THE MOTION IS FOR:

1. The approval of the sale of the Real Property (as defined below), which is the subject of these receivership proceedings. The Receiver therefore brings this motion for:
 - (a) an Approval and Vesting Order (the “**Approval and Vesting Order**” or “**AVO**”) substantially in the form attached at Tab “3” of this Motion Record, among other things:
 - (i) approving the agreement of purchase and sale of the Real Property (defined below) between the Receiver, as vendor, and Black Diamond Trailer Sales Inc. (formerly Thiessen Trailer Sales Inc.), as purchaser (the “**Purchaser**”) dated August 14, 2026, as amended (the “**New APS**”), and the transaction contemplated thereby (the “**Transaction**”), and authorizing and directing the Receiver to take all steps reasonably necessary to complete the Transaction; and
 - (ii) vesting in the Purchaser the Company’s right, title and interest in and to the Real Property, upon delivery by the Receiver of a Receiver’s certificate to the Purchaser confirming that all conditions to closing in the APS have either been satisfied or waived by the Receiver (the “**Receiver’s Certificate**”), free and clear of all liens, charges, mortgages, security interests, executions and other encumbrances (“**Encumbrances**”), other than the Permitted Encumbrances described in the New APS;
 - (b) an order (the “**Ancillary Order**”) substantially in the form attached at Tab “5” of this motion record, among other things:

- (i) abridging the time for service of the Notice of Motion and the Motion Record herein, and dispensing with service on any other person other than those served, if necessary;

 - (iii) approving the professional fees and disbursements of the Receiver and its counsel, as set out in the fee affidavit of Tom McElroy sworn September 8, 2026 (the “**McElroy Affidavit**”) and the fee affidavit of Maureen McLaren sworn September 9, 2026 (the “**McLaren Affidavit**”);
 - (iv) sealing Confidential Appendix “1” to the First Report (the unredacted independent appraisal of TL Smith Appraisals dated August 6, 2026) (the “**Confidential Appendix**”) until the earlier of the closing of the Transaction or further order of the Court;
 - (v) authorizing the Receiver to make the Interim Distributions (as defined below) as described in the First Report;
 - (vi) increasing the individual and aggregate sale limits set out in paragraph 3(k)(i) of the Appointment Order (as defined below) from \$50,000 to \$100,000 and from \$250,000.00 to \$500,000.00, respectively; and
- (c) such further and other relief as to this Honourable Court may deem just.

THE GROUNDS FOR THE MOTION ARE:**A. BACKGROUND**

2. The Receiver, AGI, was appointed by Order of Justice Kalajdzic on July 24, 2026 (the “**Appointment Order**”) pursuant to section 243(1) of the *Bankruptcy and Insolvency Act*, R.S.C. 1985, c. B-3, as amended (the “**BIA**”), and section 101 of the *Courts of Justice Act*, R.S.O. 1990, c. C-43, as amended (the “**CJA**”).
3. The Appointment Order was granted on an application commenced by the Applicant, Caisse Desjardins Ontario Credit Union Inc. (“**Caisse**”).
4. The Company carried on an automotive-related retail and service business under the name “Auto Haven” at the Real Property. The Real Property is municipally known as 45025 Talbot Line, St. Thomas, Ontario, N5P 3S7, legally described as PIN 35266-0244 (LT); PT LT 18 CON 8 YARMOUTH AS IN E420415; CENTRAL ELGIN. The Real Property comprises an approximately 7,450 square foot commercial/industrial building situated on approximately 1.74 acres of land and is the Company’s principal asset. The Real Property has been vacant since prior to the date of the Appointment Order.

B. THE SALE PROCESS

5. Prior to the Appointment Order, the Company retained PC275 Realty Inc. (“PC275”), through its broker Andrew Joseph Crook, to conduct a sale process in respect of the Real Property (the “**Sales Process**”). The Real Property was listed on the Multiple Listing Service (“**MLS**”) on April 20, 2026, at a list price of \$2,400,000.

6. Over the course of the Sales Process, the list price was reduced on multiple occasions: to \$1,999,000 on April 28, 2026; to \$1,799,000 on May 11, 2026; and to \$1,699,000 on June 1, 2026. The Real Property was actively marketed for a period of 73 days (April 20 to July 2, 2026), generating 838 MLS views, 359 recorded actions, approximately 8 inquiries and 4 showings.
7. Despite the breadth of the marketing effort, only one offer was received. That offer was from the Purchaser, and it resulted in an agreement of purchase and sale dated June 29, 2026, accepted July 2, 2026, at a purchase price of \$1,525,000 (the “**Original APS**”).
8. Subsequent to its appointment as Receiver on July 24, 2026, the Receiver conducted an independent inquiry into the adequacy of the Sales Process. As discussed below, the Receiver determined that the Sales Process satisfied the *Soundair* test. Following the granting of the Appointment Order, the Original APS was terminated.
9. The Receiver thereafter negotiated directly with the Purchaser and entered into a new agreement of purchase and sale (the “**New APS**”), the terms of which are described below.

C. THE TRANSACTION

10. The New APS was executed by the Purchaser on August 12, 2026, and accepted by the Receiver on August 14, 2026. The material terms of the New APS include the following:

Seller: AGI, solely in its capacity as Court-appointed Receiver of the Company;

Purchaser: Black Diamond Trailer Sales Inc. (formerly Thiessen Trailer Sales Inc.);

Purchase Price: \$1,525,000 (identical to the Original APS);

Deposit: \$50,000, carried forward from the Original APS, held by PC275;

Conditions: Mutual conditions including no pending action, issuance of the AVO, and the AVO becoming a Final Order;

Basis of Sale: “as is, where is” without recourse; and

Completion: the first business day that is 10 days following the date the AVO is issued.

11. The Receiver obtained an independent appraisal of the Real Property from TL Smith Appraisals dated August 6, 2026, with an effective date of August 3, 2026. The appraised market value of the Real Property is below the Purchase Price of \$1,525,000, confirming that the Transaction represents fair market value or better.
12. Additionally, a competing backup offer of \$1,500,000 was received on August 13, 2026, after the New APS had already been executed by the Purchaser. This competing offer provides further real-time market corroboration that the Purchase Price is reasonable and reflective of current market conditions.
13. As a result, the Receiver believes that the New APS is the result of a robust Sale Process and represents the best available recovery on the Real Property in the circumstances. Caisse, the sole mortgagee of the Real Property, is supportive of the New APS notwithstanding that the Caisse is expected to suffer a shortfall on its loans.
14. The Receiver is satisfied that the *Soundair* factors are met: (a) sufficient effort was made to obtain the best price reasonably available in the circumstances, as evidenced by the extensive marketing period, independent appraisal, and competing backup offer; (b) the interests of all parties have been considered, including that Caisse is supportive of the Transaction and the Canada Revenue Agency will receive full recovery of the deemed trust amount; (c) the Sales Process and the Transaction have been conducted with integrity and

good faith, including public marketing, arms'-length negotiations, and a series of offers and counter-offers; and (d) there has been no unfairness in the process, which was openly marketed and accessible to all prospective purchasers through the MLS. Further details regarding the Transaction and the *Soundair* factors are set out in the First Report.

D. SEALING ORDER

15. A sealing order is sought in respect of the Confidential Appendix, which consists of the unredacted independent appraisal of TL Smith Appraisals dated August 6, 2026. Should the Transaction fail to close, the Receiver may be required to re-market the Real Property. In such a circumstance, it would be prejudicial to the Receiver and the estate if the appraised value of the Real Property were to be made public. The appraised value is below the Purchase Price.

E. APPROVAL OF RECEIVER'S ACTIVITIES

16. The Appointment Order directs and empowers the Receiver to report to the Court in respect of these proceedings at such times and intervals as the Receiver may deem appropriate.
17. The Receiver has filed with the Court its First Report and seeks approval of the same. The Receiver's actions and activities, as described in the First Report, are lawful and proper, and consistent with its powers, duties and obligations under the Appointment Order.
18. The Ancillary Order ensures that only the Receiver is able to rely upon the approval of the First Report and only with respect to its own personal liability.

F. APPROVAL OF RECEIVER'S AND ITS COUNSEL'S FEES

19. The Appointment Order directs and empowers AGI to pass its accounts from time to time. AGI has accrued fees and expenses in its capacity as Receiver, which fees and expenses require the approval of this Court pursuant to the Appointment Order.
20. As set out in the McElroy Affidavit, AGI's fees and disbursements for the period from July 8, 2026 to August 31, 2026 total \$48,608.07, inclusive of disbursements and exclusive of HST.
21. As set out in the McLaren Affidavit, Miller Thomson LLP's ("MT") fees and disbursements for the period from [date] to [date] total [\$AMOUNT], inclusive of disbursements and HST.
22. The fees and disbursements of the Receiver are secured by the Receiver's Charge created by the Appointment Order.

G. APPROVAL OF INTERIM DISTRIBUTIONS

23. MT has completed an independent review of the security granted by the Company to the Applicant. The security opinion indicated that, subject to the customary assumptions and qualifications for opinions of this nature, the security granted by the Company to the Applicant constitutes a valid and enforceable security over the Real Property ranking in first priority.
24. The Canada Revenue Agency ("CRA") has not filed a proof of claim with the Receiver, but the Receiver has received statements of account from the CRA dated as of August 21,

2026 in respect of (i) GST/HST arrears and (ii) unremitted payroll source deduction arrears. The notices indicate that the CRA was owed, as of that date, \$40,395.30 of GST/HST arrears, inclusive of penalties and interest, of which \$0 was a Crown deemed trust, and that \$76,792.38 was owed for income tax, CPP, and EI premiums, inclusive of penalties and interest, of which the Crown states \$33,623.79 is a Crown deemed trust (the “**Source Deduction Deemed Trust Amount**”).

25. MT has advised the Receiver that the Source Deduction Deemed Trust amount would take priority over amounts secured by Caisse’s charges over the Real Property.
26. The Receiver seeks approval to make interim distributions from the net proceeds of the Transaction (the “**Interim Distributions**”) as follows:
 - (i) payment of amounts owing under Court-ordered charges (Receiver’s Charge and Receiver’s Borrowings Charge), including accrued professional fees;
 - (ii) payment of real estate commissions;
 - (iii) payment of property tax arrears to the Municipality of Central Elgin;
 - (iv) payment of the Source Deduction Deemed Trust Amount to the Canada Revenue Agency; and
 - (v) payment to Caisse (up to the total indebtedness secured by Caisse’s mortgages).
27. The total indebtedness owing by the Company to Caisse as of September 4, 2026, is \$2,158,551.57 (exclusive of professional fees) (the “**Caisse Indebtedness**”). The Caisse

Indebtedness substantially exceeds the Purchase Price, and accordingly Caisse will not be repaid in full from the proceeds of the Transaction.

28. Conducting the Interim Distributions at the closing of the Transaction is in the best interest of all stakeholders as it will significantly reduce the Caisse Indebtedness and thus reduce accruing interest.

H. INCREASE TO AGGREGATE SALE LIMIT

29. The Appointment Order authorizes the Receiver to sell assets of the Company with a value not exceeding \$50,000 per individual asset and \$250,000 in the aggregate without further Court approval.
30. The Receiver requests that the individual and aggregate sale limits be increased from \$50,000 to \$100,000 and from \$250,000 to \$500,000, respectively, to facilitate the liquidation of seven motor vehicles currently in the Receiver's possession without requiring further Court approval for each sale. Six of the seven vehicles are not subject to any Personal Property Security Act ("PPSA") registrations. One vehicle, a 2024 Ford Bronco, is subject to a PPSA registration in favour of Ford Credit Canada Leasing, a division of Canadian Road Leasing Company.
31. Increased sale limits will facilitate the efficient sale and recovery of proceeds for the Company's creditors, including lienholders where applicable, without the need for further Court intervention. The Receiver will report on the outcome of these sales at a future hearing.

I. GENERAL

32. The other grounds set out in the First Report.
33. The *BIA*, including Section 243 thereof.
34. The *CJA*, including Section 101 thereof.
35. The *Rules of Civil Procedure*, R.R.O. 1990, Reg. 194, as amended, including, without limitation, rules 1.04, 1.05, 2.03, 3.02, 16, 37 and 38.
36. The inherent and equitable jurisdiction of this Honourable Court.
37. Such further and other grounds as counsel may advise and this Honourable Court may permit.

THE FOLLOWING DOCUMENTARY EVIDENCE will be used at the hearing of the Motion:

- (a) The First Report of the Receiver, dated September 9, 2026, and the appendices thereto;
- (b) Confidential Appendix “1” to the First Report;
- (c) The fee affidavit of Tom McElroy sworn September 8, 2026;
- (d) The fee affidavit of Maureen McLaren sworn September 9, 2026; and
- (e) Such further and other evidence as the lawyers may advise and this Honourable Court may permit.

I. INTRODUCTION

1. This first report (the “**First Report**”) is filed by Albert Gelman Inc. (“**AGI**”), in its capacity as the Court-appointed receiver and manager, without security (the “**Receiver**”), of all of the assets, undertakings and properties (collectively, the “**Property**”) of 2694272 Ontario Ltd. (“**269**” or the “**Company**”), including all of the Company’s right, title and interest in and to the real property municipally known as 45025 Talbot Line, St. Thomas, Ontario, N5P 3S7, and legally described as PT LT 18 CON 8 YARMOUTH AS IN E420415; CENTRAL ELGIN, being PIN 35266-0244 (LT) (the “**Real Property**”), pursuant to an Order of the Ontario Superior Court of Justice (the “**Court**”) made by Justice Kalajdzic on July 24, 2026 (the “**Appointment Order**”), on the application of Caisse Desjardins Ontario Credit Union Inc. (“**Caisse**”) pursuant to section 243(1) of the *Bankruptcy and Insolvency Act*, R.S.C. 1985, c. B-3, as amended (the “**BIA**”) and section 101 of the *Courts of Justice Act*, R.S.O. 1990, c. C.43, as amended (the “**CJA**”). A copy of the Appointment Order is attached hereto as **Appendix “A”**. A copy of the parcel register for the Real Property is attached as **Appendix “B”**.
2. To the Receiver’s knowledge, the Real Property is the Company’s principal asset. Prior to the granting of the Appointment Order, the Company had listed the Real Property for sale and, through its listing brokerage, PC275 Realty Inc. (“**PC275**”), conducted a marketing process (the “**Sales Process**”) that resulted in an accepted Agreement of Purchase and Sale dated June 29, 2026, as amended (the “**Original APS**”), between the Company, as seller, and a purchaser initially identified as Thiessen Trailer Sales Inc. and subsequently, following a corporate name change, as Black Diamond Trailer Sales Inc. (the “**Purchaser**”), at a purchase price of \$1,525,000.00 (the “**Purchase Price**”). The Original APS was included with the application record filed by Caisse. Copies of the Original APS and the amendments thereto are attached hereto as **Appendix “C”** for ease of reference.
3. Both the listing of the Real Property and the negotiation and execution of the Original APS pre-date the Appointment Order. Because the Original APS named the Company as the contracting seller, and for the reasons described later in this First Report, the Receiver determined, following consultation with its independent legal counsel, that the appropriate course was not to attempt to complete or assign the Original APS, but rather to negotiate and enter into a new agreement of purchase and sale directly with the Purchaser, executed by the Receiver in its capacity as Receiver, on substantially the same commercial terms as the Original APS (the “**New APS**”). The New APS was executed by the Purchaser on August 12, 2026 and accepted by the Receiver on August 14, 2026. A copy of the New APS is attached hereto as **Appendix “D”**.
4. Since its appointment, the Receiver has independently reviewed the Sales Process, obtained an independent appraisal of the Real Property, and received further evidence of market value, each of which the Receiver has taken into account in forming its recommendation, as further described later in this First Report, that this Honourable Court approve the New APS and authorize the Receiver to complete the transaction of purchase and sale contemplated thereby (the “**Transaction**”) without requiring the Receiver to conduct a further, formal sales process.

II. BACKGROUND

The Company and the Real Property

5. The Company is an Ontario corporation with a registered office in St. Thomas, Ontario. Nicholas Tyler John Chesterfield (“**Chesterfield**”) is the President and a director of the Company, and Mark A. Whiteford (“**Whiteford**”) is the Secretary, Treasurer and a director of the Company.

6. The Company carried on an automotive-related retail and service business from the Real Property, registered, among other things, under the business name "Auto Haven." The Real Property is a freestanding, approximately 7,450 square foot commercial/industrial building situated on approximately 1.74 acres, and was, as of the date of the Original APS, in use as a truck accessories sales and service shop. The Real Property has been vacant since prior to the date of the Appointment Order.
7. To the Receiver's knowledge, the Real Property is the Company's main material asset of value. The Company also owns approximately eight motor vehicles, two Kubota equipment and is owed receivables. These are discussed further below in the section entitled "Other Company Assets".

III. PURPOSE OF THIS FIRST REPORT

8. This First Report is filed:
 - (i) to report to the Court on the Receiver's activities in these proceedings since the date of the Receivership Order; and
 - (ii) in support of the Receiver's motion for Orders, among other things:
 - a. approving the Transaction and the New APS, and authorizing and directing the Receiver to take all steps reasonably necessary to complete the Transaction, including having executed the New APS in its capacity as Receiver and not in its personal capacity, and granting an Approval and Vesting Order, substantially in the form attached as Tab 3 to the Receiver motion record (the "AVO"), vesting in the Purchaser (or its permitted assign), upon completion of the Transaction, all of the Company's right, title and interest in and to the Real Property, free and clear of all liens, charges, mortgages, security interests, executions and other encumbrances other than the Permitted Encumbrances described in the New APS, with all such claims to attach to the net proceeds of sale of the Real Property with the same priority as they had against the Real Property immediately prior to closing;
 - b. sealing Confidential Appendix "1" to the First Report containing the Appraisal (defined below), until the earlier of the closing of the Transaction or further order of the Court;
 - c. increasing the limits set out in paragraph 3(k)(i) of the Appointment Order in order to liquidate the vehicles;
 - d. approving the Receiver's proposed Interim Distributions (defined below);
 - e. approving this First Report and the activities and actions of the Receiver described herein;
 - f. approving the fees and disbursements of the Receiver and its legal counsel, Miller Thomson LLP ("Miller Thomson") as outlined herein and detailed in the supporting fee affidavits appended hereto; and
 - g. such further and other relief as this Honourable Court may deem just.

IV. SCOPE AND TERMS OF REFERENCE

9. In preparing this First Report, the Receiver has relied upon, *inter alia*, the Appointment Order, the application record filed in support of Caisse's application to appoint the Receiver (the "Application Record"), unaudited information and books and records of the Company made available to the Receiver, information and documents provided to the Receiver by PC275, information provided by Richmond Advisory Services Inc. ("Richmond"), the

property manager retained by the Receiver, the independent appraisal prepared by TL Smith Appraisals described below, and information and documents provided by Caisse (together, the "Information").

10. While the Receiver has reviewed the documents and information provided to it, such review does not constitute an audit or other verification of such information for accuracy, completeness or compliance with Canadian Auditing Standards or other standards prescribed by the Chartered Professional Accountants of Canada Handbook. Accordingly, the Receiver expresses no opinion or other form of assurance in respect of such information, except as expressly stated in this First Report.
11. This First Report has been prepared for the purpose described above and to assist the Court in considering the relief sought by the Receiver. The reader is cautioned that this First Report may not be appropriate for any other purpose.
12. Unless otherwise noted, all monetary amounts referred to in this First Report are expressed in Canadian dollars.
13. Capitalized terms used but not otherwise defined in this First Report have the meanings given to them in the Appointment Order.
14. The Receiver has established a case website at <https://www.albertgelman.com/filedocuments/#2694272> (the "Case Website"), where copies of Court and other materials pertaining to these receivership proceedings are available in electronic form.

V. DIRECTORS' LACK OF CO-OPERATION

Chesterfield

15. Shortly after the Receiver's appointment, on July 27, 2026, the Receiver engaged in a telephone conversation with Chesterfield to arrange a site visit at the Real Property and establish contact coordinates for sending information requests. Chesterfield advised the Receiver to contact PC275 to arrange the visit and that he would be unable to be contacted by telephone or email going forward.
16. On July 31, 2026, the Receiver sent several requests for information (the "Requests for Information") relevant to its mandate to Chesterfield via registered mail to the mailing address provided by Chesterfield, the three addresses contained in the Service List under Chesterfield, and to Chesterfield's last known email. Chesterfield's legal counsel, Mr. Michael Brightling ("Brightling") was copied on the email correspondence. The correspondence specified a response deadline of August 7, 2026. The email address was found to be inoperative and all mail correspondence was undeliverable to the recipient.
17. On August 11, 2026, Brightling provided the Receiver with the Company's corporate minute book documentation available and advised that he has also experienced difficulties in contacting Chesterfield. The Receiver has not received a response from Chesterfield or Brightling on the balance of its Requests for Information as of the date of this First Report.

Whiteford

18. On July 27, 2026, the Receiver also engaged in a telephone conversation with Whiteford. Whiteford advised the Receiver to contact Chesterfield regarding all matters involving the Property and the Requests for Information due to his limited involvement with the Company. On July 28, 2026, the Receiver emailed its Requests for Information to Whiteford and Whiteford's legal counsel, Mr. Larry Crossan ("Crossan"), further specifying a response deadline of July 31, 2026. Excluding the receipt from Whiteford of limited information on the Company's

motor vehicles, the Receiver has not received a response from Whiteford or Crossan on the balance of its Requests for Information as of the date of this First Report.

19. Despite the Receiver's requests, as of the date of this First Report, the Receiver has obtained minimal books and records from either Chesterfield or Whiteford. The documents and information which the Receiver has requested are critical to assist the Receiver with the administration of these receivership proceedings and to properly complete its mandate.

VI. ACTIVITIES OF THE RECEIVER SINCE THE APPOINTMENT ORDER

20. Since the granting of the Appointment Order, the Receiver has, among other things, taken the legal, administrative and property-preservation steps described below.

Legal and Administrative Steps

21. The Receiver has:
 - (i) taken steps to give notice of its appointment to the Company, Chesterfield, Whiteford, Caisse, and PC275;
 - (ii) arranged for the registration of the Appointment Order against title to the Real Property;
 - (iii) reviewed the Application Record and the Appointment Order;
 - (iv) retained Miller Thomson as its independent legal counsel in these proceedings;
 - (v) arranged, effective July 31, 2026 (the date the Receiver took possession of the Real Property), for property and commercial general liability insurance coverage over the Real Property through Aon, with the Receiver named as an insured party;
 - (vi) obtained and reviewed the listing agreement, MLS listing history, the Original APS and the amendments thereto, and independently inquired into the Sales Process;
 - (vii) retained TL Smith Appraisals to prepare an independent appraisal of the Real Property;
 - (viii) negotiated and entered into the New APS with the Purchaser;
 - (ix) issued the Receiver's Notice and Statement of the Receiver filed pursuant to sections 245(1) and 246(1) of the BIA;
 - (x) prepared and delivered the Requests for Information to the Company's directors and their legal counsel;
 - (xi) established and maintained the Case Website; and
 - (xii) prepared this First Report.

Preservation and Management of the Real Property

22. Following its appointment, the Receiver retained Richmond, a property management firm, to attend at, secure and maintain the Real Property. Richmond's field inspector attended at the Real Property on July 27, 2026 to conduct an initial inspection, and the Receiver's own representatives also attended and inspected the Real Property that day. Since that date, Richmond has, among other things:

- (i) changed all exterior door locks;
- (ii) identified two vehicles left on the Real Property by the Company being, a 2016 Ford Focus Electric and a 2014 Jeep Grand Cherokee Overland. No keys could be located for either vehicle. The Receiver subsequently arranged for both vehicles to be removed from the Real Property and placed into storage;
- (iii) commenced ongoing 72-hour physical inspections of the Real Property;
- (iv) arranged for the transfer of the utility accounts for the Real Property into Richmond's name;
- (v) provided the Receiver with a quotation for lawn care and grounds maintenance, which the Receiver has approved, to preserve the condition and marketability of the Real Property pending closing of the Transaction.

VII. CREDITORS OF THE COMPANY

23. The Receiver has reviewed the Information and based upon its review the Receiver is aware of certain creditors of the Company. The Receiver's investigation into the Company's creditors and related liabilities is ongoing, and the amounts described below remain subject to confirmation and verification. There may also be creditors of the Company of which the Receiver is not currently aware.

The Caisse's Loans, Security and Defaults

24. Caisse advanced credit to the Company under two facilities: (i) a variable credit agreement dated April 12, 2024, in the principal amount of \$750,000.00; and (ii) a loan agreement dated September 26, 2024 in the principal amount of \$1,443,750.00 (collectively, the "Caisse Loans").
25. As of September 4, 2026, the aggregate indebtedness owing by the Company to Caisse was \$2,158,551.57, exclusive of professional fees, disbursements and applicable taxes, and continuing to accrue (the "Caisse Indebtedness"). Attached hereto as **Appendix "E"** are statements of the Caisse Loans as of September 4, 2026.
26. The Caisse Loans are secured against the Real Property by, among other things: (i) a collateral mortgage registered May 15, 2026; and (ii) a collateral mortgage registered October 1, 2024, together with a related assignment of rents registered the same day (collectively, the "Caisse Mortgages"). The Caisse Loans are also secured by a general security agreement and related a PPSA registration registered on or about April 12, 2024 (the "Caisse GSA").
27. Miller Thomson has provided the Receiver with a security opinion regarding the Caisse Mortgages and the Caisse GSA. Pursuant to the security opinion, Miller Thomson is of the opinion that, subject to certain standard assumptions and qualifications, the Caisse Mortgages and the Caisse GSA are valid and enforceable in accordance with their terms.

Municipality of Central Elgin

28. According to a tax certificate issued by the Municipality dated August 11, 2026, a copy of which is attached hereto as **Appendix "F"**, property taxes and related charges against the Real Property total \$36,068.28 past due exclusive of ongoing interest and penalties.

29. The Company previously had utility account arrears owing to the Municipality. The Property Manager has advised that there are currently no utility arrears with the Municipality as they were paid on August 17, 2026 to halt further accruing interest.
30. The Receiver understands that pursuant to section 349 of the *Municipal Act, 2001*, S.O. 2001, c. 25, the Municipality's claim for unpaid property taxes constitutes a special lien on the Real Property that ranks in priority to the Caisse's Mortgage security, and the Receiver accordingly intends to provide for payment of the Municipality's claim out of the proceeds of the Transaction on closing.

Canada Revenue Agency

31. The CRA has not filed a proof of claim with the Receiver, but the Receiver has received statements of account from the CRA dated as of August 21, 2026 in respect of (i) GST/HST arrears and (ii) unremitted payroll source deduction arrears. The notices indicate that the CRA was owed, as of that date, \$40,395.30 of GST/HST arrears, inclusive of penalties and interest, of which \$0 was a Crown deemed trust, and that \$76,792.38 was owed for income tax, CPP, and EI premiums, inclusive of penalties and interest, of which the Crown states \$33,623.79 is a Crown deemed trust (the "Source Deduction Deemed Trust Amount").
32. The Receiver has been advised by Miller Thomson that the Source Deduction Deemed Trust Amount would take priority over the Caisse Mortgages and must therefore be paid in full prior to any distribution to Caisse. As the Company is no longer operating the Source Deduction Deemed Trust Amount will not continue to accrue following August 21, 2026.

Other Secured Creditors

33. A search of the *Personal Property Security Act* (Ontario) registry conducted by the Receiver on July 23, 2026 against the Company disclosed registrations, in addition to the Caisse's registration described above, in favour of the following secured parties:

Secured Party	File No.	Reg No.	Date	Collateral Boxes	General Collateral Description

34. Further details in respect of each of these registrations is set out below.

- (i) Royal Bank of Canada ("RBC") – registered against a 2024 Jeep Wrangler, in a registered amount of \$74,821.42. The Receiver has not located this vehicle and its status remains under investigation. For context, this is not the same Jeep vehicle found on the Real Property, discussed below;
- (ii) Ford Credit Canada Leasing, a division of Canadian Road Leasing Company ("Ford Credit") – registered against a 2024 Ford Bronco. Ford Credit has since filed a Form 31 proof of claim asserting a secured claim of \$75,289.31 against this vehicle, a copy of which is attached hereto as Appendix "G". The Receiver has located this vehicle onsite at a Ford dealership in St. Thomas, Ontario and has instructed the dealer to make arrangements with Ford Credit to retrieve the vehicle;
- (iii) Vault Credit Corporation ("Vault") – two registrations, comprising broad security over the Company's present and future personal property, assets and undertakings, and separate security over receivables, future revenues, accounts and proceeds under a business advance agreement;

- (iv) Kubota Canada Ltd. – two registrations, against a 2021 Kubota SVL97-2 (registered amount \$44,059) and a 2017 Kubota KX033-4 (registered amount \$45,204). The Receiver has not located this equipment and their status remain under investigation;
 - (v) Merchant Opportunities Canada Limited Partnership – registered against all present and after-acquired personal property, expressly including future debit- and credit-card receivables.
35. Other than Caisse's mortgage security, the Receiver has not identified any registration against the Real Property itself and understands each of the registrations listed above to relate to specific motor vehicles, equipment, or the Company's personal property and receivables generally, rather than to the Real Property. The Receiver has not confirmed the amounts presently owing to any of these parties, other than Ford Credit, or whether the underlying obligations remain outstanding. The Receiver has sent notice of these Receivership proceedings to each of RBC, Ford Credit, Vault and Merchant (collectively, the "PPSA Creditors"). The PPSA creditors will be served with a copy of the Receiver's Motion Record.

Unsecured Creditors

36. The Receiver has not yet obtained a complete listing of the Company's unsecured creditors. The Ontario Ministry of Finance is listed as an unsecured creditor in the preliminary creditors' listing referred to above, in an amount that has not yet been determined. The CRA's statements of account dated August 21, 2026 indicate that the Company owed, as of that date, \$30,395.30 on an unsecured basis related to unsecured GST/HST arrears and \$43,168.59 on an unsecured basis for income tax, Canada Pension Plan and Employment Insurance arrears, as well as penalties and interest, over and above the deemed trust amount set out in paragraph 31 of this First Report. The Receiver understands that any deficiency owing to Ford Credit, the Municipality or the CRA following realization on their respective security (if any) may also give rise to an unsecured claim. The Receiver will report further on the Company's unsecured creditors once its review of the Company's books and records is further advanced.

VIII. THE PRE-APPOINTMENT MARKETING AND SALE OF THE REAL PROPERTY

37. This section describes the Sales Process conducted by the Company, through PC275, prior to the Receiver's appointment, and the Receiver's independent inquiry into that process following its appointment. The information in this Part is derived from: (i) the listing agreement and related schedules between the Company and PC275; (ii) the MLS listing history for the Real Property; (iii) a REALTOR.ca view history report and a showing history report obtained from PC275; and (iv) written correspondence between the Receiver and Andrew Joseph Crook ("Crook"), the Broker of Record at PC275.

Initial Listing and Price History

38. The Real Property was first listed for sale on April 20, 2026, at an initial asking price of \$2.4 million. That listing was terminated on May 11, 2026 and the Real Property was simultaneously re-listed, which remained in effect through to the date of the Appointment Order. Over the course of this continuous marketing period, the list price was reduced three times, as summarized below:

Date	List Price	Reason (per PC275)
April 20, 2026	\$2,400,000.00	Initial listing
April 28, 2026	\$1,999,000.00	Reduced in an attempt to recoup the price paid for the Real Property in 2024

May 11, 2026	\$1,799,000.00	Re-listed at PC275's recommended list price following minimal market activity
June 1, 2026	\$1,699,000.00	Reduced further in an attempt to generate an offer

39. The Real Property remained listed continuously, without interruption, from April 20, 2026 until the Original APS was accepted on July 2, 2026 a period of approximately 10.5 weeks (73 days).

Marketing Activities and Market Response

40. According to Crook, the Real Property was marketed through multiple channels over the course of the listing period, including:
- (i) MLS - REALTOR.ca recorded a cumulative total of 838 views and 359 recorded actions over the course of the listing;
 - (ii) Facebook Marketplace and boosted social media advertisements;
 - (iii) a multi-page marketing brochure;
 - (iv) a prominent "for sale" sign posted at the Real Property to capture drive-by traffic on Talbot Line (Highway 3); and
 - (v) direct outreach in April 2026 to local automotive/mechanic businesses in the area.
41. Over the course of the listing, PC275 received approximately eight (8) inquiries regarding the Real Property, the majority of which Crook described as preliminary and not serious. The Real Property was shown on four (4) occasions, of which two (2) were attended by the eventual Purchaser's co-operating brokerage on June 4 and June 29, 2026. A further showing on July 10, 2026, attended by the listing agent with a separate, unrelated prospective purchaser, did not result in an offer. Other than the Purchaser, no prospective buyer submitted an offer for the Real Property during the marketing period.

Negotiation of the Original APS

42. The Purchaser, then known as Thiessen Trailer Sales Inc., was introduced to the Real Property through their listing broker who attended showings on June 4 and June 29, 2026 on the Purchaser's behalf. Following those showings and a period of negotiation involving multiple counter-offers, the Company and the Purchaser executed the Original APS on June 29, 2026, which was accepted, following further negotiation, on July 2, 2026. The negotiated Purchase Price of \$1,525,000.00 reflects a series of counter-offers that moved from an initial offer of \$1.6 million, through a counter of \$1.5 million, before the parties ultimately settled at \$1,525,000. Crook has advised the Receiver that he does not believe there is any relationship between the Purchaser or its principal, Gerhard Thiessen, on the one hand, and the Company or its principals, on the other, and that the Transaction is an arm's length transaction.

The Receiver's Independent Inquiry into the Sales Process

43. Recognizing that the Sales Process was conducted, and the Original APS negotiated and executed, before the Receiver's appointment, the Receiver, by email dated August 1, 2026, wrote to Crook to request a detailed written account of the Sales Process, including the marketing activities undertaken, the market response received, all offers and negotiations, how the Purchaser was sourced, and Crook's professional opinion as to the adequacy of exposure achieved and the fairness of the Purchase Price.

44. Crook advised the Receiver that: (i) a comparative market analysis prepared in February 2026, when the Company's business was still operating and the Real Property was in good showing condition, supported a value of approximately \$1.8 million; (ii) during June and July 2026, as the Company's business failed, the Company began removing equipment and chattels from the Real Property, and the Real Property fell into a disused and disheveled condition; (iii) as a result, by the time the Purchaser viewed the Real Property in its current "as-is" condition on June 29, 2026, Crook's opinion of value had declined further, to approximately \$1.5 million; and (iv) in Crook's professional opinion, the Real Property received more than adequate market exposure and the Purchase Price of \$1,525,000.00 represents a fair value for the Real Property in its current "as-is" condition.

IX. THE ORIGINAL APS AND ITS TERMINATION

45. The material terms of the Original APS, as amended, were summarized as follows: Seller – 2694272 Ontario Ltd.; Purchaser – Thiessen Trailer Sales Inc., subsequently renamed Black Diamond Trailer Sales Inc.; Purchase Price – \$1,525,000.00 CDN; Deposit – \$50,000.00 CDN, delivered to and held in trust by PC275; and Completion Date – August 31, 2026, as originally negotiated. The Original APS was amended by an amendment dated July 17, 2026 extending the financing and due diligence conditions to July 28, 2026.
46. As a result of the Appointment Order, the Original APS named, as contracting seller, a Company subject to receivership and no longer capable of completing the transaction in its own right. Following consultation with Miller Thomson, the Receiver determined that the appropriate course was not to attempt to complete or assign the Original APS, but rather to negotiate a new agreement of purchase and sale to be executed by the Receiver directly, in its capacity as Receiver, for the following reasons:
- (i) a receivership sale requires terms and protections – including an express acknowledgement that the Receiver is contracting solely in its capacity as Receiver and without personal or corporate liability, an "as is, where is" and "without recourse" basis of sale with no representations or warranties from the Receiver, mutual conditions tied to the issuance and finality of an Approval and Vesting Order, and a closing mechanism based on delivery of a Receiver's Certificate – that were not, and could not practically be incorporated into, the Original APS as originally negotiated between the Company and the Purchaser;
 - (ii) attempting to assign or otherwise give effect to the Original APS, as opposed to negotiating a fresh agreement directly with the Purchaser, would have introduced unnecessary legal uncertainty and risk, including as to the continued validity and enforceability of an agreement signed by directors of a company in receivership; and
 - (iii) negotiating a new agreement directly with the Purchaser, on the same commercial terms already tested by the pre-appointment Sales Process, allowed the Receiver to preserve the benefit of that process and the negotiated Purchase Price, while ensuring the transaction documentation appropriately reflects, and protects, the Receiver's capacity and the Court-supervised nature of the sale.
47. On August 5, 2026, Ben Reddekopp ("Reddekopp"), the Purchaser's realtor, advised the Receiver that the Purchaser remained "very much in favour of making a deal on the subject property if and when the road is clear to do so," and requesting that, if a new transaction could not proceed, its \$50,000.00 deposit be returned. Crook advised the Receiver that, if the Receiver wished to proceed with the Purchaser on a new agreement, the deposit then held in trust could instead be applied to that new agreement. After consultation with Miller Thomson, the Receiver and the Purchaser conducted further negotiations regarding a potential new agreement of purchase and sale.

X. THE NEW APS

48. Following termination of the Original APS, the Receiver negotiated and entered into the New APS directly with the Purchaser. The New APS was executed by the Purchaser on August 12, 2026, and accepted by the Receiver on August 14, 2026. The material terms of the New APS are summarized below:

Term	Details
Seller	Albert Gelman Inc., solely in its capacity as Court-appointed Receiver of the Company, and not in its personal or corporate capacity
Purchaser	Black Diamond Trailer Sales Inc. (formerly Thiessen Trailer Sales Inc.; signing officer: Gerhard Thiessen)
Purchase Price	\$1,525,000 – identical to the Purchase Price under the Original APS
Deposit	\$50,000, held in trust by PC275, carried forward from the Original APS; non-refundable to the Purchaser except upon non-satisfaction of the Mutual Conditions or a Seller default
Mutual Conditions	(i) no action or proceeding pending or threatened to restrain the Transaction; (ii) issuance of the AVO by the Court; and (iii) the AVO being a Final Order
Property Condition	Sold on an “as is, where is” and “without recourse” basis, with no representations or warranties from the Receiver as to title, condition or fitness for purpose
Chattels Included	As seen by the Purchaser on July 16, 2026; no specific items included – whatever remains on the Real Property is sold as-is
Completion / Closing	The first Business Day that is 10 days following the date the AVO is issued (or such other date as the parties' solicitors may agree)

XI. FURTHER EVIDENCE OF VALUE OBTAINED SINCE THE APPOINTMENT ORDER

The Independent Appraisal

49. The Receiver retained TL Smith Appraisals to prepare a comprehensive appraisal of the Real Property, for the purpose of assisting the Receiver in confirming a fair sale price and for the Court to rely on in determining whether to approve the Transaction. The appraisal is dated August 6, 2026, with an effective date and inspection date of August 3, 2026 (the “Appraisal”).
50. The appraiser’s final opinion of the current market value of the Real Property, as of August 3, 2026, is below the \$1,525,000 Purchase Price under the New APS. This is an independent, third-party confirmation that the Purchase Price exceeds the Real Property’s current appraised market value and further supports the reasonableness of the Purchase Price. A redacted version of the Appraisal is attached hereto as Appendix “H”. The complete, unredacted Appraisal is attached as Confidential Appendix “1”.

The Competing Backup Offer

51. On August 13, 2026, after the New APS had already been executed by the Purchaser, PC275 received a revised offer from a prospective purchaser in the amount of \$1.5 million. That offer removed the legal and inspection conditions that had been included in an earlier, lower offer from the same prospective purchaser.

52. The Receiver considers the timing and terms of this backup offer to be significant: it arose independently, after the Purchase Price under the New APS had already been fixed and after the Purchaser had already executed the New APS, and it is slightly below the \$1,525,000 Purchase Price. In the Receiver's view, this offer provides real-time, market-based confirmation that no materially better price is presently available for the Real Property, corroborating both the pre-appointment Sales Process and the independent appraisal described above.

XII. THE COURT SHOULD APPROVE THE TRANSACTION WITHOUT A FURTHER SALES PROCESS

The Legal Test

53. The Receiver is of the opinion that the Court should approve the Transaction without the conduct of a further sales process.
54. The Receiver, in consultation with its legal counsel, is of the view that the *Soundair* factors have been satisfied by the pre-receivership sale process, as discussed below:
- (i) Has the Receiver made sufficient effort to obtain the best price and not act improvidently? The Receiver has made sufficient efforts. The Receiver has obtained an appraisal of the Real Property, which shows that the Purchase Price is in excess of the appraised value. The Receiver has also received and reviewed the competing backup bid. The fact that the competing backup bid is so close to the New APS shows that the market's view is that the Purchase Price is reasonable in the circumstances. Additionally, the efforts made by Crook, discussed above, show that the Real Property was widely marketed for several months. The Receiver is not aware of any reason why the Real Property would somehow receive a higher price if it were to remain on the market. Further delay would cause the Caisse's interest to further accrue and would also increase ongoing maintenance costs for the Real Property. These would erode recoveries.
 - (ii) Have the interests of all parties been considered? All stakeholders have been considered. Caisse is projected to suffer a shortfall in the Transaction but is nonetheless supportive and feels that this is the best option for it in the circumstances. Caisse is the fulcrum creditor as the CRA will receive a full recovery on its anticipated deemed trust amount. The Receiver notes that the Company's directors had previously executed the Original APS at the same Purchase Price, reflecting that they recognized that there would be no recovery to equity.
 - (iii) Has the process proceeded with integrity? The Sale Process was conducted with integrity. The Transaction has arisen from a public, widely marketed Sale Process conducted by a realtor with local experience, over a series of months. The Purchaser is a third-party from the Company. The Purchase Price is the result of a series of offers and counter-offers. The Receiver considered the propriety of the Purchase Price and obtained the Appraisal prior to signing the New APS confirming the Purchase Price.
 - (iv) Has there been any unfairness in the process? The Receiver is not aware of any unfairness in the working out of the Sales Process or in the negotiation of the New APS. The Real Property was marketed openly, the Real Property's MLS listing has remained accessible to other prospective purchasers (as evidenced by the backup offer received on August 13, 2026) and there is no evidence that any prospective purchaser was treated inequitably, excluded from the process, or denied an opportunity to participate.

Conclusion on the Soundair Factors

55. Having regard to the foregoing, the Receiver has concluded that the Sales Process, the negotiation of the New APS, and the further evidence of value obtained since the Appointment Order, together satisfy each of the four Soundair factors, and that the New APS represents a fair, arm's length transaction at a price supported by multiple independent sources of evidence. Requiring a new marketing process at this stage would not be expected to yield a materially better result, would delay recovery to Caisse and increase costs and carrying charges, and would risk losing the only firm offer the Real Property has attracted, in circumstances where the Real Property continues to require active management and carries a risk of further deterioration.
56. Accordingly, the Receiver respectfully recommends that this Court: (i) approve the New APS; (ii) authorize and direct the Receiver to complete the Transaction; and, (iii) grant the AVO, without requiring the Receiver to conduct any further sales process.

XIII. PROPOSED DISTRIBUTIONS

57. The Caisse Indebtedness substantially exceeds the Purchase Price, such that Caisse will not be repaid in full even after application of the entire net proceeds of the Transaction.
58. CRA has not filed a proof of claim, but it has delivered notices of HST and payroll deduction arrears, dated as of August 21, 2026, to the Receiver. As stated above, the Receiver has accepted that the Source Deduction Deemed Trust Amount takes priority over the Caisse Indebtedness.
59. Accordingly, the Receiver seeks the Court's authorization to make an interim distribution to CRA and to Caisse, from the net proceeds of the Transaction remaining after payment of the priority amounts set out below, in partial satisfaction of the Caisse Indebtedness, without further Order of this Court, on the basis that: (i) CRA and Caisse are the only creditors presently expected to share in such proceeds; and, (ii) a prompt distribution avoids the cost and delay of a further motion.
60. The Receiver proposes the following distribution of the sale proceeds generated from the Transaction after closing (the "Interim Distributions"):
 - (i) payment of amounts owing under the Court-ordered charges set out in the Appointment Order, including but not limited to the Receiver's Charge and the Receiver's Borrowings Charge (both terms as defined in the Appointment Order);
 - (ii) payment of commissions to Crook and the co-operating broker upon closing of the Transaction;
 - (iii) payment of the amount due on closing on account of property tax arrears owing to the Municipality of Central Elgin as at the closing date;
 - (iv) payment of the Source Deduction Deemed Trust Amount to the CRA; and
 - (v) payment to Caisse in an amount up to the total indebtedness owing under the Caisse Mortgage, subject to the Receiver having sufficient funds available to do so in full or in part.
61. Given that Caisse will suffer a shortfall in respect of the Caisse Mortgages, there will be no distribution to any other secured or unsecured creditors of the Company.

XIV. SEALING ORDER

62. In the event that the Court does not grant the AVO or the Transaction does not close, the Receiver is of the view that efforts to re-market the Real Property would be impaired if the contents of Confidential Appendix "1", the Appraisal of the Real Property, were to be made public at this time as it contains commercially sensitive information. The appraised value is below the purchase price in the Transaction. The Receiver is of the view that making Confidential Appendix "1" public at this time would prejudice any future sale process. Accordingly, the Receiver believes that it is appropriate for Confidential Appendix "1" to remain confidential until such time as the Transaction closes. Accordingly, the Receiver requests an order sealing Confidential Appendix "1".

XV. FUNDING OF THE RECEIVERSHIP

63. In accordance with paragraph 23 of the Appointment Order, the Receiver is at liberty and empowered to borrow by way of revolving credit facilities or otherwise such monies from time to time as it may consider necessary or desirable, provided that the outstanding principal does not exceed \$250,000.00. Any such borrowings are to be secured by way of the Receiver's Borrowings Charge which ranks ahead of all other interests in favour of any other Person other than the Receiver's Charge.
64. As of the date of this First Report, the Receiver has borrowed \$75,000 from Caisse under a Receiver's Certificate (as defined in the Appointment Order) to fund certain costs and expenses of the receivership administration. Attached hereto as Appendix "I" is a copy of the Receiver's Certificate issued to Caisse dated September 2, 2026.

XVI. RECEIVER'S AND ITS COUNSEL'S FEES

65. Pursuant to paragraph 20 of the Appointment Order, the Receiver and its counsel are to be paid their reasonable fees and disbursements at their standard rates and charges, incurred both before and after the making of the Receivership Order. Pursuant to paragraph 21 of the Appointment Order, the Receiver and its counsel are required to pass their accounts.
66. As required by the Appointment Order, the Receiver is seeking approval of its accounts and the accounts of Miller Thomson for the receivership period from inception to August 31, 2026.
67. The fees of the Receiver for the period from July 8, 2026 to August 31, 2026, are detailed in the affidavit of Tom McElroy, sworn September 8, 2026, a copy of which is attached hereto as Appendix "J".
68. The Receiver's fees encompass 96.9 hours at an average hourly rate of \$497.76 for a total of \$48,232.50, plus disbursements and applicable taxes. The Receiver is therefore requesting that this Court approve its total fees and disbursements, inclusive of applicable taxes, in the amount of \$54,910.58.
69. The fees and disbursements of Miller Thomson for the period to August 31, 2026 are detailed in the affidavit of Maureen McLaren, sworn September 9, 2026, a copy of which is attached hereto as Appendix "K".
70. Miller Thomson's fees encompass 15.4 hours at an average hourly rate of \$605.55, for total fees of \$9,325.50, and accounts totaling \$10,875.43, inclusive of disbursements and applicable taxes. The Receiver is therefore requesting that this Court approve Miller Thomson's total fees and disbursements, inclusive of applicable taxes, in the amount of \$10,875.43.

71. The Receiver is of the view that the hourly rates charged by the Receiver and Miller Thomson are consistent with the rates charged by insolvency professionals and law firms practicing in the area of insolvency in the Greater Toronto Area, and that the fees and disbursements incurred are reasonable and appropriate in the circumstances of this receivership.

XVII. OTHER COMPANY ASSETS

72. In addition to the Real Property, the Company also owns eight motor vehicles, two Kubota equipment and is owed some amount of receivables.
73. To date, the Receiver has recovered seven of the motor vehicles. One motor vehicle and the two Kubota equipment remain missing. The Receiver has made inquiries with Whiteford and Chesterfield regarding these three missing vehicles and equipment, which have so far gone unanswered.
74. The Receiver has delivered the seven motor vehicles in its possession to a liquidator for sale. One of those seven vehicles is subject to a lien in favour of Ford Credit. The balance are not subject to any PPSA liens. As discussed below, the Receiver is seeking to increase the monetary limit on its authority to sell assets without Court approval to facilitate these liquidations.
75. The Receiver is continuing to search for the missing vehicles and equipment. The Receiver will report on the liquidation of the seven located motor vehicles and any updates with respect to the missing vehicles and equipment in a future report.
76. The Receiver understands, from Caisse, that the Company may also be owed some receivables. The Receiver is attempting to recover these receivables and will report on those efforts in a future report to this Court.

XVIII. INCREASE TO INDIVIDUAL AND AGGREGATE SALE LIMITS

77. The Appointment Order, at subparagraph 3(k), authorizes the Receiver to sell, convey, transfer, lease, or assign the Property or parts thereof without the approval of the Court provided that the consideration for any individual transaction not exceed \$50,000 and that the aggregate consideration for all such transactions not exceed \$250,000.
78. The Receiver requests that this Court increase the individual limit to \$100,000 and the aggregate limit to \$500,000.
79. The reason for the request is that the Receiver, through a liquidator, has taken possession of seven motor vehicles owned by the Company. The Receiver is in the process of selling these vehicles and wishes to avoid the need to seek the Court's approval. The sale of these vehicles is straightforward and should not require judicial resources.
80. Six of the seven vehicles are not subject to any PPSA registrations made against the Company. One of the vehicles, a 2024 Ford Bronco, is subject to the PPSA registration in favour of Ford Credit mentioned above. The sale proceeds from the vehicles with no PPSA registrations will be used for general recoveries.

XIX. CONCLUSION AND RECOMMENDATION

81. For the reasons set out in this First Report, the Receiver respectfully requests that this Honourable Court grant the relief set out in paragraph 8(ii) of this First Report.

All of which is respectfully submitted this 9th day of September, 2026.

13. **THIS COURT ORDERS** that all Persons having oral or written agreements with the Debtor or statutory or regulatory mandates for the supply of goods and/or services, including without limitation, all computer software, communication and other data services, centralized banking services, payroll services, insurance, transportation services, utility or other services to the Debtor are restrained until further Order of this Court from discontinuing, altering, interfering with or terminating the supply of such goods or services as may be required by the Receiver, and that the Receiver shall be entitled to the continued use of the Debtor's current telephone numbers, facsimile numbers, internet addresses and domain names, provided in each case that the normal prices or charges

-11-

RECEIVER TO HOLD FUNDS

14. **THIS COURT ORDERS** that all funds, monies, cheques, instruments, and other forms of payments received or collected by the Receiver from and after the making of this Order from any source whatsoever, including without limitation the sale of all or any of the Property and the collection of any accounts receivable in whole or in part, whether in existence on the date of this Order or hereafter coming into existence, shall be deposited into one or more new accounts to be opened by the Receiver (the “**Post Receivership Accounts**”) and the monies standing to the credit of such Post Receivership Accounts from time to time, net of any disbursements provided for herein, shall be held by the Receiver to be paid in accordance with the terms of this Order or any further Order of this Court.

EMPLOYEES

15. **THIS COURT ORDERS** that all employees of the Debtor shall remain the employees of the Debtor until such time as the Receiver, on the Debtor’s behalf, may terminate the employment of such employees. The Receiver shall not be liable for any employee-related liabilities, including any successor employer liabilities as provided for in section 14.06(1.2) of the BIA, other than such amounts as the Receiver may specifically agree in writing to pay, or in respect of its obligations under sections 81.4(5) or 81.6(3) of the BIA or under the *Wage Earner Protection Program Act*.

PIPEDA AND CASL

16. **THIS COURT ORDERS** that, pursuant to clause 7(3)(c) of the Canada *Personal Information Protection and Electronic Documents Act*, the Receiver shall disclose personal information of identifiable individuals to prospective purchasers or bidders for the Property and to their advisors, but only to the extent desirable or required to negotiate and attempt to complete one or more sales of the Property (each, a “**Sale**”). Each prospective Purchaser or bidder to whom such personal information is disclosed shall maintain and protect the privacy of such information and limit the use of such information to its evaluation of the Sale, and if it does not complete a Sale, shall return all such information to the Receiver, or in the alternative destroy all such information. The Purchaser of any Property shall be entitled to continue to use the personal information provided to it, and related to the Property purchased, in a manner which is in all material respects identical to the prior use of such information by the Debtor, and shall return all other personal information to the Receiver, or ensure that all other personal information is destroyed.

17. **THIS COURT ORDERS** that any and all interested stakeholders in this proceeding and their counsel are at liberty to serve or distribute this Order, any other materials and orders as may be reasonably required in this proceeding, including any notices, or other correspondence, by forwarding true copies thereof by electronic message to such other interested stakeholders in this proceeding and their counsel and advisors. For greater certainty, any such distribution or service shall be deemed to be in satisfaction of a legal or juridical obligation, and notice requirements within the meaning of cause 3(c) of the *Electronic Commerce Protection Regulations*, Reg. 81000-2-175 (SOR/DORS).

LIMITATION ON ENVIRONMENTAL LIABILITIES

18. **THIS COURT ORDERS** that nothing herein contained shall require the Receiver to occupy or to take control, care, charge, possession or management (separately and/or collectively, “**Possession**”) of any of the Property that might be environmentally contaminated, might be a pollutant or a contaminant, or might cause or contribute to a spill, discharge, release or deposit of a substance contrary to any federal, provincial or other law respecting the protection, conservation, enhancement, remediation or rehabilitation of the environment or relating to the disposal of waste or other contamination including, without limitation, the *Canadian Environmental Protection Act*, the Ontario *Environmental Protection Act*, the *Ontario Water Resources Act*, or the Ontario *Occupational Health and Safety Act* and regulations thereunder (the “**Environmental Legislation**”), provided however that nothing herein shall exempt the Receiver from any duty to report or make disclosure imposed by applicable Environmental Legislation. The Receiver shall not, as a result of this Order or anything done in pursuance of the Receiver’s duties and powers under this Order, be deemed to be in Possession of any of the Property within the meaning of any Environmental Legislation, unless it is actually in possession.

LIMITATION ON THE RECEIVER’S LIABILITY

19. **THIS COURT ORDERS** that the Receiver shall incur no liability or obligation as a result of its appointment or the carrying out the provisions of this Order, save and except for any gross negligence or wilful misconduct on its part, or in respect of its obligations under sections 81.4(5) or 81.6(3) of the BIA or under the *Wage Earner Protection Program*

-14-

Act. Nothing in this Order shall derogate from the protections afforded the Receiver by section 14.06 of the BIA or by any other applicable legislation.

RECEIVER'S ACCOUNTS

20. **THIS COURT ORDERS** that the Receiver and counsel to the Receiver shall be paid their reasonable fees and disbursements, in each case at their standard rates and charges unless otherwise ordered by the Court on the passing of accounts, and that the Receiver and counsel to the Receiver shall be entitled to and are granted a charge (the "**Receiver's Charge**") on the Property, as security for such fees and disbursements, both before and after the making of this Order in respect of these proceedings, and that the Receiver's Charge shall form a first charge on the Property in priority to all security interests, trusts, liens, charges and encumbrances, statutory or otherwise, in favour of any Person, but subject to sections 14.06(7), 81.4(4), and 81.6(2) of the BIA.

21. **THIS COURT ORDERS** that the Receiver and its legal counsel shall pass its accounts from time to time, and for this purpose the accounts of the Receiver and its legal counsel are referred to a judge of the Ontario Superior Court of Justice.

22. **THIS COURT ORDERS** that prior to the passing of its accounts, the Receiver shall be at liberty from time to time to apply reasonable amounts, out of the monies in its hands, against its fees and disbursements, including legal fees and disbursements, incurred at the standard rates and charges of the Receiver or its counsel, and such amounts shall constitute advances against its remuneration and disbursements when and as approved by this Court.

FUNDING OF THE RECEIVERSHIP

23. **THIS COURT ORDERS** that the Receiver be at liberty and it is empowered to borrow by way of a revolving credit or otherwise, such monies from time to time as it may consider necessary or desirable, provided that the outstanding principal amount does not exceed \$250,000.00 (or such greater amount as this Court may by further Order authorize) at any time, at such rate or rates of interest as it deems advisable for such period or periods of time as it may arrange, for the purpose of funding the exercise of the powers and duties conferred upon the Receiver by this Order, including interim expenditures. The whole of the Property shall be and is hereby charged by way of a fixed and specific charge (the “**Receiver’s Borrowings Charge**”) as security for the payment of the monies borrowed, together with interest and charges thereon, in priority to all security interests, trusts, liens, charges and encumbrances, statutory or otherwise, in favour of any Person, but subordinate in priority to the Receiver’s Charge and the charges as set out in sections 14.06(7), 81.4(4), and 81.6(2) of the BIA.

24. **THIS COURT ORDERS** that neither the Receiver’s Borrowings Charge nor any other security granted by the Receiver in connection with its borrowings under this Order shall be enforced without leave of this Court.

25. **THIS COURT ORDERS** that the Receiver is at liberty and authorized to issue certificates substantially in the form annexed as Schedule “B” (the “**Receiver’s Certificates**”) for any amount borrowed by it pursuant to this Order.

Replacement sheet metal must be original equipment manufacturer parts. **If You are involved in a motor vehicle accident, You agree to notify Ford Credit of the accident prior to any repair work being performed.**

(10) VEHICLE INSURANCE: You must insure the Vehicle for the term of this Lease and give Ford Credit evidence of the insurance. Canadian Road Management Company must be designated as co-insured on the insurance and must be notified in writing by the insurer at least **30** days before any of the following events: reduction in coverage, non-renewal, or cancellation. You may purchase the insurance from the company of Your choice, provided that Ford Credit has the right to disapprove, on reasonable grounds, a company selected by You. This insurance must protect You and Canadian Road Management Company with: (i) third party liability of not less than **\$1,000,000** (or such greater amount as Ford Credit may require from time to time); and (ii) physical loss or damage with a deductible amount of not more than **\$1,000**. You assign to Canadian Road Management Company monies paid under the insurance (including any premium reimbursement and indemnity paid thereunder). You authorize Canadian Road Management Company to receive and endorse cheques or drafts and settle or release any claim under the insurance related to Canadian Road Management Company's ownership of the Vehicle. You also assign to Canadian Road Management Company other insurance proceeds related to this Lease or Dealer's interest in the Vehicle. You must provide us with at least ten **(10)** days advance written notice of any cancellation of, or change to, Your insurance policy. **VEHICLE AND LIABILITY INSURANCE IS NOT PROVIDED BY FORD CREDIT.**

VEHICLE MAINTENANCE, INSURANCE AND USE (continued)

- (11) **VEHICLE USE:** You will obey all laws in using the Vehicle. You will not use or allow the Vehicle to be used illegally or for hire in any manner that would cause Your insurance policy to be suspended, cancelled or rendered inapplicable, or Your warranty coverage to be rendered inapplicable. You will not use or permit the use of the Vehicle: (i) outside the province or territory where the Vehicle was first registered for more than **30** continuous days without Ford Credit's prior written consent; (ii) outside of Canada, except in the United States or Mexico if use in these jurisdictions does not exceed **30** continuous days; or (iii) as a public or private carrier. You will not export or attempt to export the Vehicle outside of Canada without Ford Credit's prior written consent. You will not place any sign or mark or install any equipment on the Vehicle unless Ford Credit agrees to it. You will pay the cost to remove the sign or mark or equipment and all needed repairs that are caused by the removal. You will keep this Lease and the Vehicle free of all fines, liens, security interests and encumbrances, with the exception of those placed by or on behalf of Ford Credit or its successors and assignees.
- (12) **OPTIONAL CREDIT LIFE AND CREDIT DISABILITY INSURANCE:** NOT PROVIDED BY FORD CREDIT. Optional credit life and credit disability insurance is not required to enter into this Lease. If optional credit insurance is obtained by Dealer, the coverages are shown in a certificate, notice, policy or other document given to You by Dealer when You enter into this Lease and may or may not be for the entire term of this Lease. You may purchase the insurance from the company of Your choice, provided that Ford Credit has the right to disapprove, on reasonable grounds, a company selected by you.
- (13) **OPTIONAL SERVICES:** Payments for optional services financed under this Lease have been included in Your Lease Payments. You have the right to cancel any optional services of a continuing nature provided by Dealer or Ford Credit or an associate of either party by providing Ford Credit and the applicable service provider with no less than **30** days prior written notice of such cancellation or such shorter period of time as set out in the service provider agreement.

ENDING YOUR LEASE

- (14) **TERMINATION:** This Lease will terminate upon (i) the end of the term of this Lease, (ii) the return of the Vehicle to an authorized Canadian Ford dealer listed on www.ford.ca or to such other location specified by Ford Credit, and (iii) the payment by You of all amounts owed under this Lease. This Lease will also terminate if You exercise an Early Purchase Option or Lease End Purchase Option, if available. If You default under this Lease, Ford Credit may terminate this Lease.
- (15) **RETURN OF THE VEHICLE:** If You have an Early Purchase Option (item 18) or a Lease End Purchase Option (item 8) under this Lease and You have not exercised either option, at the end of this Lease, You must return it to an authorized Canadian Ford dealer listed on www.ford.ca or to such other location specified by Ford Credit. If You fail to return the Vehicle as required, You must continue to pay the Lease Payments (item 3d) **plus** other damages to Ford Credit. Payment of these amounts will not allow You to keep the Vehicle or continue this Lease without the written consent of Ford Credit.
- (16) **EXCESS WEAR AND TEAR:** You will pay the cost, including all applicable taxes, of all repairs to the Vehicle that are not the result of normal wear and tear, or that are the result of improper maintenance to the Vehicle (see "(9) Vehicle Maintenance, Operating Costs, and Vehicle Repairs" section above). These costs include, but are not limited to, the cost necessary to:
- (i) replace any tire(s) that are unmatched, or unsafe;
 - (ii) repair all mechanical defects;
 - (iii) repair or replace, if beyond normal wear and tear, all missing, dented, broken, scratched, chipped, pitted, rusted, and mismatched body panels, paint, vehicle identification items, trim, grill work, glass; all faulty window mechanisms; all broken or burned out lights; all electronic malfunctions; all interior rips, stains, burns or worn areas; and all damage which would be covered by physical loss or damage insurance whether or not such insurance is in force;
 - (iv) permanently remove unpleasant or offensive odours from the Vehicle, including the odour from tobacco products consumed in the Vehicle; and
 - (v) bring the Vehicle into compliance with applicable vehicle inspection laws.

Additional protection for excess wear and tear may be purchased but is not required to enter into this Lease. If You elect to purchase such a product, the program name and cost must be disclosed in item 1c. In this case, Your liability for excess wear and tear will also be subject to the provisions and exclusions stipulated on the addendum issued by the program provider and attached to this Lease.

ENDING YOUR LEASE (continued)

- (17) VOLUNTARY EARLY TERMINATION:** You may terminate this Lease early, if You are not in default, by returning the Vehicle to an authorized Canadian Ford dealer listed on www.ford.ca and paying the difference, if any, between the Unpaid Leased Vehicle Amount (as defined below) and the Vehicle's Fair Market Wholesale Value (as defined below).

"Unpaid Leased Vehicle Amount" will be the amount then owing under this Lease as provided to You by Dealer or Ford Credit including Base Lease Payments, applicable taxes, and any other charges such as excess wear and tear and excess kilometre charges.

"Fair Market Wholesale Value" will be determined solely by Ford Credit using live auction data and/or industry published guides (e.g., Canadian Black Book or ALG). The Fair Market Wholesale Value can never be set lower than the Residual Value of the Vehicle (item 1n).

(18) EARLY OPTION TO PURCHASE:

- ☒ If You are not in default, You have the option to purchase the Vehicle from Dealer, or other location if approved by Ford Credit, on an "As is, Where is" basis at any time during the term of this Lease, by paying the Lease End Purchase Option Price (item 8), plus the remaining Lease Payments (item 3d), plus any other amounts payable under the terms of this Lease, less unearned Lease Charges (item 2b) which will be calculated by the **actuarial method**. You must also pay all fees, taxes, costs and expenses incurred in connection with the purchase of the Vehicle (such as safety certification and related repair costs).

☐ You do not have an early option to purchase the Vehicle during the term of this Lease.

DEFAULT AND LOSS OF VEHICLE

- (19) DEFAULT:** You will be in default if: (a) You fail to make any payment when due; or (b) You fail to return the Vehicle at the end of this Lease or if You fail to purchase the Vehicle after exercising Your purchase option, as the case may be; or (c) a bankruptcy proceeding is filed by or against You; or (d) any governmental authority or anyone else seizes the Vehicle and does not promptly and unconditionally release the Vehicle to You or to Ford Credit; or (e) You have provided false or misleading material information when applying for this Lease; or (f) You fail to keep any other agreement in this Lease.

If You are in default, Ford Credit may exercise all rights available to it under applicable law. Without limitation, Ford Credit may terminate this Lease, take back the Vehicle and sell it at a public or private sale and, unless prohibited by applicable law, claim all amounts due and owing to Ford Credit. You also give Ford Credit and its agents and employees the right to go on Your property to peacefully retake the Vehicle together with any personal property in the Vehicle. Ford Credit may store the Vehicle (and any personal property in the Vehicle) at Your risk and expense. Even if Ford Credit retakes the Vehicle, unless prohibited by applicable law, You must still pay at once (a) the difference, if any, between the Unpaid Leased Vehicle Amount (item 17) plus the Residual Value of the Vehicle minus the net amount received by Ford Credit at sale or the Residual Value of the Vehicle whichever is more, plus (b) all other amounts then due under this Lease. To the extent not prohibited by applicable laws, You must also pay all expenses, including reasonable solicitor's fees, payable by Ford Credit to obtain, hold and sell the Vehicle, collect amounts due and enforce Ford Credit's rights under this Lease. You authorize Ford Credit to cancel Your insurance and apply any proceeds to Your obligation, unless prohibited by applicable law.

- (20) NSF CHARGE:** To the extent permitted by applicable law, You will also pay Ford Credit's standard charge, as revised by Ford Credit without notice to You from time to time (currently **\$25.00**), each time Your cheque or preauthorized payment is not made or processed or is returned unpaid for any reason.
- (21) LATE CHARGE:** All Lease Payments (item 3d) and other sums not paid within **10** days after they become due under this Lease will bear interest at a rate of **20%** per annum.
- (22) LOSS OR DESTRUCTION OF VEHICLE:** If the Vehicle is destroyed, lost or stolen and You have maintained the required amount of insurance coverage and have paid all amounts due and owed by You under this Lease as of the date Canadian Road Management Company settles with Your insurance carrier, including the amount of the excess kilometres charge (item 7), calculated on a pro rata basis, Ford Credit will accept the amount of Your insurance settlement and Your payment of the amount of the deductible applied to Your insurance settlement in full satisfaction of Your obligations under this Lease.

ADDITIONAL INFORMATION AND OBLIGATIONS

- (23) **ASSIGNMENT OF BENEFITS:** You assign to Ford Credit the benefits of any agreements relating to the Vehicle and this Lease, such as insurance and optional service contracts. On satisfaction in full of all Your obligations under this Lease, the benefits shall revert to You.
- (24) **TAXES AND FEES:** You will promptly pay all fees, charges, levies and taxes relating to this Lease or the Vehicle (except for income taxes). You will pay these amounts even if they are assessed after the end of this Lease.
- (25) **TITLING:** The Vehicle will be titled in the name of Canadian Road Management Company. You will register the Vehicle as directed by Ford Credit. You will pay all licence, title and registration costs.
- (26) **CONDITION REPORT:** If requested by Ford Credit, You agree to promptly and accurately complete, execute and deliver to Ford Credit its then current form of vehicle condition and/or accident report. You also agree to pay Ford Credit on demand any cost that Ford Credit incurs in connection with obtaining any third-party inspection or report regarding the Vehicle which Ford Credit may obtain to determine any information required regarding the condition or history of the Vehicle, including information required to satisfy requirements under applicable law.
- (27) **WARRANTIES:** To the extent permitted by applicable law, Ford Credit is not offering any express or implied warranties (whether statutory or otherwise) on any new or used vehicle. **Under this Lease, Ford Credit makes no promise as to the merchantability, suitability or fitness for any particular purpose of the Vehicle.** The Vehicle may be subject to: (i) a manufacturer's warranty, the terms of which are set out in the warranty book supplied with the Vehicle; and (ii) any statutorily prescribed implied representation, warranty or condition which You cannot waive (and, to the extent permitted by applicable law, You waive all representations, warranties and conditions under any applicable statute or other law). If You have any dispute with the manufacturer about warranties, You agree to use the manufacturer's dispute resolution system before taking any other action.
- (28) **ASSIGNMENT:** Dealer will assign all of its right, title, and interest in this Lease, the Vehicle and any guarantee to Ford Credit, which may assign this Lease and/or the Vehicle and/or any guarantee, or any right, title or interest in this Lease and/or the Vehicle and/or any guarantee to others without Your consent and without notice to You. After any assignment, Ford Credit or the assignee, or any of their representatives, will service this Lease. Upon assignment by Dealer to Ford Credit, You agree and acknowledge that: (a) You will make all payments of amounts payable under this Lease to Ford Credit or as otherwise directed in writing by Ford Credit; (b) all of Your agreements will be considered to have been made to Ford Credit with the same force and effect as if Ford Credit was an original party to this Lease; (c) Dealer will not have any power or authority to give any consent provided for in this Lease, or to extend the time for payment under, or waive provisions under, this Lease; and (d) to the extent permitted by law, the rights of Ford Credit will not be subject to any claims, defences or set-offs that You may have against Dealer or the manufacturer of the Vehicle. You will look only to Dealer to do anything that Dealer has agreed to do under this Lease or any other agreement between You and Dealer. You will not assign or sublease any interest in the Vehicle and/or this Lease or permit any other person to have other than occasional use of the Vehicle without Ford Credit's prior written consent. No statements, representations, warranties, undertakings, or agreements (whether written or oral) made by Dealer can change this Lease without Ford Credit's written consent.
- (29) **INDEMNITY:** You will indemnify Dealer and Ford Credit from any loss or damage to the Vehicle and from all claims, losses and costs (including, without limitation, legal fees and disbursements on a solicitor and own client basis) that Dealer and/or Ford Credit may suffer or pay or may be required to pay, related to the use or condition of the Vehicle (including, without limitation, any reduction in the value of the Vehicle as a result of an incident involving the Vehicle, even if any damage caused by such incident has been repaired), and from any non-compliance by You with any of the terms of this Lease. You will pay all fines and tickets imposed on the Vehicle or its driver.
- (30) **SECURITY DEPOSIT:** Any security deposit held by Ford Credit under this Lease may be used to pay any costs and other amounts that You fail to pay under this Lease. You will not earn interest on Your security deposit.
- (31) **NOTICES:** You will notify us in writing of any change in Your address (i) **30** days prior to any move to a different province or territory, and (ii) within **5** days of any move within Your province or territory. Unless You notify us in writing of any change in Your address, any notices we send You are sufficiently served on You if sent to Your address as shown on this Lease.
- (32) **GENERAL:** The law that will apply to this Lease is the law of the province or territory where Dealer is located (based on the address set forth on Page 1 of this Lease). If any law does not allow any of the agreements in this Lease, they will be void. The rest of the Lease will still be good.

If You are a corporation, You waive Your rights under any provision of The Limitation of Civil Rights Act (Saskatchewan), as amended, to the extent that it applies to this Lease.

All of Your obligations under this Lease shall survive the termination of this Lease to the extent required for their full observance and performance.

PURPOSE OF THE APPRAISAL

Report Format

The Canadian Uniform Standards of Professional Appraisal Practice (CUSPAP) necessitates that an appraisal report be identified as one of the following types of reports:

Current – Refers to an appraisal where the effective date of the report is simultaneous with the date the report was prepared or inspected, where market conditions have not changed materially between the dates.

Retrospective – Refers to an appraisal where the effective date of the report precedes the inspection date or the date the report was prepared and whereby market conditions may be materially different in the time frame between these dates. In this type of appraisal the “retrospective” value is based on market conditions, perceptions and perspective that existed as of the effective date.

Prospective – Refers to an appraisal where the effective date of the report is after the inspection date or the date the report was prepared. In this type of appraisal the “prospective” value opinion is intended to reflect the projected market conditions to a future effective date.

Up-Date – Refers to an appraisal where the subject was previously appraised and has not undergone significant changes and/or the time between the effective date of the original appraisal and the up-date is not unreasonably long. It is an extension of a previously completed appraisal, updated to the effective date of the report and is intended for readers familiar with the original report of the subject property.

CUSPAP necessitates that an appraisal report be identified as one of the following types of reports which depends on the needs of the users and appraisers:

Comprehensive – comprehensive and detailed

Concise – concise and briefly descriptive

Form – a standard format combining check off boxes and short narrative comments.

The basic distinguishing difference between each different type of report is the level of detail of presentation.

Classification of the Appraisal

*This is a **Comprehensive Appraisal Report** which is **Current Valuation** intended to comply with the reporting requirements set forth by CUSPAP. As such, it presents a detailed discussion of the date, reasoning, and analyses that were used in the appraisal process to develop the appraiser’s opinion of value. The depth of discussion contained in this report is specific to the needs of the client and for the authorized use stated below. The appraiser is not responsible for unauthorized use of the report.*

Authorized Use of the Appraisal

The authorized use of the appraisal is to assist with setting a sale price on the subject property as part of a receivership process and for the Ontario Superior Court of Justice to rely on when making a determination as to whether to approve a sale transaction. Void if used for any other purpose.

The appraiser measured the subject property and also relied on measurements from MPAC as well as recent MLS listings of the subject. It is assumed that these measurements are accurate and will be utilized in the report.

If any of these assumptions are found to be inaccurate or incorrect then the value contained herein is subject to change and/or be VOID.

There are no other extraordinary assumptions to the conclusions of this report.

Definition of Market Value

Market value, as defined by the Appraisal Institute of Canada, and as used in this Report is:

"The most probable price in terms of money at which a property should bring in a competitive and open market under all conditions requisite for a fair sale, the buyer and seller each acting prudently and knowledgeably and assuming the price is not affected by any undue stimuli."

Implicit in this definition are the consummation of a sale as of a specific date and the passage of title from seller to buyer under conditions whereby:

- 1. Buyer and seller are typically motivated.*
- 2. Both parties are well informed or well advised, and are acting in what they consider their best interest.*
- 3. A reasonable time is allowed for exposure in the open market.*
- 4. Payment is made in terms of cash and Canadian dollars or in terms of financial arrangements comparable thereto, and*
- 5. The price represents the normal consideration for the property sold, unaffected by special or creative financing or sale concessions granted by anyone associated with the sale."*

LOCATION & MARKET OVERVIEW

The Bank of Canada on July 15, 2026 held its target for the overnight rate at 2.25%, with the Bank Rate at 2.5% and the deposit rate at 2.20%. Canada's economy is showing signs of improvement. Growth is picking up and inflation is projected to ease gradually from its recent spike. There are still important risks and uncertainties related to the war in the Middle East and US trade policy.

Since the April *Monetary Policy Report* (MPR), global economic prospects have been dented by higher oil prices stemming from the Middle East conflict. At the same time, the build-out of artificial intelligence (AI) is supporting economic activity in a growing number of countries. Oil prices are still lower than their peak in April but the situation in the Middle East remains volatile. The path for global inflation is highly dependent on how the conflict unfolds.

The US economy is growing at about 2½%, mostly because of strong consumption and booming AI investment. China's economy is expanding solidly thanks to robust exports. Economic activity in the euro area has been weighed down by high energy prices, but is expected to strengthen in the second half of the year if energy prices come down as anticipated.

The Bank projects global GDP growth will slow to 2¾% in 2026, mostly because of the effects of the Middle East conflict, and recover to around 3¼% in 2027 and 2028. Financial conditions in Canada have eased since April and global equity markets have been buoyant. US bond yields have risen, while those in Canada are little changed. This differential has contributed to the depreciation of the Canadian dollar.

Canada's GDP data over the past year was choppy and growth stalled as the economy adjusted to new tariffs, high uncertainty and slower population growth. Labour market conditions have remained soft, reflecting ongoing economic slack. The unemployment rate was 6.5% in June and has hovered in a range of 6½%-7% since the end of 2024. There are clear signs that economic growth has resumed in the second quarter, with growth estimated at 2½%. While this largely reflects the unwinding of temporary factors, sources of economic growth appear to be broadening.

Recent indicators point to continued solid consumer spending. Housing activity has been weak but looks to be stabilizing. Export growth has resumed and is expected to continue to strengthen, albeit on a lower path. Business investment is projected to pick up modestly, boosted in the near term by the oil and gas sector. Although the Canada-US-Mexico Agreement is now subject to annual reviews, more businesses report they are finding ways to navigate through the uncertainty. Government spending also contributes to higher economic activity over the projection.

Following GDP growth of 0.7% in 2026, the Bank projects the economy will grow by 1.8% in both 2027 and 2028. As the recovery proceeds, economic slack will be gradually absorbed. CPI inflation rose further to 3.2% in May, mainly because of higher gasoline prices linked to the war in the Middle East. Excluding gasoline, inflation was 2.2% and measures of core inflation remained close to 2%. Near-term inflation expectations are sensitive to changes in gasoline prices but longer-term inflation expectations remain well anchored. War-related cost pressures are still working their way through some consumer prices but are being offset by downward pressure on other prices from continued economic slack. CPI inflation is expected to stay elevated in June and then ease gradually in the coming months, returning to around 2% in early 2027, although this forecast is dependent on the path for oil and gasoline prices. Inflation is forecast to average around 2% in 2027 and 2028, albeit with some monthly fluctuations because

of base-year effects.

Governing Council judges the current policy rate remains appropriate to sustain the economic recovery and bring inflation back to the 2% target, in line with the MPR projections. Uncertainty is still high. Governing Council will continue to assess the strength of the Canadian economy and the outlook for inflation, and is prepared to adjust monetary policy as needed. The Bank is committed to maintaining Canadians' confidence in price stability through this period of global upheaval.

Employment Trends:

The unemployment rate in Canada was 6.7% as of June 2026, unchanged from the previous month. The unemployment rate stood 6.8% below the peak in June 2020 and is below the long-run average. There were 36,000 more full-time jobs in June 2026 compared to a month earlier. Combined with a loss of 6,600 part-time positions, this led to an increase of 29,400 total jobs in June. Full-time employment was down 6,300 jobs from the peak in January 2026 but stood 71,400 jobs above the trough in April 2026.

Monthly Housing Market Report:

Ottawa, ON July 15, 2026 – The number of home sales recorded over Canadian MLS® Systems edged up a further 0.5% on a month-over-month basis in June 2026. This builds on the 5.5% jump recorded in May and the 0.9% increase in April, placing national activity some 7% above where it stood in March. (Chart A)

“June’s housing numbers continued to build momentum following the late start to the year in May, with virtually every metric moving in the right direction,” said Shaun Cathcart, CREA’s Senior Economist. “Looking ahead, fixed mortgage rates have eased from their peak in April, and rate hikes from the Bank of Canada this year are much less likely than they were just a month ago. This is good news for borrowers. Additionally, home prices are no longer falling in most of the markets where they were previously, which had likely been keeping a lot of buyers waiting on the sidelines. As such, we continue to expect the second half of the year to be quite a bit more active than the first half, similar to sales activity in 2024 and 2025.”

June Highlights:

- National home sales edged up 0.5% month-over-month.
- Actual (not seasonally adjusted) monthly activity came in 0.9% above June 2025.
- The number of newly listed properties declined 1.3% on a month-over-month basis.
- The MLS® Home Price Index (HPI) was unchanged month-over-month and was down 3.6% on a year-over-year basis.
- The actual (not seasonally adjusted) national average sale price was up 0.5% on a year-over-year basis in June 2026.

Chart A

New listings fell back 1.3% on a month-over-month basis in June 2026, marking a second straight decline.

Combined with the small increase in sales in June, the national sales-to-new listings ratio tightened to 50.2% compared to 49.3% in May. It was the first time this year the measure was back above the 50% mark. The long-term average for the national sales-to-new listings ratio is 54.8%, with readings between 45% and 65% generally consistent with balanced housing market conditions.

“The last couple of months have seen the return of more certainty around both interest rates and home values, along with an increasing number of buyers in the market,” said Garry Bhaura, CREA Chair. “We may see a brief pause in that trend as Canadians enjoy their summer, but the stage is set for a busier fall market. That usually comes to life after Labour Day, which gives buyers and sellers a bit of time to do their research, make a plan, and get homes ready to list. As always, step one is to get in touch with a REALTOR® in your area.”

There were 208,578 properties listed for sale on all Canadian MLS® Systems at the end of June 2026, up just 0.6% from a year earlier and 0.8% above the long-term average for that time of the year.

There were 4.8 months of inventory nationally at the end of June 2026, unchanged from May, and the lowest level so far in 2026. This remains close to, but slightly below, the long-term average for this measure of five months. Based on one standard deviation above and below that long-term average, a sellers’ market would be below 3.6 months, and a buyers’ market would be above 6.4 months.

The National Composite MLS® Home Price Index (HPI) held steady from May to June, marking the first time the measure has not declined on a month-over-month basis since January 2025.

The non-seasonally adjusted National Composite MLS® HPI was down 3.6% compared to June 2025, the smallest year-over-year decline since last October. (Chart B)

Chart B

Regionally, prices remain down on a year-over-year basis in British Columbia, Alberta, and Ontario, although those declines are now getting smaller as prices have been stabilizing in recent months. Prices were also down year-over-year in Nova Scotia for the first time in more than three years as prices have been coming off the boil in 2026.

The non-seasonally adjusted national average home price was \$696,078 in June 2026, edging up 0.5% from the same month last year.

City of St Thomas

The City of St Thomas was first settled in 1810. Named after Thomas Talbot, who helped promote the development of this region during the early 19th century, the city was named the seat of the new Elgin County in 1844 and was incorporated as a village in 1852, as a town in 1861 and as a city in 1881.

In the late 19th century and early 20th century several railways were constructed through the city, and located exactly halfway between Detroit and Buffalo, St. Thomas became an important railway junction. By 1914 there were 8 different railways operating in St. Thomas with over 100 trains a day passing through the city, earning it the title of the 'Railway Capital of Canada', which is celebrated today in the revitalization of the original train station and Elgin County Railway Museum.

The trains contributed to a sadder part of our local history, when Jumbo, P.T. Barnum's famous elephant died here on September 15, 1885, when he was struck by a locomotive. Barnum was a trustee of Tufts University in Medford, Massachusetts and Jumbo's remains were sent there. Though only his tail and some ashes remain after a fire in 1975, Jumbo's memory lives on in a life-sized commemorative statue, erected in St. Thomas in 1985, the centennial of Jumbo's demise.

In the 1950s and 1960s, with the decline of the railway as a mode of transportation, other industry, principally automotive manufacturing, began to locate in the city with plants operated by Magna, Ford and Sterling Trucks along with many secondary producers driving economic prosperity for the next 50 years.

Unfortunately, the auto industry suffered significantly in the worldwide recession that began in 2008 and even St. Thomas could not completely escape unscathed. Several plant closings, including those of some of the city's larger employers, hindered economic growth.

Fortunately, work had already begun on diversifying the economy and just as St. Thomas was able to successfully negotiate the decline of the railway industry, the city is well-positioned to prosper in the new economy.

St Thomas has a current estimated population of 46,269. The population was recorded at 42,840 in the 2021 Canadian Census, and was previously recorded at 38,909 in the 2016 census. This is a change in population of 3,931, which is an annual growth rate of 1.94%.

Based on all the aforementioned, it appears that the subject use is a legal conforming use.

HIGHEST AND BEST USE

Highest and Best Use

Real estate is valued in terms of its highest and best use. Highest and best use is defined as:

The reasonably probable and legal use of vacant land or an improved property, which is physically possible, appropriately supported, financially feasible, and that results in the highest value. The four criteria the highest and best use must meet are legal permissibility, physical possibility, financial feasibility, and maximum profitability

Third Edition, 1993

To properly analyse highest and best use, two determinations must be made. First, the highest and best development of the site as though vacant and available for use is made. Second, the highest and best use of the property as improved is analysed and estimated. The highest and best use of both the land as though vacant and the property as improved must meet four criteria: physically possible, legally permissible, financially feasible, and maximally productive. Of the uses that satisfy the first three tests, the use that produces the highest price or value consistent with the rate of return warranted by the market is the maximally productive use.

Subject Property – As Though Vacant

Physically Possible

Analysis of the site characteristics and nearby improvements in the area indicates the subject site could adequately support physical development.

Legally Permissible

The subject is zoned Industrial. This allows for a wide range of commercial uses. Thus; it was assumed that the subject was a legal conforming use.

Financially Feasible

Commercial uses are financially feasible as most of the available land has been developed with commercial or industrial buildings and demand for them has been steady.

As Vacant

The subject property is best suited for a commercial development to the maximum density permitted under existing zoning by-laws, as if vacant.

As Improved

The zoning allows for commercial. Thus, the current improvements developed to its maximum capacity are considered to be the highest and best use of the subject, as improved.

VALUATION TECHNIQUE

Valuation Premise

The market for any real estate consists of those entities that can benefit from the highest and best use of a particular property and, accordingly, are willing and able to pay a competitive price. In most cases, for any particular property the market is represented by a fairly clearly defined group of individuals or financial entities. In the case of the subject property, the purchaser profile would be one who would acquire the property for rental of the building. The valuation contained in this document attempts to replicate the analysis that a prospective purchaser would likely use.

Method of Valuation

The three traditional approaches to value, Cost, Direct Comparison, and Income Capitalization, have been considered in estimating the market value for the subject property. Based upon the available market data and the likely motivations of the typical purchaser, the Direct Comparison Approach and the Income Approach using a form of Direct Capitalization have formed the primary basis of our reconciliation of a final estimate of value. The Cost Approach has not been developed. While investors are generally aware of replacement cost, they place little reliance on the fully developed Cost Approach when determining a value for acquisition purposes.

The Income Approach is presented first followed by the Direct Market Comparison Approach which is in turn followed by Reconciliation and a Final Estimate of Value.

Reasonable Exposure Time

Exposure time may be defined as follows:

"The estimated length of time the property interest being appraised would have been offered on the market prior to the hypothetical consummation of a sale at market value on the effective date of the appraisal; a retrospective estimate based upon an analysis of past events assuming a competitive and open market."

The subject is located within a developed mixed commercial/residential area. A reasonable exposure time of 2 months -4 months is estimated.

INCOME APPROACH

The Income Capitalization Approach includes an analysis of the market for similar comparable properties that have leased within a meaningful timeframe, and a pro forma estimation of a Year 1 stabilized net operating income is developed.

The Direct Capitalization Approach is developed, which typically converts an estimate of a single year's income expectancy into an indication of value using an appropriate capitalization rate. After analysis of pertinent data to select an appropriate capitalization rate, the net operating income is stabilized and capitalized to an estimation of current market value.

Subject Occupancy

The subject property was vacant as of the effective date. It was conducive for one user to occupy the entire space.

Thus, it was necessary to investigate market lease rates in order to apply a lease rate for the entire subject building.

	Industrial	Lease Rates					
#	Location	Date	Improvement Size	Rental Rate/SF	TMI	Gross Rent	Comments
1	381 South Edgeware Rd, St Thomas	06/01/2026	68,000	\$9.33	\$2.23	\$11.56	Freestanding building
2	109 Gaylord Rd, St Thomas	03/19/2026	13,500	\$10.50	\$2.50	\$13.00	Freestanding building

Industrial Lease Rates

The chart above provided rental rates from 5 industrial properties. Some of the lease rates were from standalone buildings while some were for units within a larger industrial building. The range established by the comparables is \$9.33 to \$12/sf triple net. The appraiser included leases of larger spaces, some freestanding buildings, and from some building that were in different condition than the subject. This was deemed necessary and unavoidable.

The subject was located in an average location. Many of the comparable lease rates were of properties or units that were in superior locations. This points towards a lower lease rate for the subject; however, the subject was a standalone building on a large site. This points towards a higher lease rate for the subject.

Based on the aforementioned, a lease rate towards the middle/low end of the range of \$10.50/sf will be applied to the subject and is considered to be reasonable. When applied to the subject's 7,457 sf, this results in an annual net lease amount of \$78,298.

General Vacancy

The subject is located in an average area within St Thomas. As per the Q2 2026 CBRE for industrial properties in London, the vacancy rate for industrial properties was 6.5%. See chart below.

The subject being in St Thomas was considered to be in an inferior location. Thus, a vacancy rate of 7.5% will be utilized.

Operating Expenses

The appraiser was not provided with a full breakdown of the operating expenses. Based on the lease rate analysis above the TMI for the market lease rates ranged from \$2/sf - \$4.5/sf with an average of \$3.05/sf. A rate toward the middle of the range of \$3/sf will be utilized for the subject. When applied to the subject's 7,457 sf, this results in an annual TMI of \$22,371. This amount will be fully recovered by the landlord from the tenant.

Capitalization Technique

In the evaluation of real property, the marketplace has proven that there is a relationship between the income and value. In light of this, the Appraiser methodology has several tools available to measure this relationship, resulting in an estimate of value to the subject property through the capitalization of the Net Income. In today's marketplace, two methods are widely accepted which may yield a good estimate of value. These methods are the Mortgage Equity Capitalization Technique and the Direct Capitalization Technique. It is the Direct Capitalization Technique which will be used in this report.

The Direct Capitalization Technique involves the analysis of sales of similar types of properties to derive a relationship between the selling price and the Annual Net Operating Income. This overall rate is expected to represent what an informed, prudent and rational investor is requiring for similar competitive properties in the marketplace. Similar refers to similarities with respect to risk and durability of income or investment return of specific properties. The Direct Capitalization Technique is usually an excellent means of estimating Market Value when revenue producing properties are the subject matter. This technique is especially useful where standard or typical type of revenue producing properties are concerned. I have investigated the market for sales of similar properties to determine an appropriate capitalization rate for the subject. I have included various comparable which are considered to reasonably provide an estimated capitalization rate for the subject.

Most of the comparable sales developed in the Direct Comparison Approach did not have reliable income information from which to develop going-in capitalization rates. Consequently, we went back to the market to widen the search and develop yield rates for comparable properties in the broader market.

Summary

Capitalization rates on similar industrial buildings in St Thomas were difficult to find. Thus, the appraiser expanded the search to areas that were not in the immediate vicinity of the subject. This was deemed necessary and unavoidable. The following sales were utilized in developing the overall capitalization rate for the subject property. The sales demonstrate an unadjusted going in capitalization rate that ranges from a low of 4.8% to a high of 8.8%. The subject property was in average condition and in an average location within St Thomas. It was considered to be in an inferior location than many of the sales above; however, it was a newer building constructed in 2004 and thus was considered to be in superior condition than many of the sales above that were older. Additionally, the appraiser noted above that the subject had been listed for sale multiple times for and had not sold. This can create a stigma on the property and prevent potential purchasers from inquiring about purchasing the subject property as they may believe there are some negative factors as to why it has not sold. Thus this would also reflect a higher capitalization rate for the subject. The appraiser noted that as per the Q2 2026 CBRE Capitalization rate chart for London for Class B industrial buildings the range was 6% - 7%. Based on all the above information, a capitalization rate towards the upper of the appraiser's range of 7.5% is considered appropriate for the subject and will be utilized in the analysis. A summary of the net operating income is shown below.

Direct Capitalization - Stabilized Year 1	
Base Rent	\$78,298
TMI	\$22,371
Vacancy Rate @ 7.5%	\$7,550
EFFECTIVE GROSS INCOME	\$93,119
Operating Expenses	\$22,371
NET OPERATING INCOME	\$70,748
CAPITALIZED @ 7.5%	\$943,304
Rounded to	\$945,000

Thus, the final value estimate by the Income Approach, as of the effective date of this appraisal is:

Adjustments to Sales Data

The sales selected for this analysis are compared to the subject property and appropriate adjustments for the elements of comparison are considered. For the purposes of this analysis the appraiser analyzed the subject and the comparable properties on a price per square foot. In order to ensure the appraiser property compared the subject to each of the comparables the subject's ground floor area was taken and compared to the ground floor square footage of each of the comparable sales. The appraiser then adjusted accordingly for second floor **MEZZAINE?** area depending on if it was larger or smaller than the subject's second floor area. The subject is an auto dealership property that totalled 7,457 sf on the ground floor located on a 75,745 sf site. Sales of similar sites the same size as the subject were difficult to find. As such, the appraiser utilized sales of properties that were not in the immediate vicinity of the subject. This was deemed necessary and unavoidable. Adjustments will be made based on the price per square foot of ground floor of the improvements as noted above. Typically larger improvements would sell at a lower price per square foot than smaller improvements. The reverse is also true. Elements of comparison analysed in this valuation include real property rights conveyed, financing terms, conditions of sale, market conditions, location, physical characteristics, improvements size, economic characteristics and use/zoning considerations.

Analysis of Comparable Sales

As no 2 properties are completely similar, adjustments must be made to compensate for differences between the comparable properties and the subject property. There were not many properties in the immediate vicinity of the subject that were similar to the subject in size and that were similar in utility. Thus, the appraiser expanded the search to include properties that had site sizes that different than the subject, improvements that were different and in different locations. This was deemed necessary and unavoidable. The comparable sales ranged from \$575,000 to \$3,700,000 and the price per square foot ranged from \$114/sf - \$367/sf

Sale Date:

In a changing market, it may be necessary to adjust sale prices to reflect the time difference between the sale date of a comparable and the date of valuation. The demand for similar properties in the area has remained stable over the last few months. However, the market appears to be inferior as of the effective date than sales that occurred in 2025. Thus sales #1, #4, #5, #6, #7, and #8 all needed downward adjustments.

Property Rights Conveyed:

In the sales analysis, it is important the pertinent property rights of the comparable sales are similar to the subject property. No adjustments were deemed necessary.

Financing Terms:

Due to differing financial arrangements, the sale price of differing properties may be different. More favourable financing may include a Vendor Take Back Mortgage and a lower rate the current market rate. This situation may result in a positive influence on the sale price. Conversely, a higher VTB interest rate may also affect the sale price. No adjustments were necessary.

Conditions of Sale:

The motivations of the purchaser and vendor may affect the sale price and adjustments for these types of sales are necessary as in some cases, these motivations may affect the sale price. For example, a property that is under power of sale may require a certain sense of urgency on the part of the seller/lender, causing a lower sale price than otherwise would be attained if the property had adequate marketing time on the real estate market. Other instances include land assembly whereby the purchaser has a need to pay a higher price in order to acquire a certain piece of property. The appraiser did note that sale #3 was sold under power of sale; however, it appeared to have been properly marketed for sale with a reputable brokerage for a significant amount of time and thus no adjustments were needed.

Location:

An adjustment for location may be needed when the location characteristics of a comparable property is different from the subject property. The subject property was located in an average area within St Thomas. Overall, when it comes to auto/industrial properties, sales #1, #2, #3, #4, #5, and #6 were all in superior locations and thus needed downward adjustments. Sale #4 was in an inferior location and thus it needed an upward adjustment.

Improvements

The subject's improvements totalled 7,457 sf of main floor area. Typically larger improvements sell at a lower price per square foot than smaller improvements. The reverse is also true. Sales #1, #2 and #5, were all larger improvements than the subject improvement with sales #3, #4, #7 and #8 being smaller in size. Adjustments were made accordingly.

The subject's improvements were in average condition overall. The appraiser did note that they were unclean although this could easily be rectified by a cleaning. The appraiser noted that the subject improvements were built

in 2004 and were newer and in superior condition than many of the comparable sales. Sales #1, #2, #3, #5 and #7 were all in inferior condition with sale #8 being in superior condition. Adjustments were made accordingly.

The subject had ceilings heights that were ~16'. Sale #3 and #6 had inferior ceiling heights with sale #5 having superior ceiling heights. Adjustments were made accordingly.

The subject had a 1,302 sf second floor Sales #2 through #8 did not have a second floor and thus they all needed upward adjustments. Sale #1 had a larger second floor than the subject and thus it needed a downward adjustment.

The appraiser noted that sale #2 was tenanted at the time of sale. This restricts the ability for an end user/owner to occupy the space and thus is considered to be inferior than improvements that were sold vacant or that were owner occupied and had the ability for a new purchaser to occupy the property. Thus this sale warranted an upward adjustment.

Site Density.

The subject site had a site density of 10%. Having a higher site density indicates that there is less land available for parking and larger trailers that are often used for shipping. Sales #2, #3, #4, #5 and #6 all had higher or inferior site densities than the subject and thus they all needed upward adjustments. Sales #7 and #8 had lower or superior site densities and thus they needed downward adjustments. The subject's site density appeared to be higher than all the comparable sales and thus they all warranted a downward adjustment.

Conclusion:

The comparable sales have been adjusted for all known differences between them and the subject property and suggest a range of \$114/sf to \$367/sf. Sale #4 was the sale of a property that was in an inferior location than the subject. This sale sets the low end of the range. Sale #8 was the sale of an improvement that was in closer proximity to the subject but the improvement was much smaller than the subject and it was in superior condition. This sale sets the upper end of the range. The remaining 6 comparable sales range from \$150/sf - \$237/sf with an average of \$202/sf. Sale #3 was the recent sale of a property that was used for automotive uses. It was in a superior location than the subject and it was a smaller improvement although it was in inferior condition, it did not have a second floor and it had inferior ceiling height. After an overall downward adjustment, this sale was considered to be a good indicator of value for the subject. Sale #6 was the sale of an improvement that was similar in size to the subject. The sale occurred during superior market conditions, and it was in a superior location than the subject although it did not have a second floor and it had inferior ceiling heights. This sale was also considered to be a good indicator of value for the subject.

In this regard, with consideration given to the assumptions and limiting conditions contained herein, it is felt that most appropriate price per square foot for the subject is \$[REDACTED] When applied to the subject's 7,457 sf this results in a value of \$[REDACTED]

The final value estimate by the Direct Market Comparison Approach, as of the effective date of this appraisal is \$[REDACTED]

\$[REDACTED]

DIRECT MARKET COMPARISON MAP

RECONCILIATION AND FINAL ESTIMATE OF VALUE

Between the various approaches, the following estimated market values were concluded:

Direct Comparison Approach

REDACTED

Income Approach – *Direct Capitalization*

Purchase Price (10/01/2024)

Cost Approach

Each of the valuation methods has a varying degree of applicability with respect to the subject building. In the case of the Cost Approach, the determination of physical and functional depreciation is difficult and thus this approach is somewhat less reliable and therefore has not been developed. Further, while investors are generally aware of replacement cost, they place little reliance on the fully developed Cost Approach when determining a value for acquisition purposes.

The Direct Comparison Approach produced 8 sales of industrial/automotive properties with varying degrees of comparability to the subject. The range of prices is most heavily influenced by location, building and lot size, condition and quality of the improvements, use, and the prevailing market conditions at the time of sale. This approach was considered to be a good indicator of value for the subject as the subject was a vacant auto dealership property that could be utilized by an end user/owner that would focus on the Direct Market Comparison Approach when assessing the value of the property.

The Income Approach using a form of the Direct Capitalization was also analyzed. This approach to value is more typically utilized for properties that are suited for investors to generate income. As the subject was a smaller property and demised for a single user, it was more conducive to an end user/owner occupier than an investor. Thus this approach was not given weight as part of the final estimate of value as it was not considered to be relevant for a property such as the subject.

The appraiser did note that the subject property had sold in 2024 for \$2,000,000; however, the market appeared to be inferior as of the effective date in 2026 than it was in October 2024 when the subject property had sold. Thus, the sale price in 2024 would reflect a lower value for the subject as of the effective date. The appraiser also noted that as of the effective date of this appraisal, the subject property was listed for sale for \$1,699,000. However, no weight was placed on the asking price as the appraiser understands through experience that asking prices are not reflective of value. The appraiser did speak with the listing agent. As per the listing agent, when the subject property was purchased in October 2024, there was a significant amount of equipment related to automotive uses that was no longer there as of the effective date of this appraisal. As per the listing agent, this is likely another reason why the subject property may have been sold for a higher value in 2024 and would indicate a lower value as of the effective date due to their not being the same amount of equipment.

Based on the aforementioned both the Direct Market Comparison Approach was given all the weight as part of the final estimate of value. The Income Approach was also developed but was not given weight for the reasons mentioned above. The Purchase Price in 2024 was given little weight as it was a dated sale and it only was utilized to indicate a lower value for the subject as of the effective date of this appraisal.

Thus, the final estimate of value as of the effective date of this appraisal is:

(the “**Debtor**”) for an order approving the sale transaction (the “**Transaction**”) contemplated by an agreement of purchase and sale (the “**Sale Agreement**”) between the Receiver and Black Diamond Trailer Sales Inc. (the “**Purchaser**”) dated August 14, 2026 and appended to the Report of the Receiver dated September 9, 2026 (the “**Report**”), and vesting in the Purchaser the Debtor’s right, title and interest in and to the assets described in the Sale Agreement (the “**Purchased Assets**”), including but not limited to the subject real property identified in Schedule A hereto (the “**Real Property**”), was heard this day by videoconference Zoom at 80 Dundas Street, London, Ontario, N6A 6K1.

ON READING the Report and on hearing the submissions of counsel for the Receiver and for the Applicant, no one appearing for any other person on the service list, although properly served as appears from the affidavit of [NAME] sworn [DATE] filed:

1. **THIS COURT ORDERS AND DECLARES** that the Transaction is hereby approved, and the execution of the Sale Agreement by the Receiver is hereby authorized and approved, with such minor amendments as the Receiver may deem necessary. The Receiver is hereby authorized and directed to take such additional steps and execute such additional documents as may be necessary or desirable for the completion of the Transaction and for the conveyance of the Purchased Assets to the Purchaser.

2. **THIS COURT ORDERS AND DECLARES** that upon the delivery of a Receiver's certificate to the Purchaser substantially in the form attached as Schedule B hereto (the "**Receiver's Certificate**"), all of the Debtor's right, title and interest in and to the Purchased Assets described in the Sale Agreement, including the Real Property, shall vest absolutely in the Purchaser, free and clear of and from any and all security interests (whether contractual, statutory, or otherwise), hypothecs, mortgages, trusts or deemed trusts (whether contractual, statutory, or otherwise), liens, executions, levies, charges, or other financial or monetary claims, whether or not they have attached or been perfected, registered or filed and whether secured, unsecured or otherwise (collectively, the "**Claims**") including, without limiting the generality of the foregoing: (i) any encumbrances or charges created by the Order of the Honourable Justice Kalajdzic dated July 24, 2026; (ii) all charges, security interests or claims evidenced by registrations pursuant to the *Personal Property Security Act* (Ontario) or any other personal property registry system; and (iii) those Claims listed on Schedule C hereto (all of which are collectively referred to as the "Encumbrances", which term shall not include the permitted encumbrances, easements and restrictive covenants listed on Schedule D) and, for greater certainty, this Court orders that all of the Encumbrances affecting or relating to the Purchased Assets are hereby expunged and discharged as against the Purchased Assets.

3. **THIS COURT ORDERS** that upon the registration in the Land Registry Office for the Land Titles Division of Elgin (LRO #11) of an Application for Vesting Order in the form prescribed by the *Land Titles Act* and/or the *Land Registration Reform Act*, the Land Registrar is hereby directed to enter the Purchaser as the owner of the Real Property in fee simple, and is hereby

directed to delete and expunge from title to the Real Property all of the Claims listed in Schedule C hereto.

4. **THIS COURT ORDERS** that for the purposes of determining the nature and priority of Claims, the net proceeds from the sale of the Purchased Assets shall stand in the place and stead of the Purchased Assets, and that from and after the delivery of the Receiver's Certificate all Claims and Encumbrances shall attach to the net proceeds from the sale of the Purchased Assets with the same priority as they had with respect to the Purchased Assets immediately prior to the sale, as if the Purchased Assets had not been sold and remained in the possession or control of the person having that possession or control immediately prior to the sale.

5. **THIS COURT ORDERS AND DIRECTS** the Receiver to file with the Court a copy of the Receiver's Certificate, forthwith after delivery thereof.

6. **THIS COURT ORDERS** that, notwithstanding:

THIS MOTION, made by ~~[RECEIVER'S NAME]~~ Albert Gelman Inc. in its capacity as the Court-appointed receiver (the "Receiver") of the undertaking, property and assets of ~~[DEBTOR]~~ 2694272 Ontario Ltd. (the "Debtor") for an order approving the sale transaction (the "Transaction") contemplated by an agreement of purchase and sale (the "Sale Agreement") between the Receiver and ~~[NAME OF PURCHASER]~~ (the "Black Diamond Trailer Sales Inc. (the 'Purchaser')") dated ~~[DATE]~~ August 14, 2026 and appended to the Report

of the Receiver dated ~~[DATE]~~September 9, 2026 (the ~~"Report"~~), and vesting in the Purchaser the Debtor's right, title and interest in and to the assets described in the Sale Agreement (the ~~"Purchased Assets"~~), including but not limited to the subject real property identified in Schedule A hereto (the "Real Property"), was heard this day ~~at 330 University Avenue, Toronto~~by videoconference Zoom at 80 Dundas Street, London, Ontario, N6A 6K1.

ON READING the Report and on hearing the submissions of counsel for the Receiver; ~~[NAMES OF OTHER PARTIES APPEARING]~~ and for the Applicant, no one appearing for any other person on the service list, although properly served as appears from the affidavit of [NAME] sworn [DATE] filed¹:

1. **THIS COURT ORDERS AND DECLARES** that the Transaction is hereby approved,² and the execution of the Sale Agreement by the Receiver³ is hereby authorized and approved, with such minor amendments as the Receiver may deem necessary. The Receiver is hereby authorized and directed to take such additional steps and execute such additional documents as may be necessary or desirable for the completion of the Transaction and for the conveyance of the Purchased Assets to the Purchaser.

2. **THIS COURT ORDERS AND DECLARES** that upon the delivery of a Receiver's certificate to the Purchaser substantially in the form attached as Schedule ~~A~~B hereto (the ~~"Receiver's"~~"Receiver's Certificate"), all of the ~~Debtor's~~Debtor's right, title and interest in and to the Purchased Assets described in the Sale Agreement ~~[and listed on Schedule B hereto]~~⁴, including the Real Property, shall vest absolutely in the Purchaser, free and clear of and from any and all security interests (whether contractual, statutory, or otherwise), hypothecs, mortgages,

¹~~This model order assumes that the time for service does not need to be abridged. The motion seeking a vesting order should be served on all persons having an economic interest in the Purchased Assets, unless circumstances warrant a different approach. Counsel should consider attaching the affidavit of service to this Order.~~

²~~In some cases, notably where this Order may be relied upon for proceedings in the United States, a finding that the Transaction is commercially reasonable and in the best interests of the Debtor and its stakeholders may be necessary. Evidence should be filed to support such a finding, which finding may then be included in the Court's endorsement.~~

³~~In some cases, the Debtor will be the vendor under the Sale Agreement, or otherwise actively involved in the Transaction. In those cases, care should be taken to ensure that this Order authorizes either or both of the Debtor and the Receiver to execute and deliver documents, and take other steps.~~

⁴~~To allow this Order to be free-standing (and not require reference to the Court record and/or the Sale Agreement), it may be preferable that the Purchased Assets be specifically described in a Schedule.~~

trusts or deemed trusts (whether contractual, statutory, or otherwise), liens, executions, levies, charges, or other financial or monetary claims, whether or not they have attached or been perfected, registered or filed and whether secured, unsecured or otherwise (collectively, the ~~"Claims"~~⁵) including, without limiting the generality of the foregoing: (i) any encumbrances or charges created by the Order of the Honourable Justice ~~[NAME]~~ Kalajdzic dated ~~[DATE]~~ July 24, 2026; (ii) all charges, security interests or claims evidenced by registrations pursuant to the *Personal Property Security Act* (Ontario) or any other personal property registry system; and (iii) those Claims listed on Schedule C hereto (all of which are collectively referred to as the ~~"Encumbrances"~~, which term shall not include the permitted encumbrances, easements and restrictive covenants listed on Schedule D) and, for greater certainty, this Court orders that all of the Encumbrances affecting or relating to the Purchased Assets are hereby expunged and discharged as against the Purchased Assets.

3. **THIS COURT ORDERS** that upon the registration in the Land Registry Office for the ~~[Registry Division of {LOCATION} of a Transfer/Deed of Land in the form prescribed by the Land Registration Reform Act duly executed by the Receiver]~~ Land Titles Division of ~~{LOCATION}~~ Elgin (LRO #11) of an Application for Vesting Order in the form prescribed by the *Land Titles Act* and/or the *Land Registration Reform Act*⁶, the Land Registrar is hereby directed to enter the Purchaser as the owner of the ~~subject real property identified in Schedule B hereto (the "Real Property")~~ in fee simple, and is hereby directed to delete and expunge from title to the Real Property all of the Claims listed in Schedule C hereto.

4. **THIS COURT ORDERS** that for the purposes of determining the nature and priority of Claims, the net proceeds⁷ from the sale of the Purchased Assets shall stand in the place and stead of the Purchased Assets, and that from and after the delivery of the ~~Receiver's~~ Receiver's Certificate all Claims and Encumbrances shall attach to the net proceeds from the sale of the Purchased Assets

⁵The "Claims" being vested out may, in some cases, include ownership claims, where ownership is disputed and the dispute is brought to the attention of the Court. Such ownership claims would, in that case, still continue as against the net proceeds from the sale of the claimed asset. Similarly, other rights, titles or interests could also be vested out, if the Court is advised what rights are being affected, and the appropriate persons are served. It is the Subcommittee's view that a non-specific vesting out of "rights, titles and interests" is vague and therefore undesirable.

⁶Elect the language appropriate to the land registry system (Registry vs. Land Titles).

⁷The Report should identify the disposition costs and any other costs which should be paid from the gross sale proceeds, to arrive at "net proceeds".

with the same priority as they had with respect to the Purchased Assets immediately prior to the sale⁸, as if the Purchased Assets had not been sold and remained in the possession or control of the person having that possession or control immediately prior to the sale.

5. **THIS COURT ORDERS AND DIRECTS** the Receiver to file with the Court a copy of the ~~Receiver's~~Receiver's Certificate, forthwith after delivery thereof.

~~6. THIS COURT ORDERS that, pursuant to clause 7(3)(c) of the Canada Personal Information Protection and Electronic Documents Act, the Receiver is authorized and permitted to disclose and transfer to the Purchaser all human resources and payroll information in the Company's records pertaining to the Debtor's past and current employees, including personal information of those employees listed on Schedule "•" to the Sale Agreement. The Purchaser shall maintain and protect the privacy of such information and shall be entitled to use the personal information provided to it in a manner which is in all material respects identical to the prior use of such information by the Debtor.~~

6. ~~7.~~ **THIS COURT ORDERS** that, notwithstanding:

- (a) the pendency of these proceedings;
- (b) any applications for a bankruptcy order now or hereafter issued pursuant to the *Bankruptcy and Insolvency Act* (Canada) in respect of the Debtor and any bankruptcy order issued pursuant to any such applications; and

the vesting of the Purchased Assets in the Purchaser pursuant to this Order shall be binding on any trustee in bankruptcy that may be appointed in respect of the Debtor and shall not be void or voidable by creditors of the Debtor, nor shall it constitute nor be deemed to be a fraudulent preference, assignment, fraudulent conveyance, transfer at undervalue, or other reviewable transaction under the *Bankruptcy and Insolvency Act* (Canada) or any other applicable federal or
