied. Mr. Kupinsky's evidence is that because of a lack of available liquidity, the Debtor is unable fix these deficiencies and/or discharge the construction liens, which impairs the Debtor's ability to complete the sale of the retail plaza and industrial condominium units.

[14] The Debtor owes Windsor approx. $75 million. The Debtor is in default. The terms of the Security allow for the appointment of a receiver upon default. Demand letters and Notices of Intention to Enforce Security under section 244 of the BIA have been sent to the Debtor and the Beneficial Owners. Windsor's position is that they will not advance further money for the Project unless a full receivership is granted. No viable alternative has been proposed other than a receivership.

[15] I am satisfied that it is just and convenient in the circumstances to appoint a receiver to take possession of, preserve, and realize upon the Property through a transparent, orderly and court-supervised process that will permit the completion and sale of the existing purchase agreements with a court vesting order and to market and sell the balance of the Property for the benefit of the stakeholders. The form of Order sought is substantially consistent with the Commercial List Model Order with a few changes to, among other things, include certain powers specific to this matter such as the completion and construction and remediation of Phase 1, and addressing construction lien claims.

[16] Order to go in the form signed by me today, with immediate effect.

Date: Jan 23, 2026

FIRST REPORT OF ALBERT GELMAN INC. AS COURT-APPOINTED RECEIVER

JANUARY 27, 2026

1.0 INTRODUCTION

1. This report (the "**Report**") is filed by Albert Gelman Inc. ("**AGI**") in its capacity as receiver (in such capacity, the "**Receiver**") of the real property municipally known as 175 Melvin Robson Avenue, Aurora, Ontario (the "**Real Property**"), and all assets, undertakings and properties of 2352107 Ontario Inc. (the "**Company**") situated on, arising from, used in connection with or otherwise relating to the Real Property, including all proceeds thereof.

2. Pursuant to an Order of the Ontario Superior Court of Justice (Commercial List) (the "**Court**") made on January 23, 2026 (the "**Receivership Order**"), AGI was appointed Receiver.

A copy of the Receivership Order and the Endorsement of the Honourable Justice Steele dated January 23, 2026 are attached collectively as **Appendix "A"**.

3. The Company is the registered owner of the Real Property, which is in the process of being developed as a multi-phased mixed-use commercial development known as 'Aurora Mills Business Park' (the "**Project**").

4. Phase one of the Project is comprised of Blocks 1, 5 and 6 ("**Phase 1**"). Block 1 of the Project has been developed as a retail plaza (the "**Retail Plaza**") and is currently subject to existing leases with three commercial tenants, including Starbucks, Dairy Queen and Carbone Pizza. Blocks 5 and 6 of the Project are being developed with a total of 24 industrial condominium units (collectively, the "**Condo Units**", each a "**Condo Unit**").

5. The Company holds legal title to the Real Property as nominee and bare trustee for 2374563 Ontario Limited and 2372754 Ontario Limited, each holding a 50% beneficial interest in the Real Property pursuant to a Joint Venture Agreement dated July 18, 2013.

6. This Report is filed in support of the Receiver's motion for the following orders:[1]

   (a) vesting the Company's right, title and interest in the Retail Plaza in the Retail Purchaser, free and clear of all claims and encumbrances other than Permitted Encumbrances (as defined in the Retail APS), upon the execution and delivery of a certificate by the Receiver confirming completion of the transaction contemplated by the Retail APS;

[1] Capitalized terms used in this paragraph but not defined have the meanings given to them in the following paragraphs below.

(b) vesting the Company's right, title and interest in the applicable Condo Units in the respective purchasers, under the Condo APSs, free and clear of all claims and encumbrances other than permitted encumbrances, upon the execution and delivery of a certificate by the Receiver confirming completion of the applicable transaction; and

(c) sealing Confidential Appendices "1" and "2" pending completion of the proposed transactions or further Order of the Court.

7. The facts underlying the receivership application are more fully set out in the affidavits of Jordan Kupinsky sworn January 9, 2026 (the "**First Affidavit**") and January 22, 2026. A copy of the First Affidavit, without exhibits, is attached hereto as **Appendix "B"**.

2.0 AGREEMENTS OF PURCHASE AND SALE

1. Prior to the Receiver's appointment, the Company entered into the following agreements:

(a) an agreement of purchase and sale between the Company and 2753991 Ontario Inc. (the "**Retail Purchaser**") dated February 18, 2025 in respect of the Retail Plaza (the "**Retail APS**"), a redacted copy of which is attached hereto as **Appendix "C"** and an unredacted copy of which is provided as **Confidential Appendix "1"**; and

(b) agreements of purchase and sale in respect of 20 of the 24 Condo Units (collectively, the "**Condo APSs**", and each, a "**Condo APS**"), redacted copies of which are attached as **Appendices "D1"** to "**D12**", and unredacted copies of which are provided as **Confidential Appendix "2A"** to **"2L"**.

2. The Retail APS did not close as scheduled on January 15, 2026 due to the registration of a construction lien in favour of McQueen Maintenance Inc. in the amount of $98,762, which was registered against title to the Project on December 15, 2025 (the "**McQueen Lien**").

3. No new closing date has been scheduled for the Retail APS and it is currently unknown whether the purchaser intends to complete the transaction.

4. In addition to the McQueen Lien, the Project is subject to the following construction liens (collectively with the McQueen Lien, the "**Construction Liens**"):

(a) a construction lien in favour of Elements Air Systems Inc. in the amount of $826,518, which was registered against title to the Condo Units on December 11, 2025; and

(b) a construction lien in favour of Paul Marques Architect Inc. in the amount of $141,978.20, which was registered against title to the Condo Units on January 23, 2026.

5. Since June 2025, sixteen (16) of the Condo Unit purchasers have been provided interim occupancy of their respective Condo Units.

6. Purchasers of certain Condo Units have raised concerns regarding construction deficiencies affecting the condition, design and conformity of their respective units. Certain purchasers have indicated that they do not intend to close their purchases until the deficiencies are rectified.

7. The Condo APSs originally contemplated closings in or about December 2025. Those closings did not occur as scheduled due to the registration of the Construction Liens and the existence of the construction deficiencies described above.

8. Prior to the Receiver's appointment, counsel to the Company delivered email correspondence to the purchasers of the Condo Units, or their counsel, advising that the scheduled closing dates were being rescheduled to January 31, 2026, in an effort to facilitate completion of the transactions. A sample copy of that correspondence is attached hereto as **Appendix "E"**.

9. It is uncertain how many purchasers of the Condo Unit intend to close their transactions.

3.0 VESTING ORDERS

1. As a result of the Construction Liens, the Company has been unable to complete the Condo Unit sales and convey good and marketable title to purchasers, free and clear of all liens and encumbrances (other than permitted encumbrances), in accordance with the terms of the Retail APS and the Condo APSs.

2. The Receivership Order expressly authorizes the Receiver to complete existing agreements of purchase and sale entered into prior to its appointment. In order to do so, the Receiver requires vesting orders to enable the Receiver to convey title, free and clear of all liens and encumbrances (other than permitted encumbrances).

3. The Receiver is not seeking approval of the Retail APS or the Condo APSs, which were entered into prior to the Receiver's appointment and which the Receiver is authorized to complete without further Court approval pursuant to paragraph 3(m) of the Receivership Order.

4. The Receiver respectfully requests that the Court grant the following orders:

(a) an order vesting the Company's right, title and interest in the Retail Plaza in the Retail Purchaser, free and clear of all claims and encumbrances other than Permitted Encumbrances (as defined in the Retail APS), upon the execution and delivery of a certificate by the Receiver confirming completion of the transaction contemplated by the Retail APS; and

(b) orders vesting the Company's right, title and interest in the Condo Units in the applicable purchasers, under the Condo APSs, free and clear of all claims and encumbrances other than permitted encumbrances, upon the execution and delivery of a certificate by the Receiver confirming completion of the applicable transaction.

5. The following charts identify the encumbrances that are proposed to be deleted from title on closing. The specific instruments to be deleted are described in detail in Schedule "C" to each of the vesting orders.

Retail Plaza:

Instrument Type	**Principal Amount**	**Registered In Favour Of**

Construction Lien	$98,762	McQueen Maintenance Inc.
Construction Lien	$141,978	Paul Marques Architect Inc.

4.0 SEALING ORDER

1. The Receiver is of the view that **Confidential Appendices "1"** and **"2"** should be filed with the Court on a confidential basis and remain sealed pending further order of the Court or closing of the transactions. The APSs contain commercially sensitive information that if publicly disclosed, may negatively impact any future marketing and sale of the Retail Plaza and/or the Condo Units if the respective transactions do not close.

2. The Receiver is of the view that no person will be prejudiced by the sealing order.

3. The salutary effects of sealing such information from the public record greatly outweigh the deleterious effects of doing so under the circumstances. The Receiver is of the view that the sealing of **Confidential Appendices "1"** and **"2"** is consistent with the decision in *Sherman Estate v. Donovan*, 2021 SCC 25. Accordingly, the Receiver believes the proposed sealing order is appropriate in the circumstances.

5.0 CONCLUSION AND RECOMMENDATION

1. Based on the foregoing, the Receiver respectfully recommends that this Honourable Court grant the Orders detailed in Section 1.0(6) of this Report.

All of which is respectfully submitted,

ALBERT GELMAN INC.,
Solely in its capacity as Court-appointed
Receiver, and not in its personal capacity

FIRST SUPPLEMENT TO THE FIRST REPORT OF ALBERT GELMAN INC. AS COURT-APPOINTED RECEIVER

(Dated January 31, 2026)

I. INTRODUCTION

1. This report (the "**First Supplemental Report**") is filed by Albert Gelman Inc. ("**AGI**"), in its capacity as receiver (in such capacity, the "**Receiver**") of the real property municipally known as 175 Melvin Robson Avenue, Aurora, Ontario (the "**Real Property**"), and all assets, undertakings and properties of 2352107 Ontario Inc. (the "**Company**") situated on, arising from, used in connection with or otherwise relating to the Real Property, including all proceeds thereof (collectively, the "**Property**").

2. Pursuant to an Order of the Ontario Superior Court of Justice (Commercial List) (the "**Court**") made on January 23, 2026 (the "**Receivership Order**"), AGI was appointed Receiver. A copy of the Receivership

Order and the Endorsement of the Honourable Justice Steele dated January 23, 2026 are attached as **Appendix "A"** and **Appendix "B"**, respectively.

3. Paragraph 3(m) of the Receivership Order authorizes the Receiver to complete any existing agreements of purchase and sale in respect of the Property, or any part or parts thereof, if appropriate, without Court approval, in respect of any such transaction.

II. TERMS OF REFERENCE

4. All terms not otherwise defined herein shall have the same meanings ascribed to them in the Receiver's First Report to Court dated January 27, 2026 (the "**First Report**") and the Affidavit of Jordan Kupinsky sworn January 9, 2026 (the "**Kupinsky Affidavit**").

III. JANUARY 29 COURT HEARING

5. On January 29, 2026 (the "**January 29 Motion**") the Receiver brought a motion for an Order:

(a) vesting the Company's right, title and interest in the Retail Plaza in the Retail Purchaser, free and clear of all claims and encumbrances other than Permitted Encumbrances (as defined in the Retail APS), upon the execution and delivery of a certificate by the Receiver confirming completion of the transaction contemplated by the Retail APS (the "**Retail Plaza Vesting Order**");

(b) vesting the Company's right, title and interest in the Condo Units in the applicable purchasers, under the Condo APSs, free and clear of all claims and encumbrances other than permitted encumbrances, upon the execution and delivery of a certificate by the Receiver confirming completion of the applicable transaction (each, a "**Condo Unit Vesting Order**", and collectively, the "**Condo Unit Vesting Orders**"); and

(c) sealing Confidential Appendices "1" and "2" to the First Report pending completion of the proposed transactions or further Order of the Court (the "**Sealing Order**").

6. The Court adjourned the January 29 Motion to February 2, 2026 due to short notice and to permit the Receiver to provide additional evidence confirming that the sale transactions are at fair value. A copy of the Endorsement of Justice Myers dated January 29, 2026 (the "**January 29 Endorsement**") is attached hereto as **Appendix "C".** The First Report, which was filed in relation to the January 29 Motion, is attached hereto as **Appendix "D"**, without appendices.

7. The Company's lawyers advise the purchasers of the 20 Condo Units of the Receivership by email on January 29, 2026 and, at the same time, scheduled the closing date for completion of the 20 Condo Unit sales to February 4, 2026.

8. The Receiver is no longer requesting at this time that this Honorable Court grant the Retail Plaza Vesting Order as the completion of such transaction is under discussion and will unlikely occur in the near

term. The Receiver continues to request that this Honourable Court grant the Condo Unit Vesting Orders and the Sealing Order.

IV. BACKGROUND

9. The background to this motion is set out in the First Report and the Kupinsky Affidavit and is not repeated herein.

V. PURPOSE OF THIS REPORT

10. The purpose of this First Supplemental Report is to address matters raised by Justice Myers set out in the January 29 Endorsement by providing the Court with, *inter alia*, additional information with respect to:

(a) the reasonableness of the sale prices of each of the Condo Units; and

(b) the Receiver's recommendation with respect to the proposed sale transactions.

VI. CONDO UNIT SALES

11. There are a total of 24 Condo Units. Each Condo Unit is approximately 3,600 square feet in size and is built to a base shell specification.

12. Prior to the Receiver's appointment, the Company entered into agreements of purchase and sale (the "**APSs**") with arm's-length third parties for the sale of 20 of the 24 Condo Units. The transactions were scheduled to close in December 2025, but did not close due to, among other things, the registration of construction liens that prevented the conveyance of the Condo Units free and clear of encumbrances.

13. However, purchasers of 16 Condo Units were provided with interim occupancy in June 2025. Of these, five (5) are carrying on business from the premises.

14. In connection with the existing Condo Unit APSs, the Receiver has prepared a summary outlining the current status of each transaction (the "**APS Status Summary**"). The APS Status Summary is attached hereto as **Confidential Appendix "A"**.

15. The Receiver currently expects that 10 of the 12 existing Condo Unit APSs are likely to complete by or shortly after the rescheduled closing dates, subject to customary closing conditions, with the remaining two (2) transactions requiring further discussion with the respective purchasers.

16. Of the remaining four unsold Condo Units, three are currently listed for sale, with Cushman & Wakefield acting as the listing agent. The other Condo Unit is not currently listed for sale.

17. Set out below is a table setting out the applicable Condo Unit(s), the date of the agreement, and the purchaser for each of the Condo Unit APSs.

Units No.	APS Date	Purchaser
1,2,3	02-Feb-22	Spectra Signs (assigned to Spectra Prop. Inc)

7,8	02-Feb-22	2870593 Ontario Inc.
9,10	12-Apr-22	2870593 Ontario Inc.

22,23,24	24-Jan-22	2710436 Ontario Ltd. (Chislett Roofing)

Arm's Length Purchasers

18. Pursuant to a corporate profile report of the Company obtained by the Receiver on January 26, 2026, each of Anthony Abate, Paolo Abate, Nikolaos Tsimidis, Alessandro Vitaro and Giuseppe Vitaro (collectively, the "**Directors**") are directors of the Company.

19. Nikolaos Tsimidis, one of the Directors, has confirmed to the Receiver that: "All of the purchasers are arm's length to [him] personally and any of the Haven Group of companies." Attached hereto as **Appendix "E"** is a copy of the email correspondence from Nikolaos.

20. The Receiver has also obtained current corporate profile reports for each of the Condo Unit purchasers. None of the Directors of the Company are listed as an officer or director of any of the Condo Unit purchasers.

21. Based on the foregoing, it appears that the sale transactions in respect of the 20 Condo Units are between the Company and arm's-length third-party purchasers.

Condo APSs are at Fair Value

22. The Receiver has prepared a summary of sales data relating to the sold Condo Units, including the total purchase price (including development charges), the sale date, and the sale price per square foot (the "**Sales Data Summary**"). The Sales Data Summary is attached hereto as **Confidential Appendix "B".** The Receiver's observations with respect to the Sales Data Summary are as follows:

(a) 16 Condo Units were sold in 2022, three were sold in 2024 and one was sold in 2025; and

(b) the average sale price per square foot for the Condo Units sold in 2024 and 2025 was 16.7% and 4.5%, respectively, lower than the average price per square foot for the units sold in 2022.

23. The Receiver has obtained a letter from Spencer Mussett, Executive Vice-President of CBRE, dated January 29, 2026 (the "**CBRE Letter**"), a copy of which is attached hereto as **Appendix "F"**. CBRE was one of the listing agents retained by the Company to sell several of the Condo Units.

24. The CBRE Letter indicates, among other things, the following:

> *"The Industrial condo sales market has noticeably cooled over the last two (2) years."*
>
> *"Over the last two (2) years, the two most impacted segments of the market were land and industrial condo sales, seeing a pronounced supply-demand imbalance and downward pressure on pricing and diminished transaction velocity."*

25. The unsold Condo Units were listed for sale in July 2025 at prices in excess of the Condo Unit APSs, but no offers have been received.

26. Based on the foregoing and the Receiver's experience selling real properties in other insolvency mandates, market prices have declined materially since 2022. As noted above, 16 or the 20 Condo Unit APSs were entered into in 2022.

27. It is the Receiver's view, based on the evidence set out in this First Supplemental Report, that the sale prices for the 20 Condo Units in respect of which the Receiver is seeking the Condo Unit Vesting Orders are commercially reasonable.

VII. SECURED INDEBTEDNESS

28. Windsor Private Capital Limited Partnership and Windsor II Limited Partnership (collectively, "**Windsor**") is both the first- and third-ranking mortgagee in respect of the Real Property. Windsor's total secured indebtedness is currently approximately $75 million, plus accruing interest and costs.

29. The Receiver has prepared an analysis of the expected repayment of the Company's various secured creditors based on the expected sale prices of the Retail Plaza, the Condo Units and the remaining balance of the Real Property (the "**Loan Repayment Summary**"). The Loan Repayment Summary is attached hereto as **Confidential Appendix "C".**

30. As set out in the Loan Repayment Summary, Windsor is expected to suffer a significant shortfall on its secured indebtedness. No distributions are expected to subordinate secured creditors or any unsecured creditors.

31. Windsor supports the Receiver's request for the Condo Unit Vesting Orders in order to complete the sale of the existing Condo APSs despite the anticipated loss it will suffer.

VIII. SEALING OF CONFIDENTIAL APPENDICES

32. The Receiver is of the view that Confidential Appendices "A", "B" and "C" (collectively, the "**Confidential Appendices**") should be filed with the Court on a confidential basis and remain sealed pending further order of the Court or closing of the transactions. The APS Status Summary, the Sales Data Summary and the Loan Repayment Summary contain commercially sensitive information that if publicly disclosed, may negatively impact any future marketing and sale of the Condo Units if the respective transactions do not close.

33. The Receiver respectively requests that this Honourable Court grant an Order sealing the Confidential Appendices to the First Supplemental Report pending completion of the proposed transactions or further Order of the Court.

IX. CONCLUSION AND RECOMMENDATION

34. The Receiver, in its business judgment, is of the view that the sale prices for the 20 Condo Units are commercially reasonable and that completion of the Condo APSs is in the best interest of the economic stakeholders of the Company, including Windsor and purchasers, and therefore recommends that the Court grant the vesting orders, to allow for completion of the sale transactions, and the sealing orders.

All of which is respectfully submitted,

ALBERT GELMAN INC.,
solely in its capacity as Court-appointed of both the Real Property and the Company and not in its personal or corporate capacity

SECOND REPORT OF ALBERT GELMAN INC. AS COURT-APPOINTED RECEIVER

(Dated March 23, 2026)

I. INTRODUCTION

1. This second report ("**Second Report**") is filed by Albert Gelman Inc. ("**AGI**"), in its capacity as receiver (in such capacity, the "**Receiver**") of the real property municipally known as 175 Melvin Robson Avenue, Aurora, Ontario (the "**Real Property**") and all assets, undertakings and properties of 2352107 Ontario Inc. (the **"Company**") situated on, arising from, used in connection with or otherwise relating to the Real Property, including all proceeds thereof (collectively, the "**Property**").

2. The Real Property has been developed as a multi-phased mixed-used commercial development known as the 'Aurora Mills Business Park' (the "**Project**").

3. Phase one of the Project is comprised of Blocks 1, 5 and 6 ("**Phase 1**"). Block 1 of the Project has been developed as a retail plaza (the "**Retail Plaza**") and is currently subject to leases with three commercial

tenants, Starbucks, Dairy Queen and a Casa Carbone restaurant (collectively, the "**Retail Plaza Tenants**"). Blocks 5 and 6 of the Project has been developed with a total of 24 industrial condominium units (collectively, the "**Condo Units**", and each, a "**Condo Unit**").

4. On November 27, 2025, the declaration and description for the condominium were registered on title to the Real Property, creating York Region Standard Condominium Corporation No. 1600.

5. The Company previously entered into agreements of purchase and sale in respect of 20 of the 24 Condo Units in Phase 1 (the "**Condo Unit APSs**"), which were originally scheduled to close in December 2025. Those transactions did not close at the time as a result of, among other things, the registration of construction liens against the Real Property.

6. As a result of the registration of the construction liens and various defaults by the Company under loans provided by Windsor Private Capital Limited Partnership ("**Windsor I**") and Windsor II Limited Partnership ("**Windsor II**", and together with Windsor I, "**Windsor**"), Windsor sought the appointment of a receiver over the Property.

7. Pursuant to an Order of the Ontario Superior Court of Justice [Commercial List] (the "**Court**") dated January 23, 2026 (the "**Appointment Order**"), AGI was appointed as Receiver pursuant to section 243(1) of the *Bankruptcy and Insolvency Act* R.S.C. 1985, c. B-3, as amended ("**BIA**") and section 101 of the *Courts of Justice Act*, R.S.O 1990, c. 43, as amended . A copy of the Appointment Order and related Endorsement is attached hereto as **Appendix "A"**.

8. Paragraph 3(m) of the Appointment Order authorizes the Receiver to complete any existing agreements of purchase and sale in respect of the Property, or any part or parts thereof, if appropriate, without Court approval, in respect of any such transaction.

9. On February 2, 2026, the Receiver brought a motion for and obtained vesting orders in respect of the 20 pre-sold Condo Units to facilitate the completion of the sale of those units. A copy of the related Endorsement of Justice Myers dated February 2, 2026 is attached hereto as **Appendix "B"**.

10. In support of the Receiver's motion the Receiver filed with the Court its First Report to Court dated January 29, 2026 (the "**First Report**") as well as a First Supplement to the First Report dated January 31, 2026 (the "**First Supplement**"). 20. The purchasers of units 6, 12, 13, 22, 23 and 24 each provided the Company with a deposit prior to the date of the appointment of the Receiver. The total amount of the deposits remaining is approximately $1.58 million (the "**Deposits**") plus accrued and accruing interest. The Deposits are being held in trust by

Torkin in an interest bearing bank account. Torkin has advised the Receiver that all other deposits received in respect of the 20 pre-sold Condo Units were released to the Company and injected into the Project prior to the appointment of the Receiver.

Unit 6

21. Prior to the appointment of the Receiver, the Company entered into the Unit 6 APS with 2851156 Ontario Inc., which was subsequently assigned to 1000178862 Ontario Inc. (the "**Unit 6 Purchaser**").

22. The Unit 6 Purchaser was granted interim occupancy on June 27 2025.

23. By email dated November 28, 2025, Torkin delivered a final closing notice (the "**Unit 6 Closing Notice**") setting December 8, 2025 as the closing date. A copy of the Unit 6 Closing Notice is attached hereto as **Appendix "E"**.

24. In advance of the scheduled closing, the Unit 6 Purchaser raised objections to the proposed closing adjustments and asserted that there had been a "material change" to the unit, alleging that the demising walls were constructed using materials that were inferior from those contemplated by the Unit 6 APS.

25. By letter dated December 12, 2025, the Unit 6 Purchaser asserted that the alleged material change constituted a breach of the Unit 6 APS, took the position that the agreement had been rescinded, and demanded the return of its deposit together with interest. A copy of the letter is attached hereto as **Appendix "F"**.

26. The Company, through Torkin, disputed those assertions and maintained that the Unit 6 Purchaser remained bound to complete the transaction, including on the basis that: (a) the materials used were permitted substitutions of comparable quality under the Unit 6 APS; and (b) in any event, the Unit 6 Purchaser was out of time to assert any termination right, having taken interim occupancy of the unit in June 2025. A copy of the relevant correspondence is attached hereto as **Appendix "G"**.

27. The scheduled closing date was thereafter extended several times by the Company, including from December 8, 2025 to December 9, 2025, then to December 11, 2025, December 12, 2025, December 18, 2025 and ultimately to January 31, 2026. The Unit 6 Purchaser did not accept those extensions and maintained that the Company had no contractual authority to unilaterally extend the closing date and took the position that the Unit 6 APS had been rescinded.

28. Following its appointment, the Receiver sought to complete the Unit 6 APS and rescheduled the closing to February 4, 2026.

29. The Unit 6 transaction did not complete on February 4, 2026, as the Unit 6 Purchaser maintained its position that the Unit 6 APS had been rescinded.

30. By letter dated February 4, 2026, Torkin advised the Unit 6 Purchaser that the Receiver had delivered its closing documents, including by uploading them to LawyerDoneDeal.com, and was ready, willing and able to close the transaction. Torkin further advised that, as the required funds and closing documents had not

been received from the Unit 6 Purchaser, the Unit 6 Purchaser was not ready, willing and able to complete the transaction and was in breach of its obligations under the Unit 6 APS. A copy of the letter is attached hereto as **Appendix "H"**.

31. The Unit 6 Purchaser did not respond to the February 4, 2026 correspondence and has not taken any steps to complete the transaction.

Units 12 and 13

32. Prior to the appointment of the Receiver, the Company entered into the Units 12 and 13 APS with Anthony James Whyte Holdings Inc. (the "**Units 12 and 13 Purchaser**").

33. The Units 12 and 13 Purchaser was granted interim occupancy on June 27 2025.

34. By email dated November 28, 2025, Torkin delivered a final closing notice (the "**Units 12 and 13 Closing Notice**") setting December 8, 2025 as the closing date. A copy of the Units 12 and 13 Closing Notice is attached hereto as **Appendix "I"**.

35. Although the scheduled closing date was extended several times by the Company, the transaction did not close. During this period, counsel to the Units 12 and 13 Purchaser raised objections relating to the proposed closing adjustments and took the position that the Company had no contractual authority to unilaterally extend the closing date.

36. By letter dated January 30, 2026, counsel to the Units 12 and 13 Purchaser asserted that the Company was in breach of the Units 12 and 13 APS, including for failing to be ready, willing and able to close, and cited various alleged deficiencies affecting the units, including water ingress, door and hardware issues, and other construction-related concerns. The Units 12 and 13 Purchaser stated that it reserved its rights and remedies under the Units 12 and 13 APS, including its right to treat the Units 12 and 13 APS as terminated and to demand the return of its deposit. A copy of the January 30, 2026 letter is attached hereto as **Appendix "J"**.

37. Following its appointment, the Receiver sought to complete the Units 12 and 13 APS and, in conjunction with vesting orders granted by this Court, rescheduled the closing to February 4, 2026 .

38. The Units 12 and 13 transaction did not complete on February 4, 2026.

39. By letter dated February 4, 2026, Torkin advised that the Receiver had delivered its closing documents, including by uploading them to LawyerDoneDeal.com, and was ready, willing and able to close the transaction. Torkin further advised that, as the required funds and closing documents had not been received from the Units 12 and 13 Purchaser, the Units 12 and 13 Purchaser was not ready, willing and able to complete the transaction and was in breach of its obligations under the Units 12 and 13 APS. A copy of the letter is attached hereto as **Appendix "K"**.

40. Thereafter, the Units 12 and 13 Purchaser continued to raise concerns regarding alleged deficiencies affecting the units, including water ingress and issues relating to doors and mechanical components, and

sought additional assurances with respect to both the units and the common elements, including supporting documentation and confirmation of remediation.

41. In response, the Receiver advised that it would not provide further assurances beyond the terms of the Units 12 and 13 APS, including in respect of common elements, and referred to provisions of the Units 12 and 13 APS which provide that occupancy of the unit constitutes complete and absolute acceptance of all construction matters and the quality and sufficiency thereof, including the common elements. Torkin also provided a signed post-closing undertaking in respect of unit-specific deficiencies and a final inspection report issued by the Town of Aurora confirming completion of the applicable works. The Receiver further extended the closing date to February 27, 2026. A copy of the undertaking is attached hereto as **Appendix "L"**.

42. While the Units 12 and 13 Purchaser raised the concept of a holdback and revisions to the undertaking, no further particulars or proposed terms were provided prior to the closing date.

43. By letter dated February 27, 2026, Torkin again advised that the Receiver had delivered its closing documents, including by uploading them to LawyerDoneDeal.com, and was ready, willing and able to close the transaction. Torkin further advised that, as the required funds and closing documents had not been received, the Units 12 and 13 Purchaser was not ready, willing and able to complete the transaction and was in breach of the Units 12 and 13 APS. A copy of the February 27, 2026 letter is attached hereto as **Appendix "M"**.

44. The Units 12 and 13 Purchaser did not respond to the February 27, 2026 correspondence and has not taken any steps to complete the transaction.

45. Notwithstanding the position taken by the Units 12 and 13 Purchaser, as described above, it has and continues to make improvements to the units, including installing washrooms, painting the walls, completing the staircases for the mezzanine space and completing the mezzanines. Copies of pictures taken of these improvements are attached hereto as **Appendix "N"**.

46. The Receiver will be seeking orders that (i) the Unit 6 APS and the Units 12 and 13 APS have been terminated as a result of the purchasers' failure to close the transactions contemplated thereby; (ii) forfeiture of their deposits; and (iii) vacant possession of their Condo Units.

VII. REMAINING ASSETS

47. The remaining assets of the Company include several land parcels making up part (or parts) of the Real Property, which are described below:

X. NATIONAL BANK LETTERS OF CREDIT – TOWN OF AURORA

54. NBC has granted The Corporation of the Town of Aurora (the "**Town of Aurora**") three irrevocable standby letters of credit in the total aggregate amount of $639,975 (the "**NBC LCs**"), as security for the completion of municipal works required to be completed by the Company in respect of the Development Lands. The Receiver has paid the annual fees for the calendar year 2026, and the NBC LCs remain in place.

XI. SECURED CREDITORS

55. As reflected in parcel registers for the subdivided blocks comprising the Project, the following charges are registered on title to the Real Property, as of March 18, 2026, in order of priority based on priority/intercompany agreements:

(a) NBC – a charge/mortgage of land in the principal amount of $110,000,000, which was registered on title to the Real Property on September 9, 2022 (the "**NBC Charge**");

(b) Westmount – a charge/mortgage of land in the principal amount of $40,000,000, which was registered on title to the Real Property on September 14, 2022 (the "**Westmount Charge**");

(c) Windsor I – a charge/mortgage of land in the principal amount of $25,000,000, which was registered on title to the Real Property on August 17, 2017, as amended by a notice registered on title to the Real Property on August 9, 2018 (the "**Windsor I Charge**"); and

(d) Olympia Trust Company and Belmont Mortgage Administration Limited – a charge/mortgage of land in the principal amount of $16,000,000, which was registered on title to the Real Property on July 22, 2013.

Copies of the parcel registers for the Real Property are collectively attached hereto as **Appendix "O"**.

NBC and Windsor II

56. Pursuant to a credit agreement dated July 29, 2022, as amended from time to time (the "**NBC Credit Agreement**"), NBC made available to the Company a demand construction term loan in the maximum principal amount of $25,765,000 (the "**NBC Term Loan**") and a letter of credit facility initially in the amount of $1,000,000, later increased to $5,000,000 (the "**LCs**"). The NBC facilities are secured by, among other things, a first-ranking charge/mortgage on title to the Real Property, the NBC Charge, a site-specific general security agreement and an assignment of cash collateral.

57. Pursuant to a Payout and Assignment Agreement dated January 15, 2026 (the "**Payout and Assignment Agreement**"), Windsor II Limited Partnership ("**Windsor II**") paid out NBC's outstanding indebtedness relating to the NBC Term Loan, and NBC assigned to Windsor II all of NBC's right, title and interest in the credit agreement, security and indebtedness relating to the NBC Term Loan (the "**Assigned Interest**"). NBC retained its interest in the credit agreement and related security as it relates to the NBC LCs (the "**Retained Interest**") until the earlier of: (a) the cancellation and/or return of all outstanding NBC LCs; or (b) NBC's receipt of cash collateral equal to the face value of the outstanding NBC LCs. The Payout and Assignment Agreement further provides that, prior to the release of the Retained Interest, NBC's Retained Interest ranks in priority to Windsor II's Assigned Interest.

58. The Receiver has obtained an independent legal opinion from WeirFoulds with respect to the validity and enforceability of the security granted in favour of NBC, and assigned to Windsor II. WeirFoulds has reviewed the loan and security documents, as well as applicable real property searches and personal property security registry searches in Ontario, and, subject to customary qualifications, assumptions and limitations included therein, is of the opinion that the NBC security is valid and enforceable in accordance with its respective terms.

59. As of March 20, 2026, the amount owing to Windsor II, as assignee of the NBC Term Loan, is $28,381,445 (the "**Windsor II Debt**"), plus accruing interest and costs.

Windsor I

60. Prior to the NBC financing, Windsor I advanced loans to the Company pursuant to loan agreements dated August 11, 2017, as amended, and July 18, 2018 in the aggregate principal amount of $25,000,000 (collectively, the "**Windsor I Loans**"). Those loans are secured by a third-ranking charge/mortgage on title to the Real Property, the Windsor I Charge.

61. As of March 20, 2026, the amount owing to Windsor I under the Windsor I Loans is $47,412,725.

Westmount / Aviva Insurance Company of Canada ("**Aviva**")

62. Westmount holds a second-ranking charge/mortgage on title to the Real Property, the Westmount Charge, which secures the Company's obligations in connection with deposit insurance and lien bonds issued by Westmount/Aviva for the Project.

Construction Liens

63. As reflected in the updated parcel registers for the Real Property, construction liens have been registered against the Real Property, as follows:

(a) Elements Air Systems Inc. registered a construction lien in the amount of $826,518 on December 11, 2025 against the Condo Units, and perfected such lien by a registration of a certificate of action on December 29, 2025;

(b) McQueen Maintenance Inc. registered a construction lien in the amount of $98,762 on December 15, 2025 against the whole Project, and subsequently perfected such lien by registration of a certificate of action on January 27, 2026;

(c) Paul Marques Architect Inc. registered a construction lien in the amount of $141,978 on January 23, 2026 against the Condo Units.

PPSA Creditors

64. The Receiver obtained an enquiry result of the personal property security registration system (Ontario) against the Company (the "**PPSR Search**"). The PPSR Search discloses that NBC and Westmount are the only parties with registered financing statements against the Company.

Town of Aurora

65. The Receiver has obtained a tax certificate confirming that there are no outstanding tax arrears in respect of the Real Property, and that current year taxes are not past due. A copy of the tax certificate dated February 6, 2026 is attached hereto as **Appendix "P"**.

XII. COMMISSIONS – PRE-APPOINTMENT AGREEMENTS OF PURCHASE AND SALE

66. Prior to the appointment of the Receiver, the Company entered into: (a) a master listing agreement dated December 27, 2021 with Cushman & Wakefield ULC ("**C&W**"), pursuant to which C&W was appointed as the exclusive listing agent for the marketing and sale of the Condo Units, excluding Unit 15; and (b) a listing agreement dated July 8, 2025 with C&W in respect of Unit 15 (collectively, the "**Condo Unit Listing Agreements**").

67. Chaitons has reviewed the Listing Agreements and advised the Receiver that any commission claims asserted by C&W in connection with completed sales of Condo Units pursuant to the Listing Agreements constitute unsecured claims against the estate.

XIII. PROPOSED DISTRIBUTIONS

68. The Receiver proposes to distribute the Estate Funds as follows:

a. Payment of the charges due under the Appointment Order as follows:

i. the unpaid fees of the Receiver and its counsel, Chaitons and Torkin, as approved by this Court.

b. Payment of any amounts owing to the Town of Aurora in respect of unpaid property taxes;

c. Payment to NBC of the amount necessary to cash collateralize the LCs in an amount up to $4,734,961.72; and

d. Payment to Windsor II, as assignee of the NBC Term Loan and security, in an amount up to the Windsor II Debt amount, plus accruing interest and costs.

69. The Receiver intends to reserve sufficient funds in respect of: (i) the basic 10% holdback amount that the construction liens may have priority for over the registered mortgages; and, (ii) costs related to the administration of these receivership proceedings.

XIV. RECEIVER'S INTERIM STATEMENT OF RECEIPTS AND DISBURSEMENTS

70. Attached hereto at **Appendix "Q"** is the Receiver's interim statement of receipts and disbursements as at March 20, 2026 (defined above as the Interim SRD).

XV. RECEIVER'S AND ITS COUNSEL'S ACCOUNTS

71. Pursuant to paragraph 18 of the Appointment Order, the Receiver and its counsel are to be paid their reasonable fees and disbursements at their standard rates and charges, incurred both before and after the making of the Appointment Order. Pursuant to paragraph 19 of the Appointment Order, the Receiver and its counsel are required to pass their accounts.

72. As required in the Appointment Order, the Receiver is seeking the approval of its accounts and the accounts of its legal counsel for the receivership period to date.

73. The fees of the Receiver for the period to February 28, 2026 are detailed in the Affidavit of Tom McElroy sworn March 23, 2026 a copy of which is attached as **Appendix "R"**.

74. The Receiver's fees encompass 233 hours at an average hourly rate of approximately $551.57 for a total of $128,516.50 and applicable taxes. The Receiver is therefore requesting that this Court approve total fees and disbursements inclusive of applicable taxes in the amount of $145,382.48.

75. The fees and disbursements of Chaitons for the period to February 28, 2026 are detailed in the Affidavit of David Im sworn March 23, 2026, a copy of which is attached as **Appendix "S"**.

76. Chaitons' fees encompass 138.9 hours at an average hourly rate of approximately $625.06 for total fees of $86,821.00 and accounts totalling $100,806.50 inclusive of disbursements and applicable taxes. The Receiver is therefore requesting that this Court approve Chaitons' total fees and disbursements inclusive of applicable taxes in the amount of $100,806.50.

77. The fees and disbursements of Torkin for the period to February 28, 2026 are detailed in the Affidavit of Aaron English sworn March 23, 2026, a copy of which is attached as **Appendix "T"**.

78. Torkin's fees encompass 138.1 hours at an average hourly rate of approximately $518.23 for total fees of $71,567.00 and accounts totalling $81,046.40 inclusive of disbursements and applicable taxes. The Receiver is therefore requesting that this Court approve Torkin's total fees and disbursements inclusive of applicable taxes in the amount of $81,046.40.

79. The Receiver is of the view that the hourly rates charged by both Chaitons and Torkin are consistent with the rates charged by law firms practising in the area of insolvency in the Toronto market and that the fees charged are reasonable and appropriate in the circumstances.

XVI. CONCLUSION AND RECOMMENDATION

80. The Receiver respectfully requests an Order of this Honourable Court providing for the relief set out in paragraph 11(b) of this Second Report.

SUPPLEMENTAL REPORT TO THE SECOND REPORT OF ALBERT GELMAN INC. AS COURT-APPOINTED RECEIVER

(Dated March 30, 2026)

I. INTRODUCTION

1. This report (the "**Supplemental Report**") is supplemental to the Receiver's Second Report to the Court dated March 23, 2026 (the "**Second Report**") and should be read in conjunction with the Second Report as certain details contained therein are not included herein to avoid unnecessary duplication.

2. This Supplemental Report is filed in connection with the Receiver's motion to be heard on March 31, 2026.

3. Capitalized terms not otherwise defined herein have the meanings ascribed to them in the Second Report.

II. PURPOSE OF THE SUPPLEMENTAL REPORT

4. The purpose of this Supplemental Report is to provide the Court with additional information in support of the Receiver's recommendation that this Honourable Court authorize the Receiver to make the proposed Interim Distributions, as set out in the Second Report.

III. SCOPE AND TERMS OF REFERENCE

5. In preparing this Supplemental Report, the Receiver has been provided with, and has relied upon, certain unaudited, draft and/or internal financial information, the Company's books, records and financial information, discussions with the Company's management, information obtained from other sources, and information provided by National Bank of Canada ("**NBC**").

6. While the Receiver has reviewed the various documents provided, such review does not constitute an audit or verification of such information for accuracy, completeness or compliance with Canadian Accounting Standards ("**CAS**") pursuant to the Chartered Professional Accountants of Canada Handbook. Accordingly, the Receiver expresses no opinion or other form of assurance pursuant to CAS or otherwise with respect to such information except as expressly stated herein.

7. Unless otherwise noted, all monetary amounts referenced herein are expressed in Canadian dollars.

IV. CONSTRUCTION LIENS

8. As described in the Second Report, the following construction liens (collectively, the "**Construction Liens**") have been registered against all or part of the Real Property:

(a) Elements Air Systems Inc. ("**Elements**") registered a construction lien in the amount of $836,518.26 on December 11, 2025 against the Condo Units and perfected such lien on December 29, 2025;

(b) McQueen Maintenance Inc. ("**McQueen**") registered a construction lien in the amount of $98,762 on December 15, 2025 against the Real Property and perfected such lien on January 27, 2026; and

(c) Paul Marques Architect Inc. ("**Paul Marques**") registered a construction lien in the amount of $141,978.20 on January 23, 2026 against the Condo Units.

Copies of the registered Construction Liens are attached hereto as **Appendices "A", "B"** and **"C"**, respectively.

9. Based on the information set out in the registered Construction Liens, the Receiver understands that the contract prices under the contracts between the Company and each of the lien claimants are as follows:

(a) Elements – $1,589,064.00;

(b) McQueen - $332,077.50; and

(c) Paul Marques - $169,500.00.

10. By letter dated March 26, 2026, counsel to McQueen advised that McQueen opposes the proposed Interim Distributions on the basis that, among other things, (i) lien claimants have priority over building mortgages pursuant to section 78(2) of the *Construction Act* (Ontario), (ii) the current record does not permit a determination of priorities or the sufficiency of any holdback, and (iii) any interim distribution is premature pending a determination of lien claims and priorities. A copy of the letter is attached hereto as **Appendix "D"**.

NBC Credit Facilities

11. As set out in the Second Report, NBC advanced credit facilities to the Company pursuant to the NBC Credit Agreement, including a construction term loan facility (the "**NBC Term Loan**"), which was secured by, among other things, a first-ranking mortgage/charge on the Real Property (the "**NBC Charge**"). The NBC Term Loan was used to finance the construction and development of the Project. A copy of the NBC Credit Agreement is attached hereto as **Appendix "E"**.

12. Attached hereto as **Appendix "F"** are copies of the statements of accounts provided by NBC showing, among other things, the dates of advances made by the bank under the NBC Term Loan. Based on the Receiver's review of the statements, the final advance under the NBC Term Loan in the amount of $3.35 million was made on November 7, 2025.

13. The Construction Liens were registered subsequent to that date.

Construction Act

14. Section 78(2) of the *Construction Act* provides that where a mortgage is taken to finance an improvement, lien claimants have priority over that mortgage only to the extent of any deficiency in the statutory holdback required to be maintained.

15. Section 22(1) of the *Construction Act* provides that the statutory basic holdback is equal to 10% of the price of services or materials supplied to the improvement.

16. Given that it would appear that all advances under the NBC Term Loan were made prior to the registration of the Construction Liens and prior to the bank having notice of any of the Construction Liens, the Receiver is of the view that the priority of the Construction Liens as against the NBC Charge (and the security held by Windsor II as assignee of the NBC Term Loan) is limited to the statutory basic holdback amount.

Receiver's Position

17. Applying the statutory holdback rate of 10% to the price of services or materials supplied by the lien claimants under the contracts, the Receiver estimates that the maximum holdback exposure in respect of the Construction Liens is $209,064.10.

18. The Receiver has not yet vetted the Construction Liens to make a determination as to the validity or amount of the liens and therefore the holdback amounts.

19. In order to satisfy the priority claims of the construction lien claimants, the Receiver proposes to reserve $250,000 from the Estate Funds in respect of such claims.

20. The Receiver is satisfied that this reserve is sufficient to address the holdback amounts that the lien claimants have priority for.

No Prejudice to the Construction Lien Claimants

21. In addition to the $250,000 reserve, the Construction Liens remain registered against the remaining 10 unsold Condo Units, the Retail Plaza and, in the case of McQueen, also the Development Lands.

22. In these circumstances, the Receiver is of the view that permitting the proposed Interim Distributions do not result in any prejudice to the lien claimants who will remain fully secured for their holdback once the amount is determined.

V. CONCLUSION AND RECOMMENDATION

23. For the reasons set out herein and in the Second Report, the Receiver respectfully recommends that this Honourable Court grant the relief sought in the Receiver's Notice of Motion, including approval of the proposed Interim Distributions.

ENDORSEMENT OF JUSTICE STEELE:

[1] The Receiver seeks an order approving the marketing and sale process for the Retail Plaza, including the engagement of JLL as the listing agent, authorizing the Receiver to make the Interim Distributions, and approving the First Report, the First Supplement, and the Second Report, and the activities therein, and approving professional fees (supported by fee affidavits).

[2] Capitalized terms used in this endorsement that are not defined herein have the meaning set out in the Receiver's factum.

[3] The only other party that filed materials was McQueen Maintenance Inc., ("McQueen") a construction lien claimant with a claim registered against the Real Property in the amount of $98,762. Among other things, McQueen seeks information from the Receiver to determine the amount of the holdback that is required to be held by the Receiver pursuant to the *Construction Act*.

[4] The Receiver is directed to provide the lien claimants with documents and information that are reasonably requested, provided that such documents and information are in the possession or control of the Receiver. The lien claimants are directed to provide the Receiver with documents and information that are reasonably requested, provided that such documents and information are in the possession or control of the applicable lien claimant.

[5] McQueen also made submissions to oppose the Interim Distributions until such time as full disclosure has been provided. After hearing submissions from McQueen and the Receiver I was satisfied that the proposed Interim Distributions (set out at para. 18 of the Receiver's factum) could be made. However, I instructed that the proposed order be amended such that the amount authorized for distribution to Windsor II (as assignee of the NBC Term Loan and security) be reduced to coincide with funds currently available for distribution. I am satisfied that there is no prejudice to McQueen if the Interim Distributions are made. As noted by the Receiver, the Receiver intends to set aside $250,000. In addition, the construction liens continue to be registered against any unsold properties (4 unsold condo units, the Retail Plaza, and development lands). The Receiver has obtained an independent legal opinion from Weirfoulds confirming that the NBC security, as assigned to Windsor II, is valid and enforceable.

[6] In *Royal Bank of Canada v. Soundair Corp.*, 1991 CanLII 2727, at para. 16, the Court of Appeal set out the following factors for the court to consider when determining whether to approve the sale of property subject to a receivership:

(a) Whether the receiver has made a sufficient effort to get the best price and has not acted improvidently;

(b) The efficacy and integrity of the process by which offers are obtained;

(c) Whether there has been unfairness in the working out of the process; and

(d) The interests of all parties.

[7] In *CCM Master Qualified Fund Ltd. v. blutip Power Technologies Ltd.*, 2012 ONSC 1750, at para. 6, the Court held that the *Soundair* factors also inform the court's determination of whether to approve a proposed sale process. The court is to assess:

(a) The fairness, transparency and integrity of the proposed process;

(b) The commercial efficacy of the proposed process in light of the specific circumstances facing the receiver; and

(c) Whether the sales process will optimize the chances, in the particular circumstances, of securing the best possible price for the assets up for sale.

[8] I am satisfied that the Court should approve the Retail Plaza Sale Process. The recommended Retail Plaza Sale Process is summarized in the Second Report, at para. 50. The proposed listing agent, JLL, is an established real estate brokerage with extensive experience dealing with the sale of similar properties. The proposed process is fair, open and transparent. It is designed to canvass the market broadly with the goal of obtaining the highest and best price in a reasonable time period.

[9] The Court has the jurisdiction to review and approve the activities of a court-appointed receiver as set out in the receiver's reports: *Bank of America Canada v. Willann Investments Ltd.*, 1996 CanLII 2782 (ONCA).

[10] The Court in *Re Target Canada Co.*, 2015 ONSC 7574, at paras. 22-23, identified several good policy and practical reasons for monitors in CCAA proceedings to routinely seek court approval of their reports and activities. These policy and practical reasons also apply in receivership proceedings where the receiver seeks approval of its report and activities: *Re Hangfen Evergreen Inc.*, 2017 ONSC 7161, at para. 15.

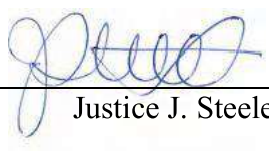

[11] I am satisfied that the activities of the Receiver set out in the First Report, the First Supplement, and the Second Report were reasonable, necessary and undertaken in good faith pursuant to the Receiver's duties and powers and should be approved. However, approval of the Reports is not deemed an approval of the amount of the holdback that is required to be held by the Receiver pursuant to the *Construction Act*.

[12] The Receiver seeks approval of its fees and disbursements and those of its counsel. Fee affidavits have been filed.

[13] When considering whether to approve professional accounts, the court will consider the overall value contributed, taking into consideration (a) the nature, extent and value of the assets, (b) the complications encountered, (c) the degree of assistance provided by the debtor, (d) the time spent, (e) the receiver's knowledge, experience and skill, (f) the diligence and thoroughness displayed, (g) the responsibilities assumed, (h) the results of the receiver's efforts, and (i) the cost of comparable services when performed in a prudent and economical manner: *Bank of Nova Scotia v. Diemer*, 2014 ONCA 851, at paras. 33 and 44-45.

[14] The Receiver is of the view that its fees and disbursements, and those of its counsel, are fair and reasonable and are consistent with the rates charged by law firms in the Toronto area practicing in insolvency. I am satisfied that the fees and disbursements are fair and reasonable and should be approved.

[15] Order to go in the form signed by me today, with immediate effect.

THE WINDSOR LOANS

13. Pursuant to a loan agreement dated August 11, 2017, as amended by a loan amending agreement dated July 31, 2018 (collectively, the "**2017 Windsor Loan Agreement**"), Windsor I made available to the Debtor a loan in the principal amount of $7,000,000 (the "**2017 Windsor Loan**").

14. As security for the 2017 Windsor Loan, the Debtor granted a charge/mortgage of land in the principal amount of $7,000,000 in favour of Windsor I, which was registered on title to the Real Property on August 17, 2017 as Instrument No. YR2719065 (the "**Windsor Charge**").

15. Pursuant to a loan agreement dated July 18, 2018 (the "**2018 Windsor Loan Agreement**", and together with the 2017 Windsor Loan Agreement, the "**Windsor Loan Agreements**"), Windsor I made available to the Debtor an additional loan in the principal amount of $18,000,000 (the "**2018 Windsor Loan**", and together with the 2017 Windsor Loan, the "**Windsor Loans**"). Copies of the Windsor Loan Agreements are collectively attached hereto as **Exhibit "F"**.

16. The Windsor Loans were advanced to: (i) partially repay indebtedness owing to existing mortgagees, which originally advanced funds for the acquisition of the Real Property; and (ii) provide capital to finance zoning, development and planning applications and related soft costs associated with the Project.

17. As security for the 2018 Windsor Loan, the Windsor Charge was amended to increase the principal amount secured thereby to $25,000,000 by a notice of agreement amending charge registered on title to the Real Property on August 9, 2018 as Instrument No. YR2859711 (the

"**Notice Amending Charge**"). Copies of the Windsor Charge and the Notice Amending Charge are collectively attached hereto as **Exhibit "G"**.

18. The 2017 Windsor Loan and the 2018 Windsor Loan matured on August 11, 2019 and July 31, 2019, respectively, and remain unpaid.

19. Other than a payment in the amount of approximately $7.76 million received on September 12, 2022 from an advance made by National Bank of Canada ("**NBC**") under the NBC Credit Facilities (as defined below), no further payments of principal or interest have been received in respect of the Windsor Loans.

20. Following maturity of the Windsor Loans, Windsor voluntarily forbeared from demanding payment and exercising its rights and remedies under the Windsor Charge on the expectation that the Windsor Loans would be partially repaid from the eventual sale of the Phase 1 retail plaza and the industrial condominium units, together with the fact that the Windsor Loans were also secured by the Future Phases of the Real Property.

21. Windsor's position materially changed in July 2025, when it learned for the first time of significant construction cost overruns, which fundamentally altered Windsor's expectation of the partial repayment of the Windsor Loans from the Phase 1 sale proceeds.

NBC CREDIT FACILITIES AND SECURITY

22. Pursuant to a Credit Agreement dated July 29, 2022, as amended, restated, supplemented or replaced from time to time including, without limitation by the Amending Agreement (as defined below) (collectively, the "**NBC Credit Agreement**"), NBC made available to the Debtor the following demand credit facilities (collectively, the "**NBC Credit Facilities**"):

(a) a non-revolving term construction loan facility in the aggregate principal amount of up to $25,765,000 (the "**NBC Term Facility**") to fund the construction and development of Phase 1; and

(b) a non-revolving letter of credit facility in an amount of up to $1,000,000, which was subsequently increased to $5,000,000, available by way of letters of credit to support Project-specific obligations, including obligations relating to building permits and municipal or utility requirements.

A copy of the initial Credit Agreement is attached hereto as **Exhibit "H"**.

23. Under the NBC Credit Agreement, NBC was also appointed as administrative agent (in such capacity, the "**Administrative Agent**"), with responsibility for administering the NBC Credit Facilities and enforcing the rights and remedies thereunder.

24. Pursuant to section 4.01 of the NBC Credit Agreement, the NBC Credit Facilities are payable upon demand by NBC, in its sole discretion.

25. Pursuant to Article 8 of the NBC Credit Agreement, the Debtor was required to provide regular financial and Project reporting to NBC, including monthly project status reports, disclosure of project costs and cost overruns, aged accounts payable, cash flow information, and prompt notice of any material adverse developments affecting the Project.

26. As security for the NBC Credit Facilities and other obligations under the NBC Credit Agreement, NBC was granted, among other things, the following (collectively, the "**Security**"):

(a) a demand first-ranking collateral mortgage in the principal amount of $110,000,000 granted by the Debtor and registered on title to the Real Property on September 9, 2022 as Instrument No. YR3475219 (the "**NBC Charge**"). A copy of the NBC Charge is attached hereto as **Exhibit "I"**;

(b) a general assignment of rents and leases, notice of which was registered on title to the Real Property on September 9, 2022 as Instrument No. YR3475220;

(c) a site-specific general security agreement (the "**NBC GSA**") granted by the Debtor, creating a security interest in all present and after-acquired personal property of the Debtor used in connection with, arising from, or relating to the Real Property. A copy of the NBC GSA is attached hereto as **Exhibit "J"**;

(d) an assignment of contracts (the "**Assignment of Contracts**") granted by the Debtor, pursuant to which the Debtor assigned to NBC all rights, benefits, and interests in and to construction contracts, consultant agreements, permits, drawings, plans, specifications, and other agreements relating to Phase 1. A copy of the Assignment of Contracts is attached hereto as **Exhibit "K"**;

(e) an assignment of agreements of purchase and sale (the "**APS Assignment Agreement**") granted by the Debtor, pursuant to which the Debtor assigned to NBC all rights, benefits, and proceeds arising from the agreements of purchase and sale for units within Phase 1, including purchaser deposit and prepaid levies. A copy of the APS Assignment Agreement is attached hereto as **Exhibit "L"**;

(f) an Assignment of Development Management Agreement (the "**Development Management Assignment**") granted by the Debtor, pursuant to which the Debtor assigned all of its right, title and interest in and to the Development Management Agreement dated July 31, 2022 with Haven Services, including all benefits and advantages thereunder and any performance bonds issued in connection therewith. A copy of the Development Management Assignment is attached hereto as **Exhibit "M"**;

(g) an Assignment of Cash Collateral (the "**Cash Collateral Assignment**") granted by the Debtor, pursuant to which the Debtor granted NBC a fixed charge and security interest in, and assignment of, all deposit accounts, term deposits and other cash collateral of the Debtor maintained with NBC. A copy of the Cash Collateral Assignment is attached hereto as **Exhibit "N"**;

(h) a Guarantee granted by Haven Property Development Inc. ("**Haven Guarantee**") limited to the sum of $17,176,000 together with interest thereon from the date of demand for payment, at the rate agreed upon between NBC and the Debtor. A copy the Haven Guarantee is attached hereto as **Exhibit "O"**; and

(i) a Guarantee granted by Windsor I (the "**Windsor I Guarantee**") limited to the sum of $8,588,334 together with interest thereon from the date of demand for payment, at the rate agreed upon between NBC and the Debtor. A copy of the Windsor I Guarantee is attached hereto as **Exhibit "P"**.

27. In connection with the NBC Credit Facilities, the Beneficial Owners executed a Beneficial Owners' Agreement dated July 29, 2022 (the "**Beneficial Owners' Agreement**"), pursuant to

which the Beneficial Owners irrevocably authorized and directed the Debtor, as nominee and trustee, to grant the Security in favour of NBC, and granted, mortgaged, charged and assigned to NBC their entire beneficial right, title and interest in and to the Real Property and all proceeds thereof, as security for the obligations owing under the NBC Credit Agreement. A copy of the Beneficial Owners' Agreement is attached hereto as **Exhibit "Q"**.

28. At the time the NBC Credit Facilities were underwritten in 2022, NBC required a guarantee in support of the construction financing. Haven Development did not have the financial capacity to provide the required guarantee to NBC.

29. In order to facilitate the Debtor's ability to obtain construction financing from NBC, Windsor I agreed to provide the Windsor I Guarantee. In consideration for providing the Windsor I Guarantee, Windsor I was granted a profit participation interest equal to 33% of the profits of the Project as set out in Section 4.1 in the co-development agreement among Windsor I, the Debtor and the Beneficial Owners, a copy of which is attached hereto as **Exhibit "R"**.

30. The NBC Charge incorporates Standard Charge Terms 201815 (the "**SCT**"). Pursuant to Section 9 of the SCT, upon the occurrence of an event of default, NBC is entitled, among other things, to apply to a Court to have a receiver or receiver and manager appointed with respect to the Real Property. A copy of the SCT is attached hereto as **Exhibit "S"**.

31. Pursuant to Section 5.3 of the NBC GSA, upon the occurrence of an event of default, NBC is entitled, among other things, to appoint a receiver or receiver and manager of the whole or any part of the Debtor's Property.

32. NBC registered a financing statement against the Debtor and the Beneficial Owners to perfect its security interests in the personal property related to the Project under the *Personal Property Security Act* (Ontario).

REPORTING FAILURES AND LIQUIDITY ISSUES

33. On December 12, 2024, Haven provided financial reporting to Windsor which indicated that, on completion of the sale of Phase 1, approximately $13.7 million of proceeds was expected following the repayment of the NBC Credit Facilities to partially pay down the Windsor Loans (the "**December 2024 Report**"). A copy of the December 2024 Report is attached hereto as **Exhibit "T"**.

34. Following such partial repayment, Windsor would remain as the senior secured creditor over the Future Phases with further construction financing provided by NBC or another construction lender.

35. After repeated requests, an updated version of the December 2024 Report was provided in or about July 2025 (the "**July 2025 Report**"). For the first time, Haven disclosed, among other previously undisclosed expenses, (a) construction cost overruns of approximately $3.1 million, and (b) subdivision letter of credit costs of approximately $3.4 million, both of which materially reduced projected Phase 1 proceeds available to pay down the Windsor Loans from $13.7 million to approximately $5 million. A copy of the July 2025 Report is attached hereto as **Exhibit "U"**.

36. The July 2025 Report materially changed Windsor's understanding of Phase 1's anticipated cash flow and repayment prospects.

37. Further updated projections were provided in August 2025 (the "**August 2025 Report**"), which reported accounts payable of approximately $8.5 million, substantial additional cash collateral requirements, and a reduction of projected Phase 1 sale proceeds available to pay down the Windsor Loans to approximately $2.4 million. A copy of the August 2025 Report is attached hereto as **Exhibit "V"**.

38. By September 2025, Haven provided a further updated analysis (the "**September 2025 Report**"), which reported cost overruns had increased again to in excess of $9.0 million. A copy of the September 2025 Report is attached hereto as **Exhibit "W".**

39. Through discussions with the trades, Windsor became aware that many trade payables had been outstanding for more than twelve months. These payables had not been disclosed to Windsor in prior reporting.

WINDSOR II'S PARTICIPATION IN THE NBC CREDIT FACILITIES

40. In or around February 2025, the Debtor entered into an agreement of purchase and sale for the retail plaza on Block 1 of the Project (the "**Retail APS**"). The Retail APS contemplated a sale subject to existing leases with three commercial tenants, including Starbucks, Dairy Queen and Carbone Pizza. A copy of the Retail APS is attached hereto as **Exhibit "X"**.

41. In 2022, the Debtor entered into agreements of purchase and sale for 20 of the 24 industrial condominium units located on Blocks 5 and 6 of the Project, with an additional agreement of purchase and sale for 1 industrial condominium unit entered into in November 2025 (collectively, the "**Condo APSs**"). At the time the Condo APSs entered into in 2022 were executed, the units were under construction.

42. Between December 2024 and September 2025, 13 construction liens totaling $6,289,529.81 were registered against the Real Property.

43. As the Debtor had run out of liquidity, additional funding was required to discharge the liens and pay outstanding accounts payable relating to Phase 1. However, NBC was not prepared to advance further funds beyond its existing commitments.

44. While Windsor was prepared to provide additional financing, funds advanced under its existing security would have been subordinate to other registered encumbrances on title to the Real Property (as further discussed below).

45. As a result, Windsor and NBC entered into discussions regarding Windsor's participation as a lender in the NBC Credit Facilities to permit Windsor to advance funds to complete the sale of the retail plaza and industrial condominium units.

46. Pursuant to an assignment and assumption agreement dated November 4, 2025 (the "**Assignment and Assumption Agreement**"), NBC assigned and transferred to Windsor II a portion of its interest in the NBC Term Facility in the principal amount of $3,000,000. A copy of the Assignment and Assumption Agreement is attached hereto as **Exhibit "Y"**.

47. The funds advanced by Windsor II were applied to discharge the construction liens and clear other accounts payable in connection with the Project. Clearing these liens was required to stabilize the Project and permit Phase 1 to proceed to complete the sale of the retail plaza and the industrial condominium units.

48. Under the Assignment and Assumption Agreement, Windsor II purchased and assumed NBC's rights and obligations in its capacity as a "Lender" under the NBC Credit Agreement and

the related loan and security documents to the extent of the assigned portion of the NBC Term Facility. NBC remained the Administrative Agent under the NBC Credit Agreement and retained the balance of its secured loan position.

49. Concurrently with the Assignment and Assumption Agreement, the NBC Credit Agreement was amended pursuant to an amending agreement dated November 4, 2025 (the "**Amending Agreement**") to reflect Windsor II's participation as a Lender and to amend certain commercial terms, including:

(a) increasing the maximum amount available under the NBC Term Facility to $28,765,000; and

(b) extending the Final Repayment Date to January 31, 2026.

A copy of the Amending Agreement, which appends the amended Credit Agreement as Schedule "A", is attached hereto as **Exhibit "Z"**.

50. Pursuant to the Amending Agreement, Windsor II agreed that its participation in the NBC Credit Facilities would rank last-out to NBC, such that Windsor II is not entitled to receive any repayment of its share of the Outstanding Obligations unless and until the Outstanding Obligations owing to NBC have been fully and indefeasibly repaid.

51. The Amending Agreement further provides that Windsor II may elect, upon the satisfaction of certain conditions, to purchase all Outstanding Obligations owing to NBC and the security therefor and assume the role of Administrative Agent.

52. Windsor is currently in the process of negotiating the purchase of NBC's debt and security position.

OTHER CREDITORS

53. As reflected in the parcel registers for the subdivided blocks comprising the Project, the following charges are registered on title to the Real Property, in order of priority based on priority agreements:

(a) NBC – a charge/mortgage of land in the principal amount of $110,000,000, which was registered on title to the Real Property on September 9, 2022 as Instrument No. YR3475219, as may be amended from time to time;

(b) Westmount Guarantee Services Inc. ("**Westmount**") – a charge/mortgage of land in the principal amount of $40,000,000, which was registered on title to the Real Property on September 14, 2022 as Instrument No. YR3476837, as may be amended from time to time;

(c) Windsor I – the Windsor Charge, as amended by the Notice Amending Charge; and

(d) Olympia Trust Company and Belmont Mortgage Administration Limited – a charge/mortgage of land in the principal amount of $16,000,000, which was registered on title to the Real Property on July 22, 2013 as Instrument No. YR2007795, as may be amended from time to time.

Copies of the parcel registers for the Real Property are collectively attached hereto as **Exhibit "AA"**.

54. I am also advised by Chaitons that it conducted a search under the Personal Property Security Registration System against the Debtor in the Province of Ontario (the "**PPSA Search**"), a copy of which is attached hereto as **Exhibit "BB"**.

55. The PPSA search confirms that NBC registered financing statements against the Debtor in respect of its security under the NBC Credit Agreement, including security over the Debtor's present and after-acquired personal property relating to the Project.

56. The PPSA search further confirms that Westmount registered a financing statement against the Debtor in connection with purchaser deposits paid pursuant to agreements of purchase and sale for units within the Project.

CURRENT STATUS OF PHASE 1

57. The retail plaza (Block 1) is currently contracted for sale with a target closing date of January 15, 2026. The 21 industrial condominium units (Blocks 5 and 6), currently subject to agreements of purchase and sale, have various target closing dates in January 2026.

58. Immediately after the existing construction liens were cleared through Windsor II's participation in the NBC Credit Facilities, the Debtor disclosed approximately $700,000 in additional trade payables.

59. This disclosure further increased the Debtor's outstanding obligations and confirmed that the financial reporting provided by the Debtor and Haven had been incomplete and unreliable.

60. As of January 2, 2026, the following additional liens are registered against title to the Real Property:

(a) a construction lien in favour of Elements Air Systems Inc. in the amount of $836,518 registered against the industrial condominium units (Blocks 5 and 6 of the Project) on December 11, 2025 as Instrument No. YR3875716; and

(b) a construction lien in favour of McQueen Maintenance Inc. in the amount of $98,762 registered against the entirety of the Project on December 15, 2025 as Instrument No. YR3876733.

61. The deterioration of the Project's financial position has been accompanied by material construction deficiencies in the industrial condominium units. Since interim occupancy commenced in June 2025, multiple purchasers have raised serious concerns regarding the condition, design, and conformity of their units.

62. As a result of these deficiencies, certain purchasers have advised Windsor that they will not close on their units unless and until the deficiencies are remediated, while others have indicated that they may refuse to close altogether.

63. In particular, the purchaser of Units 22, 23 and 24 did not take occupancy and raised concerns arising from the addition of an electrical room to Unit 22, which reduced the ground-floor square footage, as well as a garage-door design issue that impaired drive-in access to the units.

64. The purchasers further identified materials that were not in accordance with the schedules to their agreements of purchase and sale, including the replacement of a floor-to-ceiling 6-inch concrete block wall with a 10-inch fire-rated wall constructed using steel studs and drywall.

65. Windsor engaged in efforts to resolve the garage-door design issue in an attempt to preserve the sales. However, at a meeting in November 2025, the purchaser advised that, due to the substituted drywall construction and related deficiencies, they would not proceed with closing on any of Units 22, 23 or 24. This has resulted in a material reduction in projected sale proceeds of approximately $4.3 million.

66. Based on current reporting, NBC is not expected to be repaid in full from the sale proceeds of Phase 1 with a shortfall of approximately $5 million.

67. Due to a lack of available liquidity, the Debtor is unable to remediate the construction deficiencies and discharge the construction liens, impairing the Debtor's ability to close the purchase and sale agreements relating to the retail plaza and commercial condominium units.

DEMANDS AND BIA NITES

68. By letter dated December 29, 2025, NBC demanded repayment of all amounts owing to NBC under the NBC Credit Facilities from the Debtor (the "**NBC Demand Letter**") and delivered a Notice of Intention to Enforce Security pursuant to section 244 of the *Bankruptcy and Insolvency Act* (Canada) (the "**BIA**") to the Debtor (the "**NBC NITES**"). Attached hereto collectively as **Exhibit "CC"** are copies of the Demand Letter and NBC NITES.

69. As of December 23, 2025, the total indebtedness owing under the NBC Credit Facilities was approximately $29,544,029.72, excluding the amounts owing to Windsor II thereunder.

70. By letters dated January 6, 2026, NBC demanded repayment of all amounts owing to NBC under the NBC Credit Facilities from the Beneficial Owners (the "**Beneficial Owners Demand Letters**") and delivered Notices of Intention to Enforce Security pursuant to section 244 of the

BIA to the Beneficial Owners (the "**Beneficial Owners NITES**"). Attached hereto collectively as **Exhibit "DD"** are copies of the Beneficial Owners Demand Letters and Beneficial Owners NITES.

71. By letters dated January 6, 2026, Windsor demanded repayment of all amounts owing under the Windsor Loans and as a participant in the NBC Credit Facilities (collectively, the "**Windsor Demand Letters**") and delivered Notices of Intention to Enforce Security pursuant to section 244 of the BIA (collectively, the "**Windsor NITES**") to the Debtor and to the Beneficial Owners. Copies of the Windsor Demand Letters and Windsor NITES are collectively attached hereto as **Exhibit "EE"**.

IT IS JUST AND CONVENIENT TO APPOINT A RECEIVER

72. The Windsor Loans matured in 2019 and remain unpaid. As at the date hereof, Windsor is owed approximately $49.5 million for principal and interest plus costs.

73. The Debtor and Haven have repeatedly failed to provide accurate, complete, and timely financial information, leaving Windsor without reliable visibility into the Debtor's business and financial affairs.

74. The Debtor has no or insufficient liquidity to satisfy trade obligations, remediate construction deficiencies and discharge registered construction liens.

75. In these circumstances, Windsor has lost confidence in the Debtor's ability to complete the agreements of purchase and sale for the retail plaza and industrial condominium units and to complete the Future Phases of the Project to repay the Windsor loans.

Docusign Envelope ID: D5AD8663-CF2D-4747-92D7-69EF5C60B39C

76. In the circumstances, it is just and convenient that a receiver be appointed to take possession of, preserve, and realize upon the Property, including the Real Property, through a transparent, orderly and court-supervised process that permits the completion of the existing agreements of purchase and sale and to market and sell the balance of the Real Property, for the benefit of Windsor and all other stakeholders.

77. AGI has consented to being appointed as Receiver of the Debtor. A copy of AGI's consent is attached hereto as **Exhibit "FF"**.

(the "**Purchaser**") and appended to the Third Report of the Receiver dated September 8, 2026 (the "**Third Report**"), and vesting in the Purchaser the Debtor's right, title and interest in and to the assets described in the Sale Agreement (the "**Purchased Assets**"), was heard this day by Zoom videoconference.

ON READING the Third Report, and the appendices thereto, and on hearing the submissions of counsel for the Receiver and such other counsel as present at the hearing, no one appearing for any other person on the service list, although properly served as appears from the affidavit of ● sworn September ●, 2026, filed:

1. **THIS COURT ORDERS AND DECLARES** that the Transaction is hereby approved, and the execution of the Sale Agreement by the Receiver is hereby authorized and approved, with such minor amendments as the Receiver may deem necessary. The Receiver is hereby authorized and directed to take such additional steps and execute such additional documents as may be necessary or desirable for the completion of the Transaction and for the conveyance of the Purchased Assets to the Purchaser.

2. **THIS COURT ORDERS AND DECLARES** that upon the delivery of a Receiver's certificate to the Purchaser substantially in the form attached as Schedule "B" hereto (the "**Receiver's Certificate**"), all of the Debtor's right, title and interest in and to the Purchased Assets shall vest absolutely in the Purchaser, free and clear of and from any and all security interests (whether contractual, statutory, or otherwise), hypothecs, mortgages, trusts or deemed trusts (whether contractual, statutory, or otherwise), liens, executions, levies, charges, or other financial or monetary claims, whether or not they have attached or been perfected, registered or filed and whether secured, unsecured or otherwise (collectively, the "**Claims**") including, without limiting the generality of the foregoing: (i) any encumbrances or charges created by the Order of the Honourable Justice Steele dated January 23, 2026; (ii) all charges, security interests or claims evidenced by registrations pursuant to the *Personal Property Security Act* (Ontario) or any other personal property registry system; and (iii) those Claims listed on Schedule "C" hereto (all of which are collectively referred to as the "**Encumbrances**", which term shall not include the permitted encumbrances, easements and restrictive covenants listed on Schedule "D") and, for greater certainty, this Court orders that all of the Encumbrances affecting or relating to the Purchased Assets are hereby expunged and discharged as against the Purchased Assets.

3. **THIS COURT ORDERS** that upon the registration in the Land Registry Office for the Land Titles Division of York Region (No. 65) of an Application for Vesting Order in the form prescribed by the *Land Titles Act*, the Land Registrar is hereby directed to enter the Purchaser as the owner of the real property forming part of the Purchased Assets and identified in Schedule "A" hereto (the "**Retail Plaza**") in fee simple, and is hereby directed to delete and expunge from title to the Retail Plaza all of the Claims listed in Schedule "C" hereto in respect of the Retail Plaza.

4. **THIS COURT ORDERS** that for the purposes of determining the nature and priority of Claims, the net proceeds from the sale of the Purchased Assets shall stand in the place and stead of the Purchased Assets, and that from and after the delivery of the Receiver's Certificate all Claims and Encumbrances shall attach to the net proceeds from the sale of the Purchased Assets with the same priority as they had with respect to the Purchased Assets immediately prior to the sale, as if the Purchased Assets had not been sold and remained in the possession or control of the person having that possession or control immediately prior to the sale.

5. **THIS COURT ORDERS AND DIRECTS** the Receiver to file with the Court a copy of the Receiver's Certificate, forthwith after delivery thereof.

6. **THIS COURT ORDERS** that, notwithstanding:

   a. the pendency of these proceedings;

   b. any applications for a bankruptcy order now or hereafter issued pursuant to the *Bankruptcy and Insolvency Act* (Canada) in respect of the Debtor and any bankruptcy order issued pursuant to any such applications; and

   c. any assignment in bankruptcy made in respect of the Debtor;

the vesting of the Purchased Assets in the Purchaser pursuant to this Order shall be binding on any trustee in bankruptcy that may be appointed in respect of the Debtor and shall not be void or voidable by creditors of the Debtor, nor shall it constitute nor be deemed to be a fraudulent preference, assignment, fraudulent conveyance, transfer at undervalue, or other reviewable transaction under the *Bankruptcy and Insolvency Act* (Canada) or any other applicable federal or provincial legislation, nor shall it constitute oppressive or unfairly prejudicial conduct pursuant to any applicable federal or provincial legislation.

7. **THIS COURT HEREBY REQUESTS** the aid and recognition of any court, tribunal, regulatory or administrative body having jurisdiction in Canada or in the United States to give effect to this Order and to assist the Receiver and its agents in carrying out the terms of this Order. RETAIL PLAZA APPROVAL AND VESTING ORDER

THIS MOTION, made by ~~[RECEIVER'S NAME]~~Albert Gelman Inc., in its capacity as the Court-appointed receiver (the "**Receiver**") of the ~~undertaking,~~real property municipally

known as 175 Melvin Robson Avenue, Aurora, Ontario (the "**Real Property**"), and all assets of [DEBTOR], undertakings and properties of 2352107 Ontario Inc. (the "**Debtor**") situated on, arising from, used in connection with or otherwise relating to the Real Property, for an order approving the sale transaction (the "**Transaction**") contemplated by an asset purchase agreement of purchase and saledated July 2, 2026 (the "**Sale Agreement**"), between the Receiver and [NAME OF PURCHASER]Lucky Line Ltd. (the "**Purchaser**") dated [DATE] and appended to the Third Report of the Receiver dated [DATE]September 8, 2026 (the "**Third Report**"), and vesting in the Purchaser the Debtor's right, title and interest in and to the assets described in the Sale Agreement (the "**Purchased Assets**"), was heard this day at 330 University Avenue, Toronto, Ontarioby Zoom videoconference.

ON READING the Third Report, and the appendices thereto, and on hearing the submissions of counsel for the Receiver, [NAMES OF OTHER PARTIES APPEARING] and such other counsel as present at the hearing, no one appearing for any other person on the service list, although properly served as appears from the affidavit of [NAME]● sworn [DATE]September ●, 2026, filed[1]:

1. **THIS COURT ORDERS AND DECLARES** that the Transaction is hereby approved,[2] and the execution of the Sale Agreement by the Receiver[3] is hereby authorized and approved, with such minor amendments as the Receiver may deem necessary. The Receiver is hereby authorized and directed to take such additional steps and execute such additional documents as may be necessary or desirable for the completion of the Transaction and for the conveyance of the Purchased Assets to the Purchaser.

[1] This model order assumes that the time for service does not need to be abridged. The motion seeking a vesting order should be served on all persons having an economic interest in the Purchased Assets, unless circumstances warrant a different approach. Counsel should consider attaching the affidavit of service to this Order.

[2] In some cases, notably where this Order may be relied upon for proceedings in the United States, a finding that the Transaction is commercially reasonable and in the best interests of the Debtor and its stakeholders may be necessary. Evidence should be filed to support such a finding, which finding may then be included in the Court's endorsement.

[3] In some cases, the Debtor will be the vendor under the Sale Agreement, or otherwise actively involved in the Transaction. In those cases, care should be taken to ensure that this Order authorizes either or both of the Debtor and the Receiver to execute and deliver documents, and take other steps.

2. **THIS COURT ORDERS AND DECLARES** that upon the delivery of a Receiver's certificate to the Purchaser substantially in the form attached as Schedule A"B" hereto (the ""**Receiver's Certificate**"") , all of the Debtor's right, title and interest in and to the Purchased Assets described in the Sale Agreement [and listed on Schedule B hereto][4] shall vest absolutely in the Purchaser, free and clear of and from any and all security interests (whether contractual, statutory, or otherwise), hypothecs, mortgages, trusts or deemed trusts (whether contractual, statutory, or otherwise), liens, executions, levies, charges, or other financial or monetary claims, whether or not they have attached or been perfected, registered or filed and whether secured, unsecured or otherwise (collectively, the ""**Claims**""[5]) including, without limiting the generality of the foregoing: (i) any encumbrances or charges created by the Order of the Honourable Justice [NAME]Steele dated [DATE]January 23, 2026; (ii) all charges, security interests or claims evidenced by registrations pursuant to the *Personal Property Security Act* (Ontario) or any other personal property registry system; and (iii) those Claims listed on Schedule "C" hereto (all of which are collectively referred to as the ""**Encumbrances**"", which term shall not include the permitted encumbrances, easements and restrictive covenants listed on Schedule "D") and, for greater certainty, this Court orders that all of the Encumbrances affecting or relating to the Purchased Assets are hereby expunged and discharged as against the Purchased Assets.

[4] To allow this Order to be free-standing (and not require reference to the Court record and/or the Sale Agreement), it may be preferable that the Purchased Assets be specifically described in a Schedule.

[5] The "Claims" being vested out may, in some cases, include ownership claims, where ownership is disputed and the dispute is brought to the attention of the Court. Such ownership claims would, in that case, still continue as against the net proceeds from the sale of the claimed asset. Similarly, other rights, titles or interests could also be vested out, if the Court is advised what rights are being affected, and the appropriate persons are served. It is the Subcommittee's view that a non-specific vesting out of "rights, titles and interests" is vague and therefore undesirable.

3. **THIS COURT ORDERS** that upon the registration in the Land Registry Office for the ~~[Registry Division of {LOCATION} of a Transfer/Deed of Land in the form prescribed by the *Land Registration Reform Act* duly executed by the Receiver]~~[Land Titles Division of ~~{LOCATION}~~York Region (No. 65) of an Application for Vesting Order in the form prescribed by the *Land Titles Act* ~~and/or the *Land Registration Reform Act*~~][6], the Land Registrar is hereby directed to enter the Purchaser as the owner of the ~~subject~~ real property forming part of the Purchased Assets and identified in Schedule ~~B~~"A" hereto (the "~~Real Property~~**Retail Plaza**") in fee simple, and is hereby directed to delete and expunge from title to the ~~Real Property~~Retail Plaza all of the Claims listed in Schedule "C" hereto in respect of the Retail Plaza.

4. **THIS COURT ORDERS** that for the purposes of determining the nature and priority of Claims, the net proceeds[7] from the sale of the Purchased Assets shall stand in the place and stead of the Purchased Assets, and that from and after the delivery of the Receiver~~'~~'s Certificate all Claims and Encumbrances shall attach to the net proceeds from the sale of the Purchased Assets with the same priority as they had with respect to the Purchased Assets immediately prior to the sale[8], as if the Purchased Assets had not been sold and remained in the possession or control of the person having that possession or control immediately prior to the sale.

5. **THIS COURT ORDERS AND DIRECTS** the Receiver to file with the Court a copy of the Receiver's Certificate, forthwith after delivery thereof.

~~6. THIS COURT ORDERS that, pursuant to clause 7(3)(c) of the Canada *Personal Information Protection and Electronic Documents Act*, the Receiver is authorized and permitted to disclose and transfer to the Purchaser all human resources and payroll information in the Company's records pertaining to the Debtor's past and current employees, including personal~~

~~[6] Elect the language appropriate to the land registry system (Registry vs. Land Titles).~~

~~[7] The Report should identify the disposition costs and any other costs which should be paid from the gross sale proceeds, to arrive at "net proceeds".~~

~~[8] This provision crystallizes the date as of which the Claims will be determined. If a sale occurs early in the insolvency process, or potentially secured claimants may not have had the time or the ability to register or perfect proper claims prior to the sale, this provision may not be appropriate, and should be amended to remove this crystallization concept.~~

~~information of those employees listed on Schedule "●" to the Sale Agreement. The Purchaser shall maintain and protect the privacy of such information and shall be entitled to use the personal information provided to it in a manner which is in all material respects identical to the prior use of such information by the Debtor.~~

6. ~~7.~~ **THIS COURT ORDERS** that, notwithstanding:

a. ~~(a)~~ the pendency of these proceedings;

b. ~~(b)~~ any applications for a bankruptcy order now or hereafter issued pursuant to the *Bankruptcy and Insolvency Act* (Canada) in respect of the Debtor and any bankruptcy order issued pursuant to any such applications; and

c. ~~(c)~~ any assignment in bankruptcy made in respect of the Debtor;

the vesting of the Purchased Assets in the Purchaser pursuant to this Order shall be binding on any trustee in bankruptcy that may be appointed in respect of the Debtor and shall not be void or voidable by creditors of the Debtor, nor shall it constitute nor be deemed to be a fraudulent preference, assignment, fraudulent conveyance, transfer at undervalue, or other reviewable transaction under the *Bankruptcy and Insolvency Act* (Canada) or any other applicable federal or provincial legislation, nor shall it constitute oppressive or unfairly prejudicial conduct pursuant to any applicable federal or provincial legislation.

~~8. THIS COURT ORDERS AND DECLARES that the Transaction is exempt from the application of the *Bulk Sales Act* (Ontario).~~

7. ~~9.~~ **THIS COURT HEREBY REQUESTS** the aid and recognition of any court, tribunal, regulatory or administrative body having jurisdiction in Canada or in the United States to give effect to this Order and to assist the Receiver and its agents in carrying out the terms of this Order. All courts, tribunals, regulatory and administrative bodies are hereby respectfully requested to make such orders and to provide such assistance to the Receiver, as an officer of this Court, as may be necessary or desirable to give effect to this Order or to assist the Receiver and its agents in carrying out the terms of this Order.

1. **THIS COURT ORDERS AND DECLARES** that the Transaction is hereby approved, and the execution of the Sale Agreement by the Receiver is hereby authorized and approved, with such minor amendments as the Receiver may deem necessary. The Receiver is hereby authorized and directed to take such additional steps and execute such additional documents as may be necessary or desirable for the completion of the Transaction and for the conveyance of Unit 4 to the Purchaser.

2. **THIS COURT ORDERS AND DECLARES** that upon the delivery of a Receiver's certificate to the Purchaser substantially in the form attached as Schedule "B" hereto (the "**Receiver's Certificate**"), all of the Debtor's right, title and interest in and to Unit 4 shall vest absolutely in the Purchaser, free and clear of and from any and all security interests (whether contractual, statutory, or otherwise), hypothecs, mortgages, trusts or deemed trusts (whether contractual, statutory, or otherwise), liens, executions, levies, charges, or other financial or monetary claims, whether or not they have attached or been perfected, registered or filed and whether secured, unsecured or otherwise (collectively, the "**Claims**") including, without limiting the generality of the foregoing: (i) any encumbrances or charges created by the Order of the Honourable Justice Steele dated January 23, 2026; (ii) all charges, security interests or claims evidenced by registrations pursuant to the *Personal Property Security Act* (Ontario) or any other personal property registry system; and (iii) those Claims listed on Schedule "C" hereto (all of which are collectively referred to as the "**Encumbrances**", which term shall not include the permitted encumbrances, easements and restrictive covenants listed on Schedule "D") and, for greater certainty, this Court orders that all of the Encumbrances affecting or relating to Unit 4 are hereby expunged and discharged as against Unit 4.

3. **THIS COURT ORDERS** that upon the registration in the Land Registry Office for the Land Titles Division of York Region (No. 65) of an Application for Vesting Order in the form prescribed by the *Land Titles Act*, the Land Registrar is hereby directed to enter the Purchaser as the owner of Unit 4 in fee simple, and is hereby directed to delete and expunge from title to Unit 4 all of the Claims listed in Schedule "C" hereto in respect of Unit 4.

4. **THIS COURT ORDERS** that for the purposes of determining the nature and priority of Claims, the net proceeds from the sale of Unit 4 shall stand in the place and stead of Unit 4, and that from and after the delivery of the Receiver's Certificate all Claims and Encumbrances shall attach to the net proceeds from the sale of Unit 4 with the same priority as they had with respect to Unit 4 immediately prior to the sale, as if Unit 4 had not been sold and remained in the possession or control of the person having that possession or control immediately prior to the sale.

5. **THIS COURT ORDERS AND DIRECTS** the Receiver to file with the Court a copy of the Receiver's Certificate, forthwith after delivery thereof.

6. **THIS COURT ORDERS** that, notwithstanding:

   a. the pendency of these proceedings;

   b. any applications for a bankruptcy order now or hereafter issued pursuant to the *Bankruptcy and Insolvency Act* (Canada) in respect of the Debtor and any bankruptcy order issued pursuant to any such applications; and

   c. any assignment in bankruptcy made in respect of the Debtor;

the vesting of Unit 4 in the Purchaser pursuant to this Order shall be binding on any trustee in bankruptcy that may be appointed in respect of the Debtor and shall not be void or voidable by creditors of the Debtor, nor shall it constitute nor be deemed to be a fraudulent preference, assignment, fraudulent conveyance, transfer at undervalue, or other reviewable transaction under the *Bankruptcy and Insolvency Act* (Canada) or any other applicable federal or provincial legislation, nor shall it constitute oppressive or unfairly prejudicial conduct pursuant to any applicable federal or provincial legislation.

7. **THIS COURT HEREBY REQUESTS** the aid and recognition of any court, tribunal, regulatory or administrative body having jurisdiction in Canada or in the United States to give effect to this Order and to assist the Receiver and its agents in carrying out the terms of this Order. All courts, tribunals, regulatory and administrative bodies are hereby respectfully requested to make such orders and to provide such assistance to the Receiver, as an officer of this Court, as may be necessary or desirable to give effect to this Order or to assist the Receiver and its agents in carrying out the terms of this Order.

UNIT 4 APPROVAL AND VESTING ORDER

THIS MOTION, made by ~~[RECEIVER'S NAME]~~Albert Gelman Inc., in its capacity as the Court-appointed receiver (the "**Receiver**") of the ~~undertaking,~~real property municipally

known as 175 Melvin Robson Avenue, Aurora, Ontario (the "**Real Property**"), and all assets of [DEBTOR], undertakings and properties of 2352107 Ontario Inc. (the "**Debtor**") situated on, arising from, used in connection with or otherwise relating to the Real Property, for an order approving the sale transaction (the "**Transaction**") contemplated by an agreement of purchase and sale dated July 20, 2026, as amended (the "**Sale Agreement**"), between the Receiver and [NAME OF PURCHASER]2810517 Ontario Inc. (the "**Purchaser**") dated [DATE] and appended to the Third Report of the Receiver dated [DATE]September 8, 2026 (the "**Third Report**"), and vesting in the Purchaser the Debtor's right, title and interest in and to the assetslands and premises legally described in the Sale Agreement (the "Purchased Assets"Schedule "A" hereto ("**Unit 4**"), was heard this day at 330 University Avenue, Toronto, Ontarioby Zoom videoconference.

ON READING the Third Report, and the appendices thereto, and on hearing the submissions of counsel for the Receiver, [NAMES OF OTHER PARTIES APPEARING] and such other counsel as present at the hearing, no one appearing for any other person on the service list, although properly served as appears from the affidavit of [NAME]● sworn [DATE]September ●, 2026, filed[1]:

1. **THIS COURT ORDERS AND DECLARES** that the Transaction is hereby approved,[2] and the execution of the Sale Agreement by the Receiver[3] is hereby authorized and approved, with such minor amendments as the Receiver may deem necessary. The Receiver is hereby authorized and directed to take such additional steps and execute such additional documents as may be necessary or desirable for the completion of the Transaction and for the conveyance of the Purchased AssetsUnit 4 to the Purchaser.

[1] This model order assumes that the time for service does not need to be abridged. The motion seeking a vesting order should be served on all persons having an economic interest in the Purchased Assets, unless circumstances warrant a different approach. Counsel should consider attaching the affidavit of service to this Order.

[2] In some cases, notably where this Order may be relied upon for proceedings in the United States, a finding that the Transaction is commercially reasonable and in the best interests of the Debtor and its stakeholders may be necessary. Evidence should be filed to support such a finding, which finding may then be included in the Court's endorsement.

[3] In some cases, the Debtor will be the vendor under the Sale Agreement, or otherwise actively involved in the Transaction. In those cases, care should be taken to ensure that this Order authorizes either or both of the Debtor and the Receiver to execute and deliver documents, and take other steps.

2. **THIS COURT ORDERS AND DECLARES** that upon the delivery of a Receiver's certificate to the Purchaser substantially in the form attached as Schedule A"B" hereto (the ""**Receiver's Certificate**"") , all of the Debtor's right, title and interest in and to the Purchased Assets described in the Sale Agreement [and listed on Schedule B hereto]Unit 4 shall vest absolutely in the Purchaser, free and clear of and from any and all security interests (whether contractual, statutory, or otherwise), hypothecs, mortgages, trusts or deemed trusts (whether contractual, statutory, or otherwise), liens, executions, levies, charges, or other financial or monetary claims, whether or not they have attached or been perfected, registered or filed and whether secured, unsecured or otherwise (collectively, the "**Claims**"[5]) including, without limiting the generality of the foregoing: (i) any encumbrances or charges created by the Order of the Honourable Justice [NAME]Steele dated [DATE]January 23, 2026; (ii) all charges, security interests or claims evidenced by registrations pursuant to the *Personal Property Security Act* (Ontario) or any other personal property registry system; and (iii) those Claims listed on Schedule "C" hereto (all of which are collectively referred to as the "**Encumbrances**", which term shall not include the permitted encumbrances, easements and restrictive covenants listed on Schedule "D") and, for greater certainty, this Court orders that all of the Encumbrances affecting or relating to the Purchased AssetsUnit 4 are hereby expunged and discharged as against the Purchased AssetsUnit 4.

[4] To allow this Order to be free-standing (and not require reference to the Court record and/or the Sale Agreement), it may be preferable that the Purchased Assets be specifically described in a Schedule.

[5] The "Claims" being vested out may, in some cases, include ownership claims, where ownership is disputed and the dispute is brought to the attention of the Court. Such ownership claims would, in that case, still continue as against the net proceeds from the sale of the claimed asset. Similarly, other rights, titles or interests could also be vested out, if the Court is advised what rights are being affected, and the appropriate persons are served. It is the Subcommittee's view that a non-specific vesting out of "rights, titles and interests" is vague and therefore undesirable.

3. **THIS COURT ORDERS** that upon the registration in the Land Registry Office for the [Registry Division of {LOCATION} of a Transfer/Deed of Land in the form prescribed by the *Land Registration Reform Act* duly executed by the Receiver][Land Titles Division of {LOCATION}York Region (No. 65) of an Application for Vesting Order in the form prescribed by the *Land Titles Act* and/or the *Land Registration Reform Act*][6], the Land Registrar is hereby directed to enter the Purchaser as the owner of the subject real property identified in Schedule B hereto (the "Real Property")Unit 4 in fee simple, and is hereby directed to delete and expunge from title to the Real PropertyUnit 4 all of the Claims listed in Schedule "C" hereto in respect of Unit 4.

4. **THIS COURT ORDERS** that for the purposes of determining the nature and priority of Claims, the net proceeds[7] from the sale of the Purchased AssetsUnit 4 shall stand in the place and stead of the Purchased AssetsUnit 4, and that from and after the delivery of the Receiver's Certificate all Claims and Encumbrances shall attach to the net proceeds from the sale of the Purchased AssetsUnit 4 with the same priority as they had with respect to the Purchased AssetsUnit 4 immediately prior to the sale[8], as if the Purchased AssetsUnit 4 had not been sold and remained in the possession or control of the person having that possession or control immediately prior to the sale.

5. **THIS COURT ORDERS AND DIRECTS** the Receiver to file with the Court a copy of the Receiver's Certificate, forthwith after delivery thereof.

6. THIS COURT ORDERS that, pursuant to clause 7(3)(c) of the Canada *Personal Information Protection and Electronic Documents Act*, the Receiver is authorized and permitted to disclose and transfer to the Purchaser all human resources and payroll information in the

[6] Elect the language appropriate to the land registry system (Registry vs. Land Titles).

[7] The Report should identify the disposition costs and any other costs which should be paid from the gross sale proceeds, to arrive at "net proceeds".

[8] This provision crystallizes the date as of which the Claims will be determined. If a sale occurs early in the insolvency process, or potentially secured claimants may not have had the time or the ability to register or perfect proper claims prior to the sale, this provision may not be appropriate, and should be amended to remove this crystallization concept.

~~Company's records pertaining to the Debtor's past and current employees, including personal information of those employees listed on Schedule "●" to the Sale Agreement. The Purchaser shall maintain and protect the privacy of such information and shall be entitled to use the personal information provided to it in a manner which is in all material respects identical to the prior use of such information by the Debtor.~~

6. ~~7.~~ **THIS COURT ORDERS** that, notwithstanding:

a. ~~(a)~~ the pendency of these proceedings;

b. ~~(b)~~ any applications for a bankruptcy order now or hereafter issued pursuant to the *Bankruptcy and Insolvency Act* (Canada) in respect of the Debtor and any bankruptcy order issued pursuant to any such applications; and

c. ~~(c)~~ any assignment in bankruptcy made in respect of the Debtor;

the vesting of ~~the Purchased Assets~~Unit 4 in the Purchaser pursuant to this Order shall be binding on any trustee in bankruptcy that may be appointed in respect of the Debtor and shall not be void or voidable by creditors of the Debtor, nor shall it constitute nor be deemed to be a fraudulent preference, assignment, fraudulent conveyance, transfer at undervalue, or other reviewable transaction under the *Bankruptcy and Insolvency Act* (Canada) or any other applicable federal or provincial legislation, nor shall it constitute oppressive or unfairly prejudicial conduct pursuant to any applicable federal or provincial legislation.

~~8. THIS COURT ORDERS AND DECLARES that the Transaction is exempt from the application of the *Bulk Sales Act* (Ontario).~~

7. ~~9.~~ **THIS COURT HEREBY REQUESTS** the aid and recognition of any court, tribunal, regulatory or administrative body having jurisdiction in Canada or in the United States to give effect to this Order and to assist the Receiver and its agents in carrying out the terms of this Order. All courts, tribunals, regulatory and administrative bodies are hereby respectfully requested to make such orders and to provide such assistance to the Receiver, as an officer of this Court, as may be necessary or desirable to give effect to this Order or to assist the Receiver and its agents in carrying out the terms of this Order.
